GENERAL APPLICATION INFORMATION

This is an application for a preliminary public report for a mobilehome park conversion wherein the subdivider has or intends to apply for financing through the Mobilehome Park Resident Ownership Program (MPROP), Department of Housing of Community Development, as authorized by Chapter 11 of Part 2, Division 31 of the Health and Safety Code. This application does not constitute a notice of intention for a final public report.

A preliminary public report must be obtained before a subdivider may advertise or take reservations on subdivision interests, or solicit mobilehome park tenants as required per the MPROP application process. A final public report must be obtained before any subdivision interest may be sold or leased.

If all filing requirements are met a preliminary public report will normally be issued within 14 days after receipt of the application.
