

TITLE 10. CALIFORNIA DEPARTMENT OF REAL ESTATE
NOTICE OF MODIFICATIONS TO TEXT OF
PROPOSED REGULATIONS AND ADDITION OF DOCUMENTS TO THE
RULEMAKING FILE ON
PETITION PROCESS FOR WEBSITE DISCIPLINE INFORMATION REMOVAL
Title 10, California Code of Regulations, Section 2915

December 19, 2018

Pursuant to the requirements of Government Code Section 11346.8(c) and section 44 of Title 1 of the California Code of Regulations, the Department of Real Estate (“DRE”) is providing notice of additional changes made to the proposed adoption in the Regulations of the Real Estate Commissioner, Title 10, California Code of Regulations, Section 2915. The proposal was originally published on February 16, 2018 for a 45-day comment period, and a further 15-day comment period started on August 22, 2018.

The changes from the prior version of this proposal are in response to comments received during the prior public comment periods on this proposal, suggestions from the Office of Administrative Law, and this agency’s return to department status on July 1, 2018. That status change from bureau to department is reflected in the language of the proposal, and in an updated version of the Live Scan Service Request, Form RE 237, which is referenced in the proposed regulation. Because that form is modeled on the form provided by the Department of Justice (Live Scan Request Form BCIA 8016), the only changes made to this form involve the change from bureau to department status and a new revision date.

Pursuant to Government Code Section 11347.1, DRE is also adding a document to the rulemaking file, entitled Supplement to the Initial Statement of Reasons (“Supplement”). The materials for this comment period include the Supplement. The Supplement describes the changes to the proposed regulation made since the original published version and the rationale for those changes.

If you have any comments regarding the proposed changes reflected in this draft or the Supplement, DRE will accept written comments between December 20, 2018, and January 4, 2019. Please limit your comments to the modifications to the text, reflected in double-strikethrough and double-underline markings, or to the Supplement information. All written comments must be submitted to DRE no later than 5:00 PM on January 4, 2019, and addressed to:

All written comments received by January 4, 2019, which pertain to the indicated changes or Supplement will be reviewed and responded to by DRE staff as part of the compilation of the rulemaking file. Again, please limit your comments to the modifications to the proposal or Supplement.
