

PETITION APPLICATION FORM AND CHECKLIST
(REINSTATEMENT OR REMOVAL OF RESTRICTIONS)

RE 506 (Rev. 8/22)

HEARING NUMBER

H -

GENERAL INFORMATION

- ❖ Please read all instructions before completing this form. All petition applications must be accompanied by the petition fee (\$800) and one set of classifiable fingerprints submitted on a completed Live Scan Service Request form (RE 237). This form may be used to petition for reinstatement, or removal of restrictions.
- ❖ Once your application has been received, a background investigation will be conducted to determine if the applicable standard(s) has been met for granting the petition. If your petition is granted, an order will be provided setting forth the terms and conditions you will need to complete to obtain your license. In some circumstances, you may be required to again qualify for, take, and pass the appropriate real estate exam. This means that you must meet all requirements that are currently in effect at the time of application for the license.

This form covers:

- ❖ Petitioning for Reinstatement - A petition for reinstatement indicates that the license was issued on a plenary status (without restrictions) and the Department took disciplinary actions that resulted in either an outright revocation of the license or the issuance of a restricted license; thus the licensee is attempting to "reinstate" the license back to the original state. A petition to reinstate is also necessary when

the Commissioner has accepted a voluntary surrender of the license. (Refer to applicable Criteria for Rehabilitation found on pages 12 & 13.)

- ❖ Petition for Removal of Restrictions - A petition for removal of restrictions indicates that the license was issued on a restricted status from the onset and is petitioning to remove these restrictions so that the license would come into plenary status (without restrictions). (Refer to applicable Criteria for Rehabilitation Regulation 2911 found on page 12.)

The information requested in this form is primarily used for the purpose of aiding the Commissioner in evaluating the fitness of a Petitioner with respect to the licensing matter at hand and may be used as an admission of the facts in an action brought to deny a Petition.

This information may be released as evidence at a hearing in Superior Court or to other governmental entities including law enforcement agencies.

2911. Criteria for Rehabilitation (Denial)

- (a) The following criteria have been developed and will be considered by the Bureau pursuant to Section 482 of the Business and Professions Code for the purpose of evaluating whether or not an applicant is rehabilitated for purposes of issuance or for reinstatement of a license:
- (1) The time that has elapsed since commission of the act(s) or offense(s):
 - (A) The passage of less than two years after the most recent criminal conviction or act of the applicant that is a cause of action in the Bureau's Statement of Issues against the applicant is inadequate to demonstrate rehabilitation.
 - (B) Notwithstanding subdivision (a)(1)(A), above, the two year period may be increased based upon consideration of the following:
 - (i) The nature and severity of the crime(s) and/or act(s) committed by the applicant
 - (ii) The applicant's history of criminal convictions and/or license discipline that are "substantially related" to the qualifications, functions, or duties of a real estate licensee. However, no rehabilitation shall be required where the sole proven basis or bases for denial of an application is an expunged conviction as described in Business and Professions Code Section 480(c).
 - (2) Restitution to any person who has suffered monetary losses through "substantially related" acts or omissions of the applicant, or escheat to the State of these monies or other properties if the victim(s) cannot be located.
 - (3) Expungement of criminal convictions.
 - (4) Expungement or discontinuance of a requirement of registration pursuant to the provisions of Section 290 of the Penal Code.
 - (5) Successful completion or early discharge from probation or parole.
 - (6) Abstinence from the use of controlled substances and/or alcohol for not less than two years if the conduct which is the basis to deny the Bureau action sought is attributable in part to the use of controlled substances and/or alcohol.
 - (7) Payment of the fine and/or other monetary penalty imposed in connection with a criminal conviction or quasi-criminal judgment.
 - (8) Stability of family life and fulfillment of parental and familial responsibilities subsequent to the conviction or conduct that is the basis for denial of the Bureau action sought.
 - (9) Completion of, or sustained enrollment in, formal education or vocational training courses for economic self-improvement.
 - (10) Discharge of, or bona fide efforts toward discharging, adjudicated debts or monetary obligations to others.
- (11) Correction of business practices resulting in injury to others or with the potential to cause such injury.
 - (12) Significant or conscientious involvement in community, church or privately-sponsored programs designed to provide social benefits or to ameliorate social problems.
 - (13) New and different social and business relationships from those which existed at the time of the conduct that is the basis for denial of the Bureau action sought.
 - (14) Change in attitude from that which existed at the time of the conduct in question as evidenced by the following:
 - (A) Testimony and/or other evidence of rehabilitation submitted by the applicant.
 - (B) Evidence from family members, friends and/or other persons familiar with applicant's previous conduct and with his or her subsequent attitudes and/or behavioral patterns.
 - (C) Evidence from probation or parole officers and/or law enforcement officials competent to testify as to applicant's social adjustments.
 - (D) Evidence from psychiatrists or other persons competent to testify with regard to neuropsychiatric or emotional disturbances.
 - (E) Absence of subsequent felony convictions, misdemeanor convictions, or other conduct that provides grounds to discipline a real estate licensee, which reflect an inability to conform to societal rules when considered in light of the conduct in question.
- (b) The SAFE Act, commencing with section 10166.01 of the Business and Professions Code, imposes specific conditions that apply to applications for a mortgage loan originator license endorsement. Each of the above criteria notwithstanding, no mortgage loan originator license endorsement shall be issued to an applicant for such license endorsement where the applicant:
- (1) Has been convicted of any felony during the seven year period preceding the date of his or her application for a license endorsement. This ban is not subject to mitigation or rehabilitation unless the felony conviction has been expunged or pardoned, or unless the real estate licensee has obtained a certificate of rehabilitation under Chapter 3.5 (commencing with Section 4852.01) of Title 6 of Part 3 of the Penal Code.
 - (2) Has ever been convicted of a felony where such felony involved an act of fraud, dishonesty, a breach of trust, or money laundering. This ban is not subject to mitigation or rehabilitation unless the felony conviction has been expunged or pardoned, or unless the real estate licensee has obtained a certificate of rehabilitation under Chapter 3.5 (commencing with Section 4852.01) of Title 6 of Part 3 of the Penal Code.

2912. Criteria for Rehabilitation (Revocation or Suspension)

The following criteria have been developed and will be considered by the Bureau pursuant to Section 482 of the Business and Professions Code for the purpose of evaluating whether or not a licensee against whom an administrative disciplinary proceeding for revocation or suspension of the license has been initiated on account of a crime committed by the licensee is rehabilitated:

- (a) The time that has elapsed since commission of the act(s) or offense(s):
 - (1) The passage of less than two years after the most recent criminal conviction or act of the licensee that is a cause of action in the Bureau's Accusation against the licensee is inadequate to demonstrate rehabilitation.
 - (2) Notwithstanding subdivision (a)(1), above, the two year period may be increased based upon consideration of the following:
 - (A) The nature and severity of the crime(s) and/or act(s) committed by the licensee.
 - (B) The licensee's history of criminal convictions and/or license discipline that are "substantially related" to the qualifications, functions, or duties of a real estate licensee.
- (b) Restitution to any person who has suffered monetary losses through "substantially related" acts or omissions of the licensee, or escheat to the State of these monies or other properties if the victim(s) cannot be located.
- (c) Expungement of the conviction(s) which culminated in the administrative proceeding to take disciplinary action.
- (d) Expungement or discontinuance of a requirement of registration pursuant to the provisions of Section 290 of the Penal Code.
- (e) Successful completion or early discharge from probation or parole.
- (f) Abstinence from the use of controlled substances and/or alcohol for not less than two years if the criminal conviction was attributable in part to the use of a controlled substance and/or alcohol.
- (g) Payment of any fine imposed in connection with the criminal conviction that is the basis for revocation or suspension of the license.
- (h) Correction of business practices responsible in some degree for the crime or crimes of which the licensee was convicted.
- (i) New and different social and business relationships from those which existed at the time of the commission of the acts that led to the criminal conviction or convictions in question.
- (j) Stability of family life and fulfillment of parental and familial responsibilities subsequent to the criminal conviction.
- (k) Completion of, or sustained enrollment in, formal educational or vocational training courses for economic self-improvement.
- (l) Significant and conscientious involvement in community, church or privately-sponsored programs designed to provide social benefits or to ameliorate social problems.
- (m) Change in attitude from that which existed at the time of the commission of the criminal acts in question as evidenced by any or all of the following:
 - (1) Testimony and/or other evidence of rehabilitation submitted by the licensee.
 - (2) Evidence from family members, friends and/or other persons familiar with the licensee's previous conduct and with subsequent attitudes and/or behavioral patterns.
 - (3) Evidence from probation or parole officers and/or law enforcement officials competent to testify as to licensee's social adjustments.
 - (4) Evidence from psychiatrists, clinical psychologists, sociologists or other persons competent to testify with regard to neuropsychiatric or emotional disturbances.
 - (5) Absence of subsequent felony convictions, misdemeanor convictions, or other conduct that provides grounds to discipline a real estate licensee, which reflect an inability to conform to societal rules when considered in light of the conduct in question.
