### GENERAL APPLICATION INFORMATION

This is an application for a preliminary public report for either a common interest or standard subdivision. It does not constitute a notice of intention for a final public report.

A preliminary public report must be obtained before a subdivider may advertise or take reservations on subdivision interests. A final public report must be obtained before any subdivision interest may be sold or leased.

A preliminary (interim) public report is a preliminary public report issued for an amendment or renewal filing.

A preliminary or preliminary (interim) public report is valid for one year, but expires sooner if a final or amended public report is issued before that time.

If all filing requirements are met, a preliminary public report will normally be issued within 14 days after receipt of the application.

### HOW TO APPLY — WHAT TO SUBMIT

To obtain a preliminary public report, complete and submit the following forms to the appropriate Department of Real Estate Subdivision Office (refer to “Where to File Your Application” on page 2).

#### **Application Submittal (Preliminary Public Report) (RE 603A)**

Complete information under “Public Report Information.” Check the appropriate boxes in the “Items Submitted” column that correspond to each item enclosed.

All items with an asterisk (\*) *must* be submitted before your file will be accepted. Submit any additional documents that are applicable.

If any of the items are deficient, DRE will check the box in the “Deficient” column, add comments if necessary, and return the form for corrections to the single responsible party (SRP) shown on the application.

#### **Preliminary Public Report Application (RE 603B)**

Submit the original and one additional copy of page 1.

- a) Answer all questions in the application. If an item is not applicable, state NA.

- b) *Item #5 (Single Responsible Party)* - Only one individual may be listed as the single responsible party (SRP). This individual may be contacted to answer any questions and will receive the preliminary public report when issued. Do not request that correspondence or extra copies of the public report be sent to other parties. In addition, copies of all written communications to the SRP will be sent to the subdivider.

*Last Item (Certification)* – The certification states that all representations made in the application, including all exhibits, are true, accurate and complete.

#### **Filing Fee**

Submit a cashier's check, money order or check payable to Department of Real Estate. **Do not send cash.** Refer to Credit Card Payment (RE 909) for credit card payment information. Attach check or RE 909 to the photocopy of page 1 of RE 603B. Check is unacceptable if six months or older from issuance date. If more than 120 days old, the check must be accompanied by a letter from the bank stating that the funds are available and that the check will be honored when presented.

Filing fees include the basic filing fee and preliminary public report fee, plus a lot/unit fee for each lot/unit to be covered by this preliminary public report. For a Preliminary Public Report (Interim), include amendment or renewal fee. Refer to Subdivision Filing Fees (RE 605) to calculate the appropriate fee.

The Laws and Regulations of the Real Estate Commissioner require that you as a prospective purchaser or lessee be afforded an opportunity to read the public report for this subdivision before you make any written offer to purchase or lease a subdivision interest or before any money or other consideration toward purchase or lease of a subdivision interest is accepted from you.

In the case of a preliminary or interim public report, you must be afforded an opportunity to read the public report before a written reservation or any deposit in connection therewith is accepted from you.

In the case of a conditional public report, delivery of legal title or other interest contracted for will not take place until issuance of a final subdivision public report .
