484. No person applying for licensure under this code shall be required to submit to any licensing board any attestation by other persons to his good moral character.

Procedure by Board Upon Denial of Application for License

485. Upon denial of an application for a license under this chapter or Section 496, the board shall do either of the following:

(a) File and serve a statement of issues in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code.

(b) Notify the applicant that the application is denied, stating (1) the reason for the denial, and (2) that the applicant has the right to a hearing under Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the

Government Code if written request for hearing is made within 60 days after service of the notice of denial. Unless written request for hearing is made within the 60-day period, the applicant's right to a hearing is deemed waived.

Service of the notice of denial may be made in the manner authorized for service of summons in civil actions, or by registered mail addressed to the applicant at the latest address filed by the applicant in writing with the board in his or her application or otherwise. Service by mail is complete on the date of mailing.

Reapplication – Informing Applicant of Requirements

486. Where the board has denied an application for a license under this chapter or Section 496, it shall, in its decision, or in its notice under subdivision (b) of Section 485, inform the applicant of the following:

(a) The earliest date on which the applicant may reapply for a license which shall be one year from the effective date of the decision, or service of the notice under subdivision (b) of Section 485, unless the board prescribes an earlier date or a later date is prescribed by another statute.

(b) That all competent evidence of rehabilitation presented will be considered upon a reapplication.

Along with the decision, or the notice under subdivision (b) of Section 485, the board shall serve a copy of the criteria relating to rehabilitation formulated under Section 482.

Hearing

487. If a hearing is requested by the applicant, the board shall conduct such hearing within 90 days from the date the hearing is requested unless the applicant shall request or agree in writing to a postponement or continuance of the hearing. Notwithstanding the above, the Office of Administrative Hearings may order, or on a showing of good cause, grant a request for, up to 45 additional days within which to conduct a hearing, except in cases involving alleged examination or licensing fraud, in which cases the period may be up to 180 days. In no case shall more than two such orders be made or requests be granted.

Available Actions after Hearing

488. (a) Except as otherwise provided by law, following a hearing requested by an applicant pursuant to subdivision (b) of Section 485, the board may take any of the following actions:

(1) Grant the license effective upon completion of all licensing requirements by the applicant.

(2) Grant the license effective upon completion of all licensing requirements by the applicant, immediately revoke the license, stay the revocation, and impose probationary conditions on the license, which may include suspension.

(3) Deny the license.

(4) Take other action in relation to denying or granting the license as the board in its discretion may deem proper.

(b) This section does not in any way modify or otherwise affect the existing authority of the following entities in regard to licensure:

(1) The State Athletic Commission.

(2) The Bureau for Private Postsecondary Education.

(3) The California Horse Racing Board.

(c) This section shall become operative on July 1, 2020.

Denial for Same Reason – Within One Year

489. Any agency in the department which is authorized by law to deny an application for a license upon the grounds specified in Section 480 or 496, may without a hearing deny an application upon any of those grounds, if within one year previously, and after proceedings conducted in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code, that agency has denied an application from the same applicant upon the same ground.

Conviction of Crime – Relationship of Crime to Licensed Activity

490. (a) In addition to any other action that a board is permitted to take against a licensee, a board may suspend or revoke a license on the

ground that the licensee has been convicted of a crime, if the crime is substantially related to the qualifications, functions, or duties of the business or profession for which the license was issued.

(b) Notwithstanding any other provision of law, a board may exercise any authority to discipline a licensee for conviction of a crime that is independent of the authority granted under subdivision (a) only if the crime is substantially related to the qualifications, functions, or duties of the business or profession for which the licensee's license was issued.

(c) A conviction within the meaning of this section means a plea or verdict of guilty or a conviction following a plea of nolo contendere. An action that a board is permitted to take following the establishment of a conviction may be taken when the time for appeal has elapsed, or the judgment of conviction has been affirmed on appeal, or when an order granting probation is made suspending the imposition of sentence, irrespective of a subsequent order under Section 1203.4 of the Penal Code.

(d) The Legislature hereby finds and declares that the application of this section has been made unclear by the holding in *Petropoulos v. Department of Real Estate* (2006) 142 Cal.App.4th 554, and that the holding in that case has placed a significant number of statutes and regulations in question, resulting in potential harm to the consumers of California from licensees who have been convicted of crimes. Therefore, the Legislature finds and declares that this section establishes an independent basis for a board to impose discipline upon a licensee, and that the amendments to this section made by Chapter 33 of the Statutes of 2008 do not constitute a change to, but rather are declaratory of, existing law.

License Suspension for Failure to Pay Child Support

490.5. A board may suspend a license pursuant to Section 17520 of the Family Code if a licensee is not in compliance with a child support order or judgment.

Information to Ex-Licensee

491. Upon suspension or revocation of a license by a board on one or more of the grounds specified in Section 490, the board shall:

- (a) Send a copy of the provisions of Section 11522 of the Government Code to the ex-licensee.
- (b) Send a copy of the criteria relating to rehabilitation formulated under Section 482 to the ex-licensee.

Substantially Related Crime – Inquiry Beyond Fact of Conviction

493. (a) Notwithstanding any other law, in a proceeding conducted by a board within the department pursuant to law to deny an application for a license or to suspend or revoke a license or otherwise take disciplinary action against a person who holds a license, upon the ground that the applicant or the licensee has been convicted of a crime substantially related to the qualifications, functions, and duties of the licensee in question, the record of conviction of the crime shall be conclusive evidence of the fact that the conviction occurred, but only of that fact.

- (b) (1) Criteria for determining whether a crime is substantially related to the qualifications, functions, or duties of the business or profession the board regulates shall include all of the following:

- (A) The nature and gravity of the offense.
- (B) The number of years elapsed since the date of the offense.
- (C) The nature and duties of the profession.

- (2) A board shall not categorically bar an applicant based solely on the type of conviction without considering evidence of rehabilitation.

(c) As used in this section, “license” includes “certificate,” “permit,” “authority,” and “registration.”

(d) This section does not in any way modify or otherwise affect the existing authority of the following entities in regard to licensure:

- (1) The State Athletic Commission.
- (2) The Bureau for Private Postsecondary Education.
- (3) The California Horse Racing Board.

(e) This section shall become operative on July 1, 2020.

Interim Suspension

494. (a) A board or an administrative law judge sitting alone, as provided in subdivision (h), may, upon petition, issue an interim order suspending any licentiate or imposing license restrictions, including, but not limited to, mandatory biological fluid testing, supervision, or remedial training. The petition shall include affidavits that demonstrate, to the satisfaction of the board, both of the following:

- (1) The licentiate has engaged in acts or omissions constituting a violation of this code or has been convicted of a crime substantially related to the licensed activity.
- (2) Permitting the licentiate to continue to engage in the licensed activity, or permitting the licentiate to continue in the licensed activity without restrictions, would endanger the public health, safety, or welfare.

(b) No interim order provided for in this section shall be issued without notice to the licentiate unless it appears from the petition and supporting documents that serious injury would result to the public before the matter could be heard on notice.

(c) Except as provided in subdivision (b), the licentiate shall be given at least 15 days' notice of the hearing on the petition for an interim order. The notice shall include documents submitted to the board in support of the petition. If the order was initially issued without notice as provided in subdivision (b), the licentiate shall be entitled to a hearing on the petition within 20 days of the issuance of the interim order without notice. The licentiate shall be given notice of the hearing within two days after issuance of the initial interim order, and shall receive all documents in support of the petition. The failure of the board to provide a hearing within 20 days following the issuance of the interim order without notice, unless the licentiate waives his or her right to the

hearing, shall result in the dissolution of the interim order by operation of law.

(d) At the hearing on the petition for an interim order, the licentiate may:

- (1) Be represented by counsel.
- (2) Have a record made of the proceedings, copies of which shall be available to the licentiate upon payment of costs computed in accordance with the provisions for transcript costs for judicial review contained in Section 11523 of the Government Code.
- (3) Present affidavits and other documentary evidence.
- (4) Present oral argument.

(e) The board, or an administrative law judge sitting alone as provided in subdivision (h), shall issue a decision on the petition for interim order within five business days following submission of the matter. The standard of proof required to obtain an interim order pursuant to this section shall be a preponderance of the evidence standard. If the interim order was previously issued without notice, the board shall determine whether the order shall remain in effect, be dissolved, or modified.

(f) The board shall file an accusation within 15 days of the issuance of an interim order. In the case of an interim order issued without notice, the time shall run from the date of the order issued after the noticed hearing. If the licentiate files a Notice of Defense, the hearing shall be held within 30 days of the agency's receipt of the Notice of Defense. A decision shall be rendered on the accusation no later than 30 days after submission of the matter.

Failure to comply with any of the requirements in this subdivision shall dissolve the interim order by operation of law.

(g) Interim orders shall be subject to judicial review pursuant to Section 1094.5 of the Code of Civil Procedure and shall be heard only in the superior court in and for the Counties of Sacramento, San Francisco, Los Angeles, or San Diego. The review of an interim order shall be limited to a determination of whether the board

abused its discretion in the issuance of the interim order. Abuse of discretion is established if the respondent board has not proceeded in the manner required by law, or if the court determines that the interim order is not supported by substantial evidence in light of the whole record.

(h) The board may, in its sole discretion, delegate the hearing on any petition for an interim order to an administrative law judge in the Office of Administrative Hearings. If the board hears the noticed petition itself, an administrative law judge shall preside at the hearing, rule on the admission and exclusion of evidence, and advise the board on matters of law. The board shall exercise all other powers relating to the conduct of the hearing but may delegate any or all of them to the administrative law judge. When the petition has been delegated to an administrative law judge, he or she shall sit alone and exercise all of the powers of the board relating to the conduct of the hearing. A decision issued by an administrative law judge sitting alone shall be final when it is filed with the board.

If the administrative law judge issues an interim order without notice, he or she shall preside at the noticed hearing, unless unavailable, in which case another administrative law judge may hear the matter. The decision of the administrative law judge sitting alone on the petition for an interim order is final, subject only to judicial review in accordance with subdivision (g).

(i) Failure to comply with an interim order issued pursuant to subdivision (a) or (b) shall constitute a separate cause for disciplinary action against any licensee, and may be heard at, and as a part of, the noticed hearing provided for in subdivision (f).

Allegations of noncompliance with the interim order may be filed at any time prior to the rendering of a decision on the accusation.

Violation of the interim order is established upon proof that the licensee was on notice of the interim order and its terms, and that the order was in effect at the time of the violation. The finding of a violation of an interim order made at the hearing on the accusation shall be reviewed as a

part of any review of a final decision of the agency.

If the interim order issued by the agency provides for anything less than a complete suspension of the licensee from his or her business or profession, and the licensee violates the interim order prior to the hearing on the accusation provided for in subdivision (f), the agency may, upon notice to the licensee and proof of violation, modify or expand the interim order.

(j) A plea or verdict of guilty or a conviction after a plea of nolo contendere is deemed to be a conviction within the meaning of this section. A certified record of the conviction shall be conclusive evidence of the fact that the conviction occurred. A board may take action under this section notwithstanding the fact that an appeal of the conviction may be taken.

(k) The interim orders provided for by this section shall be in addition to, and not a limitation on, the authority to seek injunctive relief provided in any other provision of law.

(l) In the case of a board, a petition for an interim order may be filed by the executive officer. In the case of a bureau or program, a petition may be filed by the chief or program administrator, as the case may be.

(m) "Board," as used in this section, shall include any agency described in Section 22, and any allied health agency within the jurisdiction of the Medical Board of California. Board shall also include the Osteopathic Medical Board of California and the State Board of Chiropractic Examiners. The provisions of this section shall not be applicable to the Medical Board of California, the Board of Podiatric Medicine, or the State Athletic Commission.

License Denial or Suspension for Delinquent Taxes.

494.5. (a) (1) Except as provided in paragraphs (2), (3), and (4), a state governmental licensing entity shall refuse to issue, reactivate, reinstate, or renew a license and shall suspend a license if a licensee's name is included on a certified list.

(2) The Department of Motor Vehicles shall suspend a license if a licensee's name is

included on a certified list. Any reference in this section to the issuance, reactivation, reinstatement, renewal, or denial of a license shall not apply to the Department of Motor Vehicles.

(3) The State Bar of California may recommend to refuse to issue, reactivate, reinstate, or renew a license and may recommend to suspend a license if a licensee's name is included on a certified list. The word "may" shall be substituted for the word "shall" relating to the issuance of a temporary license, refusal to issue, reactivate, reinstate, renew, or suspend a license in this section for licenses under the jurisdiction of the California Supreme Court.

(4) The Department of Alcoholic Beverage Control may refuse to issue, reactivate, reinstate, or renew a license, and may suspend a license, if a licensee's name is included on a certified list.

(b) For purposes of this section:

(1) "Certified list" means either the list provided by the State Board of Equalization or the list provided by the Franchise Tax Board of persons whose names appear on the lists of the 500 largest tax delinquencies pursuant to Section 7063 or 19195 of the Revenue and Taxation Code, as applicable.

(2) "License" includes a certificate, registration, or any other authorization to engage in a profession or occupation issued by a state governmental licensing entity. "License" includes a driver's license issued pursuant to Chapter 1 (commencing with Section 12500) of Division 6 of the Vehicle Code. "License" excludes a vehicle registration issued pursuant to Division 3 (commencing with Section 4000) of the Vehicle Code.

(3) "Licensee" means an individual authorized by a license to drive a motor vehicle or authorized by a license, certificate, registration, or other authorization to engage in a profession or occupation issued by a state governmental licensing entity.

(4) "State governmental licensing entity" means any entity listed in Section 101, 1000, or 19420, the office of the Attorney General, the Department of Insurance, the Department of Motor Vehicles, the State Bar of California, the Department of Real Estate, and any other state agency, board, or commission that issues a license, certificate, or registration authorizing an individual to engage in a profession or occupation, including any certificate, business or occupational license, or permit or license issued by the Department of Motor Vehicles or the Department of the California Highway Patrol. "State governmental licensing entity" shall not include the Contractors State License Board.

(c) The State Board of Equalization and the Franchise Tax Board shall each submit its respective certified list to every state governmental licensing entity. The certified lists shall include the name, social security number or taxpayer identification number, and the last known address of the persons identified on the certified lists.

(d) Notwithstanding any other law, each state governmental licensing entity shall collect the social security number or the federal taxpayer identification number from all applicants for the purposes of matching the names of the certified lists provided by the State Board of Equalization and the Franchise Tax Board to applicants and licensees.

(e) (1) Each state governmental licensing entity shall determine whether an applicant or licensee is on the most recent certified list provided by the State Board of Equalization and the Franchise Tax Board.

(2) If an applicant or licensee is on either of the certified lists, the state governmental licensing entity shall immediately provide a preliminary notice to the applicant or licensee of the entity's intent to suspend or withhold issuance or renewal of the license. The preliminary notice shall be delivered personally or by mail to the applicant's or licensee's last known mailing address on file with the state governmental licensing entity.

within 30 days of receipt of the certified list. Service by mail shall be completed in accordance with Section 1013 of the Code of Civil Procedure.

(A) The state governmental licensing entity shall issue a temporary license valid for a period of 90 days to any applicant whose name is on a certified list if the applicant is otherwise eligible for a license.

(B) The 90-day time period for a temporary license shall not be extended. Only one temporary license shall be issued during a regular license term and the term of the temporary license shall coincide with the first 90 days of the regular license term. A license for the full term or the remainder of the license term may be issued or renewed only upon compliance with this section.

(C) In the event that a license is suspended or an application for a license or the renewal of a license is denied pursuant to this section, any funds paid by the applicant or licensee shall not be refunded by the state governmental licensing entity.

(f) (1) A state governmental licensing entity shall refuse to issue or shall suspend a license pursuant to this section no sooner than 90 days and no later than 120 days of the mailing of the preliminary notice described in paragraph (2) of subdivision (e), unless the state governmental licensing entity has received a release pursuant to subdivision (h). The procedures in the administrative adjudication provisions of the Administrative Procedure Act (Chapter 4.5 (commencing with Section 11400) and Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code) shall not apply to the denial or suspension of, or refusal to renew, a license or the issuance of a temporary license pursuant to this section.

(2) Notwithstanding any other law, if a board, bureau, or commission listed in Section 101,

other than the Contractors State License Board, fails to take action in accordance with this section, the Department of Consumer Affairs shall issue a temporary license or suspend or refuse to issue, reactivate, reinstate, or renew a license, as appropriate.

(g) Notices shall be developed by each state governmental licensing entity. For an applicant or licensee on the State Board of Equalization's certified list, the notice shall include the address and telephone number of the State Board of Equalization, and shall emphasize the necessity of obtaining a release from the State Board of Equalization as a condition for the issuance, renewal, or continued valid status of a license or licenses. For an applicant or licensee on the Franchise Tax Board's certified list, the notice shall include the address and telephone number of the Franchise Tax Board, and shall emphasize the necessity of obtaining a release from the Franchise Tax Board as a condition for the issuance, renewal, or continued valid status of a license or licenses.

(1) The notice shall inform the applicant that the state governmental licensing entity shall issue a temporary license, as provided in subparagraph (A) of paragraph (2) of subdivision (e), for 90 calendar days if the applicant is otherwise eligible and that upon expiration of that time period, the license will be denied unless the state governmental licensing entity has received a release from the State Board of Equalization or the Franchise Tax Board, whichever is applicable.

(2) The notice shall inform the licensee that any license suspended under this section will remain suspended until the state governmental licensing entity receives a release along with applications and fees, if applicable, to reinstate the license.

(3) The notice shall also inform the applicant or licensee that if an application is denied or a license is suspended pursuant to this section, any moneys paid by the applicant or licensee shall not be refunded by the state governmental licensing entity. The state governmental licensing entity shall also

develop a form that the applicant or licensee shall use to request a release by the State Board of Equalization or the Franchise Tax Board. A copy of this form shall be included with every notice sent pursuant to this subdivision.

(h) If the applicant or licensee wishes to challenge the submission of their name on a certified list, the applicant or licensee shall make a timely written request for release to the State Board of Equalization or the Franchise Tax Board, whichever is applicable. The State Board of Equalization or the Franchise Tax Board shall immediately send a release to the appropriate state governmental licensing entity and the applicant or licensee, if any of the following conditions are met:

(1) The applicant or licensee has complied with the tax obligation, either by payment of the unpaid taxes or entry into an installment payment agreement, as described in Section 6832 or 19008 of the Revenue and Taxation Code, to satisfy the unpaid taxes.

(2) The applicant or licensee has submitted a request for release not later than 45 days after the applicant's or licensee's receipt of a preliminary notice described in paragraph (2) of subdivision (e), but the State Board of Equalization or the Franchise Tax Board, whichever is applicable, will be unable to complete the release review and send notice of its findings to the applicant or licensee and state governmental licensing entity within 45 days after the State Board of Equalization's or the Franchise Tax Board's receipt of the applicant's or licensee's request for release. Whenever a release is granted under this paragraph, and, notwithstanding that release, the applicable license or licenses have been suspended erroneously, the state governmental licensing entity shall reinstate the applicable licenses with retroactive effect back to the date of the erroneous suspension and that suspension shall not be reflected on any license record.

(3) The applicant or licensee is unable to pay the outstanding tax obligation due to a current financial hardship. "Financial hardship"

means financial hardship as determined by the State Board of Equalization or the Franchise Tax Board, whichever is applicable, where the applicant or licensee is unable to pay any part of the outstanding liability and the applicant or licensee is unable to qualify for an installment payment arrangement as provided for by Section 6832 or Section 19008 of the Revenue and Taxation Code. In order to establish the existence of a financial hardship, the applicant or licensee shall submit any information, including information related to reasonable business and personal expenses, requested by the State Board of Equalization or the Franchise Tax Board, whichever is applicable, for purposes of making that determination.

(i) An applicant or licensee is required to act with diligence in responding to notices from the state governmental licensing entity and the State Board of Equalization or the Franchise Tax Board with the recognition that the temporary license will lapse or the license suspension will go into effect after 90 days and that the State Board of Equalization or the Franchise Tax Board must have time to act within that period. An applicant's or licensee's delay in acting, without good cause, which directly results in the inability of the State Board of Equalization or the Franchise Tax Board, whichever is applicable, to complete a review of the applicant's or licensee's request for release shall not constitute the diligence required under this section which would justify the issuance of a release. An applicant or licensee shall have the burden of establishing that they diligently responded to notices from the state governmental licensing entity or the State Board of Equalization or the Franchise Tax Board and that any delay was not without good cause.

(j) The State Board of Equalization or the Franchise Tax Board shall create release forms for use pursuant to this section. When the applicant or licensee has complied with the tax obligation by payment of the unpaid taxes, or entry into an installment payment agreement, or establishing the existence of a current financial hardship as defined in paragraph (3) of subdivision (h), the State Board of Equalization

or the Franchise Tax Board, whichever is applicable, shall mail a release form to the applicant or licensee and provide a release to the appropriate state governmental licensing entity. Any state governmental licensing entity that has received a release from the State Board of Equalization and the Franchise Tax Board pursuant to this subdivision shall process the release within five business days of its receipt. If the State Board of Equalization or the Franchise Tax Board determines subsequent to the issuance of a release that the licensee has not complied with their installment payment agreement, the State Board of Equalization or the Franchise Tax Board, whichever is applicable, shall notify the state governmental licensing entity and the licensee in a format prescribed by the State Board of Equalization or the Franchise Tax Board, whichever is applicable, that the licensee is not in compliance and the release shall be rescinded. The State Board of Equalization and the Franchise Tax Board may, when it is economically feasible for the state governmental licensing entity to develop an automated process for complying with this subdivision, notify the state governmental licensing entity in a manner prescribed by the State Board of Equalization or the Franchise Tax Board, whichever is applicable, that the licensee has not complied with the installment payment agreement. Upon receipt of this notice, the state governmental licensing entity shall immediately notify the licensee on a form prescribed by the state governmental licensing entity that the licensee's license will be suspended on a specific date, and this date shall be no longer than 30 days from the date the form is mailed. The licensee shall be further notified that the license will remain suspended until a new release is issued in accordance with this subdivision.

(k) The State Board of Equalization and the Franchise Tax Board may enter into interagency agreements with the state governmental licensing entities necessary to implement this section.

(l) Notwithstanding any other law, a state governmental licensing entity, with the approval of the appropriate department director or governing body, may impose a fee on a licensee whose license has been suspended pursuant to

this section. The fee shall not exceed the amount necessary for the state governmental licensing entity to cover its costs in carrying out the provisions of this section. Fees imposed pursuant to this section shall be deposited in the fund in which other fees imposed by the state governmental licensing entity are deposited and shall be available to that entity upon appropriation in the annual Budget Act.

(m) The process described in subdivision (h) shall constitute the sole administrative remedy for contesting the issuance of a temporary license or the denial or suspension of a license under this section.

(n) Any state governmental licensing entity receiving an inquiry as to the licensed status of an applicant or licensee who has had a license denied or suspended under this section or who has been granted a temporary license under this section shall respond that the license was denied or suspended or the temporary license was issued only because the licensee appeared on a list of the 500 largest tax delinquencies pursuant to Section 7063 or 19195 of the Revenue and Taxation Code. Information collected pursuant to this section by any state agency, board, or department shall be subject to the Information Practices Act of 1977 (Chapter 1 (commencing with Section 1798) of Title 1.8 of Part 4 of Division 3 of the Civil Code). Any state governmental licensing entity that discloses on its internet website or other publication that the licensee has had a license denied or suspended under this section or has been granted a temporary license under this section shall prominently disclose, in bold and adjacent to the information regarding the status of the license, that the only reason the license was denied, suspended, or temporarily issued is because the licensee failed to pay taxes.

(o) Any rules and regulations issued pursuant to this section by any state agency, board, or department may be adopted as emergency regulations in accordance with the rulemaking provisions of the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code). The adoption of these regulations shall be deemed an emergency and

necessary for the immediate preservation of the public peace, health, and safety, or general welfare. The regulations shall become effective immediately upon filing with the Secretary of State.

(p) The State Board of Equalization, the Franchise Tax Board, and state governmental licensing entities, as appropriate, shall adopt regulations as necessary to implement this section.

(q) (1) Neither the state governmental licensing entity, nor any officer, employee, or agent, or former officer, employee, or agent of a state governmental licensing entity, may disclose or use any information obtained from the State Board of Equalization or the Franchise Tax Board, pursuant to this section, except to inform the public of the denial, refusal to renew, or suspension of a license or the issuance of a temporary license pursuant to this section. The release or other use of information received by a state governmental licensing entity pursuant to this section, except as authorized by this section, is punishable as a misdemeanor. This subdivision may not be interpreted to prevent the State Bar of California from filing a request with the Supreme Court of California to suspend a member of the bar pursuant to this section.

(2) A suspension of, or refusal to renew, a license or issuance of a temporary license pursuant to this section does not constitute denial or discipline of a licensee for purposes of any reporting requirements to the National Practitioner Data Bank and shall not be reported to the National Practitioner Data Bank or the Healthcare Integrity and Protection Data Bank.

(3) Upon release from the certified list, the suspension or revocation of the applicant's or licensee's license shall be purged from the state governmental licensing entity's internet website or other publication within three business days. This paragraph shall not apply to the State Bar of California.

(r) If any provision of this section or the application thereof to any person or circumstance is held invalid, that invalidity shall not affect other provisions or applications of this section that can be given effect without the invalid provision or application, and to this end the provisions of this section are severable.

(s) All rights to review afforded by this section to an applicant shall also be afforded to a licensee.

(t) Unless otherwise provided in this section, the policies, practices, and procedures of a state governmental licensing entity with respect to license suspensions under this section shall be the same as those applicable with respect to suspensions pursuant to Section 17520 of the Family Code.

(u) No provision of this section shall be interpreted to allow a court to review and prevent the collection of taxes prior to the payment of those taxes in violation of the California Constitution.

(v) This section shall apply to any licensee whose name appears on a list of the 500 largest tax delinquencies pursuant to Section 7063 or 19195 of the Revenue and Taxation Code on or after July 1, 2012.

Labor Code Violations – Basis for License Discipline

494.6. (a) A business license regulated by this code may be subject to suspension or revocation if the licensee has been determined by the Labor Commissioner or the court to have violated subdivision (b) of Section 244 of the Labor Code and the court or Labor Commissioner has taken into consideration any harm such a suspension or revocation would cause to employees of the licensee, as well as the good faith efforts of the licensee to resolve any alleged violations after receiving notice.

(b) Notwithstanding subdivision (a), a licensee of an agency within the Department of Consumer Affairs who has been found by the Labor Commissioner or the court to have violated subdivision (b) of Section 244 of the Labor Code may be subject to disciplinary action by his or her respective licensing agency.

(c) An employer shall not be subject to suspension or revocation under this section for requiring a prospective or current employee to submit, within three business days of the first day of work for pay, an I-9 Employment Eligibility Verification form.

Public Reprovals

495. Notwithstanding any other provision of law, any entity authorized to issue a license or certificate pursuant to this code may publicly reprove a licensee or certificate holder thereof, for any act that would constitute grounds to suspend or revoke a license or certificate. Any proceedings for public reproof, public reproof and suspension, or public reproof and revocation shall be conducted in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code, or, in the case of a licensee or certificate holder under the jurisdiction of the State Department of Health Services, in accordance with Section 100171 of the Health and Safety Code.

Examination Security – Penalty for Violating

496. A board may deny, suspend, revoke, or otherwise restrict a license on the ground that an applicant or licensee has violated Section 123 pertaining to subversion of licensing examinations.

License Secured by Fraud, Deceit or Knowing Misrepresentation

498. A board may revoke, suspend, or otherwise restrict a license on the ground that the licensee secured the license by fraud, deceit, or knowing misrepresentation of a material fact or by knowingly omitting to state a material fact.

False Statement in Support of Another Person's Application

499. A board may revoke, suspend, or otherwise restrict a license on the ground that the licensee, in support of another person's application for license, knowingly made a false statement of a material fact or knowingly omitted to state a material fact to the board regarding the application.

Illegal Practice of Law Punishable

6125. No person shall practice law in California unless the person is an active licensee of the State Bar.

[**Note:** The term "to practice law" and equivalent expressions are not confined to appearances in court. They include "legal advice and counsel and the preparation of legal instruments by which such legal rights are secured." It has been held that the *selection and preparation* of a note, mortgage and deed of trust by a broker in an independent loan transaction, in which a fee was charged, was the unlawful practice of law, even though only one transaction was involved. *People v. Sipper*, (1943) 61 C.A. 2d, Supp. 844.]

Penalties

6126. (a) Any person advertising or holding himself or herself out as practicing or entitled to practice law or otherwise practicing law who is not an active licensee of the State Bar, or otherwise authorized pursuant to statute or court rule to practice law in this state at the time of doing so, is guilty of a misdemeanor punishable by up to one year in a county jail or by a fine of up to one thousand dollars (\$1,000), or by both that fine and imprisonment. Upon a second or subsequent conviction, the person shall be confined in a county jail for not less than 90 days, except in an unusual case where the interests of justice would be served by imposition of a lesser sentence or a fine. If the court imposes only a fine or a sentence of less than 90 days for a second or subsequent conviction under this subdivision, the court shall state the reasons for its sentencing choice on the record.

(b) Any person who has been involuntarily enrolled as an inactive licensee of the State Bar, or whose license has been suspended, or has been disbarred, or has resigned from the State Bar with charges pending, and thereafter practices or attempts to practice law, advertises or holds himself or herself out as practicing or otherwise entitled to practice law, is guilty of a crime punishable by imprisonment pursuant to subdivision (h) of Section 1170 of the Penal Code or in a county jail for a period not to exceed six months. However, any person who has been involuntarily enrolled as an inactive licensee of

the State Bar pursuant to paragraph (1) of subdivision (e) of Section 6007 and who knowingly thereafter practices or attempts to practice law, or advertises or holds himself or herself out as practicing or otherwise entitled to practice law, is guilty of a crime punishable by imprisonment pursuant to subdivision (h) of Section 1170 of the Penal Code or in a county jail for a period not to exceed six months.

- (4) Reasonable attorney's fees and costs expended to rectify errors made in the unlawful practice of law.

(5) Prejudgment interest at the legal rate from the date of loss to the date of judgment.

(6) Appropriate equitable relief, including the rescission of sales made in connection with a violation of law.

(b) The relief awarded under paragraphs (1) to (6), inclusive, of subdivision (a) shall be distributed to, or on behalf of, the person for whom it was awarded or, if it is impracticable to do so, shall be distributed as may be directed by the court pursuant to its equitable powers.

(c) The court shall also award the Attorney General, district attorney, or city attorney reasonable attorney's fees and costs and, in the court's discretion, exemplary damages as provided in Section 3294 of the Civil Code.

(d) This section shall not be construed to create, abrogate, or otherwise affect claims, rights, or remedies, if any, that may be held by a person or entity other than those law enforcement agencies described in subdivision (a). The remedies provided in this section are cumulative to each other and to the remedies and penalties provided under other laws.

- (B) The number of violations.
- (C) The length of time over which the misconduct occurred, and the persistence of the misconduct.

The suspension, expiration, or forfeiture by operation of law of a license or certificate of registration issued by the office, or its suspension, forfeiture, or cancellation by order of the office or by order of a court of law, or its surrender without the written consent of the office, shall not, during any period in which it may be renewed, restored, reissued, or reinstated, deprive the office of its authority to institute or continue a disciplinary proceeding against the licensee or registrant upon any ground provided by law or to enter an order suspending or revoking the license or certificate of registration, or otherwise taking disciplinary action against the licensee or registrant on any such ground.

Settlement of Administrative Allegation of Violation

11315.5. Notwithstanding any other provision of law, the office may, at any time the director deems it to be in the public interest, enter into a

settlement of any administrative allegation of violation of this part, or of regulations promulgated pursuant thereto, upon any terms and conditions as the director deems appropriate. Those settlements may include, but are not limited to, a plan for abatement of the violation or rehabilitation or requalification of the applicant, licensed appraiser, course provider, registrant, or person acting in a capacity requiring a license, certificate of registration, or course provider accreditation within a specified time.

Bureau Chief May Assess Fines

11316. (a) The director may assess a fine against a licensee, applicant for licensure, person who acts in a capacity that requires a license under this part, course provider, applicant for course provider accreditation, or a person who, or entity that, acts in a capacity that requires course provider accreditation for violation of this part or any regulations adopted to carry out its purposes.

(b) (1) Failure of a licensee, applicant for licensure, person who acts in a capacity that requires a license under this part, course provider, applicant for course provider accreditation, or a person who, or entity that, acts in a capacity that requires course provider accreditation to pay a fine or make a fine payment within 30 days of the date of assessment shall result in disciplinary action by the office. If a licensee, applicant for licensure, person who acts in a capacity that requires a license under this part, course provider, applicant for course provider accreditation, or a person who, or entity that, acts in a capacity that requires course provider accreditation fails to pay a fine within 30 days, the director shall charge him or her interest and a penalty of 10 percent of the fine or payment amount. Interest shall be charged at the pooled money investment rate.

(2) If a fine is not paid, the full amount of the assessed fine shall be added to any fee for renewal of a license. A license shall not be renewed prior to payment of the renewal fee and fine.

(3) The director may order the full amount of any fine to be immediately due and payable

if any payment on the fine, or portion thereof, is not received within 30 days of its due date.

(4) Any fine, or interest thereon, not paid within 30 days of a final order shall constitute a valid and enforceable civil judgment.

(5) A certified copy of the final order shall be conclusive proof of the validity of the order of payment and the terms of payment.

(c) Any administrative fine or penalty imposed pursuant to this section shall be in addition to any other criminal or civil penalty provided for by law.

(d) Administrative fines collected pursuant to this section shall be deposited in the Real Estate Appraisers Regulation Fund.

Publication of Public Disciplinary Actions

11317. The office shall publish a summary of public disciplinary actions taken by the office, including resignations while under investigation and the violations upon which these actions are based, which shall meet, at a minimum, the requirements of the appraisal subcommittee. The office shall not publish identifying information with respect to private reprovals or letters of warning, which shall remain confidential.

Disclosure of Enforcement Actions

11317.2. (a) (1) In addition to publishing the summary required by Section 11317, the bureau shall provide on the Internet information regarding the status of every license and registration issued by the bureau in accordance with the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1 of the Government Code) and the Information Practices Act of 1977 (Chapter 1 (commencing with Section 1798) of Title 1.8 of Part 4 of Division 3 of the Civil Code). The public information to be provided on the Internet shall include information on suspensions and revocations of licenses and registrations issued by the bureau and accusations filed pursuant to the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code) relative to persons or businesses

subject to licensure, registration, or regulation by the bureau. The information shall not include personal information, including home telephone number, date of birth, or social security number. The bureau shall disclose a licensee's or registrant's address of record. However, the bureau shall allow a licensee or registrant to provide a post office box number or other alternate address, instead of his or her home address, as the address of record. This section shall not preclude the bureau from also requiring a licensee or registrant who has provided a post office box number or other alternative mailing address as his or her address of record to provide a physical business address or residence address only for the bureau's internal administrative use and not for disclosure as the licensee's or registrant's address of record or disclosure on the Internet.

(2) In addition to the information required by subdivision (a), the bureau shall provide, on the Internet, the continuing education course information provided by a licensee when an individual applies for licensure renewal.

(b) The bureau shall not provide on the Internet identifying information with respect to private reprovals or letters of warning, which shall remain confidential.

(c) For purposes of this section, "Internet" has the meaning set forth in paragraph (6) of subdivision (f) of Section 17538.

Criminal or Administrative Action – Report to Bureau

11318. (a) A licensee, applicant for licensure, course provider, or applicant for course provider accreditation shall report to the office, in writing, the occurrence of any of the following events within 30 days of the date he or she has knowledge of any of these events:

(1) The bringing of an indictment or information charging a felony against the licensee, applicant for licensure, course provider, or applicant for course provider accreditation.

(2) The conviction of the licensee, applicant for licensure, course provider, or applicant for course provider accreditation of any felony or misdemeanor.

As used in this section, a conviction includes an initial plea, verdict, or finding of guilty, plea of no contest, or pronouncement of sentence by a trial court even though that conviction may not be final, the sentence may not be imposed, or all appeals may not be exhausted.

(3) The cancellation, revocation, or suspension of a license, other authority to practice, or refusal to renew a license or other authority to practice as an occupational or professional licensee or course provider, by any other regulatory entity.

(4) The cancellation, revocation, or suspension of the right to practice before any governmental body or agency.

(b) The report required by subdivision (a) shall be signed by the licensee, applicant for licensure, course provider, or applicant for course provider accreditation and clearly set forth the facts that constitute the reportable event. The report shall include the title of the matter, court or agency name, docket number, and dates of occurrence of the reportable event.

(c) The licensee, applicant for licensure, course provider, or applicant for course provider accreditation shall also promptly obtain and submit a certified copy of the police or administrative agency's investigative report and certified copies of the court or administrative agency's docket, complaint or accusation, and judgment or other order.

(d) A licensee, applicant for licensure, course provider, or applicant for course provider accreditation shall promptly respond to oral or written inquiries from the office concerning the reportable events.

(e) Failure to make a report required by subdivision (a) shall constitute a cause for discipline or denial of an application.

Standard of Conduct and Performance

11319. (a) Notwithstanding any other provision of this code, except as provided in subdivision (b), the Uniform Standards of Professional Appraisal Practice constitute the minimum standard of conduct and performance for a licensee in any work or service performed that is addressed by those standards. If a licensee also is certified by the Board of Equalization, he or she shall follow the standards established by the Board of Equalization when fulfilling his or her responsibilities for assessment purposes.

(b) Until January 1, 2020, and notwithstanding subdivision (a), a licensee shall not be required to comply with provisions of the Uniform Standards of Professional Appraisal Practice that provide a limitation on restricted appraisal reports to intended users other than or in addition to the client if all of the following are met:

(1) The licensee obtains the consent of the client in advance.

(2) The report the licensee prepares is not related to any of the following:

(A) A federally related real estate transaction.

(B) The purchase or refinance of a residential dwelling of one to four units.

(C) A transaction subject to Section 10232.5.

(3) The report does all of the following:

(A) Clearly identifies all intended users.

(B) States that the opinions and conclusions set forth in the report may not be understood properly without additional information that is in the appraiser's workfile.

(C) States that there may be assumptions that the appraiser has not verified that may significantly impact the appraised value of the subject of the report.

License Suspension Upon Incarceration

11319.2. (a) A license of a licensee or a certificate of a registrant shall be suspended automatically during any time that the licensee or registrant is

incarcerated after conviction of a felony, regardless of whether the conviction has been appealed. The office shall, immediately upon receipt of the certified copy of the record of conviction, determine whether the license of the licensee or certificate of the registrant has been automatically suspended by virtue of the licensee's or registrant's incarceration, and if so, the duration of that suspension. The office shall notify the licensee or registrant in writing of the license or certificate suspension and of his or her right to elect to have the issue of penalty heard as provided in subdivision (d).

(b) If after a hearing before an administrative law judge from the Office of Administrative Hearings it is determined that the felony for which the licensee or registrant was convicted was substantially related to the qualifications, functions, or duties of a licensee or registrant, the director upon receipt of the certified copy of the record of conviction, shall suspend the license or certificate until the time for appeal has elapsed, if no appeal has been taken, or until the judgment of conviction has been affirmed on appeal or has otherwise become final, and until further order of the director.

(c) Notwithstanding subdivision (b), a conviction of a charge of violating any federal statute or regulation or any statute or regulation of this state regulating dangerous drugs or controlled substances, or a conviction of Section 187, 261, 262, or 288 of the Penal Code, shall be conclusively presumed to be substantially related to the qualifications, functions, or duties of a licensee or registrant and no hearing shall be held on this issue. However, upon its own motion or for good cause shown, the director may decline to impose or may set aside the suspension when it appears to be in the interest of justice to do so, with due regard to maintaining the integrity of, and confidence in, the practice regulated by the office.

(d) (1) Discipline may be ordered against a licensee or registrant in accordance with the laws and regulations of the office when the time for appeal has elapsed, the judgment of conviction has been affirmed on appeal, or an order granting probation is made suspending

the imposition of sentence, irrespective of a subsequent order under Section 1203.4 of the Penal Code allowing the person to withdraw his or her plea of guilty and to enter a plea of not guilty, setting aside the verdict of guilty, or dismissing the accusation, complaint, information, or indictment.

(2) The issue of penalty shall be heard by an administrative law judge from the Office of Administrative Hearings. The hearing shall not be had until the judgment of conviction has become final or, irrespective of a subsequent order under Section 1203.4 of the Penal Code, an order granting probation has been made suspending the imposition of sentence, except that a licensee or registrant may, at his or her option, elect to have the issue of penalty decided before those time periods have elapsed. Where the licensee or registrant so elects, the issue of penalty shall be heard in the manner described in subdivision (b) at the hearing to determine whether the conviction was substantially related to the qualifications, functions, or duties of a licensee or registrant. If the conviction of a licensee or registrant who has made this election is overturned on appeal, any discipline ordered pursuant to this section shall automatically cease. Nothing in this subdivision shall prohibit the office from pursuing disciplinary action based on any cause other than the overturned conviction.

(e) The record of the proceedings resulting in a conviction, including a transcript of the testimony in those proceedings, may be received in evidence.

(f) Any other provision of law setting forth a procedure for the suspension or revocation of a license or certificate issued by the office shall not apply to proceedings conducted pursuant to this section.

CHAPTER 3. SCOPE OF PRACTICE

11324. An individual who is not a licensee may assist in the preparation of an appraisal in a federally related transaction under the following conditions:

(a) The assistance is under the direct supervision of an individual who is a licensed appraiser and the final conclusion as to value is made by a licensed appraiser.

(b) The final appraisal document in a federally related transaction is approved and signed, with acceptance of full responsibility, by the supervising individual who is licensed by the state pursuant to this part, identifies the assisting individual, and identifies the scope of work performed by the individual who assisted in preparation of the appraisal in a federally related transaction.

Any registrant, person, or entity receiving a written request from the director for information related to an investigation of prohibited activities shall submit that information to the director or the office within a reasonable period of time, which shall be specified by the director in his or her written request. Any material submitted shall be kept confidential by the director and the office.

The notice shall specify that the applicant's request for a copy of the appraisal must be in writing and that the request must be made within the time specified in subdivision (b) and that the applicant is only entitled to receive the appraisal or appraisals obtained by the lender for the purpose of evaluating the applicant's pending request for an extension of credit. Release of the appraisal to the applicant may be conditioned upon payment of the cost of the appraisal and the cost of duplicating the appraisal.

(g) This section does not apply to appraisals obtained by lenders on property owned by the lender, nor to appraisals obtained by the lender in anticipation of modifying any existing loan agreement if the lender has not charged for the appraisal.

(h) In the case of loans secured by residential real property, compliance with Regulation B (12 CFR Part 202 et seq.) of the Federal Reserve Board is deemed to be compliance with the provisions of this section and Section 10241.3.

DIVISION 6. BUSINESS RIGHTS

CHAPTER 4. SOLICITATIONS FOR FINANCIAL SERVICES

14700. (a) “Lender” as used in this chapter means a bank, savings and loan association, savings bank, credit union, industrial bank, or other lender licensed to make loans in California or a subsidiary or an affiliate of one of those entities.

(b) “Financial services” as used in this chapter means financial services or products that are considered to be financial in nature as described in Section 1843(k) of Title 12 of the United States Code.

14701. (a) No person shall include the name, trade name, logo, or tagline of a lender in a written solicitation for financial services directed to a consumer who has obtained a loan from the lender without the consent of the lender, unless the solicitation clearly and conspicuously states that the person is not sponsored by or affiliated with the lender and that the solicitation is not authorized by the lender, which shall be identified by name. This statement shall be made in close proximity to, and in the same or larger font size as, the first and the most prominent use or uses of the name, trade name, logo, or tagline in the solicitation, including on an envelope or through an envelope window containing the solicitation.

(b) No person shall use the name of a lender or a name similar to that of a lender in a solicitation for financial services directed to consumers if that use could cause a reasonable person to be confused, mistaken, or deceived initially or otherwise as to either of the following:

(1) The lender’s sponsorship, affiliation, connection, or association with the person using the name.

(2) The lender’s approval or endorsement of the person using the name or the person’s services or products.

14702. No person shall include a consumer’s loan number or loan amount, whether or not publicly available, in a solicitation for services or products without the consent of the consumer, unless the solicitation clearly and conspicuously states, when applicable, that the person is not sponsored by or affiliated with the lender and that the solicitation is not authorized by the lender, and states that the consumer’s loan information was not provided to that person by that lender. This statement shall be made in close proximity to, and in the same or larger font as, the first and the most prominent use or uses of the consumer’s loan information in the solicitation, including on an envelope or through an envelope window containing the solicitation.

14703. It is not a violation of this chapter for a person in an advertisement or solicitation for services or products to use the name, trade name, logo, or tagline of a lender without the statement described in subdivision (a) of Section 14701 if that use is exclusively part of a comparison of like services or products in which the person clearly and conspicuously identifies itself or that otherwise constitutes nominative fair use. Nothing in this chapter shall be deemed or interpreted to alter or modify the trade name and trademark laws of this state, including Chapter 2 (commencing with Section 14200) and Chapter 3 (commencing with Section 14400).

14704. (a) A person who violates Section 14701 or 14702 shall be subject to an injunction against that use. In an action to enjoin a violation of subdivision (a) of Section 14701 or Section 14702, it is not necessary to allege or to prove actual damage to the plaintiff, and irreparable harm and interim harm to the plaintiff shall be presumed. In the action to enjoin a violation of subdivision (b) of Section 14701, affidavits that show consumers were confused, mistaken, or deceived as to a matter described in subdivision (b) of Section 14701 is prima facie evidence of damage and injury to the plaintiff. In addition to injunctive relief, the plaintiff is entitled to recover

in the action the amount of the actual damages, if any, it sustained.

(b) The prevailing party in an action brought under this chapter is entitled to recover its costs and reasonable attorney's fees as the court may determine.

17537. (a) It is unlawful for any person to use the term "prize" or "gift" or other similar term in any manner that would be untrue or misleading, including, but not limited to, the manner made unlawful in subdivision (b) or (c).

(3) Any goods or services which must be purchased or leased by the offeree of the gift in order to obtain the gift could have been purchased through the same marketing

channel in which the gift was offered for a lower price without the gift items at or proximate to the time the gift was offered.

(4) The majority of the gift offeror's sales or leases within the preceding year, through the marketing channel in which the gift is offered or through in-person sales at retail outlets, of the type of goods or services which must be purchased or leased in order to obtain the gift item was made in conjunction with the offer of a gift.

Conditions for Receiving Gifts or Prizes Must Be Disclosed

17537.1. (a) It is unlawful for any person, or an employee, agent, or independent contractor employed or authorized by that person, by any means, as part of an advertising plan or program, to offer any incentive as an inducement to the recipient to visit a location, attend a sales presentation, or contact a sales agent in person, by telephone, or by mail, unless the offer clearly and conspicuously discloses in writing, in readily understandable language, all of the information required in paragraphs (1) and (2). If the offer is not initially made in writing, the required disclosures shall be received by the recipient in writing prior to any scheduled visit to a location, sales presentation, or contact with a sales agent. For purposes of this section, the term "incentive" means any item or service of value, including, but not limited to, any prize, gift, money, or other tangible property.

(1) The following disclosures shall appear on the front (or first) page of the offer:

(A) The name and street address of the owner of the real or personal property or the provider of the services which are the subject of the visit, sales presentation, or contact with a sales agent. If the offer is made by an agent or independent contractor employed or authorized by the owner or provider, or is made under a name other than the true name of the owner or provider, the name of the owner or provider shall be more prominently and conspicuously displayed than the name of the agent, independent contractor, or other name.

(B) A general description of the business of the owner or provider identified pursuant to subparagraph (A), and the purpose of any requested visit, sales presentation, or contact with a sales agent, which shall include a general

description of the real or personal property or services which are the subject of the sales presentation and a clear statement, if applicable, that there will be a sales presentation and the approximate duration of the visit and sales presentation.

(C) If the recipient is not assured of receiving any particular incentive, a statement of the odds of receiving each incentive offered or, in the alternative, a clear statement describing the location in the offer where the odds can be found. The odds shall be stated in whole Arabic numbers in a format such as: "1 chance in 100,000" or "1:100,000." The odds and, where applicable, the alternative statement describing their location, shall be printed in a type size that is at least equal to that used for the standard text on the front (or first) page of the offer.

(D) A clear statement, if applicable, that the offer is subject to specific restrictions, qualifications, and conditions and a statement describing the location in the offer where the restrictions, qualifications, and conditions may be found. Both statements shall be printed in a type size that is at least equal to that used for the standard text on the front (or first) page of the offer.

(2) The following disclosures shall appear in the offer, but need not appear on the front (or first) page of the offer:

(A) Unless the odds are disclosed on the front (or first) page of the offer, a statement of the odds of receiving each incentive offered, printed in the size and format set forth in subparagraph (C) of paragraph (1).

(B) All restrictions, qualifications, and other conditions which must be satisfied before the recipient is entitled to receive the incentive, including, but not limited to:

(i) Any deadline by which the recipient must visit the location, attend the sales presentation, or contact the sales agent in order to receive an incentive.

(ii) Any other conditions, such as a minimum age qualification, a financial qualification, or a requirement that if the recipient is married or in a registered domestic partnership, both spouses must be present in order to receive the incentive. Any financial qualifications shall be stated with a specificity sufficient to enable the recipient to reasonably determine his or her eligibility.

(C) A statement that the owner or provider identified pursuant to subparagraph (A) of paragraph (1) reserves the right to provide a raincheck, or a substitute or like incentive, if those rights are reserved.

(D) A statement that a recipient who receives an offered incentive may request and will receive evidence showing that the incentive provided matches the incentive randomly or otherwise selected for distribution to that recipient.

(E) All other rules, terms, and conditions of the offer, plan, or program.

(b) It is unlawful for any person making an offer subject to subdivision (a), or any employee, agent, or independent contractor employed or authorized by that person, to offer any incentive when the person knows or has reason to know that the offered item will not be available in a sufficient quantity based upon the reasonably anticipated response to the offer.

(c) It is unlawful for any person making an offer subject to subdivision (a), or any employee, agent, or independent contractor employed or authorized by that person, to fail to provide any offered incentive which any recipient who has responded to the offer in the manner specified therein, who has performed the requirements disclosed therein, and who has met the

qualifications described therein, is entitled to receive, unless the offered incentive is not reasonably available and the offer discloses the reservation of a right to provide a raincheck, or a like or substitute incentive, if the offered incentive is unavailable.

(d) If the person making an offer subject to subdivision (a) is unable to provide an offered incentive because of limitations of supply, quantity, or quality that were not reasonably foreseeable or controllable by the person making the offer, the person making the offer shall inform the recipient of the recipient's right to receive a raincheck for the incentive offered, unless the person making the offer knows or has reasonable basis for knowing that the incentive will not be reasonably available and shall inform the recipient of the recipient's right to at least one of the following additional options:

(1) The person making the offer will provide a like incentive of equivalent or greater retail value or a raincheck therefor.

(2) The person making the offer will provide a substitute incentive of equivalent or greater retail value.

(3) The person making the offer will provide a raincheck for the like or substitute incentive.

(e) If a raincheck is provided, the person making an offer subject to subdivision (a) shall, within a reasonable time, and in no event later than 80 days, deliver the agreed incentive to the recipient's address without additional cost or obligation to the recipient, unless the incentive for which the raincheck is provided remains unavailable because of limitations of supply, quantity, or quality not reasonably foreseeable or controllable by the person making the offer. In that case, the person making the offer shall, not later than 30 days after the expiration of the 80 days, deliver a like incentive of equal or greater retail value or, if an incentive is not reasonably available to the person making the offer, a substitute incentive of equal or greater retail value.

(f) Upon the request of a recipient who has received or claims a right to receive any offered

incentive, the person making an offer subject to subdivision (a) shall furnish to the person sufficient evidence showing that the incentive provided matches the incentive randomly or otherwise selected for distribution to that recipient.

(g) It is unlawful for any person making an offer subject to subdivision (a), or any employee, agent, or independent contractor employed or authorized by that person, to:

(1) Use any printing styles, graphics, layouts, text, colors, or formats on envelopes or on the offer that imply, create an appearance, or would lead a reasonable person to believe, that the offer originates from or is issued by or on behalf of a government or public agency, public utility, public organization, insurance company, credit reporting agency, bill collecting company, or law firm, unless the same is true.

(2) Misrepresent the size, quantity, identity, value, or qualities of any incentive.

(3) Misrepresent in any manner the odds of receiving any particular incentive.

(4) Represent directly or by implication that the number of participants has been significantly limited or that any person has been selected to receive a particular incentive unless that is the fact.

(5) Label any offer a notice of termination or notice of cancellation.

(6) Misrepresent, in any manner, the offer, plan, or program or the affiliation, connection, association, or contractual relationship between the person making the offer and the owner or provider, if they are not the same.

(h) If the major incentives are awarded or given at random, by the assignment of a number to the incentives, that number shall be actually assigned by the party contractually responsible for doing so. The person making an offer subject to subdivision (a) hereof, or the agent, employee, or independent contractor employed or authorized by that person, if any, shall maintain, for a period of one year after the date the offer is made, the

records that show that the winning numbers or opportunity to receive the major incentives have been deposited in the mail or otherwise made available to recipients in accordance with the odds statement provided pursuant to subparagraph (C) of paragraph (1) of subdivision (a) hereof. The records shall be made available to the Attorney General within 30 days after written request therefor. Postal receipt records, affidavits of mailing, or a list of winners or recipients of the major incentives shall be deemed to satisfy the requirements of this section.

Deceptive and Unfair Trade Practices

17537.2. The following, when used as part of an advertising plan or program defined in Section 17537.1, are deceptive and constitute unfair trade practices:

(a) When, in order to utilize the incentive, the recipient is requested to pay any money to any person or entity named or referred to in the offer, or to purchase, rent, or otherwise pay that person or entity for any product or service including a deposit, whether returnable or not, whether payment is for an item, a service, shipping, handling, insurance or payment for anything.

Notwithstanding the preceding paragraph, when the offered incentive is a certificate or coupon redeemable for transportation, accommodations, recreation, vacation, entertainment, or like services, the offer may place a condition on the use of the incentive which requires the recipient to pay directly to the transportation company, the accommodation, recreation, vacation or entertainment facility, or similar direct provider of like services, a refundable deposit, not to exceed fifty dollars (\$50), to reserve space availability or admission, only if the deposit shall be returned in United States dollars immediately upon the recipient's arrival at the location of the provider to whom the recipient paid the deposit. If the incentive is such a certificate or coupon, and if government-imposed taxes directly related to the service being provided are not included in the incentive, the offer itself, in close proximity to the description of the incentive which is evidenced by the certificate or coupon, shall disclose those government-imposed taxes which will be the recipient's responsibility and the

approximate dollar amount of those taxes. A deposit from the recipient may be collected to cover the cost of those government-imposed taxes.

(b) Stating or implying in the offer that the recipient is one of a selected group to receive a particular incentive or one or more of a group of incentives, without clearly and conspicuously disclosing in close proximity to the statement or implied statement of selection the total number of persons in that select group or the odds of receiving the incentive or incentives. Statements of selection which require such disclosure include such phrases as "you are a finalist," "we are sending this to a limited number of people," "either you or another named person has won the major prize," "if you do not respond, your incentive will be given to someone else."

(c) Stating or implying in the offer that the recipient is likely to receive one or more of the offered incentives because other named people have already received other named incentives, unless the offer clearly and conspicuously discloses in close proximity to the statement the recipient's odds of receiving the identified incentive.

(d) When the solicitation states or implies that the recipient is likely to receive an incentive which has a normal retail price which is higher than that of another named incentive unless that statement is true. For purposes of this section, a list of incentives implies that the incentives are in descending or ascending order of value unless the solicitation clearly and conspicuously negates the implication in close proximity to the list.

(e) Describing an incentive or incentives in an untrue or misleading manner. Untrue or misleading descriptions include those which imply that the incentive being offered is of greater fair market value or of a different kind or nature than a recipient would be led to believe from a reasonable reading of the offer, or which lists the recipient's name in close proximity to a specific incentive unless the offer clearly and conspicuously discloses immediately next to or immediately under or above the recipient's name the recipient's odds of receiving the specific incentive.

(f) Subdivision (a) shall not apply to an incentive constituting an opportunity to stay at a hotel or other resort accommodations at a discount from the standard rate for the hotel or resort accommodations, if all of the following conditions are met:

(1) The fee to utilize the incentive and the requirement, if any, to attend a sales presentation are clearly and conspicuously disclosed in close proximity to the description of the offered incentive.

(2) A statement appears in close proximity to the description of the offered incentive and in substantially the following form: The recipient is responsible for payment of any government-imposed taxes directly related to the service being provided and any personal expenses incurred when utilizing this offer.

(3) The accommodations to be occupied by the recipient of the incentive are within a 20-mile radius of the property on which the accommodations offered for sale are located or, if not within that radius, the accommodations offered for sale are managed and operated by the same person as, an affiliate (as defined in Section 150 of the Corporations Code) of, or a franchisee (as defined in Section 20002) of, the manager and operator of the accommodations to be occupied, and the manager and operator of the accommodations offered for sale or the manager and operator of the accommodations to be occupied is an issuer or subsidiary of an issuer that has a security listed on a national securities exchange, and the exchange has been certified by rule or order of the Commissioner of Business Oversight under subdivision (o) of Section 25100 of the Corporations Code. A subsidiary of an issuer that qualifies under this paragraph does not itself qualify under this paragraph unless not less than 60 percent of the voting power of its shares is owned by the qualifying issuer or issuers.

(4) If the incentive is offered in conjunction with any additional incentive or incentives or as one or more of a group of incentives, the offer of that additional incentive or incentives

shall comply with Section 17537.1 and the following:

(A) The additional incentive or incentives are typically and customarily included in a vacation package and may include, but not be limited to, transportation, dining, entertainment, or recreation.

(B) The fee and additional requirements, if any, to use the additional incentive or incentives are clearly and conspicuously disclosed in close proximity to the description of the offer of them.

Unlawful Advertising – Civil Action

17537.4. If the person making an offer subject to Section 17537 or to subdivision (a) of Section 17537.1, or any employee, agent, or independent contractor employed or authorized by that person, violates any provision of Section 17537, 17537.1, or 17537.2, the recipient of the offer who is damaged by the violation may bring a civil action against the person making the offer for, and may be awarded, treble damages. (2) Nothing in this section shall be construed to impair or impede the rebuttable presumption described in Section 14411.

(b) As used in this chapter, "fictitious business name" means:

(1) In the case of an individual, a name that does not include the surname of the individual or a name that suggests the existence of additional owners, as described in subdivision (c).

(2) In the case of a partnership or other association of persons, other than a limited partnership that has filed a certificate of limited partnership with the California Secretary of State pursuant to Section 15621 or 15902.01 of the Corporations Code, a foreign limited partnership that has filed an application for registration with the California Secretary of State pursuant to Section 15692 or 15909.02 of the Corporations Code, a registered limited liability partnership that has filed a registration pursuant to Section 15049 or 16953 of the Corporations Code, or a foreign limited liability partnership that has filed an application for registration pursuant to Section 15055 or 16959 of the Corporations Code, a name that does not include the surname of each general partner or a name that suggests the existence of additional owners, as described in subdivision (c) and in Section 17901.

(b) No person shall adopt any fictitious business name that includes "Limited Liability Company" or "LLC" or "LC" unless that person is a limited liability company organized pursuant to the laws of this state or some other jurisdiction. A person is not prohibited from using the complete words "Limited" or "Company" or their abbreviations in the person's business name as long as that use does not imply that the person is a limited liability company.

(c) A county clerk shall not accept a fictitious business name statement which would be in violation of this section.

17915. A fictitious business name statement shall be filed with the clerk of the county in which the registrant has his or her principal place of business in this state or, if the registrant has no place of business in this state, with the Clerk of Sacramento County. 17917. (a) Within 30 days after a fictitious business name statement has been filed pursuant to this chapter, the registrant shall cause a statement in the form prescribed by subdivision (a) of Section 17913 to be published pursuant to Section 6064 of the Government Code in a newspaper of general circulation in the county where the fictitious business name statement was filed or, if there is no such newspaper in that county, in a newspaper of general circulation in an adjoining county. A “disabling injury or illness” means an illness or injury which results in a condition meeting the definition of disability set forth in subdivision (b) of Section 54.

(A) For any person who is a qualified permanent resident under this paragraph

whose disabling condition ends, the owner, board of directors, or other governing body may require the formerly disabled resident to cease residing in the development upon receipt of six months’ written notice; provided, however, that the owner, board of directors, or other governing body may allow the person to remain a resident for up to one year after the disabling condition ends.

(B) The owner, board of directors, or other governing body of the senior citizen housing development may take action to prohibit or terminate occupancy by a person who is a qualified permanent resident under this paragraph if the owner, board of directors, or other governing body finds, based on credible and objective evidence, that the person is likely to pose a significant threat to the health or safety of others that cannot be ameliorated by means of a reasonable accommodation; provided, however, that the action to prohibit or terminate the occupancy may be taken only after doing both of the following:

(i) Providing reasonable notice to and an opportunity to be heard for the disabled person whose occupancy is being challenged, and reasonable notice to the coresident parent or grandparent of that person.

(ii) Giving due consideration to the relevant, credible, and objective information provided in the hearing. The evidence shall be taken and held in a confidential manner, pursuant to a closed session, by the owner, board of directors, or other governing body in order to preserve the privacy of the affected persons.

The affected persons shall be entitled to have present at the hearing an attorney or any other person authorized by them to speak on their behalf or to assist them in the matter.

(4) “Senior citizen housing development” means a residential development developed, substantially rehabilitated, or substantially renovated for, senior citizens that has at least 35 dwelling units. Any senior citizen housing development which is required to obtain a public report under Section 11010 of the Business and Professions Code and which submits its application for a public report after July 1, 2001, shall be required to have been issued a public report as a senior citizen housing development under Section 11010.05 of the Business and Professions Code. No housing development constructed prior to January 1, 1985, shall fail to qualify as a senior citizen housing development because it was not originally developed or put to use for occupancy by senior citizens.

(5) “Dwelling unit” or “housing” means any residential accommodation other than a mobilehome.

(6) “Cohabitant” refers to persons who live together as spouses or persons who are domestic partners within the meaning of Section 297 of the Family Code.

(7) “Permitted health care resident” means a person hired to provide live-in, long-term, or terminal health care to a qualifying resident, or a family member of the qualifying resident providing that care. For the purposes of this section, the care provided by a permitted health care resident must be substantial in nature and must provide either assistance with necessary daily activities or medical treatment, or both.

A permitted health care resident shall be entitled to continue his or her occupancy, residency, or use of the dwelling unit as a permitted resident in the absence of the senior citizen from the dwelling unit only if both of the following are applicable:

(A) The senior citizen became absent from the dwelling unit due to hospitalization or other necessary medical treatment and expects to return to his or her residence within 90 days from the date the absence began.

(B) The absent senior citizen or an authorized person acting for the senior citizen submits a written request to the owner, board of directors, or governing board stating that the senior citizen desires that the permitted health care resident be allowed to remain in order to be present when the senior citizen returns to reside in the development.

Upon written request by the senior citizen or an authorized person acting for the senior citizen, the owner, board of directors, or governing board shall have the discretion to allow a permitted health care resident to remain for a time period longer than 90 days from the date that the senior citizen’s absence began, if it appears that the senior citizen will return within a period of time not to exceed an additional 90 days.

(c) The covenants, conditions, and restrictions and other documents or written policy shall set forth the limitations on occupancy, residency, or use on the basis of age. Any such limitation shall not be more exclusive than to require that one person in residence in each dwelling unit may be required to be a senior citizen and that each other resident in the same dwelling unit may be required to be a qualified permanent resident, a permitted health care resident, or a person under 55 years of age whose occupancy is permitted under subdivision (h) of this section or under subdivision (b) of Section 51.4. That limitation may be less exclusive, but shall at least require that the persons commencing any occupancy of a dwelling unit include a senior citizen who intends to reside in the unit as his or her primary residence on a permanent basis. The application of the rules set forth in this subdivision regarding limitations on occupancy may result in less than all of the dwellings being actually occupied by a senior citizen.

(d) The covenants, conditions, and restrictions or other documents or written policy shall permit temporary residency, as a guest of a senior citizen or qualified permanent resident, by a person of less than 55 years of age for periods of time, not less than 60 days in any year, that are specified in

the covenants, conditions, and restrictions or other documents or written policy.

(e) Upon the death or dissolution of marriage, or upon hospitalization, or other prolonged absence of the qualifying resident, any qualified permanent resident shall be entitled to continue his or her occupancy, residency, or use of the dwelling unit as a permitted resident. This subdivision shall not apply to a permitted health care resident.

(f) The condominium, stock cooperative, limited-equity housing cooperative, planned development, or multiple-family residential rental property shall have been developed for, and initially been put to use as, housing for senior citizens, or shall have been substantially rehabilitated or renovated for, and immediately afterward put to use as, housing for senior citizens, as provided in this section; provided, however, that no housing development constructed prior to January 1, 1985, shall fail to qualify as a senior citizen housing development because it was not originally developed for or originally put to use for occupancy by senior citizens.

(g) The covenants, conditions, and restrictions or other documents or written policies applicable to any condominium, stock cooperative, limited-equity housing cooperative, planned development, or multiple-family residential property that contained age restrictions on January 1, 1984, shall be enforceable only to the extent permitted by this section, notwithstanding lower age restrictions contained in those documents or policies.

(h) Any person who has the right to reside in, occupy, or use the housing or an unimproved lot subject to this section on January 1, 1985, shall not be deprived of the right to continue that residency, occupancy, or use as the result of the enactment of this section.

(i) The covenants, conditions, and restrictions or other documents or written policy of the senior citizen housing development shall permit the occupancy of a dwelling unit by a permitted health care resident during any period that the person is actually providing live-in, long-term, or

hospice health care to a qualifying resident for compensation. For purposes of this subdivision, the term “for compensation” shall include provisions of lodging and food in exchange for care.

(j) Notwithstanding any other provision of this section, this section shall not apply to the County of Riverside.

Senior Citizen Housing – Exceptions from Special Design Requirements

51.4. (a) The Legislature finds and declares that the requirements for senior housing under Sections 51.2 and 51.3 are more stringent than the requirements for that housing under the federal Fair Housing Amendments Act of 1988 (P.L. 100-430) in recognition of the acute shortage of housing for families with children in California. The Legislature further finds and declares that the special design requirements for senior housing under Sections 51.2 and 51.3 may pose a hardship to some housing developments that were constructed before the decision in *Marina Point, Ltd. v. Wolfson* (1982) 30 Cal.3d 721. The Legislature further finds and declares that the requirement for specially designed accommodations in senior housing under Sections 51.2 and 51.3 provides important benefits to senior citizens and also ensures that housing exempt from the prohibition of age discrimination is carefully tailored to meet the compelling societal interest in providing senior housing.

(b) Any person who resided in, occupied, or used, prior to January 1, 1990, a dwelling in a senior citizen housing development that relied on the exemption to the special design requirement provided by this section prior to January 1, 2001, shall not be deprived of the right to continue that residency, occupancy, or use as the result of the changes made to this section by the enactment of Chapter 1004 of the Statutes of 2000.

(c) This section shall not apply to the County of Riverside.

Age Discrimination in Housing Prohibited – Exception

(Editor’s Note: Section applicable only to Riverside County.)

51.10. (a) Section 51 shall be construed to prohibit a business establishment from discriminating in the sale or rental of housing based upon age. A business establishment may establish and preserve housing for senior citizens, pursuant to Section 51.11, except housing as to which Section 51.11 is preempted by the prohibition in the federal Fair Housing Amendments Act of 1988 (P.L. 100-430) and implementing regulations against discrimination on the basis of familial status.

(b) This section is intended to clarify the holdings in *Marina Point, Ltd. v. Wolfson* (1982) 30 Cal.3d 721, and *O’Connor v. Village Green Owners Association* (1983) 33 Cal.3d 790.

(c) This section shall only apply to the County of Riverside.

Definitions Related to Senior Citizen Housing

(Editor’s Note: Section applicable only to Riverside County.)

51.11. (a) The Legislature finds and declares that this section is essential to establish and preserve housing for senior citizens. There are senior citizens who need special living environments, and find that there is an inadequate supply of this type of housing in the state.

(b) For the purposes of this section, the following definitions apply:

(1) “Qualifying resident” or “senior citizen” means a person 62 years of age or older, or 55 years of age or older in a senior citizen housing development.

(2) “Qualified permanent resident” means a person who meets both of the following requirements:

(A) Was residing with the qualifying resident or senior citizen prior to the death, hospitalization, or other prolonged absence of, or the dissolution of marriage with, the qualifying resident or senior citizen.

(B) Was 45 years of age or older, or was a spouse, cohabitant, or person providing primary physical or economic support to the qualifying resident or senior citizen.

(3) “Qualified permanent resident” also means a disabled person or person with a disabling illness or injury who is a child or grandchild of the senior citizen or a qualified permanent resident as defined in paragraph (2) who needs to live with the senior citizen or qualified permanent resident because of the disabling condition, illness, or injury. For purposes of this section, “disabled” means a person who has a disability as defined in subdivision (b) of Section 54. A “disabling injury or illness” means an illness or injury which results in a condition meeting the definition of disability set forth in subdivision (b) of Section 54.

(A) For any person who is a qualified permanent resident under paragraph (3) whose disabling condition ends, the owner, board of directors, or other governing body may require the formerly disabled resident to cease residing in the development upon receipt of six months’ written notice; provided, however, that the owner, board of directors, or other governing body may allow the person to remain a resident for up to one year, after the disabling condition ends.

(B) The owner, board of directors, or other governing body of the senior citizen housing development may take action to prohibit or terminate occupancy by a person who is a qualified permanent resident under paragraph (3) if the owner, board of directors, or other governing body finds, based on credible and objective evidence, that the person is likely to pose a significant threat to the health or safety of others that cannot be ameliorated by means of a reasonable accommodation; provided, however, that action to prohibit or terminate the occupancy may be taken only after doing both of the following:

(i) Providing reasonable notice to and an opportunity to be heard for the disabled person whose occupancy is being challenged, and reasonable notice to the coresident parent or grandparent of that person.

(ii) Giving due consideration to the relevant, credible, and objective information provided in that hearing. The evidence shall be taken and held in a confidential manner, pursuant to a closed session, by the owner, board of directors, or other governing body in order to preserve the privacy of the affected persons.

The affected persons shall be entitled to have present at the hearing an attorney or any other person authorized by them to speak on their behalf or to assist them in the matter.

(4) “Senior citizen housing development” means a residential development developed with more than 20 units as a senior community by its developer and zoned as a senior community by a local governmental entity, or characterized as a senior community in its governing documents, as these are defined in Section 4150, or qualified as a senior community under the federal Fair Housing Amendments Act of 1988, as amended. Any senior citizen housing development which is required to obtain a public report under Section 11010 of the Business and Professions Code and which submits its application for a public report after July 1, 2001, shall be required to have been issued a public report as a senior citizen housing development under Section 11010.05 of the Business and Professions Code.

(5) “Dwelling unit” or “housing” means any residential accommodation other than a mobilehome.

(6) “Cohabitant” refers to persons who live together as spouses or persons who are domestic partners within the meaning of Section 297 of the Family Code.

(7) “Permitted health care resident” means a person hired to provide live-in, long-term, or terminal health care to a qualifying resident, or a family member of the qualifying resident providing that care. For the purposes of this section, the care provided by a permitted health care resident must be substantial in nature and must provide either assistance with necessary daily activities or medical treatment, or both.

A permitted health care resident shall be entitled to continue his or her occupancy, residency, or use of the dwelling unit as a permitted resident in the absence of the senior citizen from the dwelling unit only if both of the following are applicable:

(A) The senior citizen became absent from the dwelling unit due to hospitalization or other necessary medical treatment and expects to return to his or her residence within 90 days from the date the absence began.

(B) The absent senior citizen or an authorized person acting for the senior citizen submits a written request to the owner, board of directors, or governing board stating that the senior citizen desires that the permitted health care resident be allowed to remain in order to be present when the senior citizen returns to reside in the development.

Upon written request by the senior citizen or an authorized person acting for the senior citizen, the owner, board of directors, or governing board shall have the discretion to allow a permitted health care resident to remain for a time period longer than 90 days from the date that the senior citizen’s absence began, if it appears that the senior citizen will return within a period of time not to exceed an additional 90 days.

(c) The covenants, conditions, and restrictions and other documents or written policy shall set forth the limitations on occupancy, residency, or use on the basis of age. Any limitation shall not be more exclusive than to require that one person

in residence in each dwelling unit may be required to be a senior citizen and that each other resident in the same dwelling unit may be required to be a qualified permanent resident, a permitted health care resident, or a person under 55 years of age whose occupancy is permitted under subdivision (g) of this section or subdivision (b) of Section 51.12. That limitation may be less exclusive, but shall at least require that the persons commencing any occupancy of a dwelling unit include a senior citizen who intends to reside in the unit as his or her primary residence on a permanent basis. The application of the rules set forth in this subdivision regarding limitations on occupancy may result in less than all of the dwellings being actually occupied by a senior citizen.

(d) The covenants, conditions, and restrictions or other documents or written policy shall permit temporary residency, as a guest of a senior citizen or qualified permanent resident, by a person of less than 55 years of age for periods of time, not more than 60 days in any year, that are specified in the covenants, conditions, and restrictions or other documents or written policy.

(e) Upon the death or dissolution of marriage, or upon hospitalization, or other prolonged absence of the qualifying resident, any qualified permanent resident shall be entitled to continue his or her occupancy, residency, or use of the dwelling unit as a permitted resident. This subdivision shall not apply to a permitted health care resident.

(f) The covenants, conditions, and restrictions or other documents or written policies applicable to any condominium, stock cooperative, limited-equity housing cooperative, planned development, or multiple-family residential property that contained age restrictions on January 1, 1984, shall be enforceable only to the extent permitted by this section, notwithstanding lower age restrictions contained in those documents or policies.

(g) Any person who has the right to reside in, occupy, or use the housing or an unimproved lot subject to this section on or after January 1, 1985, shall not be deprived of the right to continue that residency, occupancy, or use as the result of the

enactment of this section by Chapter 1147 of the Statutes of 1996.

(h) A housing development may qualify as a senior citizen housing development under this section even though, as of January 1, 1997, it does not meet the definition of a senior citizen housing development specified in subdivision (b), if the development complies with that definition for every unit that becomes occupied after January 1, 1997, and if the development was once within that definition, and then became noncompliant with the definition as the result of any one of the following:

(1) The development was ordered by a court or a local, state, or federal enforcement agency to allow persons other than qualifying residents, qualified permanent residents, or permitted health care residents to reside in the development.

(2) The development received a notice of a pending or proposed action in, or by, a court, or a local, state, or federal enforcement agency, which action could have resulted in the development being ordered by a court or a state or federal enforcement agency to allow persons other than qualifying residents, qualified permanent residents, or permitted health care residents to reside in the development.

(3) The development agreed to allow persons other than qualifying residents, qualified permanent residents, or permitted health care residents to reside in the development by entering into a stipulation, conciliation agreement, or settlement agreement with a local, state, or federal enforcement agency or with a private party who had filed, or indicated an intent to file, a complaint against the development with a local, state, or federal enforcement agency, or file an action in a court.

(4) The development allowed persons other than qualifying residents, qualified permanent residents, or permitted health care residents to reside in the development on the advice of counsel in order to prevent the possibility of an action being filed by a

private party or by a local, state, or federal enforcement agency.

(i) The covenants, conditions, and restrictions or other documents or written policy of the senior citizen housing development shall permit the occupancy of a dwelling unit by a permitted health care resident during any period that the person is actually providing live-in, long-term, or hospice health care to a qualifying resident for compensation.

(j) This section shall only apply to the County of Riverside.

Senior Citizen Housing – Continuance of Occupancy

51.12. (a) The Legislature finds and declares that the requirements for senior housing under Sections 51.10 and 51.11 are more stringent than the requirements for that housing under the federal Fair Housing Amendments Act of 1988 (Public Law 100-430).

(b) Any person who resided in, occupied, or used, prior to January 1, 1990, a dwelling in a senior citizen housing development which relied on the exemption to the special design requirement provided by Section 51.4 as that section read prior to January 1, 2001, shall not be deprived of the right to continue that residency, or occupancy, or use as the result of the changes made to this section by the enactment of Senate Bill 1382 or Senate Bill 2011 at the 1999-2000 Regular Session of the Legislature.

(c) This section shall only apply to the County of Riverside.

Discrimination Voids Written Instruments Relating to Real Property

53. (a) Every provision in a written instrument relating to real property that purports to forbid or restrict the conveyance, encumbrance, leasing, or mortgaging of that real property to any person because of any characteristic listed or defined in subdivision (b) or (e) of Section 51 is void, and every restriction or prohibition as to the use or occupation of real property because of any characteristic listed or defined in subdivision (b) or (e) of Section 51 is void.

(b) Every restriction or prohibition, whether by way of covenant, condition upon use or occupation, or upon transfer of title to real property, which restriction or prohibition directly or indirectly limits the acquisition, use or occupation of that property because of any characteristic listed or defined in subdivision (b) or (e) of Section 51 is void.

(c) In any action to declare that a restriction or prohibition specified in subdivision (a) or (b) is void, the court shall take judicial notice of the recorded instrument or instruments containing the prohibitions or restrictions in the same manner that it takes judicial notice of the matters listed in Section 452 of the Evidence Code.

“For Sale” Sign of Reasonable Dimensions on Property – Grantee or Agent Cannot Be Restrained from Posting

712. (a) Every provision contained in or otherwise affecting a grant of a fee interest in, or purchase money security instrument upon, real property in this state heretofore or hereafter made, which purports to prohibit or restrict the right of the property owner or his or her agent to display or have displayed on the real property, or on real property owned by others with their consent, or both, signs which are reasonably located, in plain view of the public, are of reasonable dimensions and design, and do not adversely affect public safety, including traffic safety, and which advertise the property for sale, lease, or exchange, or advertise directions to the property, by the property owner or his or her agent is void as an unreasonable restraint upon the power of alienation.

(b) This section shall operate retrospectively, as well as prospectively, to the full extent that it may constitutionally operate retrospectively.

(c) A sign that conforms to the ordinance adopted in conformity with Section 713 shall be deemed to be of reasonable dimension and design pursuant to this section.

713. (a) Notwithstanding any provision of any ordinance, an owner of real property or his or her agent may display or have displayed on the owner’s real property, and on real property owned by others with their consent, signs which

are reasonably located, in plain view of the public, are of reasonable dimensions and design, and do not adversely affect public safety, including traffic safety, as determined by the city, county, or city and county, advertising the following:

- (1) That the property is for sale, lease, or exchange by the owner or his or her agent.
- (2) Directions to the property.
- (3) The owner's or agent's name.
- (4) The owner's or agent's address and telephone number.

(b) Nothing in this section limits any authority which a person or local governmental entity may have to limit or regulate the display or placement of a sign on a private or public right-of-way.

Solar Energy

714. (a) Any covenant, restriction, or condition contained in any deed, contract, security instrument, or other instrument affecting the transfer or sale of, or any interest in, real property, and any provision of a governing document, as defined in Section 4150 or 6552, that effectively prohibits or restricts the installation or use of a solar energy system is void and unenforceable.

(b) This section does not apply to provisions that impose reasonable restrictions on solar energy systems. However, it is the policy of the state to promote and encourage the use of solar energy systems and to remove obstacles thereto. Accordingly, reasonable restrictions on a solar energy system are those restrictions that do not significantly increase the cost of the system or significantly decrease its efficiency or specified performance, or that allow for an alternative system of comparable cost, efficiency, and energy conservation benefits.

(c) (1) A solar energy system shall meet applicable health and safety standards and requirements imposed by state and local permitting authorities, consistent with Section 65850.5 of the Government Code.

(2) Solar energy systems used for heating water in single family residences and solar collectors used for heating water in

commercial or swimming pool applications shall be certified by an accredited listing agency as defined in the Plumbing and Mechanical Codes.

(3) A solar energy system for producing electricity shall also meet all applicable safety and performance standards established by the California Electrical Code, the Institute of Electrical and Electronics Engineers, and accredited testing laboratories such as Underwriters Laboratories and, where applicable, rules of the Public Utilities Commission regarding safety and reliability.

(d) For the purposes of this section:

(1) (A) For solar domestic water heating systems or solar swimming pool heating systems that comply with state and federal law, "significantly" means an amount exceeding 10 percent of the cost of the system, but in no case more than one thousand dollars (\$1,000), or decreasing the efficiency of the solar energy system by an amount exceeding 10 percent, as originally specified and proposed.

(B) For photovoltaic systems that comply with state and federal law, "significantly" means an amount not to exceed one thousand dollars (\$1,000) over the system cost as originally specified and proposed, or a decrease in system efficiency of an amount exceeding 10 percent as originally specified and proposed.

(2) "Solar energy system" has the same meaning as defined in paragraphs (1) and (2) of subdivision (a) of Section 801.5.

(e) (1) Whenever approval is required for the installation or use of a solar energy system, the application for approval shall be processed and approved by the appropriate approving entity in the same manner as an application for approval of an architectural modification to the property, and shall not be willfully avoided or delayed.

(2) For an approving entity that is an association, as defined in Section 4080 or 6528, and that is not a public entity, both of the following shall apply:

(A) The approval or denial of an application shall be in writing.

(B) If an application is not denied in writing within 45 days from the date of receipt of the application, the application shall be deemed approved, unless that delay is the result of a reasonable request for additional information.

(f) Any entity, other than a public entity, that willfully violates this section shall be liable to the applicant or other party for actual damages occasioned thereby, and shall pay a civil penalty to the applicant or other party in an amount not to exceed one thousand dollars (\$1,000).

(g) In any action to enforce compliance with this section, the prevailing party shall be awarded reasonable attorney's fees.

(h) (1) A public entity that fails to comply with this section may not receive funds from a state-sponsored grant or loan program for solar energy. A public entity shall certify its compliance with the requirements of this section when applying for funds from a state-sponsored grant or loan program.

(2) A local public entity may not exempt residents in its jurisdiction from the requirements of this section.

Restrictions on Solar Energy Systems

714.1. (a) Notwithstanding Section 714, an association may impose reasonable provisions that:

(1) Restrict the installation of solar energy systems in common areas to those systems approved by the association.

(2) Require the owner of a separate interest to obtain the approval of the association for the installation of a solar energy system in a separate interest owned by another.

(3) Provide for the maintenance, repair, or replacement of roofs or other building components.

(4) Require installers of solar energy systems to indemnify or reimburse the association or its members for loss or damage caused by the installation, maintenance, or use of the solar energy system.

(b) An association shall not:

(1) Establish a general policy prohibiting the installation or use of a rooftop solar energy system for household purposes on the roof of the building in which the owner resides, or a garage or carport adjacent to the building that has been assigned to the owner for exclusive use.

(2) Require approval by a vote of members owning separate interests in the common interest development, including that specified by Section 4600, for installation of a solar energy system for household purposes on the roof of the building in which the owner resides, or a garage or carport adjacent to the building that has been assigned to the owner for exclusive use.

An action by an association that contravenes paragraph (1) or (2) shall be void and unenforceable.

(c) For purposes of this section:

(1) "Association" has the same meaning as defined in Section 4080 or 6528.

(2) "Common area" has the same meaning as defined in Section 4095 or 6532.

(3) "Separate interest" has the same meaning as defined in Section 4185 or 6564.

Deed Restrictions

782. (a) Any provision in any deed of real property in California, whether executed before or after the effective date of this section, that purports to restrict the right of any persons to sell, lease, rent, use, or occupy the property to persons having any characteristic listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955 and Section 12955.2 of the Government Code, by providing

for payment of a penalty, forfeiture, reverter, or otherwise, is void.

(b) Notwithstanding subdivision (a), with respect to familial status, subdivision (a) shall not be construed to apply to housing for older persons, as defined in Section 12955.9 of the Government Code. With respect to familial status, nothing in subdivision (a) shall be construed to affect Sections 51.2, 51.3, 51.4, 51.10, 51.11, and 799.5 of this code, relating to housing for senior citizens. Subdivision (d) of Section 51, Section 4760, and Section 6714 of this code, and subdivisions (n), (o), and (p) of Section 12955 of the Government Code shall apply to subdivision (a).

Deed Restrictions - Continued

782.5. (a) Any deed or other written instrument that relates to title to real property, or any written covenant, condition, or restriction annexed or made a part of, by reference or otherwise, any deed or instrument that relates to title to real property, which contains any provision that purports to forbid, restrict, or condition the right of any person or persons to sell, buy, lease, rent, use, or occupy the property on account of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code, with respect to any person or persons, shall be deemed to be revised to omit that provision.

(b) Notwithstanding subdivision (a), with respect to familial status, subdivision (a) shall not be construed to apply to housing for older persons, as defined in Section 12955.9 of the Government Code. With respect to familial status, nothing in subdivision (a) shall be construed to affect Sections 51.2, 51.3, 51.4, 51.10, 51.11, and 799.5 of this code, relating to housing for senior citizens. Subdivision (d) of Section 51, Section 4760, and Section 6714 of this code, and subdivisions (n), (o), and (p) of Section 12955 of the Government Code shall apply to subdivision (a).

(c) This section shall not be construed to limit or expand the powers of a court to reform a deed or other written instrument.

Definition of a Condominium

783. A condominium is an estate in real property described in Section 4125 or 6542. A condominium may, with respect to the duration of its enjoyment, be either (1) an estate of inheritance or perpetual estate, (2) an estate for life, (3) an estate for years, such as a leasehold or a subleasehold, or (4) any combination of the foregoing.

Stock Cooperative – Interest in Real Property

783.1. In a stock cooperative, as defined in Section 4190 or 6566, both the separate interest, as defined in paragraph (4) of subdivision (a) of Section 4185 or in paragraph (3) of subdivision (a) of Section 6564, and the correlative interest in the stock cooperative corporation, however designated, are interests in real property.

TITLE 7. REQUIREMENTS FOR ACTIONS FOR CONSTRUCTION DEFECTS

CHAPTER 1. DEFINITIONS

Construction Defects – Definitions

895. (a) “Structure” means any residential dwelling, other building, or improvement located upon a lot or within a common area.

(b) “Designed moisture barrier” means an installed moisture barrier specified in the plans and specifications, contract documents, or manufacturer’s recommendations.

(c) “Actual moisture barrier” means any component or material, actually installed, that serves to any degree as a barrier against moisture, whether or not intended as a barrier against moisture.

(d) “Unintended water” means water that passes beyond, around, or through a component or the material that is designed to prevent that passage.

(e) “Close of escrow” means the date of the close of escrow between the builder and the original homeowner. With respect to claims by an association, as defined in Section 4080, “close of escrow” means the date of substantial completion, as defined in Section 337.15 of the

Code of Civil Procedure, or the date the builder relinquishes control over the association's ability to decide whether to initiate a claim under this title, whichever is later.

(f) "Claimant" or "homeowner" includes the individual owners of single-family homes, individual unit owners of attached dwellings and, in the case of a common interest development, any association as defined in Section 4080.

CHAPTER 2. ACTIONABLE DEFECTS

Construction Defects – Actionable Items

896. In any action seeking recovery of damages arising out of, or related to deficiencies in, the residential construction, design, specifications, surveying, planning, supervision, testing, or observation of construction, a builder, and to the extent set forth in Chapter 4 (commencing with Section 910), a general contractor, subcontractor, material supplier, individual product manufacturer, or design professional, shall, except as specifically set forth in this title, be liable for, and the claimant's claims or causes of action shall be limited to violation of, the following standards, except as specifically set forth in this title. This title applies to original construction intended to be sold as an individual dwelling unit. As to condominium conversions, this title does not apply to or does not supersede any other statutory or common law.

(a) With respect to water issues:

(1) A door shall not allow unintended water to pass beyond, around, or through the door or its designed or actual moisture barriers, if any.

(2) Windows, patio doors, deck doors, and their systems shall not allow water to pass beyond, around, or through the window, patio door, or deck door or its designed or actual moisture barriers, including, without limitation, internal barriers within the systems themselves. For purposes of this paragraph, "systems" include, without limitation, windows, window assemblies, framing, substrate, flashings, and trim, if any.

(3) Windows, patio doors, deck doors, and their systems shall not allow excessive

condensation to enter the structure and cause damage to another component. For purposes of this paragraph, "systems" include, without limitation, windows, window assemblies, framing, substrate, flashings, and trim, if any.

(4) Roofs, roofing systems, chimney caps, and ventilation components shall not allow water to enter the structure or to pass beyond, around, or through the designed or actual moisture barriers, including, without limitation, internal barriers located within the systems themselves. For purposes of this paragraph, "systems" include, without limitation, framing, substrate, and sheathing, if any.

(5) Decks, deck systems, balconies, balcony systems, exterior stairs, and stair systems shall not allow water to pass into the adjacent structure. For purposes of this paragraph, "systems" include, without limitation, framing, substrate, flashing, and sheathing, if any.

(6) Decks, deck systems, balconies, balcony systems, exterior stairs, and stair systems shall not allow unintended water to pass within the systems themselves and cause damage to the systems. For purposes of this paragraph, "systems" include, without limitation, framing, substrate, flashing, and sheathing, if any.

(7) Foundation systems and slabs shall not allow water or vapor to enter into the structure so as to cause damage to another building component.

(8) Foundation systems and slabs shall not allow water or vapor to enter into the structure so as to limit the installation of the type of flooring materials typically used for the particular application.

(9) Hardscape, including paths and patios, irrigation systems, landscaping systems, and drainage systems, that are installed as part of the original construction, shall not be installed in such a way as to cause water or soil erosion to enter into or come in contact with the structure so as to cause damage to another building component.

(10) Stucco, exterior siding, exterior walls, including, without limitation, exterior framing, and other exterior wall finishes and fixtures and the systems of those components and fixtures, including, but not limited to, pot shelves, horizontal surfaces, columns, and plant-ons, shall be installed in such a way so as not to allow unintended water to pass into the structure or to pass beyond, around, or through the designed or actual moisture barriers of the system, including any internal barriers located within the system itself. For purposes of this paragraph, “systems” include, without limitation, framing, substrate, flashings, trim, wall assemblies, and internal wall cavities, if any.

(11) Stucco, exterior siding, and exterior walls shall not allow excessive condensation to enter the structure and cause damage to another component. For purposes of this paragraph, “systems” include, without limitation, framing, substrate, flashings, trim, wall assemblies, and internal wall cavities, if any.

(12) Retaining and site walls and their associated drainage systems shall not allow unintended water to pass beyond, around, or through its designed or actual moisture barriers including, without limitation, any internal barriers, so as to cause damage. This standard does not apply to those portions of any wall or drainage system that are designed to have water flow beyond, around, or through them.

(13) Retaining walls and site walls, and their associated drainage systems, shall only allow water to flow beyond, around, or through the areas designated by design.

(14) The lines and components of the plumbing system, sewer system, and utility systems shall not leak.

(15) Plumbing lines, sewer lines, and utility lines shall not corrode so as to impede the useful life of the systems.

(16) Sewer systems shall be installed in such a way as to allow the designated amount of sewage to flow through the system.

(17) Showers, baths, and related waterproofing systems shall not leak water into the interior of walls, flooring systems, or the interior of other components.

(18) The waterproofing system behind or under ceramic tile and tile countertops shall not allow water into the interior of walls, flooring systems, or other components so as to cause damage. Ceramic tile systems shall be designed and installed so as to deflect intended water to the waterproofing system.

(b) With respect to structural issues:

(1) Foundations, load bearing components, and slabs, shall not contain significant cracks or significant vertical displacement.

(2) Foundations, load bearing components, and slabs shall not cause the structure, in whole or in part, to be structurally unsafe.

(3) Foundations, load bearing components, and slabs, and underlying soils shall be constructed so as to materially comply with the design criteria set by applicable government building codes, regulations, and ordinances for chemical deterioration or corrosion resistance in effect at the time of original construction.

(4) A structure shall be constructed so as to materially comply with the design criteria for earthquake and wind load resistance, as set forth in the applicable government building codes, regulations, and ordinances in effect at the time of original construction.

(c) With respect to soil issues:

(1) Soils and engineered retaining walls shall not cause, in whole or in part, damage to the structure built upon the soil or engineered retaining wall.

(2) Soils and engineered retaining walls shall not cause, in whole or in part, the structure to be structurally unsafe.

(3) Soils shall not cause, in whole or in part, the land upon which no structure is built to become unusable for the purpose represented at the time of original sale by the builder or

for the purpose for which that land is commonly used.

(d) With respect to fire protection issues:

(1) A structure shall be constructed so as to materially comply with the design criteria of the applicable government building codes, regulations, and ordinances for fire protection of the occupants in effect at the time of the original construction.

(2) Fireplaces, chimneys, chimney structures, and chimney termination caps shall be constructed and installed in such a way so as not to cause an unreasonable risk of fire outside the fireplace enclosure or chimney.

(3) Electrical and mechanical systems shall be constructed and installed in such a way so as not to cause an unreasonable risk of fire.

(e) With respect to plumbing and sewer issues:

Plumbing and sewer systems shall be installed to operate properly and shall not materially impair the use of the structure by its inhabitants. However, no action may be brought for a violation of this subdivision more than four years after close of escrow.

(f) With respect to electrical system issues:

Electrical systems shall operate properly and shall not materially impair the use of the structure by its inhabitants. However, no action shall be brought pursuant to this subdivision more than four years from close of escrow.

(g) With respect to issues regarding other areas of construction:

(1) Exterior pathways, driveways, hardscape, sidewalls, sidewalks, and patios installed by the original builder shall not contain cracks that display significant vertical displacement or that are excessive. However, no action shall be brought upon a violation of this paragraph more than four years from close of escrow.

(2) Stucco, exterior siding, and other exterior wall finishes and fixtures, including, but not limited to, pot shelves, horizontal surfaces,

columns, and plant-ons, shall not contain significant cracks or separations.

(3) (A) To the extent not otherwise covered by these standards, manufactured products, including, but not limited to, windows, doors, roofs, plumbing products and fixtures, fireplaces, electrical fixtures, HVAC units, countertops, cabinets, paint, and appliances shall be installed so as not to interfere with the products' useful life, if any.

(B) For purposes of this paragraph, "useful life" means a representation of how long a product is warranted or represented, through its limited warranty or any written representations, to last by its manufacturer, including recommended or required maintenance. If there is no representation by a manufacturer, a builder shall install manufactured products so as not to interfere with the product's utility.

(C) For purposes of this paragraph, "manufactured product" means a product that is completely manufactured offsite.

(D) If no useful life representation is made, or if the representation is less than one year, the period shall be no less than one year. If a manufactured product is damaged as a result of a violation of these standards, damage to the product is a recoverable element of damages. This subparagraph does not limit recovery if there has been damage to another building component caused by a manufactured product during the manufactured product's useful life.

(E) This title does not apply in any action seeking recovery solely for a defect in a manufactured product located within or adjacent to a structure.

(4) Heating shall be installed so as to be capable of maintaining a room temperature of 70 degrees Fahrenheit at a point three feet above the floor in any living space if the heating was installed pursuant to a building

permit application submitted prior to January 1, 2008, or capable of maintaining a room temperature of 68 degrees Fahrenheit at a point three feet above the floor and two feet from exterior walls in all habitable rooms at the design temperature if the heating was installed pursuant to a building permit application submitted on or before January 1, 2008.

(5) Living space air-conditioning, if any, shall be provided in a manner consistent with the size and efficiency design criteria specified in Title 24 of the California Code of Regulations or its successor.

(6) Attached structures shall be constructed to comply with interunit noise transmission standards set by the applicable government building codes, ordinances, or regulations in effect at the time of the original construction. If there is no applicable code, ordinance, or regulation, this paragraph does not apply. However, no action shall be brought pursuant to this paragraph more than one year from the original occupancy of the adjacent unit.

(7) Irrigation systems and drainage shall operate properly so as not to damage landscaping or other external improvements. However, no action shall be brought pursuant to this paragraph more than one year from close of escrow.

(8) Untreated wood posts shall not be installed in contact with soil so as to cause unreasonable decay to the wood based upon the finish grade at the time of original construction. However, no action shall be brought pursuant to this paragraph more than two years from close of escrow.

(9) Untreated steel fences and adjacent components shall be installed so as to prevent unreasonable corrosion. However, no action shall be brought pursuant to this paragraph more than four years from close of escrow.

(10) Paint and stains shall be applied in such a manner so as not to cause deterioration of the building surfaces for the length of time specified by the paint or stain manufacturers' representations, if any. However, no action

shall be brought pursuant to this paragraph more than five years from close of escrow.

(11) Roofing materials shall be installed so as to avoid materials falling from the roof.

(12) The landscaping systems shall be installed in such a manner so as to survive for not less than one year. However, no action shall be brought pursuant to this paragraph more than two years from close of escrow.

(13) Ceramic tile and tile backing shall be installed in such a manner that the tile does not detach.

(14) Dryer ducts shall be installed and terminated pursuant to manufacturer installation requirements. However, no action shall be brought pursuant to this paragraph more than two years from close of escrow.

(15) Structures shall be constructed in such a manner so as not to impair the occupants' safety because they contain public health hazards as determined by a duly authorized public health official, health agency, or governmental entity having jurisdiction. This paragraph does not limit recovery for any damages caused by a violation of any other paragraph of this section on the grounds that the damages do not constitute a health hazard.

897. The standards set forth in this chapter are intended to address every function or component of a structure. To the extent that a function or component of a structure is not addressed by these standards, it shall be actionable if it causes damage.

CHAPTER 3. OBLIGATIONS

Construction Defects – Minimum Warranty

900. As to fit and finish items, a builder shall provide a homebuyer with a minimum one-year express written limited warranty covering the fit and finish of the following building components. Except as otherwise provided by the standards specified in Chapter 2 (commencing with Section 896), this warranty shall cover the fit and finish of cabinets, mirrors, flooring, interior and exterior walls, countertops, paint finishes, and

trim, but shall not apply to damage to those components caused by defects in other components governed by the other provisions of this title. Any fit and finish matters covered by this warranty are not subject to the provisions of this title. If a builder fails to provide the express warranty required by this section, the warranty for these items shall be for a period of one year.

Construction Defects – Enhanced Protection Agreement

901. A builder may, but is not required to, offer greater protection or protection for longer time periods in its express contract with the homeowner than that set forth in Chapter 2 (commencing with Section 896). A builder may not limit the application of Chapter 2 (commencing with Section 896) or lower its protection through the express contract with the homeowner. This type of express contract constitutes an “enhanced protection agreement.”

902. If a builder offers an enhanced protection agreement, the builder may choose to be subject to its own express contractual provisions in place of the provisions set forth in Chapter 2 (commencing with Section 896). If an enhanced protection agreement is in place, Chapter 2 (commencing with Section 896) no longer applies other than to set forth minimum provisions by which to judge the enforceability of the particular provisions of the enhanced protection agreement.

903. If a builder offers an enhanced protection agreement in place of the provisions set forth in Chapter 2 (commencing with Section 896), the election to do so shall be made in writing with the homeowner no later than the close of escrow. The builder shall provide the homeowner with a complete copy of Chapter 2 (commencing with Section 896) and advise the homeowner that the builder has elected not to be subject to its provisions. If any provision of an enhanced protection agreement is later found to be unenforceable as not meeting the minimum standards of Chapter 2 (commencing with Section 896), a builder may use this chapter in lieu of those provisions found to be unenforceable.

904. If a builder has elected to use an enhanced protection agreement, and a homeowner disputes

that the particular provision or time periods of the enhanced protection agreement are not greater than, or equal to, the provisions of Chapter 2 (commencing with Section 896) as they apply to the particular deficiency alleged by the homeowner, the homeowner may seek to enforce the application of the standards set forth in this chapter as to those claimed deficiencies. If a homeowner seeks to enforce a particular standard in lieu of a provision of the enhanced protection agreement, the homeowner shall give the builder written notice of that intent at the time the homeowner files a notice of claim pursuant to Chapter 4 (commencing with Section 910).

905. If a homeowner seeks to enforce Chapter 2 (commencing with Section 896), in lieu of the enhanced protection agreement in a subsequent litigation or other legal action, the builder shall have the right to have the matter bifurcated, and to have an immediately binding determination of his or her responsive pleading within 60 days after the filing of that pleading, but in no event after the commencement of discovery, as to the application of either Chapter 2 (commencing with Section 896) or the enhanced protection agreement as to the deficiencies claimed by the homeowner. If the builder fails to seek that determination in the timeframe specified, the builder waives the right to do so and the standards set forth in this title shall apply. As to any nonoriginal homeowner, that homeowner shall be deemed in privity for purposes of an enhanced protection agreement only to the extent that the builder has recorded the enhanced protection agreement on title or provided actual notice to the nonoriginal homeowner of the enhanced protection agreement. If the enhanced protection agreement is not recorded on title or no actual notice has been provided, the standards set forth in this title apply to any nonoriginal homeowners' claims.

906. A builder's election to use an enhanced protection agreement addresses only the issues set forth in Chapter 2 (commencing with Section 896) and does not constitute an election to use or not use the provisions of Chapter 4 (commencing with Section 910). The decision to use or not use Chapter 4 (commencing with Section 910) is governed by the provisions of that chapter.

907. A homeowner is obligated to follow all reasonable maintenance obligations and schedules communicated in writing to the homeowner by the builder and product manufacturers, as well as commonly accepted maintenance practices. A failure by a homeowner to follow these obligations, schedules, and practices may subject the homeowner to the affirmative defenses contained in Section 944.

CHAPTER 4. PRELITIGATION PROCEDURE

Construction Defects – Prelitigation Procedure

910. Prior to filing an action against any party alleged to have contributed to a violation of the standards set forth in Chapter 2 (commencing with Section 896), the claimant shall initiate the following prelitigation procedures:

(a) The claimant or his or her legal representative shall provide written notice via certified mail, overnight mail, or personal delivery to the builder, in the manner prescribed in this section, of the claimant's claim that the construction of his or her residence violates any of the standards set forth in Chapter 2 (commencing with Section 896). That notice shall provide the claimant's name, address, and preferred method of contact, and shall state that the claimant alleges a violation pursuant to this part against the builder, and shall describe the claim in reasonable detail sufficient to determine the nature and location, to the extent known, of the claimed violation. In the case of a group of homeowners or an association, the notice may identify the claimants solely by address or other description sufficient to apprise the builder of the locations of the subject residences. That document shall have the same force and effect as a notice of commencement of a legal proceeding.

(b) The notice requirements of this section do not preclude a homeowner from seeking redress through any applicable normal customer service procedure as set forth in any contractual, warranty, or other builder-generated document; and, if a homeowner seeks to do so, that request shall not satisfy the notice requirements of this section.

911. (a) For purposes of this title, except as provided in subdivision (b), "builder" means any

entity or individual, including, but not limited to a builder, developer, general contractor, contractor, or original seller, who, at the time of sale, was also in the business of selling residential units to the public for the property that is the subject of the homeowner's claim or was in the business of building, developing, or constructing residential units for public purchase for the property that is the subject of the homeowner's claim.

(b) For the purposes of this title, "builder" does not include any entity or individual whose involvement with a residential unit that is the subject of the homeowner's claim is limited to his or her capacity as general contractor or contractor and who is not a partner, member of, subsidiary of, or otherwise similarly affiliated with the builder. For purposes of this title, these nonaffiliated general contractors and nonaffiliated contractors shall be treated the same as subcontractors, material suppliers, individual product manufacturers, and design professionals.

912. A builder shall do all of the following:

(a) Within 30 days of a written request by a homeowner or his or her legal representative, the builder shall provide copies of all relevant plans, specifications, mass or rough grading plans, final soils reports, Bureau of Real Estate public reports, and available engineering calculations, that pertain to a homeowner's residence specifically or as part of a larger development tract. The request shall be honored if it states that it is made relative to structural, fire safety, or soils provisions of this title. However, a builder is not obligated to provide a copying service, and reasonable copying costs shall be borne by the requesting party. A builder may require that the documents be copied onsite by the requesting party, except that the homeowner may, at his or her option, use his or her own copying service, which may include an offsite copy facility that is bonded and insured. If a builder can show that the builder maintained the documents, but that they later became unavailable due to loss or destruction that was not the fault of the builder, the builder may be excused from the requirements of this subdivision, in which case the builder shall act with reasonable diligence to

assist the homeowner in obtaining those documents from any applicable government authority or from the source that generated the document. However, in that case, the time limits specified by this section do not apply.

(b) At the expense of the homeowner, who may opt to use an offsite copy facility that is bonded and insured, the builder shall provide to the homeowner or his or her legal representative copies of all maintenance and preventative maintenance recommendations that pertain to his or her residence within 30 days of service of a written request for those documents. Those documents shall also be provided to the homeowner in conjunction with the initial sale of the residence.

(c) At the expense of the homeowner, who may opt to use an offsite copy facility that is bonded and insured, a builder shall provide to the homeowner or his or her legal representative copies of all manufactured products maintenance, preventive maintenance, and limited warranty information within 30 days of a written request for those documents. These documents shall also be provided to the homeowner in conjunction with the initial sale of the residence.

(d) At the expense of the homeowner, who may opt to use an offsite copy facility that is bonded and insured, a builder shall provide to the homeowner or his or her legal representative copies of all of the builder's limited contractual warranties in accordance with this part in effect at the time of the original sale of the residence within 30 days of a written request for those documents. Those documents shall also be provided to the homeowner in conjunction with the initial sale of the residence.

(e) A builder shall maintain the name and address of an agent for notice pursuant to this chapter with the Secretary of State or, alternatively, elect to use a third party for that notice if the builder has notified the homeowner in writing of the third party's name and address, to whom claims and requests for information under this section may be mailed. The name and address of the agent for notice or third party shall be included with the original sales documentation and shall be initialed and acknowledged by the purchaser and

the builder's sales representative. This subdivision applies to instances in which a builder contracts with a third party to accept claims and act on the builder's behalf. A builder shall give actual notice to the homeowner that the builder has made such an election, and shall include the name and address of the third party.

(f) A builder shall record on title a notice of the existence of these procedures and a notice that these procedures impact the legal rights of the homeowner. This information shall also be included with the original sales documentation and shall be initialed and acknowledged by the purchaser and the builder's sales representative.

(g) A builder shall provide, with the original sales documentation, a written copy of this title, which shall be initialed and acknowledged by the purchaser and the builder's sales representative.

(h) As to any documents provided in conjunction with the original sale, the builder shall instruct the original purchaser to provide those documents to any subsequent purchaser.

(i) Any builder who fails to comply with any of these requirements within the time specified is not entitled to the protection of this chapter, and the homeowner is released from the requirements of this chapter and may proceed with the filing of an action, in which case the remaining chapters of this part shall continue to apply to the action.

913. A builder or his or her representative shall acknowledge, in writing, receipt of the notice of the claim within 14 days after receipt of the notice of the claim. If the notice of the claim is served by the claimant's legal representative, or if the builder receives a written representation letter from a homeowner's attorney, the builder shall include the attorney in all subsequent substantive communications, including, without limitation, all written communications occurring pursuant to this chapter, and all substantive and procedural communications, including all written communications, following the commencement of any subsequent complaint or other legal action, except that if the builder has retained or involved legal counsel to assist the builder in this process, all communications by the builder's counsel shall

only be with the claimant's legal representative, if any.

914. (a) This chapter establishes a nonadversarial procedure, including the remedies available under this chapter which, if the procedure does not resolve the dispute between the parties, may result in a subsequent action to enforce the other chapters of this title. A builder may attempt to commence nonadversarial contractual provisions other than the nonadversarial procedures and remedies set forth in this chapter, but may not, in addition to its own nonadversarial contractual provisions, require adherence to the nonadversarial procedures and remedies set forth in this chapter, regardless of whether the builder's own alternative nonadversarial contractual provisions are successful in resolving the dispute or ultimately deemed enforceable. At the time the sales agreement is executed, the builder shall notify the homeowner whether the builder intends to engage in the nonadversarial procedure of this section or attempt to enforce alternative nonadversarial contractual provisions. If the builder elects to use alternative nonadversarial contractual provisions in lieu of this chapter, the election is binding, regardless of whether the builder's alternative nonadversarial contractual provisions are successful in resolving the ultimate dispute or are ultimately deemed enforceable.

(b) Nothing in this title is intended to affect existing statutory or decisional law pertaining to the applicability, viability, or enforceability of alternative dispute resolution methods, alternative remedies, or contractual arbitration, judicial reference, or similar procedures requiring a binding resolution to enforce the other chapters of this title or any other disputes between homeowners and builders. Nothing in this title is intended to affect the applicability, viability, or enforceability, if any, of contractual arbitration or judicial reference after a nonadversarial procedure or provision has been completed.

915. If a builder fails to acknowledge receipt of the notice of a claim within the time specified, elects not to go through the process set forth in this chapter, or fails to request an inspection within the time specified, or at the conclusion or cessation of an alternative nonadversarial

proceeding, this chapter does not apply and the homeowner is released from the requirements of this chapter and may proceed with the filing of an action. However, the standards set forth in the other chapters of this title shall continue to apply to the action.

916. (a) If a builder elects to inspect the claimed unmet standards, the builder shall complete the initial inspection and testing within 14 days after acknowledgment of receipt of the notice of the claim, at a mutually convenient date and time. If the homeowner has retained legal representation, the inspection shall be scheduled with the legal representative's office at a mutually convenient date and time, unless the legal representative is unavailable during the relevant time periods. All costs of builder inspection and testing, including any damage caused by the builder inspection, shall be borne by the builder. The builder shall also provide written proof that the builder has liability insurance to cover any damages or injuries occurring during inspection and testing. The builder shall restore the property to its pretesting condition within 48 hours of the testing. The builder shall, upon request, allow the inspections to be observed and electronically recorded, videotaped, or photographed by the claimant or his or her legal representative.

(b) Nothing that occurs during a builder's or claimant's inspection or testing may be used or introduced as evidence to support a spoliation defense by any potential party in any subsequent litigation.

(c) If a builder deems a second inspection or testing reasonably necessary, and specifies the reasons therefor in writing within three days following the initial inspection, the builder may conduct a second inspection or testing. A second inspection or testing shall be completed within 40 days of the initial inspection or testing. All requirements concerning the initial inspection or testing shall also apply to the second inspection or testing.

(d) If the builder fails to inspect or test the property within the time specified, the claimant is released from the requirements of this section and may proceed with the filing of an action. However, the standards set forth in the other

chapters of this title shall continue to apply to the action.

(e) If a builder intends to hold a subcontractor, design professional, individual product manufacturer, or material supplier, including an insurance carrier, warranty company, or service company, responsible for its contribution to the unmet standard, the builder shall provide notice to that person or entity sufficiently in advance to allow them to attend the initial, or if requested, second inspection of any alleged unmet standard and to participate in the repair process. The claimant and his or her legal representative, if any, shall be advised in a reasonable time prior to the inspection as to the identity of all persons or entities invited to attend. This subdivision shall not apply to the builder's insurance company. Except with respect to any claims involving a repair actually conducted under this chapter, nothing in this subdivision shall be construed to relieve a subcontractor, design professional, individual product manufacturer, or material supplier of any liability under an action brought by a claimant.

917. Within 30 days of the initial or, if requested, second inspection or testing, the builder may offer in writing to repair the violation. The offer to repair shall also compensate the homeowner for all applicable damages recoverable under Section 944, within the timeframe for the repair set forth in this chapter. Any such offer shall be accompanied by a detailed, specific, step-by-step statement identifying the particular violation that is being repaired, explaining the nature, scope, and location of the repair, and setting a reasonable completion date for the repair. The offer shall also include the names, addresses, telephone numbers, and license numbers of the contractors whom the builder intends to have perform the repair. Those contractors shall be fully insured for, and shall be responsible for, all damages or injuries that they may cause to occur during the repair, and evidence of that insurance shall be provided to the homeowner upon request. Upon written request by the homeowner or his or her legal representative, and within the timeframes set forth in this chapter, the builder shall also provide any available technical documentation, including, without limitation, plans and specifications,

pertaining to the claimed violation within the particular home or development tract. The offer shall also advise the homeowner in writing of his or her right to request up to three additional contractors from which to select to do the repair pursuant to this chapter.

918. Upon receipt of the offer to repair, the homeowner shall have 30 days to authorize the builder to proceed with the repair. The homeowner may alternatively request, at the homeowner's sole option and discretion, that the builder provide the names, addresses, telephone numbers, and license numbers for up to three alternative contractors who are not owned or financially controlled by the builder and who regularly conduct business in the county where the structure is located. If the homeowner so elects, the builder is entitled to an additional noninvasive inspection, to occur at a mutually convenient date and time within 20 days of the election, so as to permit the other proposed contractors to review the proposed site of the repair. Within 35 days after the request of the homeowner for alternative contractors, the builder shall present the homeowner with a choice of contractors. Within 20 days after that presentation, the homeowner shall authorize the builder or one of the alternative contractors to perform the repair.

919. The offer to repair shall also be accompanied by an offer to mediate the dispute if the homeowner so chooses. The mediation shall be limited to a four-hour mediation, except as otherwise mutually agreed before a nonaffiliated mediator selected and paid for by the builder. At the homeowner's sole option, the homeowner may agree to split the cost of the mediator, and if he or she does so, the mediator shall be selected jointly. The mediator shall have sufficient availability such that the mediation occurs within 15 days after the request to mediate is received and occurs at a mutually convenient location within the county where the action is pending. If a builder has made an offer to repair a violation, and the mediation has failed to resolve the dispute, the homeowner shall allow the repair to be performed either by the builder, its contractor, or the selected contractor.

920. If the builder fails to make an offer to repair or otherwise strictly comply with this chapter within the times specified, the claimant is released from the requirements of this chapter and may proceed with the filing of an action. If the contractor performing the repair does not complete the repair in the time or manner specified, the claimant may file an action. If this occurs, the standards set forth in the other chapters of this part shall continue to apply to the action.

921. (a) In the event that a resolution under this chapter involves a repair by the builder, the builder shall make an appointment with the claimant, make all appropriate arrangements to effectuate a repair of the claimed unmet standards, and compensate the homeowner for all damages resulting therefrom free of charge to the claimant. The repair shall be scheduled through the claimant's legal representative, if any, unless he or she is unavailable during the relevant time periods. The repair shall be commenced on a mutually convenient date within 14 days of acceptance or, if an alternative contractor is selected by the homeowner, within 14 days of the selection, or, if a mediation occurs, within seven days of the mediation, or within five days after a permit is obtained if one is required. The builder shall act with reasonable diligence in obtaining any such permit.

(b) The builder shall ensure that work done on the repairs is done with the utmost diligence, and that the repairs are completed as soon as reasonably possible, subject to the nature of the repair or some unforeseen event not caused by the builder or the contractor performing the repair. Every effort shall be made to complete the repair within 120 days.

922. The builder shall, upon request, allow the repair to be observed and electronically recorded, videotaped, or photographed by the claimant or his or her legal representative. Nothing that occurs during the repair process may be used or introduced as evidence to support a spoliation defense by any potential party in any subsequent litigation.

923. The builder shall provide the homeowner or his or her legal representative, upon request, with

copies of all correspondence, photographs, and other materials pertaining or relating in any manner to the repairs.

924. If the builder elects to repair some, but not all of, the claimed unmet standards, the builder shall, at the same time it makes its offer, set forth with particularity in writing the reasons, and the support for those reasons, for not repairing all claimed unmet standards.

925. If the builder fails to complete the repair within the time specified in the repair plan, the claimant is released from the requirements of this chapter and may proceed with the filing of an action. If this occurs, the standards set forth in the other chapters of this title shall continue to apply to the action.

926. The builder may not obtain a release or waiver of any kind in exchange for the repair work mandated by this chapter. At the conclusion of the repair, the claimant may proceed with filing an action for violation of the applicable standard or for a claim of inadequate repair, or both, including all applicable damages available under Section 944.

927. If the applicable statute of limitations has otherwise run during this process, the time period for filing a complaint or other legal remedies for violation of any provision of this title, or for a claim of inadequate repair, is extended from the time of the original claim by the claimant to 100 days after the repair is completed, whether or not the particular violation is the one being repaired. If the builder fails to acknowledge the claim within the time specified, elects not to go through this statutory process, or fails to request an inspection within the time specified, the time period for filing a complaint or other legal remedies for violation of any provision of this title is extended from the time of the original claim by the claimant to 45 days after the time for responding to the notice of claim has expired. If the builder elects to attempt to enforce its own nonadversarial procedure in lieu of the procedure set forth in this chapter, the time period for filing a complaint or other legal remedies for violation of any provision of this part is extended from the time of the original claim by the claimant to 100 days after either the completion of the builder's

alternative nonadversarial procedure, or 100 days after the builder's alternative nonadversarial procedure is deemed unenforceable, whichever is later.

928. If the builder has invoked this chapter and completed a repair, prior to filing an action, if there has been no previous mediation between the parties, the homeowner or his or her legal representative shall request mediation in writing. The mediation shall be limited to four hours, except as otherwise mutually agreed before a nonaffiliated mediator selected and paid for by the builder. At the homeowner's sole option, the homeowner may agree to split the cost of the mediator and if he or she does so, the mediator shall be selected jointly. The mediator shall have sufficient availability such that the mediation will occur within 15 days after the request for mediation is received and shall occur at a mutually convenient location within the county where the action is pending. In the event that a mediation is used at this point, any applicable statutes of limitations shall be tolled from the date of the request to mediate until the next court day after the mediation is completed, or the 100-day period, whichever is later.

929. (a) Nothing in this chapter prohibits the builder from making only a cash offer and no repair. In this situation, the homeowner is free to accept the offer, or he or she may reject the offer and proceed with the filing of an action. If the latter occurs, the standards of the other chapters of this title shall continue to apply to the action.

(b) The builder may obtain a reasonable release in exchange for the cash payment. The builder may negotiate the terms and conditions of any reasonable release in terms of scope and consideration in conjunction with a cash payment under this chapter.

930. (a) The time periods and all other requirements in this chapter are to be strictly construed, and, unless extended by the mutual agreement of the parties in accordance with this chapter, shall govern the rights and obligations under this title. If a builder fails to act in accordance with this section within the timeframes mandated, unless extended by the mutual agreement of the parties as evidenced by

a postclaim written confirmation by the affected homeowner demonstrating that he or she has knowingly and voluntarily extended the statutory timeframe, the claimant may proceed with filing an action. If this occurs, the standards of the other chapters of this title shall continue to apply to the action.

(b) If the claimant does not conform with the requirements of this chapter, the builder may bring a motion to stay any subsequent court action or other proceeding until the requirements of this chapter have been satisfied. The court, in its discretion, may award the prevailing party on such a motion, his or her attorney's fees and costs in bringing or opposing the motion.

931. If a claim combines causes of action or damages not covered by this part, including, without limitation, personal injuries, class actions, other statutory remedies, or fraud-based claims, the claimed unmet standards shall be administered according to this part, although evidence of the property in its unrepaired condition may be introduced to support the respective elements of any such cause of action. As to any fraud-based claim, if the fact that the property has been repaired under this chapter is deemed admissible, the trier of fact shall be informed that the repair was not voluntarily accepted by the homeowner. As to any class action claims that address solely the incorporation of a defective component into a residence, the named and unnamed class members need not comply with this chapter.

932. Subsequently discovered claims of unmet standards shall be administered separately under this chapter, unless otherwise agreed to by the parties. However, in the case of a detached single family residence, in the same home, if the subsequently discovered claim is for a violation of the same standard as that which has already been initiated by the same claimant and the subject of a currently pending action, the claimant need not reinstate the process as to the same standard. In the case of an attached project, if the subsequently discovered claim is for a violation of the same standard for a connected component system in the same building as has already been initiated by the same claimant, and the subject of

a currently pending action, the claimant need not reinitiate this process as to that standard.

933. If any enforcement of these standards is commenced, the fact that a repair effort was made may be introduced to the trier of fact. However, the claimant may use the condition of the property prior to the repair as the basis for contending that the repair work was inappropriate, inadequate, or incomplete, or that the violation still exists. The claimant need not show that the repair work resulted in further damage nor that damage has continued to occur as a result of the violation.

934. Evidence of both parties' conduct during this process may be introduced during a subsequent enforcement action, if any, with the exception of any mediation. Any repair efforts undertaken by the builder, shall not be considered settlement communications or offers of settlement and are not inadmissible in evidence on such a basis.

935. To the extent that provisions of this chapter are enforced and those provisions are substantially similar to provisions in Section 6000, but an action is subsequently commenced under Section 6000, the parties are excused from performing the substantially similar requirements under Section 6000.

936. Each and every provision of the other chapters of this title apply to subcontractors, material suppliers, individual product manufacturers, and design professionals to the extent that the subcontractors, material suppliers, individual product manufacturers, and design professionals caused, in whole or in part, a violation of a particular standard as the result of a negligent act or omission or a breach of contract. In addition to the affirmative defenses set forth in Section 945.5, a subcontractor, material supplier, design professional, individual product manufacturer, or other entity may also offer common law and contractual defenses as applicable to any claimed violation of a standard. All actions by a claimant or builder to enforce an express contract, or any provision thereof, against a subcontractor, material supplier, individual product manufacturer, or design professional is preserved. Nothing in this title modifies the law pertaining to joint and several liability for

subcontractors, material suppliers, individual product manufacturer, and design professionals that contribute to any specific violation of this title. However, this section does not apply to any subcontractor, material supplier, individual product manufacturer, or design professional to which strict liability would apply.

937. Nothing in this title shall be interpreted to eliminate or abrogate the requirement to comply with Section 411.35 of the Code of Civil Procedure or to affect the liability of design professionals, including architects and architectural firms, for claims and damages not covered by this title. **938.** This title applies only to residences originally sold on or after January 1, 2003.

CHAPTER 5. PROCEDURE

Construction Defects – Action

941. (a) Except as specifically set forth in this title, no action may be brought to recover under this title more than 10 years after substantial completion of the improvement but not later than the date of recordation of a valid notice of completion.

(b) As used in this section, “action” includes an action for indemnity brought against a person arising out of that person’s performance or furnishing of services or materials referred to in this title, except that a cross-complaint for indemnity may be filed pursuant to subdivision (b) of Section 428.10 of the Code of Civil Procedure in an action which has been brought within the time period set forth in subdivision (a).

(c) The limitation prescribed by this section shall not be asserted by way of defense by any person in actual possession or the control, as owner, tenant or otherwise, of such an improvement, at the time any deficiency in the improvement constitutes the proximate cause for which it is proposed to make a claim or bring an action.

(d) Sections 337.15 and 337.1 of the Code of Civil Procedure shall not apply to actions under this title.

(e) Existing statutory and decisional law regarding tolling of the statute of limitations shall apply to the time periods for filing an action or

making a claim under this title, except that repairs made pursuant to Chapter 4 (commencing with Section 910), with the exception of the tolling provision contained in Section 927, do not extend the period for filing an action, or restart the time limitations contained in subdivisions (a) or (b) if 7091 of the Business and Professions Code. If a builder arranges for a contractor to perform a repair pursuant to Chapter 4 (commencing with Section 910), as to the builder the time period for calculating the statute of limitation in subdivisions (a) or (b) if Section 7091 of the Business and Professions Code shall pertain to the substantial completion of the original construction and not to the date of repairs under this title. The time limitations established by this title do not apply to any action by a claimant for a contract or express contractual provision. Causes of action and damages to which this chapter does not apply are not limited by this section. In order to make a claim for violation of the standards set forth in Chapter 2 (commencing with Section 896), a homeowner need only demonstrate, in accordance with the applicable evidentiary standard, that the home does not meet the applicable standard, subject to the affirmative defenses set forth in Section 945.5. No further showing of causation or damages is required to meet the burden of proof regarding a violation of a standard set forth in Chapter 2 (commencing with Section 896), provided that the violation arises out of, pertains to, or is related to, the original construction.

942. (a) Except as provided in this title, no other cause of action for a claim covered by this title or for damages recoverable under Section 944 is allowed. In addition to the rights under this title, this title does not apply to any action by a claimant to enforce a contract or express contractual provision, or any action for fraud, personal injury, or violation of a statute. Damages awarded for the items set forth in Section 944 in such other cause of action shall be reduced by the amounts recovered pursuant to Section 944 for violation of the standards set forth in this title.

(b) As to any claims involving a detached single-family home, the homeowner's right to the reasonable value of repairing any nonconformity is limited to the repair costs, or the diminution in

current value of the home caused by the nonconformity, whichever is less, subject to the personal use exception as developed under common law. 944. If a claim for damages is made under this title, the homeowner is only entitled to damages for the reasonable value of repairing any violation of the standards set forth in this title, the reasonable cost of repairing any damages caused by the repair efforts, the reasonable cost of repairing and rectifying any damages resulting from the failure of the home to meet the standards, the reasonable cost of removing and replacing any improper repair by the builder, reasonable relocation and storage expenses, lost business income if the home was used as a principal place of a business licensed to be operated from the home, reasonable investigative costs for each established violation, and all other costs or fees recoverable by contract or statute.

945. The provisions, standards, rights, and obligations set forth in this title are binding upon all original purchasers and their successors-in-interest. For purposes of this title, associations and others having the rights set forth in Sections 5980 and 5985 shall be considered to be original purchasers and shall have standing to enforce the provisions, standards, rights, and obligations set forth in this title.

945.5. A builder, under the principles of comparative fault pertaining to affirmative defenses, may be excused, in whole or in part, from any obligation, damage, loss, or liability if the builder can demonstrate any of the following affirmative defenses in response to a claimed violation:

(a) To the extent it is caused by an unforeseen act of nature which caused the structure not to meet the standard. For purposes of this section an "unforeseen act of nature" means a weather condition, earthquake, or manmade event such as war, terrorism, or vandalism, in excess of the design criteria expressed by the applicable building codes, regulations, and ordinances in effect at the time of original construction.

(b) To the extent it is caused by a homeowner's unreasonable failure to minimize or prevent those damages in a timely manner, including the failure of the homeowner to allow reasonable and timely

access for inspections and repairs under this title. This includes the failure to give timely notice to the builder after discovery of a violation, but does not include damages due to the untimely or inadequate response of a builder to the homeowner's claim.

(c) To the extent it is caused by the homeowner or his or her agent, employee, subcontractor, independent contractor, or consultant by virtue of their failure to follow the builder's or manufacturer's recommendations, or commonly accepted homeowner maintenance obligations. In order to rely upon this defense as it relates to a builder's recommended maintenance schedule, the builder shall show that the homeowner had written notice of these schedules and recommendations and that the recommendations and schedules were reasonable at the time they were issued.

(d) To the extent it is caused by the homeowner or his or her agent's or an independent third party's alterations, ordinary wear and tear, misuse, abuse, or neglect, or by the structure's use for something other than its intended purpose.

(e) To the extent that the time period for filing actions bars the claimed violation.

(f) As to a particular violation for which the builder has obtained a valid release.

(g) To the extent that the builder's repair was successful in correcting the particular violation of the applicable standard.

(h) As to any causes of action to which this statute does not apply, all applicable affirmative defenses are preserved.

Release of Escrow Funds – Liability for Failure

1057.3. (a) It shall be the obligation of a buyer and seller who enter into a contract to purchase and sell real property to ensure that all funds deposited into an escrow account are returned to the person who deposited the funds or who is otherwise entitled to the funds under the contract, if the purchase of the property is not completed by the date set forth in the contract for the close of escrow or any duly executed extension thereof.

(b) Any buyer or seller who fails to execute any document required by the escrow holder to release funds on deposit in an escrow account as provided in subdivision (a) within 30 days following a written demand for the return of funds deposited in escrow by the other party shall be liable to the person making the deposit for all of the following:

(1) The amount of the funds deposited in escrow not held in good faith to resolve a good faith dispute.

(2) Damages of treble the amount of the funds deposited in escrow not held to resolve a good faith dispute, but liability under this paragraph shall not be less than one hundred dollars (\$100) or more than one thousand dollars (\$1,000).

(3) Reasonable attorney's fees incurred in any action to enforce this section.

(c) Notwithstanding subdivision (b), there shall be no cause of action under this section, and no party to a contract to purchase and sell real property shall be liable, for failure to return funds deposited in an escrow account by a buyer or seller, if the funds are withheld in order to resolve a good faith dispute between a buyer and seller. A party who is denied the return of the funds deposited in escrow is entitled to damages under this section only upon proving that there was no good faith dispute as to the right to the funds on deposit.

(d) Upon the filing of a cause of action pursuant to this section, the escrow holder shall deposit the sum in dispute, less any cancellation fee and charges incurred, with the court in which the action is filed and be discharged of further responsibility for the funds.

(e) Neither any document required by the escrow holder to release funds deposited in an escrow account nor the acceptance of funds released from escrow, by any principal to the escrow transaction, shall be deemed a cancellation or termination of the underlying contract to purchase and sell real property, unless the cancellation is specifically stated therein. If the escrow instructions constitute the only contract between the buyer and seller, no document

required by the escrow holder to release funds deposited in an escrow account shall abrogate a cause of action for breach of a contractual obligation to purchase or sell real property, unless the cancellation is specifically stated therein.

(f) For purposes of this section:

(1) “Close of escrow” means the date, specified event, or performance of prescribed condition upon which the escrow agent is to deliver the subject of the escrow to the person specified in the buyer’s instructions to the escrow agent.

(2) “Good faith dispute” means a dispute in which the trier of fact finds that the party refusing to return the deposited funds had a reasonable belief of his or her legal entitlement to withhold the deposited funds. The existence of a “good faith dispute” shall be determined by the trier of fact.

(3) “Property” means real property containing one to four residential units at least one of which at the time the escrow is created is to be occupied by the buyer. The buyer’s statement as to his or her intention to occupy one of the units is conclusive for the purposes of this section.

(g) Nothing in this section restricts the ability of an escrow holder to file an interpleader action in the event of a dispute as to the proper distribution of funds deposited in an escrow account.

Notice If No Policy of Title Insurance

1057.6. In an escrow transaction for the purchase or simultaneous exchange of real property, where a policy of title insurance will not be issued to the buyer or to the parties to the exchange, the following notice shall be provided in a separate document to the buyer or parties exchanging real property, which shall be signed and acknowledged by them:

“IMPORTANT: IN A PURCHASE OR EXCHANGE OF REAL PROPERTY, IT MAY BE ADVISABLE TO OBTAIN TITLE INSURANCE IN CONNECTION WITH THE CLOSE OF ESCROW SINCE THERE MAY BE PRIOR RECORDED LIENS AND ENCUMBRANCES WHICH AFFECT YOUR

INTEREST IN THE PROPERTY BEING ACQUIRED. A NEW POLICY OF TITLE INSURANCE SHOULD BE OBTAINED IN ORDER TO ENSURE YOUR INTEREST IN THE PROPERTY THAT YOU ARE ACQUIRING.”

Initial Escrow Instructions – Disclosure of License

1057.7. All written escrow instructions executed by a buyer or seller, whether prepared by a person subject to Division 6 (commencing with Section 17000) of the Financial Code, or by a person exempt from that division under Section 17006 of the Financial Code, shall contain a statement in not less than 10-point type which shall include the license name and the name of the department issuing the license or authority under which the person is operating. This section shall not apply to supplemental escrow instructions or modifications to escrow instructions.

This section shall become operative on July 1, 1993.

Listings Defined

1086. (a) For purposes of this article, the definitions contained in Chapter 1 (commencing with Section 10000) of Part 1 of Division 4 of the Business and Professions Code apply.

(b) An “agent” is one authorized by law to act in that capacity for that type of property and is licensed as a real estate broker under Chapter 3 (commencing with Section 10130) of Part 1 of Division 4 of the Business and Professions Code, or is a licensee, as defined in Section 18006 of the Health and Safety Code.

Multiple Listing Service

1087. A multiple listing service (MLS) is a facility of cooperation of agents and appraisers, operating through an intermediary that does not itself act as an agent or appraiser, through which agents establish express or implied contracts for compensation between agents that are MLS participants in accordance with its MLS rules with respect to listed properties in a listing agreement, or that may be used by agents and appraisers, pursuant to the rules of the service, to prepare market evaluations and appraisals of real property.

Listing Placed in Multiple Listing Service – Authorization and Accuracy Required

1088. (a) A listing may not be placed in a multiple listing service unless authorized or directed by the seller in the listing.

(b) If an agent or appraiser places a listing or other information in the multiple listing service, that agent or appraiser shall be responsible for the truth of all representations and statements made by the agent or appraiser of which that agent or appraiser had knowledge or reasonably should have had knowledge to anyone injured by their falseness or inaccuracy.

(c) A multiple listing service shall retain and make accessible on its computer system, if any, all listing and other information placed in the multiple listing service by an agent or appraiser for no less than three years from the date the listing was placed in the multiple listing service.

(d) This section shall not alter the obligations of a licensed real estate broker to retain documents as specified in subdivision (a) of Section 10148 of the Business and Professions Code.

Preservation of Duties

1089. The provisions of subdivision (d) of Section 1102.1 shall apply to this article.

Unlawful Influence of Appraisers

1090.5. (a) No person with an interest in a real estate transaction involving a valuation shall improperly influence or attempt to improperly influence the development, reporting, result, or review of that valuation, through coercion, extortion, bribery, intimidation, compensation, or instruction. For purposes of this section, a valuation is defined as an estimate of the value of real property in written or electronic form, other than one produced solely by an automated valuation model or system. Prohibited acts include, but are not limited to, the following:

(1) Seeking to influence a person who prepares a valuation to report a minimum or maximum value for the property being valued. Such influence may include, but is not limited to:

(A) Requesting that a person provide a preliminary estimate or opinion of value

prior to entering into a contract with that person for valuation services.

(B) Conditioning whether to hire a person based on an expectation of the value conclusion likely to be returned by that person.

(C) Conditioning the amount of a person's compensation on the value conclusion returned by that person.

(D) Providing to a person an anticipated, estimated, encouraged, or desired valuation prior to their completion of a valuation.

(2) Withholding or threatening to withhold timely payment to a person or entity that prepares a valuation, or provides valuation management functions, because that person or entity does not return a value at or above a certain amount.

(3) Implying to a person who prepares a valuation that current or future retention of that person depends on the amount at which the person estimates the value of real property.

(4) Excluding a person who prepares a valuation from consideration for future engagement because the person reports a value that does not meet or exceed a predetermined threshold.

(5) Conditioning the compensation paid to a person who prepares a valuation on consummation of the real estate transaction for which the valuation is prepared.

(6) Requesting the payment of compensation to achieve higher priority in the assignment of valuation business.

(b) Subdivision (a) does not prohibit a person with an interest in a real estate transaction from doing any of the following:

(1) Asking a person who performs a valuation to do any of the following:

(A) Consider additional, appropriate property information, including

information about comparable properties.

(B) Provide further detail, substantiation, or explanation for the person's value conclusion.

(C) Correct errors in a valuation report.

(2) Obtaining multiple valuations, for purposes of selecting the most reliable valuation.

(3) Withholding compensation due to breach of contract or substandard performance of services.

(4) Providing a copy of the sales contract in connection with a purchase transaction.

(c) If a person who violates this section is licensed or registered under any state licensing or registration law and the violation occurs within the course and scope of the person's duties as a licensee or registrant, the violation shall be deemed a violation of that law.

(d) Nothing in this section shall be construed to authorize communications that are otherwise prohibited under existing law.

Vendors or Lessors Are Limited in the Amount They Can Charge for Signing and Delivering Transfer, Cancellation or Reconveyance Documents

1097. No vendor or lessor of a single family residential property shall contract for or exact any fee in excess of ten dollars (\$10) for the act of signing and delivering a document in connection with the transfer, cancellation or reconveyance of any title or instrument at the time the buyer or lessee exercises an option to buy, or completes performance of the contract for the sale of, the property.

The provisions of this section shall apply prospectively only.

Transfer Fees Defined

1098. (a) A "transfer fee" is any fee payment requirement imposed within a covenant, restriction, or condition contained in any deed, contract, security instrument, or other document affecting the transfer or sale of, or any interest in, real property that requires a fee be paid as a result

of transfer of the real property. A transfer fee does not include any of the following:

(1) Fees or taxes imposed by a governmental entity.

(2) Fees pursuant to mechanics' liens.

(6) Fees, charges, or payments imposed by lenders or purchasers of loans, as these entities are described in subdivision (c) of Section 10232 of the Business and Professions Code.

(8) Fees, charges, or payments for failing to comply with, or for transferring the real property prior to satisfying, an obligation to construct residential improvements on the real property.

(9) (A) Any fee reflected in a document recorded against the property on or before December 31, 2007, that is separate from any covenants, conditions, and restrictions, and that substantially complies with subdivision (a) of Section 1098.5 by providing a prospective transferee notice of the following:

(i) Payment of a transfer fee is required.

(ii) The amount or method of calculation of the fee.

(iii) The date or circumstances under which the transfer fee payment requirement expires, if any.

(iv) The entity to which the fee will be paid.

(v) The general purposes for which the fee will be used.

(B) A fee reflected in a document recorded against the property on or before December 31, 2007, that is not separate from any covenants, conditions, and restrictions, or that incorporates by reference from another document, is a “transfer fee” for purposes of Section 1098.5. A transfer fee recorded against the property on or before December 31, 2007, that complies with subparagraph (A) and incorporates by reference from another document is unenforceable unless recorded against the property on or before December 31, 2016, in a single document that complies with subdivision (b) and with Section 1098.5.

(b) The information in paragraph (9) of subdivision (a) shall be set forth in a single document and shall not be incorporated by reference from any other document.

Transfer Fees

1098.5. (a) For transfer fees, as defined in Section 1098, imposed prior to January 1, 2008, the receiver of the fee, as a condition of payment of the fee on or after January 1, 2009, shall record, on or before December 31, 2008, against the real property in the office of the county recorder for the county in which the real property is located a separate document that meets all of the following requirements:

(1) The title of the document shall be “Payment of Transfer Fee Required” in at least 14-point boldface type.

(2) The document shall include all of the following information:

(A) The names of all current owners of the real property subject to the transfer fee, and the legal description and assessor’s parcel number for the affected real property.

(B) The amount, if the fee is a flat amount, or the percentage of the sales price constituting the cost of the fee.

(C) If the real property is residential property, actual dollar-cost examples of the fee for a home priced at two hundred fifty thousand dollars (\$250,000), five hundred thousand dollars (\$500,000), and seven hundred fifty thousand dollars (\$750,000).

(G) The signature of the authorized representative of the entity to which funds from the fee will be paid.

(b) When a transfer fee, as defined in Section 1098, is imposed upon real property on or after January 1, 2008, the person or entity imposing the transfer fee, as a condition of payment of the fee, shall record in the office of the county recorder for the county in which the real property is located, concurrently with the instrument creating the transfer fee requirement, a separate document that meets all of the following requirements:

(1) The title of the document shall be “Payment of Transfer Fee Required” in at least 14-point boldface type.

(2) The document shall include all of the following information:

(A) The names of all current owners of the real property subject to the transfer fee, and the legal description and

assessor's parcel number for the affected real property.

(B) The amount, if the fee is a flat amount, the percentage of the sales price constituting the cost of the fee, or the method for calculating the amount.

(C) If the real property is residential property and the amount of the fee is based on the price of the real property, actual dollar-cost examples of the fee for a home priced at two hundred fifty thousand dollars (\$250,000), five hundred thousand dollars (\$500,000), and seven hundred fifty thousand dollars (\$750,000).

(D) The date or circumstances under which the transfer fee payment requirement expires, if any.

(E) The purpose for which the funds from the fee will be used.

(F) The entity to which funds from the fee will be paid and specific contact information regarding where the funds are to be sent.

(G) The signature of the authorized representative of the entity to which funds from the fee will be paid.

(H) For private transfer fees created on or after February 8, 2011, unless the exception in Section 1228.3 of Title 12 of the Code of Federal Regulations applies, the following notice in at least 14-point boldface type:

The Federal Housing Finance Agency and the Federal Housing Administration are prohibited from dealing in mortgages on properties encumbered by private transfer fee covenants that do not provide a "direct benefit" to the real property encumbered by the covenant. As a result, if you purchase such a property, you or individuals you want to sell the property to may have difficulty obtaining financing.

(c) The recorder shall only be responsible for examining that the document required by subdivision (a) or (b) contains the information required by subparagraphs (A), (F), and (G) of paragraph (2) of subdivision (a) or (b). The recorder shall index the document under the names of the persons and entities identified in subparagraphs (A) and (F) of paragraph (2) of subdivision (a) or (b). The recorder shall not examine any other information contained in the document required by subdivision (a) or (b).

1098.6. (a) (1) On or after January 1, 2019, a transfer fee shall not be created.

(2) This subdivision does not apply to excepted transfer fee covenants as defined by Section 1228.1 of Title 12 of the Code of Federal Regulations. Excepted transfer fee covenants are not required to comply with subparagraph (H) of paragraph (2) of subdivision (b) of Section 1098.5.

(b) Any transfer fee created in violation of subdivision (a) is void as against public policy.

(c) For purposes of this section, "transfer fee" has the same meaning as that term is defined in Section 1098.

1098.6. (a) (1) On or after January 1, 2019, a transfer fee shall not be created.

(2) This subdivision does not apply to excepted transfer fee covenants as defined by Section 1228.1 of Title 12 of the Code of Federal Regulations. Excepted transfer fee covenants are not required to comply with subparagraph (H) of paragraph (2) of subdivision (b) of Section 1098.5.

(b) Any transfer fee created in violation of subdivision (a) is void as against public policy.

(c) For purposes of this section, "transfer fee" has the same meaning as that term is defined in Section 1098

Structural Pest Control Inspection Report and Certification – Delivery to Transferee

1099. (a) As soon as practical before transfer of title of any real property or the execution of a real property sales contract as defined in Section 2985, the transferor, fee owner, or his or her agent, shall deliver to the transferee a copy of a structural pest control inspection report prepared pursuant to Section 8516 of the Business and

Professions Code upon which any certification in accordance with Section 8519 of the Business and Professions Code may be made, provided that certification or preparation of a report is a condition of the contract effecting that transfer, or is a requirement imposed as a condition of financing such transfer.

1101.4. (a) For all building alterations or improvements to single-family residential real property, as a condition for issuance of a certificate of final completion and occupancy or final permit approval by the local building department, the permit applicant shall replace all

noncompliant plumbing fixtures with water-conserving plumbing fixtures.

(b) On or before January 1, 2017, noncompliant plumbing fixtures in any single-family residential real property shall be replaced by the property owner with water-conserving plumbing fixtures.

(c) A seller or transferor of single-family residential real property shall disclose in writing to the prospective purchaser or transferee the requirements of subdivision (b) and whether the real property includes any noncompliant plumbing fixtures.

Application of Article

1102. (a) Except as provided in Section 1102.2, this article applies to any transfer by sale, exchange, real property sales contract as defined in Section 2985, lease with an option to purchase, any other option to purchase, or ground lease coupled with improvements of any single-family residential property.

(b) For purposes of this article, the definitions contained in Chapter 1 (commencing with Section 10000) of Part 1 of Division 4 of the Business and Professions Code shall apply.

(c) Any waiver of the requirements of this article is void as against public policy.

Legislative Intent

1102.1. (a) In enacting Chapter 817 of the Statutes of 1994, it was the intent of the Legislature to clarify and facilitate the use of the real estate disclosure statement, as specified in Section 1102.6. The Legislature intended the statement to be used by transferors making disclosures required under this article and by agents making disclosures required by Section 2079 on the agent's portion of the real estate disclosure statement, in transfers subject to this article. In transfers not subject to this article, agents may make required disclosures in a separate writing. The Legislature did not intend to affect the existing obligations of the parties to a real estate contract, or their agents, to disclose any fact materially affecting the value and desirability of the property, including, but not limited to, the physical conditions of the property and previously received reports of physical inspections noted on the disclosure form set forth in Section 1102.6 or 1102.6a, and that nothing in

this article shall be construed to change the duty of a real estate broker or salesperson pursuant to Section 2079.

It is also the intent of the Legislature that the delivery of a real estate transfer disclosure statement may not be waived in an “as is” sale, as held in *Loughrin v. Superior Court* (1993) 15 Cal. App. 4th 1188.

(b) In enacting Chapter 677 of the Statutes of 1996, it was the intent of the Legislature to clarify and facilitate the use of the manufactured home and mobilehome transfer disclosure statement applicable to the resale of a manufactured home or mobilehome pursuant to subdivision (b) of Section 1102. The Legislature intended the statements to be used by transferors making disclosures required under this article and by agents making disclosures required by Section 2079 on the agent’s portion of the disclosure statement and as required by Section 18046 of the Health and Safety Code on the dealer’s portion of the manufactured home and mobilehome transfer disclosure statement, in transfers subject to this article. In transfers not subject to this article, agents may make required disclosures in a separate writing. The Legislature did not intend to affect the existing obligations of the parties to a real estate contract, or their agents, to disclose any fact materially affecting the value and desirability of the property, including, but not limited to, the physical conditions of the property and previously received reports of physical inspections noted on the disclosure form set forth in Section 1102.6 or 1102.6a or to affect the existing obligations of the parties to a manufactured home or mobilehome purchase contract, and nothing in this article shall be construed to change the duty of a real estate broker or salesperson pursuant to Section 2079 or the duty of a manufactured home or mobilehome dealer or salesperson pursuant to Section 18046 of the Health and Safety Code.

It is also the intent of the Legislature that the delivery of a mobilehome transfer disclosure statement may not be waived in an “as is” sale.

(c) It is the intent of the Legislature that manufactured home and mobilehome dealers and salespersons and real estate brokers and

salespersons use the form provided pursuant to Section 1102.6d. It is also the intent of the Legislature for sellers of manufactured homes or mobilehomes who are neither manufactured home dealers or salespersons nor real estate brokers or salespersons to use the Manufactured Home/Mobilehome Transfer Disclosure Statement contained in Section 1102.6d.

(d) Nothing in Assembly Bill 1289 of the 2017–18 Regular Session or Assembly Bill 2884 of the 2017–18 Regular Session shall be construed to affect any of the following:

- (1) A real estate broker’s duties under existing statutory or common law as an agent of a person who retains that broker to perform acts for which a license is required under this division.
- (2) Any fiduciary duties owed by a real estate broker to a person who retains that broker to perform acts for which a license is required under this division.
- (3) Any duty of disclosure or any other duties or obligations of a real estate broker, which arise under this division or other existing, applicable California law, including common law.
- (4) Any duties or obligations of a salesperson or a broker associate, which arise under this division or existing, applicable California law, including common law, and duties and obligations to the salesperson’s or broker associate’s responsible broker.
- (5) A responsible broker’s duty of supervision and oversight for the acts of retained salespersons or broker associates, which arise under this division or other existing, applicable California law, including common law.

For purposes of this subdivision, references to “existing statutory law” and “existing, applicable California law” refer to the law as it read immediately prior to enactment of Assembly Bill 1289 of the 2017–18 Regular Session and Assembly Bill 2884 of the 2017–18 Regular Session.

The changes made to this section by Assembly Bill 1289 of the 2017–18 Legislative Session shall not be interpreted to change the application of the law as it read prior to January 1, 2019.

The period of time the prospective buyer has in which to terminate the prospective buyer's offer commences when Sections I, II, and III in the form described in Section 1102.6 are completed and delivered to the buyer or buyer's agent. A real estate agent may complete the agent's portion of the required disclosure by providing all of the information on the agent's inspection disclosure set forth in Section 1102.6.

(b) The delivery of any information required to be disclosed by this article to a prospective buyer by a public agency or other person providing information required to be disclosed pursuant to this article shall be deemed to comply with the requirements of this article and shall relieve the seller or any listing or buyer's agent of any further duty under this article with respect to that item of information.

(b) If an earthquake fault zone, seismic hazard zone, very high fire hazard severity zone, or wildland fire area map or accompanying information is not of sufficient accuracy or scale that a reasonable person can determine if the subject real property is included in a natural hazard area, the seller or seller's agent shall mark "Yes" on the Natural Hazard Disclosure Statement. The seller's agent may mark "No" on the Natural Hazard Disclosure Statement if the seller attaches a report prepared pursuant to subdivision (c) of Section 1103.4 that verifies the property is not in the hazard zone. This subdivision is not intended to limit or abridge

any existing duty of the seller or the seller's agent to exercise reasonable care in making a determination under this subdivision.

(c) If the Federal Emergency Management Agency has issued a Letter of Map Revision confirming that a property is no longer within a special flood hazard area, then the seller or seller's agent may mark "No" on the Natural Hazard Disclosure Statement, even if the map has not yet been updated. The seller or seller's agent shall attach a copy of the Letter of Map Revision to the disclosure statement.

(d) If the Federal Emergency Management Agency has issued a Letter of Map Revision confirming that a property is within a special flood hazard area and the location of the letter has been posted pursuant to subdivision (g) of Section 8589.3 of the Government Code, then the seller or seller's agent shall mark "Yes" on the Natural Hazard Disclosure Statement, even if the map has not yet been updated. The seller or seller's agent shall attach a copy of the Letter of Map Revision to the disclosure statement.

(e) The disclosure required pursuant to this article may be provided by the seller and the seller's agent in the Local Option Real Estate Disclosure Statement described in Section 1102.6a, provided that the Local Option Real Estate Disclosure Statement includes substantially the same information and substantially the same warnings that are required by this section.

(f) (1) The legal effect of a consultant's report delivered to satisfy the exemption provided by Section 1103.4 is not changed when it is accompanied by a Natural Hazard Disclosure Statement.

(2) A consultant's report shall always be accompanied by a completed and signed Natural Hazard Disclosure Statement.

(3) In a disclosure statement required by this section, an agent and third-party provider may cause the agent and third-party provider's name to be preprinted in lieu of an original signature in the portions of the form reserved for signatures. The use

of a preprinted name shall not change the legal effect of the acknowledgment.

(g) The disclosure required by this article is only a disclosure between the seller, the seller's agent, and the prospective buyer, and shall not be used by any other party, including, but not limited to, insurance companies, lenders, or governmental agencies, for any purpose.

(h) In any transaction in which a seller has accepted, prior to June 1, 1998, an offer to purchase, the seller, or the seller's agent shall be deemed to have complied with the requirement of subdivision (a) if the seller or agent delivers to the prospective buyer a statement that includes substantially the same information and warning as the Natural Hazard Disclosure Statement.

Timely Delivery – Termination Right for Failure

1103.3. (a) The seller of any real property subject to this article shall deliver to the prospective buyer the written statement required by this article, as follows:

(1) In the case of a sale, as soon as practicable before transfer of title.

(2) In the case of a sale by a real property sales contract, as defined in Section 2985, or by a lease together with an option to purchase, or a ground lease coupled with improvements, as soon as practicable before the prospective buyer's execution of the contract. For the purpose of this subdivision, "execution" means the making or acceptance of an offer.

(b) The seller shall indicate compliance with this article either on the real property sales contract, the lease, any addendum attached thereto, or on a separate document.

(c) If any disclosure, or any material amendment of any disclosure, required to be made pursuant to this article is delivered after the execution of an offer to purchase, the prospective buyer shall have three days after delivery in person, five days after delivery by deposit in the mail, or five days after delivery of an electronic record in transactions where the

parties have agreed to conduct the transaction by electronic means, pursuant to provisions of the Uniform Electronic Transactions Act (Title 2.5 (commencing with Section 1633.1) of Part 2 of Division 3), to terminate his or her offer by delivery of a written notice of termination to the seller or the seller's agent.

Liability for Error, Inaccuracy or Omission

1103.4. (a) Neither the seller nor any seller's agent or buyer's agent shall be liable for any error, inaccuracy, or omission of any information delivered pursuant to this article if the error, inaccuracy, or omission was not within the personal knowledge of the seller or the seller's agent or buyer's agent, and was based on information timely provided by public agencies or by other persons providing information as specified in subdivision (c) that is required to be disclosed pursuant to this article, and ordinary care was exercised in obtaining and transmitting the information.

(b) The delivery of any information required to be disclosed by this article to a prospective buyer by a public agency or other person providing information required to be disclosed pursuant to this article shall be deemed to comply with the requirements of this article and shall relieve the seller, seller's agent, and buyer's agent of any further duty under this article with respect to that item of information.

(c) The delivery of a report or opinion prepared by a licensed engineer, land surveyor, geologist, or expert in natural hazard discovery dealing with matters within the scope of the professional's license or expertise shall be sufficient compliance for application of the exemption provided by subdivision (a) if the information is provided to the prospective buyer pursuant to a request therefor, whether written or oral. In responding to that request, an expert may indicate, in writing, an understanding that the information provided will be used in fulfilling the requirements of Section 1103.2 and, if so, shall indicate the required disclosures, or parts thereof, to which the information being furnished is applicable. Where such a statement is furnished, the expert shall not be responsible for any items of

information or parts thereof, other than those expressly set forth in the statement.

(1) In responding to the request, the expert shall determine whether the property is within an airport influence area as defined in subdivision (b) of Section 11010 of the Business and Professions Code. If the property is within an airport influence area, the report shall contain the following statement:

NOTICE OF AIRPORT IN VICINITY

This property is presently located in the vicinity of an airport, within what is known as an airport influence area. For that reason, the property may be subject to some of the annoyances or inconveniences associated with proximity to airport operations (for example: noise, vibration, or odors). Individual sensitivities to those annoyances can vary from person to person. You may wish to consider what airport annoyances, if any, are associated with the property before you complete your purchase and determine whether they are acceptable to you.

(2) In responding to the request, the expert shall determine whether the property is within the jurisdiction of the San Francisco Bay Conservation and Development Commission, as defined in Section 66620 of the Government Code. If the property is within the commission's jurisdiction, the report shall contain the following notice:

NOTICE OF SAN FRANCISCO BAY CONSERVATION AND DEVELOPMENT COMMISSION JURISDICTION

This property is located within the jurisdiction of the San Francisco Bay Conservation and Development Commission. Use and development of property within the commission's jurisdiction may be subject to special regulations, restrictions, and permit requirements. You may wish to investigate

and determine whether they are acceptable to you and your intended use of the property before you complete your transaction.

(3) In responding to the request, the expert shall determine whether the property is presently located within one mile of a parcel of real property designated as "Prime Farmland," "Farmland of Statewide Importance," "Unique Farmland," "Farmland of Local Importance," or "Grazing Land" on the most current "Important Farmland Map" issued by the California Department of Conservation, Division of Land Resource Protection, utilizing solely the county-level GIS map data, if any, available on the Farmland Mapping and Monitoring Program Web site. If the residential property is within one mile of a designated farmland area, the report shall contain the following notice:

NOTICE OF RIGHT TO FARM

This property is located within one mile of a farm or ranch land designated on the current county-level GIS "Important Farmland Map," issued by the California Department of Conservation, Division of Land Resource Protection. Accordingly, the property may be subject to inconveniences or discomforts resulting from agricultural operations that are a normal and necessary aspect of living in a community with a strong rural character and a healthy agricultural sector. Customary agricultural practices in farm operations may include, but are not limited to, noise, odors, dust, light, insects, the operation of pumps and machinery, the storage and disposal of manure, bee pollination, and the ground or aerial application of fertilizers, pesticides, and herbicides. These agricultural practices may occur at any time during the 24-hour day. Individual sensitivities to those practices can vary from person to person. You may wish to consider the impacts of such agricultural practices before you complete your purchase. Please be advised

that you may be barred from obtaining legal remedies against agricultural practices conducted in a manner consistent with proper and accepted customs and standards pursuant to Section 3482.5 of the Civil Code or any pertinent local ordinance.

(4) In responding to the request, the expert shall determine, utilizing map coordinate data made available by the Office of Mine Reclamation, whether the property is presently located within one mile of a mine operation for which map coordinate data has been reported to the director pursuant to Section 2207 of the Public Resources Code. If the expert determines, from the available map coordinate data, that the residential property is located within one mile of a mine operation, the report shall contain the following notice:

NOTICE OF MINING OPERATIONS:

This property is located within one mile of a mine operation for which the mine owner or operator has reported mine location data to the Department of Conservation pursuant to Section 2207 of the Public Resources Code. Accordingly, the property may be subject to inconveniences resulting from mining operations. You may wish to consider the impacts of these practices before you complete your transaction.

1103.5. (a) After a seller and his or her agent comply with Section 1103.2, they shall be relieved of further duty under this article with respect to those items of information. The seller and the seller's agent shall not be required to provide notice to the prospective buyer if the information provided subsequently becomes inaccurate as a result of any governmental action, map revision, changed information, or other act or occurrence, unless the seller or agent has actual knowledge that the information has become inaccurate.

(b) If information disclosed in accordance with this article is subsequently rendered inaccurate as a result of any governmental action, map revision, changed information, or other act or

occurrence subsequent to the delivery of the required disclosures, the inaccuracy resulting therefrom does not constitute a violation of this article.

1103.7. Each disclosure required by this article and each act that may be performed in making the disclosure shall be made in good faith. For purposes of this article, "good faith" means honesty in fact in the conduct of the transaction.

1103.8. (a) The specification of items for disclosure in this article does not limit or abridge any obligation for disclosure created by any other provision of law or that may exist in order to avoid fraud, misrepresentation, or deceit in the sale transaction. The Legislature does not intend to affect the existing obligations of the parties to a real estate contract, or their agents, to disclose any fact materially affecting the value and desirability of the property, including, but not limited to, the physical condition of the property and previously received reports of physical inspection noted on the disclosure form provided pursuant to Section 1102.6 or 1102.6a.

(b) Nothing in this article shall be construed to change the duty of a real estate broker or salesperson pursuant to Section 2079.

Amendment of Disclosure

1103.9. Any disclosure made pursuant to this article may be amended in writing by the seller or the seller's agent, but the amendment shall be subject to Section 1103.3.

Delivery

1103.10. Delivery of disclosures required by this article shall be by personal delivery to the transferee or by mail to the prospective transferee. For the purposes of this article, delivery to the spouse of a transferee shall be deemed delivery to the transferee, unless provided otherwise by contract.

1103.11. Any person or entity, other than a real estate licensee licensed pursuant to Part 1 (commencing with Section 10000) of Division 4 of the Business and Professions Code, acting in the capacity of an escrow agent for the transfer of real property subject to this article shall not be deemed the agent of the transferor

or transferee for purposes of the disclosure requirements of this article, unless the person or entity is empowered to so act by an express written agreement to that effect. The extent of that agency shall be governed by the written agreement.

More Than One Broker/Agent in a Transaction

1103.12. (a) If more than one licensed real estate broker is acting as an agent in a transaction subject to this article, the broker who has obtained the offer made by the transferee shall, except as otherwise provided in this article, deliver the disclosure required by this article to the transferee, unless the transferor has given other written instructions for delivery.

(b) If a licensed real estate broker responsible for delivering the disclosures under this section cannot obtain the disclosure document required and does not have written assurance from the transferee that the disclosure has been received, the broker shall advise the transferee in writing of his or her rights to the disclosure. A licensed real estate broker responsible for delivering disclosures under this section shall maintain a record of the action taken to effect compliance in accordance with Section 10148 of the Business and Professions Code.

Failure to Comply Does Not Invalidate Transfer – Damages

1103.13. No transfer subject to this article shall be invalidated solely because of the failure of any person to comply with any provision of this article. However, any person who willfully or negligently violates or fails to perform any duty prescribed by any provision of this article shall be liable in the amount of actual damages suffered by a transferee.

Preservation of Duties

1103.15. The provisions of subdivision (d) of Section 1102.1 shall apply to this article.

Restrictions on Title and Escrow Services; REOs

1103.20. This article shall be known, and may be cited, as the Buyer's Choice Act.

1103.21. (a) The Legislature finds and declares:

(1) Sales of foreclosed properties have become a dominant portion of homes on the resale real estate market.

(2) The recent troubled real estate market has resulted in a concentration of the majority of homes available for resale within the hands of foreclosing lenders and has dramatically changed the market dynamics affecting ordinary home buyers.

(3) Preserving the fair negotiability of contract terms is an important policy goal to be preserved in real estate transactions.

(4) The potential for unfairness occasioned by the resale of large numbers of foreclosed homes on the market requires that protections against abuses be made effective immediately.

(5) The federal Real Estate Settlement Procedures Act (RESPA) creates general rules for fair negotiation of settlement services, prohibits kickbacks and specifically prohibits a seller in a federally related transaction from requiring a buyer to purchase title insurance from a particular insurer.

(6) California law does not specifically prohibit a seller from imposing, as a condition of sale of a foreclosed home, the purchase of title insurance or escrow services from a particular insurer or provider.

(7) Therefore it is necessary to add this act to California law to provide to a home buyer protection that follows the RESPA model and applies to, and prevents, the conditioning of a sale of a foreclosed home on the buyer's purchase of title insurance from a particular insurer or title company and/or the buyer's purchase of escrow services from a particular provider.

(b) It is the intent of the Legislature that, for the purpose of this act, the sale of a residential real property is deemed to include the receipt of an offer to purchase that residential real property.

1103.22. (a) A seller of residential real property improved by four or fewer dwelling units shall

not require directly or indirectly, as a condition of selling the property, that title insurance covering the property or escrow service provided in connection with the sale of the property be purchased by the buyer from a particular title insurer or escrow agent. This section does not prohibit a buyer from agreeing to accept the services of a title insurer or an escrow agent recommended by the seller if written notice of the right to make an independent selection of those services is first provided by the seller to the buyer.

(b) For purposes of this section:

(1) "Escrow service" means service provided by a person licensed pursuant to Division 6 (commencing with Section 17000) of the Financial Code, or exempt from licensing pursuant to Section 17006 of the Financial Code.

(2) "Seller" means a mortgagee or beneficiary under a deed of trust who acquired title to residential real property improved by four or fewer dwelling units at a foreclosure sale, including a trustee, agent, officer, or other employee of any such mortgagee or beneficiary.

(3) "Title insurance" means insurance offered by an insurer admitted in this state to transact title insurance pursuant to Chapter 1 (commencing with Section 12340) of Part 6 of the Insurance Code.

(c) A seller who violates this section shall be liable to a buyer in an amount equal to three times all charges made for the title insurance or escrow service. In addition, any person who violates this section shall be deemed to have violated his or her license law and shall be subject to discipline by his or her licensing entity.

(d) A transaction subject to this section shall not be invalidated solely because of the failure of any person to comply with any provision of this act.

Blanket Encumbrance on Subdivisions – Notice Required

1133. (a) If a lot, parcel, or unit of a subdivision is subject to a blanket encumbrance, as defined in Section 11013 of the Business and Professions Code, but is exempt from a requirement of compliance with Section 11013.2 of the Business and Professions Code, the subdivider, his or her agent, or representative, shall not sell, or lease for a term exceeding five years, the lot, parcel, or unit, nor cause it to be sold, or leased for a term exceeding five years, until the prospective purchaser or lessee of the lot, parcel, or unit has been furnished with and has signed a true copy of the following notice:

BUYER/LESSEE IS AWARE OF THE FACT THAT THE LOT, PARCEL, OR UNIT WHICH HE OR SHE IS PROPOSING TO PURCHASE OR LEASE IS SUBJECT TO A DEED OF TRUST, MORTGAGE, OR OTHER LIEN KNOWN AS A "BLANKET ENCUMBRANCE."

IF BUYER/LESSEE PURCHASES OR LEASES THIS LOT, PARCEL, OR UNIT, HE OR SHE COULD LOSE THAT INTEREST THROUGH FORECLOSURE OF THE BLANKET ENCUMBRANCE OR OTHER LEGAL PROCESS EVEN THOUGH BUYER/LESSEE IS NOT DELINQUENT IN HIS OR HER PAYMENTS OR OTHER OBLIGATIONS UNDER THE MORTGAGE, DEED OF TRUST, OR LEASE.

Date	Signature of Buyer or Lessee

(b) "Subdivision," as used in subdivision (a), means improved or unimproved land that is divided or proposed to be divided for the purpose of sale, lease, or financing, whether immediate or future, into two or more lots, parcels, or units and includes a condominium project, as defined in Section 4125 or 6542, a community apartment project, as defined in Section 4105, a stock cooperative, as defined in Section 4190 or 6566, and a limited equity housing cooperative, as defined in Section 4190.

(c) The failure of the buyer or lessee to sign the notice shall not invalidate any grant, conveyance, lease, or encumbrance.

(d) Any person or entity who willfully violates the provisions of this section shall be liable to the purchaser of a lot or unit which is subject to the provisions of this section for actual damages, and, in addition thereto, shall be guilty of a public offense punishable by a fine in an amount not to exceed five hundred dollars (\$500). In an action to enforce the liability or fine, the prevailing party shall be awarded reasonable attorney's fees.

Common Interest Subdivision Conversion – Statement of Defects

1134. (a) As soon as practicable before transfer of title for the first sale of a unit in a residential condominium, community apartment project, or stock cooperative which was converted from an existing dwelling to a condominium project, community apartment project, or stock cooperative, the owner or subdivider, or agent of the owner or subdivider, shall deliver to a prospective buyer a written statement listing all substantial defects or malfunctions in the major systems in the unit and common areas of the premises, or a written statement disclaiming knowledge of any such substantial defects or malfunctions. The disclaimer may be delivered only after the owner or subdivider has inspected the unit and the common areas and has not discovered a substantial defect or malfunction which a reasonable inspection would have disclosed.

(b) If any disclosure required to be made by this section is delivered after the execution of an agreement to purchase, the buyer shall have three days after delivery in person or five days after delivery by deposit in the mail, to terminate his or her agreement by delivery of written notice of that termination to the owner, subdivider, or agent. Any disclosure delivered after the execution of an agreement to purchase shall contain a statement describing the buyer's right, method and time to rescind as prescribed by this subdivision.

(c) For the purposes of this section:

(1) "Major systems" includes, but is not limited to, the roof, walls, floors, heating, air conditioning, plumbing, electrical systems or components of a similar or comparable nature, and recreational facilities.

(2) Delivery to a prospective buyer of the written statement required by this section shall be deemed effected when delivered personally or by mail to the prospective buyer or to an agent thereof, or to a spouse unless the agreement provides to the contrary. Delivery shall also be made to additional prospective buyers who have made a request therefor in writing.

(3) "Prospective buyer" includes any person who makes an offer to purchase a unit in the condominium, community apartment project, or stock cooperative.

(d) Any person who willfully fails to carry out the requirements of this section shall be liable in the amount of actual damages suffered by the buyer.

(e) Nothing in this section shall preclude the injured party from pursuing any remedy available under any other provision of law.

(f) No transfer of title to a unit subject to the provisions of this chapter shall be invalid solely because of the failure of any person to comply with the requirements of this section.

(g) The written statement required by this section shall not abridge or limit any other obligation of disclosure created by any other provision of law or which is or may be required to avoid fraud, deceit, or misrepresentation in the transaction.

TITLE 2: MANNER OF CREATING CONTRACTS

Multi-Language Contracts

1632. (a) The Legislature hereby finds and declares all of the following:

(1) This section was enacted in 1976 to increase consumer information and protections for the state's sizeable and growing Spanish-speaking population.

(2) Since 1976, the state's population has become increasingly diverse and the number of Californians who speak languages other than English as their primary language at home has increased dramatically.

(3) According to data from the American Community Survey, which has replaced the decennial census for detailed socioeconomic information about United States residents, approximately 15.2 million Californians speak a language other than English at home, based on data from combined years 2009 through 2011. This compares to approximately 19.6 million people who speak only English at home. Among the Californians who speak a language other than English at home, approximately 8.4 million speak English very well, and another 3 million speak English well. The remaining 3.8 million Californians surveyed do not speak English well or do not speak English at all. Among this group, the five languages other than English that are most widely spoken at home are Spanish, Chinese, Tagalog, Vietnamese, and Korean. These five languages are spoken at home by approximately 3.5 million of the 3.8 million Californians with limited or no English proficiency, who speak a language other than English at home.

If a person described in subdivision (b) does business at more than one location or branch, the requirements of this section shall apply only with respect to the location or branch at which the language in which the contract or agreement was negotiated is used.

(g) The term “contract” or “agreement,” as used in this section, means the document creating the rights and obligations of the parties and includes any subsequent document making substantial changes in the rights and obligations of the parties. The term “contract” or “agreement” does not include any subsequent documents authorized or contemplated by the original document such as periodic statements, sales slips or invoices representing purchases made pursuant to a credit card agreement, a retail installment contract or account or other revolving sales or loan account, memoranda of purchases in an add-on sale, or refinancing of a purchase as provided by, or pursuant to, the original document.

The term “contract” or “agreement” does not include a home improvement contract as defined in Sections 7151.2 and 7159 of the Business and Professions Code, nor does it include plans, specifications, description of work to be done and materials to be used, or collateral security taken or to be taken for the retail buyer’s obligation contained in a contract for the installation of goods by a contractor licensed pursuant to Chapter 9 (commencing with Section 7000) of Division 3 of the

Business and Professions Code, if the home improvement contract or installation contract is otherwise a part of a contract described in subdivision (b).

Matters ordinarily incorporated by reference in contracts or agreements as described in paragraph (3) of subdivision (b), including, but not limited to, rules and regulations governing a tenancy and inventories of furnishings to be provided by the person described in subdivision (b), are not included in the term “contract” or “agreement.”

(h) (1) This section does not apply to any person engaged in a trade or business who negotiates primarily in a language other than English, as described by subdivision (b), if the party with whom that person is negotiating is a buyer of goods or services, or receives a loan or extension of credit, or enters an agreement obligating that party as a tenant, lessee, or sublessee, or similarly obligates the party by contract or lease, and the party negotiates the terms of the contract, lease, or other obligation through the party’s own interpreter.

(2) As used in this subdivision, “the party’s own interpreter” means a person who is not a minor and who is able to speak fluently and read with full understanding both the English language and any of the languages specified in subdivision (b) in which the contract, lease, or other obligation was negotiated, and who is not employed by, or whose service is not made available through, the person engaged in the trade or business.

(i) Notwithstanding subdivision (b), a translation may retain the following elements of the executed English-language contract or agreement without translation: names and titles of individuals and other persons, addresses, brand names, trade names, trademarks, registered service marks, full or abbreviated designations of the make and model of goods or services, alphanumeric codes, numerals, dollar amounts expressed in numerals, dates, and individual words or expressions having no generally accepted non-English translation. It is

permissible, but not required, that this translation be signed.

(j) The terms of the contract or agreement that is executed in the English language shall determine the rights and obligations of the parties. However, the translation of the contract or the disclosures required by subdivision (e) in any of the languages specified in subdivision (b) in which the contract or agreement was negotiated shall be admissible in evidence only to show that no contract was entered into because of a substantial difference in the material terms and conditions of the contract and the translation.

(k) Upon a failure to comply with the provisions of this section, the person aggrieved may rescind the contract or agreement in the manner provided by this chapter. If the contract for a consumer credit sale or consumer lease that has been sold and assigned to a financial institution is rescinded pursuant to this subdivision, the consumer shall make restitution to and have restitution made by the person with whom the consumer made the contract and shall give notice of rescission to the assignee. Notwithstanding that the contract was assigned without recourse, the assignment shall be deemed rescinded, and the assignor shall promptly repurchase the contract from the assignee.

TITLE 4.5. LIQUIDATED DAMAGES (CIVIL CODE SECTIONS 1671 AND 1675-1681)

Validity – Standards for Determination – Applicability of Section

1671. (a) This section does not apply in any case where another statute expressly applicable to the contract prescribes the rules or standard for determining the validity of a provision in the contract liquidating the damages for the breach of the contract.

(b) Except as provided in subdivision (c), a provision in a contract liquidating the damages for the breach of the contract is valid unless the party seeking to invalidate the provision establishes that the provision was unreasonable

under the circumstances existing at the time the contract was made.

(c) The validity of a liquidated damages provision shall be determined under subdivision (d) and not under subdivision (b) where the liquidated damages are sought to be recovered from either:

(1) A party to a contract for the retail purchase, or rental, by such party of personal property or services, primarily for the party's personal, family, or household purposes; or

(2) A party to a lease of real property for use as a dwelling by the party or those dependent upon the party for support.

(d) In the cases described in subdivision (c), a provision in a contract liquidating damages for the breach of the contract is void except that the parties to such a contract may agree therein upon an amount which shall be presumed to be the amount of damage sustained by a breach thereof, when, from the nature of the case, it would be impracticable or extremely difficult to fix the actual damage.

Residential Property – Buyer's Failure to Complete Purchase – Validity of Contract

1675. (a) As used in this section, "residential property" means real property primarily consisting of a dwelling that meets both of the following requirements:

(1) The dwelling contains not more than four residential units.

(2) At the time the contract to purchase and sell the property is made, the buyer intends to occupy the dwelling or one of its units as his or her residence.

(b) A provision in a contract to purchase and sell residential property that provides that all or any part of a payment made by the buyer shall constitute liquidated damages to the seller upon the buyer's failure to complete the purchase of the property is valid to the extent that payment in the form of cash or check, including a postdated check, is actually made if the provision satisfies the requirements of Sections

1677 and 1678 and either subdivision (c) or (d) of this section.

(c) If the amount actually paid pursuant to the liquidated damages provision does not exceed 3 percent of the purchase price, the provision is valid to the extent that payment is actually made unless the buyer establishes that the amount is unreasonable as liquidated damages.

(d) If the amount actually paid pursuant to the liquidated damages provision exceeds 3 percent of the purchase price, the provision is invalid unless the party seeking to uphold the provision establishes that the amount actually paid is reasonable as liquidated damages.

(e) For the purposes of subdivisions (c) and (d), the reasonableness of an amount actually paid as liquidated damages shall be determined by taking into account both of the following:

(1) The circumstances existing at the time the contract was made.

(2) The price and other terms and circumstances of any subsequent sale or contract to sell and purchase the same property if the sale or contract is made within six months of the buyer's default.

(f) (1) Notwithstanding either subdivision (c) or (d), for the initial sale of newly constructed attached condominium units, as defined pursuant to Section 783, that involves the sale of an attached residential condominium unit located within a structure of 10 or more residential condominium units and the amount actually paid to the seller pursuant to the liquidated damages provision exceeds 3 percent of the purchase price of the residential unit in the transaction both of the following shall occur in the event of a buyer's default:

(A) The seller shall perform an accounting of its costs and revenues related to and fairly allocable to the construction and sale of the residential unit within 60 calendar days after the final close of escrow of the sale of the unit within the structure.

(B) The accounting shall include any and all costs and revenues related to the construction and sale of the residential property and any delay caused by the buyer's default. The seller shall make reasonable efforts to mitigate any damages arising from the default. The seller shall refund to the buyer any amounts previously retained as liquidated damages in excess of the greater of either 3 percent of the originally agreed-upon purchase price of the residential property or the amount of the seller's losses resulting from the buyer's default, as calculated by the accounting.

(2) The refund shall be sent to the buyer's last known address within 90 days after the final close of escrow of the sale or lease of all the residential condominium units within the structure.

(3) If the amount retained by the seller after the accounting does not exceed 3 percent of the purchase price, the amount is valid unless the buyer establishes that the amount is unreasonable as liquidated damages pursuant to subdivision (e).

(4) Subdivision (d) shall not apply to any dispute regarding the reasonableness of any amount retained as liquidated damages pursuant to this subdivision.

(5) Notwithstanding the time periods regarding the performance of the accounting set forth in paragraph (1), if a new qualified buyer has entered into a contract to purchase the residential property in question, the seller shall perform the accounting within 60 calendar days after a new qualified buyer has entered into a contract to purchase.

(6) As used in this subdivision, "structure" means either of the following:

(A) Improvements constructed on a common foundation.

(B) Improvements constructed by the same owner that must be constructed

concurrently due to the design characteristics of the improvements or physical characteristics of the property on which the improvements are located.

(7) As used in this subdivision, "new qualified buyer" means a buyer who either:

(A) Has been issued a loan commitment, which satisfies the purchase agreement loan contingency requirement, by an institutional lender to obtain a loan for an amount equal to the purchase price less any downpayment possessed by the buyer.

(B) Has contracted to pay a purchase price that is greater than or equal to the purchase price to be paid by the original buyer.

(g) This section shall become operative on July 1, 2014.

Validity of Contract Provisions

1676. Except as provided in Section 1675, a provision in a contract to purchase and sell real property liquidating the damages to the seller if the buyer fails to complete the purchase of the property is valid if it satisfies the requirements of Section 1677 and the requirements of subdivision (b) of Section 1671.

Requirements for Valid Contract Provisions

1677. A provision in a contract to purchase and sell real property liquidating the damages to the seller if the buyer fails to complete the purchase of the property is invalid unless:

(a) The provision is separately signed or initialed by each party to the contract; and

(b) If the provision is included in a printed contract, it is set out either in at least 10-point bold type or in contrasting red print in at least eight-point bold type.

Multiple Payments

1678. If more than one payment made by the buyer is to constitute liquidated damages under Section 1675, the amount of any payment after the first payment is valid as liquidated damages only if (1) the total of all such payments

satisfies the requirements of Section 1675 and (2) a separate liquidated damages provision satisfying the requirements of Section 1677 is separately signed or initialed by each party to the contract for each such subsequent payment.

Applicability of Chapter

1679. This chapter applies only to a provision for liquidated damages to the seller if the buyer fails to complete the purchase of real property. The validity of any other provision for liquidated damages in a contract to purchase and sell real property shall be determined under Section 1671.

Right to Specific Performance Not Affected

1680. Nothing in this chapter affects any right a party to a contract for the purchase and sale of real property may have to obtain specific performance.

Chapter Not Applicable to Real Property Sales Contracts

1681. This chapter does not apply to real property sales contracts as defined in Section 2985.

CHAPTER 2.5. HOME EQUITY SALES CONTRACTS

Purpose

1695. (a) The Legislature finds and declares that homeowners whose residences are in foreclosure have been subjected to fraud, deception, and unfair dealing by home equity purchasers. The recent rapid escalation of home values, particularly in the urban areas, has resulted in a significant increase in home equities which are usually the greatest financial asset held by the homeowners of this state. During the time period between the commencement of foreclosure proceedings and the scheduled foreclosure sale date, homeowners in financial distress, especially the poor, elderly, and financially unsophisticated, are vulnerable to the importunities of equity purchasers who induce homeowners to sell their homes for a small fraction of their fair market values through the use of schemes which often involve oral and written misrepresentations, deceit, intimidation, and other unreasonable commercial practices.

(b) The Legislature declares that it is the express policy of the state to preserve and guard the precious asset of home equity, and the social as well as the economic value of homeownership.

(c) The Legislature further finds that equity purchasers have a significant impact upon the economy and well-being of this state and its local communities, and therefore the provisions of this chapter are necessary to promote the public welfare.

(d) The intent and purposes of this chapter are the following:

(1) To provide each homeowner with information necessary to make an informed and intelligent decision regarding the sale of his or her home to an equity purchaser; to require that the sales agreement be expressed in writing; to safeguard the public against deceit and financial hardship; to insure, foster, and encourage fair dealing in the sale and purchase of homes in foreclosure; to prohibit representations that tend to mislead; to prohibit or restrict unfair contract terms; to afford homeowners a reasonable and meaningful opportunity to rescind sales to equity purchasers; and to preserve and protect home equities for the homeowners of this state.

(2) This chapter shall be liberally construed to effectuate this intent and to achieve these purposes.

Definitions

1695.1. The following definitions apply to this chapter:

Right of Cancellation – Time and Manner

1695.4. (a) In addition to any other right of rescission, the equity seller has the right to cancel any contract with an equity purchaser until midnight of the fifth business day following the day on which the equity seller signs a contract that complies with this chapter or until 8 a.m. on the day scheduled for the sale of the property pursuant to a power of sale conferred in a deed of trust, whichever occurs first.

(b) Cancellation occurs when the equity seller personally delivers written notice of cancellation to the address specified in the contract or sends a telegram indicating cancellation to that address.

(c) A notice of cancellation given by the equity seller need not take the particular form as provided with the contract and, however expressed, is effective if it indicates the intention of the equity seller not to be bound by the contract.

1695.6. (a) The contract as required by Sections 1695.2, 1695.3, and 1695.5, shall be provided and completed in conformity with those sections by the equity purchaser.

(b) Until the time within which the equity seller may cancel the transaction has fully elapsed, the equity purchaser shall not do any of the following:

(1) Accept from any equity seller an execution of, or induce any equity seller to

execute, any instrument of conveyance of any interest in the residence in foreclosure.

(2) Record with the county recorder any document, including, but not limited to, any instrument of conveyance, signed by the equity seller.

(3) Transfer or encumber or purport to transfer or encumber any interest in the residence in foreclosure to any third party, provided no grant of any interest or encumbrance shall be defeated or affected as against a bona fide purchaser or encumbrancer for value and without notice of a violation of this chapter, and knowledge on the part of any such person or entity that the property was “residential real property in foreclosure” shall not constitute notice of a violation of this chapter. This section shall not be deemed to abrogate any duty of inquiry which exists as to rights or interests of persons in possession of the residential real property in foreclosure.

(4) Pay the equity seller any consideration.

(c) Within 10 days following receipt of a notice of cancellation given in accordance with Sections 1695.4 and 1695.5, the equity purchaser shall return without condition any original contract and any other documents signed by the equity seller.

(d) An equity purchaser shall make no untrue or misleading statements regarding the value of the residence in foreclosure, the amount of proceeds the equity seller will receive after a foreclosure sale, any contract term, the equity seller’s rights or obligations incident to or arising out of the sale transaction, the nature of any document which the equity purchaser induces the equity seller to sign, or any other untrue or misleading statement concerning the sale of the residence in foreclosure to the equity purchaser.

(e) Whenever any equity purchaser purports to hold title as a result of any transaction in which the equity seller grants the residence in foreclosure by any instrument which purports to be an absolute conveyance and reserves or is

given by the equity purchaser an option to repurchase such residence, the equity purchaser shall not cause any encumbrance or encumbrances to be placed on such property or grant any interest in such property to any other person without the written consent of the equity seller. Nothing in this subdivision shall preclude the application of paragraph (3) of subdivision (b).

Violations by Equity Purchaser – Damages

1695.7. An equity seller may bring an action for the recovery of damages or other equitable relief against an equity purchaser for a violation of any subdivision of Section 1695.6 or Section 1695.13. The equity seller shall recover actual damages plus reasonable attorneys’ fees and costs. In addition, the court shall award exemplary damages or equitable relief, or both, if the court deems such award proper, but in any event shall award exemplary damages in an amount not less than three times the equity seller’s actual damages for any violation of paragraph (3) of subdivision (b) of Section 1695.6 or Section 1695.13. Any action brought pursuant to this section shall be commenced within four years after the date of the alleged violation.

Violation – Criminal Penalties

1695.8. Any equity purchaser who violates any subdivision of Section 1695.6 or who engages in any practice which would operate as a fraud or deceit upon an equity seller shall, upon conviction, be punished by a fine of not more than twenty-five thousand dollars (\$25,000), by imprisonment in the county jail for not more than one year, or pursuant to subdivision (h) of Section 1170 of the Penal Code, or by both that fine and imprisonment for each violation.

Provisions of This Chapter Not Exclusive

1695.9. The provisions of this chapter are not exclusive and are in addition to any other requirements, rights, remedies, and penalties provided by law.

Waiver Void and Unenforceable

1695.10. Any waiver of the provisions of this chapter shall be void and unenforceable as contrary to the public policy.

Severability

1695.11. If any provision of this chapter, or if any application thereof to any person or circumstance is held unconstitutional, the remainder of this chapter and the application of its provisions to other persons and circumstances shall not be affected thereby.

Repurchase Option – Loan Transaction

1695.12. In any transaction in which an equity seller purports to grant a residence in foreclosure to an equity purchaser by any instrument which appears to be an absolute conveyance and reserves to himself or herself or is given by the equity purchaser an option to repurchase, such transaction shall create a presumption affecting the burden of proof, which may be overcome by clear and convincing evidence to the contrary that the transaction is a loan transaction, and the purported absolute conveyance is a mortgage; however, such presumption shall not apply to a bona fide purchaser or encumbrancer for value without notice of a violation of this chapter, and knowledge on the part of any such person or entity that the property was “residential real property in foreclosure” shall not constitute notice of a violation of this chapter. This section shall not be deemed to abrogate any duty of inquiry which exists as to rights or interests of persons in possession of the residential real property in foreclosure.

Prohibited Acts

1695.13. It is unlawful for any person to initiate, enter into, negotiate, or consummate any transaction involving residential real property in foreclosure, as defined in Section 1695.1, if such person, by the terms of such transaction, takes unconscionable advantage of the property owner in foreclosure.

Rescission

1695.14. (a) In any transaction involving residential real property in foreclosure, as defined in Section 1695.1, which is in violation of Section 1695.13 is voidable and the transaction may be rescinded by the property owner within two years of the date of the recordation of the conveyance of the residential real property in foreclosure.

(b) Such rescission shall be effected by giving written notice as provided in Section 1691 to the equity purchaser and his successor in interest, if the successor is not a bona fide purchaser or encumbrancer for value as set forth in subdivision (c), and by recording such notice with the county recorder of the county in which the property is located, within two years of the date of the recordation of the conveyance to the equity purchaser. The notice of rescission shall contain the names of the property owner and the name of the equity purchaser in addition to any successor in interest holding record title to the real property and shall particularly describe such real property. The equity purchaser and his successor in interest if the successor is not a bona fide purchaser or encumbrancer for value as set forth in subdivision (c), shall have 20 days after the delivery of the notice in which to reconvey title to the property free and clear of encumbrances created subsequent to the rescinded transaction. Upon failure to reconvey title within such time, the rescinding party may bring an action to enforce the rescission and for cancellation of the deed.

(c) The provisions of this section shall not affect the interest of a bona fide purchaser or encumbrancer for value if such purchase or encumbrance occurred prior to the recordation of the notice of rescission pursuant to subdivision (b). Knowledge that the property was residential real property in foreclosure shall not impair the status of such persons or entities as bona fide purchasers or encumbrancers for value. This subdivision shall not be deemed to abrogate any duty of inquiry which exists as to rights or interests of persons in possession of the residential real property in foreclosure.

(d) In any action brought to enforce a rescission pursuant to this section, the prevailing party shall be entitled to costs and reasonable attorneys fees.

(e) The remedies provided by this section shall be in addition to any other remedies provided by law.

Liability for Acts of Representative

1695.15. (a) An equity purchaser is liable for all damages resulting from any statement made or act committed by the equity purchaser's representative in any manner connected with the equity purchaser's acquisition of a residence in foreclosure, receipt of any consideration or property from or on behalf of the equity seller, or the performance of any act prohibited by this chapter.

(b) "Representative" for the purposes of this section means a person who in any manner solicits, induces, or causes any property owner to transfer title or solicits any member of the property owner's family or household to induce or cause any property owner to transfer title to the residence in foreclosure to the equity purchaser.

Contract Cannot Limit Liability

(2) The loan is made or acquired with assets of the local public entity other than the proceeds of a bond meeting the requirements of Section 143 of the United States Internal Revenue Code of 1986.

(3) The loan documentation assures that the obligation to pay contingent deferred interest is subject to a superior right of the borrower, upon termination of the loan, to receive repayment of money paid by the borrower for purchase of the security property (including downpayment, installment payments of mortgage principal, escrow fees, transfer taxes, recording fees, brokerage commissions and similar costs of acquisition actually paid by the borrower) and money paid by the borrower for capital improvements to the security property, plus not less than the legal rate of interest on those cash payments.

(4) The loan documentation assures that the amount of contingent deferred interest shall not exceed that percentage of the appreciation in appraised fair market value of the security property that equals the local public entity’s proportionate share of the total initial equity in the security property. The amount of the total initial equity and of the local public entity’s share of the initial equity shall be agreed upon by the borrower and the local public entity at the time of executing the shared appreciation loan and shall include the local public entity’s cash investment, the difference between the price of land provided by the local public entity and the fair market value of the land, the amount of fees waived by the local public entity, and the value of in-kind contributions made by or on behalf of the local public entity. Any lender who fails to

comply with the requirements of this section may be enjoined by any court of competent jurisdiction and shall be liable for actual damages, the costs of the action, and reasonable attorney’s fees as determined by the court. The court may make those orders as may be necessary to prevent future violations of this section.

(c) A lender that makes adjustable-rate mortgage loan disclosures pursuant to either Part 29 of Chapter I of, or Part 563 of Chapter V of, Title 12 of the Code of Federal Regulations, may comply with this section by providing the descriptive information required by subdivision (b) at the same time and under the same circumstances that it makes disclosures in accordance with those federal regulations. Such a lender shall also display and make the descriptive information available to the public in an area of the lender’s office that is open to the public.

Reverse Mortgages - Requirements

1923.2. A reverse mortgage loan shall comply with all of the following requirements:

(a) Prepayment, in whole or in part, shall be permitted without penalty at any time during the term of the reverse mortgage loan. (c) A reverse mortgage may include costs and fees that are charged by the lender, or the lender’s designee, originator, or servicer, including costs and fees charged upon execution of the loan, on a periodic basis, or upon maturity.

(d) If a reverse mortgage loan provides for periodic advances to a borrower, these advances shall not be reduced in amount or

number based on any adjustment in the interest rate.

(e) A lender who fails to make loan advances as required in the loan documents, and fails to cure an actual default after notice as specified in the loan documents, shall forfeit to the borrower treble the amount wrongfully withheld plus interest at the legal rate.

(f) The reverse mortgage loan may become due and payable upon the occurrence of any one of the following events:

(1) The home securing the loan is sold or title to the home is otherwise transferred.

(2) All borrowers cease occupying the home as a principal residence, except as provided in subdivision (g).

(3) Any fixed maturity date agreed to by the lender and the borrower occurs.

(4) An event occurs which is specified in the loan documents and which jeopardizes the lender's security.

(g) Repayment of the reverse mortgage loan shall be subject to the following additional conditions:

(1) Temporary absences from the home not exceeding 60 consecutive days shall not cause the mortgage to become due and payable.

(2) Extended absences from the home exceeding 60 consecutive days, but less than one year, shall not cause the mortgage to become due and payable if the borrower has taken prior action which secures and protects the home in a manner satisfactory to the lender, as specified in the loan documents.

(3) The lender's right to collect reverse mortgage loan proceeds shall be subject to the applicable statute of limitations for written loan contracts. Notwithstanding any other provision of law, the statute of limitations shall commence on the date that the reverse mortgage loan becomes due and payable as provided in the loan agreement.

(4) The lender shall prominently disclose in the loan agreement any interest rate or other fees to be charged during the period that commences on the date that the reverse mortgage loan becomes due and payable, and that ends when repayment in full is made.

(h) The first page of any deed of trust securing a reverse mortgage loan shall contain the following statement in 10-point boldface type: "This deed of trust secures a reverse mortgage loan."

(i) A lender or any other person that participates in the origination of the mortgage shall not require an applicant for a reverse mortgage to purchase an annuity as a condition of obtaining a reverse mortgage loan.

(1) The lender or any other person that participates in the origination of the mortgage shall not do either of the following:

(A) Participate in, be associated with, or employ any party that participates in or is associated with any other financial or insurance activity, unless the lender maintains procedural safeguards designed to ensure that individuals participating in the origination of the mortgage shall have no involvement with, or incentive to provide the prospective borrower with, any other financial or insurance product.

(B) Refer the borrower to anyone for the purchase of an annuity or other financial or insurance product prior to the closing of the reverse mortgage or before the expiration of the right of the borrower to rescind the reverse mortgage agreement.

(2) This subdivision does not prevent a lender from offering or referring borrowers for title insurance, hazard, flood, or other peril insurance, or other similar products that are customary and normal under a reverse mortgage loan.

(3) A lender or any other person who participates in the origination of a reverse mortgage loan to which this subdivision would apply, and who complies with paragraph (1) of subsection (n), and with subsection (o), of Section 1715z-20 of Title 12 of the United States Code, and any regulations and guidance promulgated under that section, as amended from time to time, in offering the loan, regardless of whether the loan is originated pursuant to the program authorized under Section 1715z-20 of Title 12 of the United States Code, and any regulations and guidance promulgated under that section, shall be deemed to have complied with this subdivision.

(j) Prior to accepting a final and complete application for a reverse mortgage the lender shall provide the borrower with a list of not fewer than 10 counseling agencies that are approved by the United States Department of Housing and Urban Development to engage in reverse mortgage counseling as provided in Subpart B of Part 214 of Title 24 of the Code of Federal Regulation. The counseling agency shall not receive any compensation, either directly or indirectly, from the lender or from any other person or entity involved in originating or servicing the mortgage or the sale of annuities, investments, long-term care insurance, or any other type of financial or insurance product. This subdivision does not prevent a counseling agency from receiving financial assistance that is unrelated to the offering or selling of a reverse mortgage loan and that is provided by the lender as part of charitable or philanthropic activities.

(k) A lender shall not accept a final and complete application for a reverse mortgage loan from a prospective applicant or assess any fees upon a prospective applicant until the lapse of seven days from the date of counseling, as evidenced by the counseling certification, and without first receiving certification from the applicant or the applicant's authorized representative that the applicant has received counseling from an agency as described in subdivision (j) and that the counseling was

conducted in person, unless the certification specifies that the applicant elected to receive the counseling in a manner other than in person. The certification shall be signed by the borrower and the agency counselor, and shall include the date of the counseling and the name, address, and telephone number of both the counselor and the applicant. Electronic facsimile copy of the housing counseling certification satisfies the requirements of this subdivision. The lender shall maintain the certification in an accurate, reproducible, and accessible format for the term of the reverse mortgage.

(l) A lender shall not make a reverse mortgage loan without first complying with, or in the case of brokered loans ensuring compliance with, the requirements of Section 1632, if applicable.

Reverse Mortgages - Counseling

1923.5. (a) No reverse mortgage loan application shall be taken by a lender unless the loan applicant, prior to receiving counseling, has received from the lender the following plain language statement in conspicuous 16-point type or larger, advising the prospective borrower about counseling prior to obtaining the reverse mortgage loan:

IMPORTANT NOTICE

TO REVERSE MORTGAGE LOAN APPLICANT

A REVERSE MORTGAGE IS A COMPLEX FINANCIAL TRANSACTION. IF YOU DECIDE TO OBTAIN A REVERSE MORTGAGE LOAN, YOU WILL SIGN BINDING LEGAL DOCUMENTS THAT WILL HAVE IMPORTANT LEGAL AND FINANCIAL IMPLICATIONS FOR YOU AND YOUR ESTATE. IT IS THEREFORE IMPORTANT TO UNDERSTAND THE TERMS OF THE REVERSE MORTGAGE AND ITS EFFECT ON YOUR FUTURE NEEDS. BEFORE ENTERING INTO THIS TRANSACTION, YOU ARE REQUIRED TO CONSULT WITH AN INDEPENDENT REVERSE MORTGAGE LOAN

COUNSELOR TO DISCUSS WHETHER OR NOT A REVERSE MORTGAGE IS RIGHT FOR YOU. A LIST OF APPROVED COUNSELORS WILL BE PROVIDED TO YOU BY THE LENDER.

SENIOR CITIZEN ADVOCACY GROUPS ADVISE AGAINST USING THE PROCEEDS OF A REVERSE MORTGAGE TO PURCHASE AN ANNUITY OR RELATED FINANCIAL PRODUCTS. IF YOU ARE CONSIDERING USING YOUR PROCEEDS FOR THIS PURPOSE, YOU SHOULD DISCUSS THE FINANCIAL IMPLICATIONS OF DOING SO WITH YOUR COUNSELOR AND FAMILY MEMBERS.

- (b) (1) In addition to the plain language notice described in subdivision (a), no reverse mortgage loan application shall be taken by a lender unless the lender provides the prospective borrower, prior to his or her meeting with a counseling agency on reverse mortgages, with a reverse mortgage worksheet guide, or in the event that the prospective borrower seeks counseling prior to requesting a reverse mortgage loan application from the reverse mortgage lender, the counseling agency shall provide the prospective borrower with the following plain language reverse mortgage worksheet guide in 14-point type or larger:

Reverse Mortgage Worksheet Guide—Is a Reverse Mortgage Right for Me?

To decide if a recommended purchase of a reverse mortgage is right for you, consider all of your goals, needs, and available options. This self-evaluation worksheet has five essential questions for you to consider when deciding if a reverse mortgage is right for you.

Directions: The State of California advises you to carefully read and complete this worksheet, and bring it with you to your counseling session.

You may make notes on a separate piece of paper with questions you may have about whether a reverse mortgage is right for you.

During the counseling session, you can speak openly and confidentially with a professional reverse mortgage counselor, independent of the lender, who can help you understand what it means for you to become involved with this particular loan.

1. What happens to others in your home after you die or move out?

Rule: When the borrower dies, moves, or is absent from the home for 12 consecutive months, the loan may become due.

Considerations: Having a reverse mortgage affects the future of all those living with you. If the loan cannot be paid off, then the home will have to be sold in order to satisfy the lender. To determine if this is an issue for you, ask yourself:

- (A) Who is currently living in the home with you?
- (B) What will they do when you die or permanently move from the home?
- (C) Have you discussed this with all those living with you or any family members?
- (D) Who will pay off the loan, and have you discussed this with them?
- (E) If your heirs do not have enough money to pay off the loan, the home will pass into foreclosure.

Do you need to discuss this with your counselor? Yes or No

2. Do you know that you can default on a reverse mortgage?

Rule: There are three continuous financial obligations. If you fail to keep up with your insurance, property taxes, and home maintenance, you will go into default. Uncured defaults lead to foreclosures.

Considerations: Will you have adequate resources and income to support your financial needs and obligations once you have removed all of your available equity with a reverse mortgage? To determine if this is an issue for you, ask yourself:

(A) Are you contemplating a lump-sum withdrawal?

(B) What other resources will you have once you have reached your equity withdrawal limit?

(C) Will you have funds to pay for unexpected medical expenses?

(D) Will you have the ability to finance alternative living accommodations, such as independent living, assisted living, or a long-term care nursing home?

(E) Will you have the ability to finance routine or catastrophic homerepairs, especially if maintenance is a factor that may determine when the mortgage becomes payable?

Do you need to discuss this with your counselor? Yes or No

3. Have you fully explored other options?

Rule: Less costly options may exist.

Consideration: Reverse mortgages are compounding-interest loans, and the debt to the lender increases as time goes on. You may want to consider using less expensive alternatives or other assets you may have before you commit to a reverse mortgage. To determine if this is an issue for you, consider:

(A) Alternative financial options for seniors may include, but not be limited to, less costly home equity lines of credit, property tax deferral programs, or governmental aid programs.

(B) Other types of lending arrangements may be available and less costly.

You may be able to use your home equity to secure loans from family members, friends, or would-be heirs.

Do you need to discuss this with your counselor? Yes or No

4. Are you intending to use the reverse mortgage to purchase a financial product?

Rule: Reverse mortgages are interest-accruing loans.

Considerations: Due to the high cost and increasing debt incurred by reverse mortgage borrowers, using home equity to finance investments is not suitable in most instances. To determine if this is an issue for you, consider:

(A) The cost of the reverse mortgage loan may exceed any financial gain from any product purchased.

(B) Will the financial product you are considering freeze or otherwise tie up your money?

(C) There may be high surrender fees, service charges, or undisclosed costs on the financial products purchased with the proceeds of a reverse mortgage.

(D) Has the sales agent offering the financial product discussed suitability with you?

Do you need to discuss this with your counselor? Yes or No

5. Do you know that a reverse mortgage may impact your eligibility for government assistance programs?

Rule: Income received from investments will count against individuals seeking government assistance.

Considerations: Converting your home equity into investments may create nonexempt asset statuses. To determine if this is an issue for you, consider:

(A) There are state and federal taxes on the income investments financed through home equity.

(B) If you go into a nursing home for an extended period of time, the reverse mortgage loan will become due, the home may be sold, and any proceeds from the sale of the home may make you ineligible for government benefits.

(C) If the homeowner is a Medi-Cal beneficiary, a reverse mortgage may make

it difficult to transfer ownership of the home, thus resulting in Medi-Cal recovery.

Do you need to discuss this with your counselor? Yes or No

(2) The reverse mortgage worksheet guide required in paragraph (1) shall be signed by the agency counselor, if the counseling is done in person, and by the prospective borrower and returned to the lender along with the certification of counseling required under subdivision (k) of Section 1923.2, and the loan application shall not be approved until the signed reverse mortgage worksheet guide is provided to the lender. A copy of the reverse mortgage worksheet guide shall be provided to the borrower.

(4) Commit a significant and intentional violation of Section 1954.

An oral or written explanation of the rental agreement, rules, regulations, lease, or laws given in the normal course of business is not a violation of this section.

(d) This section does not enlarge or diminish a landlord's right to terminate a tenancy pursuant to existing state or local law; nor does this section enlarge or diminish any ability of local government to regulate or enforce a prohibition against a landlord's harassment of a tenant.

Tenant Citizenship Status

1940.3. (a) A public entity shall not, by ordinance, regulation, policy, or administrative action implementing any ordinance, regulation,

policy, or administrative action, compel a landlord or any agent of the landlord to make any inquiry, compile, disclose, report, or provide any information, prohibit offering or continuing to offer, accommodations in the property for rent or lease, or otherwise take any action regarding or based on the immigration or citizenship status of a tenant, prospective tenant, occupant, or prospective occupant of residential rental property.

(c) This section does not prohibit a landlord from doing any of the following:

(b) If a court of applicable jurisdiction finds a violation of this section in a proceeding initiated by a party or upon a motion of the court, the court shall do all of the following:

(1) For each person whose status was so disclosed, order the landlord to pay statutory damages in an amount to be determined in the court’s discretion that is between 6 and 12 times the monthly rent charged for the dwelling in which the tenant or occupant resides or resided.

(2) Issue injunctive relief to prevent the landlord from engaging in similar conduct with respect to other tenants, occupants, and persons known to the landlord to be associated with the tenants or occupants.

(3) Notify the district attorney of the county in which the real property for hire is located of a potential violation of Section 519 of the Penal Code.

(c) A landlord is not in violation of this section if he or she is complying with any legal obligation under federal law, or subpoena, warrant, or order issued by a court.

(d) In making findings in a proceeding under this section, a court may take judicial notice under subdivision (d) of Section 452 of the Evidence Code of the proceedings and records of any federal removal, inadmissibility, or deportation proceeding.

(d) A tenant shall post and remove political signs in compliance with the time limits set by the ordinance for the jurisdiction where the premises are located. A tenant shall be solely responsible for any violation of a local ordinance. If no local ordinance exists or if the local ordinance does not include a time limit for posting and removing political signs on private property, the landlord may establish a reasonable time period for the posting and removal of political signs. A reasonable time period for this purpose shall begin at least 90 days prior to the date of the election or vote to which the sign relates and end at least 15 days following the date of the election or vote.

(e) Notwithstanding any other provision of law, any changes in the terms of a tenancy that are made to implement the provisions of this section and are noticed pursuant to Section 827 shall not be deemed to cause a diminution in housing services, and may be enforced in accordance with Section 1161 of the Code of Civil Procedure.

SEC. 2. It is the intent of the Legislature that the enactment of this bill shall not affect in any way other forms of noncommercial expression by a tenant when that expression is not associated with political signs.

1940.45. (a) Except as otherwise provided by this section, a property owner shall not enforce or adopt a restrictive covenant or any other restriction that prohibits one or more religious items from being displayed or affixed on any entry door or entry door frame of a dwelling.

However, in no case may the demolition for which the owner or the owner’s agent has applied occur prior to the earliest possible approximate date noticed.

(c) If a landlord fails to comply with subdivision (a) or (b), a tenant may bring an action in a court of competent jurisdiction. The remedies the court may order shall include, but are not limited to, the following:

Residential Rentals – Disclosure of Former Ordnance Locations

1940.7. (a) The Legislature finds and declares that the December 10, 1983, tragedy in Tierra Santa, in which lives were lost as a result of a live munition exploding in a residential area that was formerly a military ordnance location, has demonstrated (1) the unique and heretofore unknown risk that there are other live munitions in former ordnance locations in California, (2) that these former ordnance locations need to be identified by the federal, state, or local authorities, and (3) that the people living in the

neighborhood of these former ordnance locations should be notified of their existence. Therefore, it is the intent of the Legislature that the disclosure required by this section is solely warranted and limited by (1) the fact that these former ordnance locations cannot be readily observed or discovered by landlords and tenants, and (2) the ability of a landlord who has actual knowledge of a former ordnance location within the neighborhood of his or her rental property to disclose this information for the safety of the tenant.

(b) The landlord of a residential dwelling unit who has actual knowledge of any former federal or state ordnance locations in the neighborhood area shall give written notice to a prospective tenant of that knowledge prior to the execution of a rental agreement. In cases of tenancies in existence on January 1, 1990, this written notice shall be given to tenants as soon as practicable thereafter.

(8) "Licensed pest control operator" means anyone licensed by the state to apply pesticides.

(b) (1) A landlord or authorized agent that applies any pesticide to a dwelling unit without a licensed pest control operator shall provide a tenant of that dwelling unit and, if making broadcast applications, or using total release foggers or aerosol sprays, any tenant in an adjacent dwelling unit that could reasonably be impacted by the pesticide use with written notice that contains the following statements and information using words with common and everyday meaning:

(A) The pest or pests to be controlled.

(B) The name and brand of the pesticide product proposed to be used.

(C) "State law requires that you be given the following information:

CAUTION - PESTICIDES ARE TOXIC CHEMICALS. The California Department of Pesticide Regulation and the United States Environmental Protection Agency allow the unlicensed use of certain pesticides based on existing scientific evidence

that there are no appreciable risks if proper use conditions are followed or that the risks are outweighed by the benefits. The degree of risk depends upon the degree of exposure, so exposure should be minimized.

If within 24 hours following application of a pesticide, a person experiences symptoms similar to common seasonal illness comparable to influenza, the person should contact a physician, appropriate licensed health care provider, or the California Poison Control System (1-800-222-1222).

(B) (i) Prior to receipt of written notification, the tenant and the landlord or authorized agent may agree orally to an immediate pesticide application if a tenant requests that the pesticide be applied before 24-hour advance notice can be given. The oral agreement shall include the name and brand of the pesticide product proposed to be used.

(ii) With respect to a tenant entering into an oral agreement for immediate pesticide application, the landlord or authorized agent, no later than the time of pesticide application, shall leave the written notice specified in paragraph (1) in a conspicuous place in the dwelling unit, or at the entrance of the unit in a manner in which a reasonable person would discover the notice.

(iii) If any tenants in adjacent dwelling units are also required to be notified pursuant to this subdivision, the landlord or authorized agent shall provide those tenants with this notice as soon as practicable after the oral agreement is made authorizing immediate pesticide application, but in no case later than commencement of application of the pesticide.

(4) (A) This subdivision shall not be construed to require an association, as defined in Section 4080, to provide notice of pesticide use in a separate interest, as defined in Section 4185, within a common interest development, as defined in Section 4100.

(B) Notwithstanding subparagraph (A), an association, as defined in Section 4080, that has taken title to a separate interest, as defined in Section 4185, shall provide notification to tenants as specified in this subdivision.

(c) (1) A landlord or authorized agent that applies any pesticide to a common area without a licensed pest control operator, excluding routine pesticide applications described in subdivision (d), shall post written notice in a conspicuous place in the common area in which a pesticide is to be applied that contains the following statements and information using words with common and everyday meaning:

(B) Landlords and their authorized agents are not liable for any notice removed from a common area without the knowledge or consent of the landlord or authorized agent.

(C) If the pest poses an immediate threat to health and safety, thereby making compliance with notification prior to the pesticide application required in subparagraph (A) unreasonable, a landlord or authorized agent shall post the notification as soon as practicable, but not later than one hour after the pesticide is applied.

(3) If a common area lacks a suitable place to post a notice, then the landlord shall provide the notice to each dwelling unit in at least one of the following ways:

(A) First-class mail.

(B) Personal delivery to the tenant, someone of suitable age and discretion at the premises, or under the usual entry door of the premises.

(C) Electronic delivery, if an electronic mailing address has been provided by the tenant.

(D) Posting a written notice in a conspicuous place at the unit entry in a manner in which a reasonable person would discover the notice.

(4) This subdivision shall not be construed to require any landlord or authorized agent, or an association, as defined in Section 4080, to provide notice of pesticide use in common areas within a common interest development, as defined in Section 4100.

(d) (1) A landlord or authorized agent that routinely applies pesticide in a common area on a set schedule without a licensed pest control operator shall provide a tenant in each dwelling unit with written notice that contains the following statements and information using words with common and everyday meaning:

(A) The pest or pests to be controlled.

(B) The name and brand of the pesticide product proposed to be used.

(C) "State law requires that you be given the following information:

The California Department of Pesticide Regulation and the United States Environmental Protection Agency allow the unlicensed use of certain pesticides based on existing scientific evidence that there are no appreciable risks if proper use conditions are followed or that the risks are outweighed by the benefits. The degree of risk depends upon the degree of exposure, so exposure should be minimized.

If within 24 hours following application of a pesticide, a person experiences symptoms similar to common seasonal illness comparable to influenza, the person should contact a physician, appropriate licensed health care provider, or the California Poison Control System (1-800-222-1222).

For further information, contact any of the following: for Health Questions - the County Health Department (telephone number) and for Regulatory Information - the Department of Pesticide Regulation (916-324-4100)."

(D) The schedule pursuant to which the pesticide will be routinely applied.

(2) (A) The landlord or authorized agent shall provide the notice to both of the following:

(i) Existing tenants prior to the initial pesticide application.

(ii) Each new tenant prior to entering into a lease agreement.

(B) The landlord or authorized agent shall provide the notice to the tenant in at least one of the following ways:

(i) First-class mail.

(ii) Personal delivery to the tenant, someone of suitable age and discretion at the premises, or under the usual entry door of the premises.

(iii) Electronic delivery, if an electronic mailing address has been provided by the tenant.

(iv) Posting a written notice in a conspicuous place at the unit entry in a manner in which a reasonable person would discover the notice.

(C) If the pesticide to be used is changed, a landlord or authorized agent shall provide a new notice pursuant to paragraph (1).

(D) This subdivision shall not be construed to require any landlord or authorized agent, or an association, as defined in Section 4080, to provide notice of pesticide use in common areas within a common interest development, as defined in Section 4100.

(e) Nothing in this section abrogates the responsibility of a registered structural pest control company to abide by the notification requirements of Section 8538 of the Business and Professions Code.

(f) Nothing in this section authorizes a landlord or authorized agent to enter a tenant's dwelling unit in violation of Section 1954.

(g) If a tenant is provided notice in compliance with this section, a landlord or authorized agent is not required to provide additional information, and the information shall be deemed adequate to inform the tenant regarding the application of pesticides.

Rental Properties – Security Devices

1941.3. (a) On and after July 1, 1998, the landlord, or his or her agent, of a building intended for human habitation shall do all of the following:

(1) Install and maintain an operable dead bolt lock on each main swinging entry door of a dwelling unit. The dead bolt lock shall be installed in conformance with the manufacturer's specifications and shall comply with applicable state and local codes including, but not limited to, those provisions relating to fire and life safety and accessibility for the disabled. When in the locked position, the bolt shall extend a minimum of 13/16 of an inch in length beyond the strike edge of the door and protrude into the doorjamb.

This section shall not apply to horizontal sliding doors. Existing dead bolts of at least one-half inch in length shall satisfy the requirements of this section. Existing locks with a thumb-turn deadlock that have a strike plate attached to the doorjamb and a latch bolt that is held in a vertical position by a guard bolt, a plunger, or an auxiliary mechanism shall also satisfy the requirements of this section. These locks, however, shall be replaced with a dead bolt at least 13/16 of an inch in length the first time after July 1, 1998, that the lock requires repair or replacement.

Existing doors which cannot be equipped with dead bolt locks shall satisfy the requirements of this section if the door is equipped with a metal strap affixed horizontally across the midsection of the door with a dead bolt which extends 13/16 of an inch in length beyond the strike edge of the door and protrudes into the doorjamb. Locks and security devices other than those described herein which are inspected and approved by an appropriate state or local government agency as providing adequate security shall satisfy the requirements of this section.

(2) Install and maintain operable window security or locking devices for windows that are designed to be opened. Louvered windows, casement windows, and all windows more than 12 feet vertically or six feet horizontally from the ground, a roof, or any other platform are excluded from this subdivision.

(3) Install locking mechanisms that comply with applicable fire and safety codes on the exterior doors that provide ingress or egress to common areas with access to dwelling units in multifamily developments. This paragraph does not require the installation of a door or gate where none exists on January 1, 1998.

(b) The tenant shall be responsible for notifying the owner or his or her authorized agent when the tenant becomes aware of an inoperable dead bolt lock or window security or locking device in the dwelling unit. The landlord, or his or her authorized agent, shall not be liable for a violation of subdivision (a) unless he or she fails to correct the violation within a reasonable time after he or she either has actual notice of a deficiency or receives notice of a deficiency.

(c) On and after July 1, 1998, the rights and remedies of tenant for a violation of this section by the landlord shall include those available pursuant to Sections 1942, 1942.4, and 1942.5, an action for breach of contract, and an action for injunctive relief pursuant to Section 526 of the Code of Civil Procedure. Additionally, in an unlawful detainer action, after a default in the

payment of rent, a tenant may raise the violation of this section as an affirmative defense and shall have a right to the remedies provided by Section 1174.2 of the Code of Civil Procedure.

(d) A violation of this section shall not broaden, limit, or otherwise affect the duty of care owed by a landlord pursuant to existing law, including any duty that may exist pursuant to Section 1714. The delayed applicability of the requirements of subdivision (a) shall not affect a landlord's duty to maintain the premises in safe condition.

(e) Nothing in this section shall be construed to affect any authority of any public entity that may otherwise exist to impose any additional security requirements upon a landlord.

(f) This section shall not apply to any building which has been designated as historically significant by an appropriate local, state, or federal governmental jurisdiction.

(g) Subdivisions (a) and (b) shall not apply to any building intended for human habitation which is managed, directly or indirectly, and controlled by the Department of Transportation. This exemption shall not be construed to affect the duty of the Department of Transportation to maintain the premises of these buildings in a safe condition or abrogate any express or implied statement or promise of the Department of Transportation to provide secure premises. Additionally, this exemption shall not apply to residential dwellings acquired prior to July 1, 1997, by the Department of Transportation to complete construction of state highway routes 710 and 238 and related interchanges.

Tenant May Make Repairs Under Specific Conditions

1942. (a) If within a reasonable time after written or oral notice to the landlord or his agent, as defined in subdivision (a) of Section 1962, of dilapidations rendering the premises untenable which the landlord ought to repair, the landlord neglects to do so, the tenant may repair the same himself where the cost of such repairs does not require an expenditure

more than one month's rent of the premises and deduct the expenses of such repairs from the rent when due, or the tenant may vacate the premises, in which case the tenant shall be discharged from further payment of rent, or performance of other conditions as of the date of vacating the premises. This remedy shall not be available to the tenant more than twice in any 12-month period.

(b) For the purposes of this section, if a tenant acts to repair and deduct after the 30th day following notice, he is presumed to have acted after a reasonable time. The presumption established by this subdivision is a rebuttable presumption affecting the burden of producing evidence and shall not be construed to prevent a tenant from repairing and deducting after a shorter notice if all the circumstances require shorter notice.

(c) The tenant's remedy under subdivision (a) shall not be available if the condition was caused by the violation of Section 1929 or 1941.2.

(d) The remedy provided by this section is in addition to any other remedy provided by this chapter, the rental agreement, or other applicable statutory or common law.

Deduction of Utility Payments from Rent

1942.2. A tenant who has made a payment to a utility pursuant to Section 777, 777.1, 10009, 10009.1, 12822, 12822.1, 16481, or 16481.1 of the Public Utilities Code, or to a district pursuant to Section 60371 of the Government Code, may deduct the payment from the rent as provided in that section.

Tenants – Menacing and Retaliatory Acts

(Editor's Note: The following section is repealed on February 1, 2021, and replaced by a new section, shown next.)

1942.5. (a) If the lessor retaliates against the lessee because of the exercise by the lessee of the lessee's rights under this chapter or because of the lessee's complaint to an appropriate agency as to tenantability of a dwelling, and if the lessee of a dwelling is not in default as to the payment of rent, the lessor may not recover possession of a dwelling in any action or

proceeding, cause the lessee to quit involuntarily, increase the rent, or decrease any services within 180 days of any of the following:

(1) After the date upon which the lessee, in good faith, has given notice pursuant to Section 1942, has provided notice of a suspected bed bug infestation, or has made an oral complaint to the lessor regarding tenantability.

(2) After the date upon which the lessee, in good faith, has filed a written complaint, or an oral complaint which is registered or otherwise recorded in writing, with an appropriate agency, of which the lessor has notice, for the purpose of obtaining correction of a condition relating to tenantability.

(3) After the date of an inspection or issuance of a citation, resulting from a complaint described in paragraph (2) of which the lessor did not have notice.

(4) After the filing of appropriate documents commencing a judicial or arbitration proceeding involving the issue of tenantability.

(5) After entry of judgment or the signing of an arbitration award, if any, when in the judicial proceeding or arbitration the issue of tenantability is determined adversely to the lessor.

In each instance, the 180-day period shall run from the latest applicable date referred to in paragraphs (1) to (5), inclusive.

(b) A lessee may not invoke subdivision (a) more than once in any 12-month period.

(c) To report, or to threaten to report, the lessee or individuals known to the landlord to be associated with the lessee to immigration authorities is a form of retaliatory conduct prohibited under subdivision (a). This subdivision shall in no way limit the definition of retaliatory conduct prohibited under this section.

(d) Notwithstanding subdivision (a), it is unlawful for a lessor to increase rent, decrease services, cause a lessee to quit involuntarily, bring an action to recover possession, or threaten to do any of those acts, for the purpose of retaliating against the lessee because the lessee has lawfully organized or participated in a lessees' association or an organization advocating lessees' rights or has lawfully and peaceably exercised any rights under the law. It is also unlawful for a lessor to bring an action for unlawful detainer based on a cause of action other than nonpayment of COVID-19 rental debt, as defined in Section 1179.02 of the Code of Civil Procedure, for the purpose of retaliating against the lessee because the lessee has a COVID-19 rental debt. In an action brought by or against the lessee pursuant to this subdivision, the lessee shall bear the burden of producing evidence that the lessor's conduct was, in fact, retaliatory.

(e) To report, or to threaten to report, the lessee or individuals known to the landlord to be associated with the lessee to immigration authorities is a form of retaliatory conduct prohibited under subdivision (d). This subdivision shall in no way limit the definition of retaliatory conduct prohibited under this section.

(f) This section does not limit in any way the exercise by the lessor of the lessor's rights under any lease or agreement or any law pertaining to the hiring of property or the lessor's right to do any of the acts described in subdivision (a) or (d) for any lawful cause. Any waiver by a lessee of the lessee's rights under this section is void as contrary to public policy.

(g) Notwithstanding subdivisions (a) to (f), inclusive, a lessor may recover possession of a dwelling and do any of the other acts described in subdivision (a) within the period or periods prescribed therein, or within subdivision (d), if the notice of termination, rent increase, or other act, and any pleading or statement of issues in an arbitration, if any, states the ground upon which the lessor, in good faith, seeks to recover possession, increase rent, or do any of the other acts described in subdivision (a) or (d). If the

statement is controverted, the lessor shall establish its truth at the trial or other hearing.

(h) Any lessor or agent of a lessor who violates this section shall be liable to the lessee in a civil action for all of the following:

(1) The actual damages sustained by the lessee.

(2) Punitive damages in an amount of not less than one hundred dollars (\$100) nor more than two thousand dollars (\$2,000) for each retaliatory act where the lessor or agent has been guilty of fraud, oppression, or malice with respect to that act.

(i) In any action brought for damages for retaliatory eviction, the court shall award reasonable attorney's fees to the prevailing party if either party requests attorney's fees upon the initiation of the action.

(j) The remedies provided by this section shall be in addition to any other remedies provided by statutory or decisional law.

(k) A lessor does not violate subdivision (c) or (e) by complying with any legal obligation under any federal government program that provides for rent limitations or rental assistance to a qualified tenant.

(l) This section shall remain in effect until February 1, 2021, and as of that date is repealed.

(Editor's Note: The following section replaces the prior section and goes into effect on February 1, 2021.)

1942.5. (a) If the lessor retaliates against the lessee because of the exercise by the lessee of the lessee's rights under this chapter or because of the lessee's complaint to an appropriate agency as to tenantability of a dwelling, and if the lessee of a dwelling is not in default as to the payment of rent, the lessor may not recover possession of a dwelling in any action or proceeding, cause the lessee to quit involuntarily, increase the rent, or decrease any services within 180 days of any of the following:

(1) After the date upon which the lessee, in good faith, has given notice pursuant to Section 1942, has provided notice of a suspected bed bug infestation, or has made an oral complaint to the lessor regarding tenantability.

(2) After the date upon which the lessee, in good faith, has filed a written complaint, or an oral complaint which is registered or otherwise recorded in writing, with an appropriate agency, of which the lessor has notice, for the purpose of obtaining correction of a condition relating to tenantability.

(3) After the date of an inspection or issuance of a citation, resulting from a complaint described in paragraph (2) of which the lessor did not have notice.

(4) After the filing of appropriate documents commencing a judicial or arbitration proceeding involving the issue of tenantability.

(5) After entry of judgment or the signing of an arbitration award, if any, when in the judicial proceeding or arbitration the issue of tenantability is determined adversely to the lessor.

In each instance, the 180-day period shall run from the latest applicable date referred to in paragraphs (1) to (5), inclusive.

(b) A lessee may not invoke subdivision (a) more than once in any 12-month period.

(c) To report, or to threaten to report, the lessee or individuals known to the landlord to be associated with the lessee to immigration authorities is a form of retaliatory conduct prohibited under subdivision (a). This subdivision shall in no way limit the definition of retaliatory conduct prohibited under this section.

(d) Notwithstanding subdivision (a), it is unlawful for a lessor to increase rent, decrease services, cause a lessee to quit involuntarily, bring an action to recover possession, or threaten to do any of those acts, for the purpose of retaliating against the lessee because the

lessee has lawfully organized or participated in a lessees' association or an organization advocating lessees' rights or has lawfully and peaceably exercised any rights under the law. In an action brought by or against the lessee pursuant to this subdivision, the lessee shall bear the burden of producing evidence that the lessor's conduct was, in fact, retaliatory.

(e) To report, or to threaten to report, the lessee or individuals known to the landlord to be associated with the lessee to immigration authorities is a form of retaliatory conduct prohibited under subdivision (d). This subdivision shall in no way limit the definition of retaliatory conduct prohibited under this section.

(f) This section does not limit in any way the exercise by the lessor of the lessor's rights under any lease or agreement or any law pertaining to the hiring of property or the lessor's right to do any of the acts described in subdivision (a) or (d) for any lawful cause. Any waiver by a lessee of the lessee's rights under this section is void as contrary to public policy.

(g) Notwithstanding subdivisions (a) to (f), inclusive, a lessor may recover possession of a dwelling and do any of the other acts described in subdivision (a) within the period or periods prescribed therein, or within subdivision (d), if the notice of termination, rent increase, or other act, and any pleading or statement of issues in an arbitration, if any, states the ground upon which the lessor, in good faith, seeks to recover possession, increase rent, or do any of the other acts described in subdivision (a) or (d). If the statement is controverted, the lessor shall establish its truth at the trial or other hearing.

(h) Any lessor or agent of a lessor who violates this section shall be liable to the lessee in a civil action for all of the following:

- (1) The actual damages sustained by the lessee.
- (2) Punitive damages in an amount of not less than one hundred dollars (\$100) nor more than two thousand dollars (\$2,000) for each retaliatory act where the lessor or

agent has been guilty of fraud, oppression, or malice with respect to that act.

(i) In any action brought for damages for retaliatory eviction, the court shall award reasonable attorney's fees to the prevailing party if either party requests attorney's fees upon the initiation of the action.

(j) The remedies provided by this section shall be in addition to any other remedies provided by statutory or decisional law.

(k) A lessor does not violate subdivision (c) or (e) by complying with any legal obligation under any federal government program that provides for rent limitations or rental assistance to a qualified tenant.

(l) This section shall become operative on February 1, 2021.

Residential Leases – Automatic Renewal or Extension Clauses Should Appear in At Least Eight-point Boldface Type to Be Valid

1945.5. Notwithstanding any other provision of law, any term of a lease executed after the effective date of this section for the hiring of residential real property which provides for the automatic renewal or extension of the lease for all or part of the full term of the lease if the lessee remains in possession after the expiration of the lease or fails to give notice of his intent not to renew or extend before the expiration of the lease shall be voidable by the party who did not prepare the lease unless such renewal or extension provision appears in at least eight-point boldface type, if the contract is printed, in the body of the lease agreement and a recital of the fact that such provision is contained in the body of the agreement appears in at least eight-point boldface type, if the contract is printed, immediately prior to the place where the lessee executes the agreement. In such case, the presumption in Section 1945 of this code shall apply.

Any waiver of the provisions of this section is void as against public policy.

***Security for Rental Agreements of
Residential Property – Landlord and Tenant
– Security Limits – Rights of Parties –
Termination of Landlord’s Interest***

1950.5. (a) This section applies to security for a rental agreement for residential property that is used as the dwelling of the tenant.

(b) As used in this section, “security” means any payment, fee, deposit, or charge, including, but not limited to, any payment, fee, deposit, or charge, except as provided in Section 1950.6, that is imposed at the beginning of the tenancy to be used to reimburse the landlord for costs associated with processing a new tenant or that is imposed as an advance payment of rent, used or to be used for any purpose, including, but not limited to, any of the following:

- (1) The compensation of a landlord for a tenant’s default in the payment of rent.
 - (2) The repair of damages to the premises, exclusive of ordinary wear and tear, caused by the tenant or by a guest or licensee of the tenant.
 - (3) The cleaning of the premises upon termination of the tenancy necessary to return the unit to the same level of cleanliness it was in at the inception of the tenancy. The amendments to this paragraph enacted by the act adding this sentence shall apply only to tenancies for which the tenant’s right to occupy begins after January 1, 2003.
 - (4) To remedy future defaults by the tenant in any obligation under the rental agreement to restore, replace, or return personal property or appurtenances, exclusive of ordinary wear and tear, if the security deposit is authorized to be applied thereto by the rental agreement.
- (c) (1) Except as provided in paragraph (2), (3), or (4), a landlord may not demand or receive security, however denominated, in an amount or value in excess of an amount equal to two months’ rent, in the case of unfurnished residential property, and an amount equal to three months’ rent, in the case of furnished residential property, in

addition to any rent for the first month paid on or before initial occupancy.

(2) Notwithstanding paragraph (1), and except as provided in subparagraphs (A) and (B), a landlord shall not demand or receive security, however denominated, from a service member who rents residential property in which the service member will reside in an amount or value in excess of an amount equal to one months’ rent, in the case of unfurnished residential property, or in excess of an amount equal to two months’ rent, in the case of furnished residential property, in addition to any rent for the first month paid on or before initial occupancy. A landlord shall not refuse to enter into a rental agreement for residential property with a prospective tenant who is a service member because this paragraph prohibits the landlord from demanding or receiving a greater amount of security than that which is established in paragraph (1). For purposes of this paragraph, “service member” has the same meaning as in Section 400 of the Military and Veterans Code.

(A) A landlord may demand or receive security from a service member who rents residential property in which the service member will reside as provided in paragraph (1), if the tenant has a history of poor credit or of causing damage to the rental property or its furnishings.

(B) This paragraph does not apply to a situation in which the property is rented to a group of individuals, one or more of whom is not the service member’s spouse, parent, domestic partner, or dependent.

(C) For purposes of this paragraph “resides” means that the service member will be listed as a tenant on the residential property lease agreement.

(3) This subdivision does not prohibit an advance payment of not less than six

months' rent if the term of the lease is six months or longer.

(4) This subdivision does not preclude a landlord and a tenant from entering into a mutual agreement for the landlord, at the request of the tenant and for a specified fee or charge, to make structural, decorative, furnishing, or other similar alterations, if the alterations are other than cleaning or repairing for which the landlord may charge the previous tenant as provided by subdivision (e).

(d) Any security shall be held by the landlord for the tenant who is party to the lease or agreement. The claim of a tenant to the security shall be prior to the claim of any creditor of the landlord.

(e) The landlord may claim of the security only those amounts as are reasonably necessary for the purposes specified in subdivision (b). The landlord may not assert a claim against the tenant or the security for damages to the premises or any defective conditions that preexisted the tenancy, for ordinary wear and tear or the effects thereof, whether the wear and tear preexisted the tenancy or occurred during the tenancy, or for the cumulative effects of ordinary wear and tear occurring during any one or more tenancies.

(f) (1) Within a reasonable time after notification of either party's intention to terminate the tenancy, or before the end of the lease term, the landlord shall notify the tenant in writing of the tenant's option to request an initial inspection and of the tenant's right to be present at the inspection. The requirements of this subdivision do not apply when the tenancy is terminated pursuant to subdivision (2), (3), or (4) of Section 1161 of the Code of Civil Procedure. At a reasonable time, but no earlier than two weeks before the termination or the end of lease date, the landlord, or an agent of the landlord, shall, upon the request of the tenant, make an initial inspection of the premises prior to any final inspection the landlord makes after the tenant has vacated the premises.

The purpose of the initial inspection shall be to allow the tenant an opportunity to remedy identified deficiencies, in a manner consistent with the rights and obligations of the parties under the rental agreement, in order to avoid deductions from the security. If a tenant chooses not to request an initial inspection, the duties of the landlord under this subdivision are discharged. If an inspection is requested, the parties shall attempt to schedule the inspection at a mutually acceptable date and time. The landlord shall give at least 48 hours' prior written notice of the date and time of the inspection if either a mutual time is agreed upon, or if a mutually agreed time cannot be scheduled but the tenant still wishes an inspection. The tenant and landlord may agree to forgo the 48-hour prior written notice by both signing a written waiver. The landlord shall proceed with the inspection whether the tenant is present or not, unless the tenant previously withdrew their request for the inspection. Written notice by the landlord shall contain, in substantially the same form, the following:

"State law permits former tenants to reclaim abandoned personal property left at the former address of the tenant, subject to certain conditions. You may or may not be able to reclaim property without incurring additional costs, depending on the cost of storing the property and the length of time before it is reclaimed. In general, these costs will be lower the sooner you contact your former landlord after being notified that property belonging to you was left behind after you moved out."

(2) Based on the inspection, the landlord shall give the tenant an itemized statement specifying repairs or cleanings that are proposed to be the basis of any deductions from the security the landlord intends to make pursuant to paragraphs (1) to (4), inclusive, of subdivision (b). This statement shall also include the texts of paragraphs (1) to (4), inclusive, of subdivision (b). The statement shall be given to the tenant, if the tenant is present

for the inspection, or shall be left inside the premises.

(3) The tenant shall have the opportunity during the period following the initial inspection until termination of the tenancy to remedy identified deficiencies, in a manner consistent with the rights and obligations of the parties under the rental agreement, in order to avoid deductions from the security.

(4) Nothing in this subdivision shall prevent a landlord from using the security for deductions itemized in the statement provided for in paragraph (2) that were not cured by the tenant so long as the deductions are for damages authorized by this section.

(5) Nothing in this subdivision shall prevent a landlord from using the security for any purpose specified in paragraphs (1) to (4), inclusive, of subdivision (b) that occurs between completion of the initial inspection and termination of the tenancy or was not identified during the initial inspection due to the presence of a tenant's possessions.

(g) (1) No later than 21 calendar days after the tenant has vacated the premises, but not earlier than the time that either the landlord or the tenant provides a notice to terminate the tenancy under Section 1946 or 1946.1, Section 1161 of the Code of Civil Procedure, or not earlier than 60 calendar days prior to the expiration of a fixed-term lease, the landlord shall furnish the tenant, by personal delivery or by first-class mail, postage prepaid, a copy of an itemized statement indicating the basis for, and the amount of, any security received and the disposition of the security, and shall return any remaining portion of the security to the tenant. After either the landlord or the tenant provides notice to terminate the tenancy, the landlord and tenant may mutually agree to have the landlord deposit any remaining portion of the security deposit electronically to a bank account or other financial institution designated by the

tenant. After either the landlord or the tenant provides notice to terminate the tenancy, the landlord and the tenant may also agree to have the landlord provide a copy of the itemized statement along with the copies required by paragraph (2) to an email account provided by the tenant.

(2) Along with the itemized statement, the landlord shall also include copies of documents showing charges incurred and deducted by the landlord to repair or clean the premises, as follows:

(A) If the landlord or landlord's employee did the work, the itemized statement shall reasonably describe the work performed. The itemized statement shall include the time spent and the reasonable hourly rate charged.

(B) If the landlord or landlord's employee did not do the work, the landlord shall provide the tenant a copy of the bill, invoice, or receipt supplied by the person or entity performing the work. The itemized statement shall provide the tenant with the name, address, and telephone number of the person or entity, if the bill, invoice, or receipt does not include that information.

(C) If a deduction is made for materials or supplies, the landlord shall provide a copy of the bill, invoice, or receipt. If a particular material or supply item is purchased by the landlord on an ongoing basis, the landlord may document the cost of the item by providing a copy of a bill, invoice, receipt, vendor price list, or other vendor document that reasonably documents the cost of the item used in the repair or cleaning of the unit.

(3) If a repair to be done by the landlord or the landlord's employee cannot reasonably be completed within 21 calendar days after the tenant has vacated the premises, or if the documents from a person or entity providing services, materials, or supplies

are not in the landlord's possession within 21 calendar days after the tenant has vacated the premises, the landlord may deduct the amount of a good faith estimate of the charges that will be incurred and provide that estimate with the itemized statement. If the reason for the estimate is because the documents from a person or entity providing services, materials, or supplies are not in the landlord's possession, the itemized statement shall include the name, address, and telephone number of the person or entity. Within 14 calendar days of completing the repair or receiving the documentation, the landlord shall complete the requirements in paragraphs (1) and (2) in the manner specified.

(4) The landlord need not comply with paragraph (2) or (3) if either of the following applies:

(A) The deductions for repairs and cleaning together do not exceed one hundred twenty-five dollars (\$125).

(B) The tenant waived the rights specified in paragraphs (2) and (3). The waiver shall only be effective if it is signed by the tenant at the same time or after a notice to terminate a tenancy under Section 1946 or 1946.1 has been given, a notice under Section 1161 of the Code of Civil Procedure has been given, or no earlier than 60 calendar days prior to the expiration of a fixed-term lease. The waiver shall substantially include the text of paragraph (2).

(5) Notwithstanding paragraph (4), the landlord shall comply with paragraphs (2) and (3) when a tenant makes a request for documentation within 14 calendar days after receiving the itemized statement specified in paragraph (1). The landlord shall comply within 14 calendar days after receiving the request from the tenant.

(6) Any mailings to the tenant pursuant to this subdivision shall be sent to the address

provided by the tenant. If the tenant does not provide an address, mailings pursuant to this subdivision shall be sent to the unit that has been vacated.

(h) Upon termination of the landlord's interest in the premises, whether by sale, assignment, death, appointment of receiver, or otherwise, the landlord or the landlord's agent shall, within a reasonable time, do one of the following acts, either of which shall relieve the landlord of further liability with respect to the security held:

(1) Transfer the portion of the security remaining after any lawful deductions made under subdivision (e) to the landlord's successor in interest. The landlord shall thereafter notify the tenant by personal delivery or by first-class mail, postage prepaid, of the transfer, of any claims made against the security, of the amount of the security deposited, and of the names of the successors in interest, their addresses, and their telephone numbers. If the notice to the tenant is made by personal delivery, the tenant shall acknowledge receipt of the notice and sign their name on the landlord's copy of the notice.

(2) Return the portion of the security remaining after any lawful deductions made under subdivision (e) to the tenant, together with an accounting as provided in subdivision (g).

(i) Prior to the voluntary transfer of a landlord's interest in the premises, the landlord shall deliver to the landlord's successor in interest a written statement indicating the following:

(1) The security remaining after any lawful deductions are made.

(2) An itemization of any lawful deductions from any security received.

(3) Their election under paragraph (1) or (2) of subdivision (h).

This subdivision does not affect the validity of title to the real property transferred in violation of this subdivision.

(j) (1) In the event of noncompliance with subdivision (h), the landlord's successors in interest shall be jointly and severally liable with the landlord for repayment of the security, or that portion thereof to which the tenant is entitled, when and as provided in subdivisions (e) and (g). A successor in interest of a landlord may not require the tenant to post any security to replace that amount not transferred to the tenant or successors in interest as provided in subdivision (h), unless and until the successor in interest first makes restitution of the initial security as provided in paragraph (2) of subdivision (h) or provides the tenant with an accounting as provided in subdivision (g).

(2) This subdivision does not preclude a successor in interest from recovering from the tenant compensatory damages that are in excess of the security received from the landlord previously paid by the tenant to the landlord.

(3) Notwithstanding this subdivision, if, upon inquiry and reasonable investigation, a landlord's successor in interest has a good faith belief that the lawfully remaining security deposit is transferred to the successor in interest or returned to the tenant pursuant to subdivision (h), the successor in interest is not liable for damages as provided in subdivision (l), or any security not transferred pursuant to subdivision (h).

(k) Upon receipt of any portion of the security under paragraph (1) of subdivision (h), the landlord's successors in interest shall have all of the rights and obligations of a landlord holding the security with respect to the security.

(l) The bad faith claim or retention by a landlord or the landlord's successors in interest of the security or any portion thereof in violation of this section, or the bad faith demand of replacement security in violation of subdivision (j), may subject the landlord or the landlord's successors in interest to statutory damages of up to twice the amount of the security, in addition to actual damages. The

court may award damages for bad faith whenever the facts warrant that award, regardless of whether the injured party has specifically requested relief. In an action under this section, the landlord or the landlord's successors in interest shall have the burden of proof as to the reasonableness of the amounts claimed or the authority pursuant to this section to demand additional security deposits.

(m) No lease or rental agreement may contain a provision characterizing any security as "nonrefundable."

(n) An action under this section may be maintained in small claims court if the damages claimed, whether actual, statutory, or both, are within the jurisdictional amount allowed by Section 116.220 or 116.221 of the Code of Civil Procedure.

(o) Proof of the existence of and the amount of a security deposit may be established by any credible evidence, including, but not limited to, a canceled check, a receipt, a lease indicating the requirement of a deposit as well as the amount, prior consistent statements or actions of the landlord or tenant, or a statement under penalty of perjury that satisfies the credibility requirements set forth in Section 780 of the Evidence Code.

(p) The amendments to this section made during the 1985 portion of the 1985–86 Regular Session of the Legislature that are set forth in subdivision (e) are declaratory of existing law.

(q) The amendments to this section made during the 2003 portion of the 2003–04 Regular Session of the Legislature that are set forth in paragraph (1) of subdivision (f) are declaratory of existing law.

Residential Rental – Application Screening Fee

1950.6. (a) Notwithstanding Section 1950.5, when a landlord or his or her agent receives a request to rent a residential property from an applicant, the landlord or his or her agent may charge that applicant an application screening fee to cover the costs of obtaining information about the applicant. The information requested and obtained by the landlord or his or her agent

may include, but is not limited to, personal reference checks and consumer credit reports produced by consumer credit reporting agencies as defined in Section 1785.3. A landlord or his or her agent may, but is not required to, accept and rely upon a consumer credit report presented by an applicant.

(b) The amount of the application screening fee shall not be greater than the actual out-of-pocket costs of gathering information concerning the applicant, including, but not limited to, the cost of using a tenant screening service or a consumer credit reporting service, and the reasonable value of time spent by the landlord or his or her agent in obtaining information on the applicant. In no case shall the amount of the application screening fee charged by the landlord or his or her agent be greater than thirty dollars (\$30) per applicant. The thirty dollar (\$30) application screening fee may be adjusted annually by the landlord or his or her agent commensurate with an increase in the Consumer Price Index, beginning on January 1, 1998.

(c) Unless the applicant agrees in writing, a landlord or his or her agent may not charge an applicant an application screening fee when he or she knows or should have known that no rental unit is available at that time or will be available within a reasonable period of time.

(d) The landlord or his or her agent shall provide, personally, or by mail, the applicant with a receipt for the fee paid by the applicant, which receipt shall itemize the out-of-pocket expenses and time spent by the landlord or his or her agent to obtain and process the information about the applicant.

(e) If the landlord or his or her agent does not perform a personal reference check or does not obtain a consumer credit report, the landlord or his or her agent shall return any amount of the screening fee that is not used for the purposes authorized by this section to the applicant.

(f) If an application screening fee has been paid by the applicant and if requested by the applicant, the landlord or his or her agent shall

provide a copy of the consumer credit report to the applicant who is the subject of that report.

(g) As used in this section, “landlord” means an owner of residential rental property.

(h) As used in this section, “application screening fee” means any nonrefundable payment of money charged by a landlord or his or her agent to an applicant, the purpose of which is to purchase a consumer credit report and to validate, review, or otherwise process an application for the rent or lease of residential rental property.

(i) As used in this section, “applicant” means any entity or individual who makes a request to a landlord or his or her agent to rent a residential housing unit, or an entity or individual who agrees to act as a guarantor or cosignor on a rental agreement.

(j) The application screening fee shall not be considered an “advance fee” as that term is used in Section 10026 of the Business and Professions Code, and shall not be considered “security” as that term is used in Section 1950.5.

(k) This section is not intended to preempt any provisions or regulations that govern the collection of deposits and fees under federal or state housing assistance programs.

Deposit on Rental of Property Other Than Residential

1950.7. (a) Any payment or deposit of money the primary function of which is to secure the performance of a rental agreement for other than residential property or any part of the agreement, other than a payment or deposit, including an advance payment of rent, made to secure the execution of a rental agreement, shall be governed by the provisions of this section. With respect to residential property, the provisions of Section 1950.5 shall prevail.

(b) Any such payment or deposit of money shall be held by the landlord for the tenant who is party to the agreement. The claim of a tenant to the payment or deposit shall be prior to the claim of any creditor of the landlord, except a trustee in bankruptcy.

(c) The landlord may claim of the payment or deposit only those amounts as are reasonably necessary to remedy tenant defaults in the payment of rent, to repair damages to the premises caused by the tenant, or to clean the premises upon termination of the tenancy, if the payment or deposit is made for any or all of those specific purposes. Where the claim of the landlord upon the payment or deposit is only for defaults in the payment of rent, then any remaining portion of the payment or deposit shall be returned to the tenant no later than two weeks after the date the landlord receives possession of the premises. Where the claim of the landlord upon the payment or deposit includes amounts reasonably necessary to repair damages to the premises caused by the tenant or to clean the premises, then any remaining portion of the payment or deposit shall be returned to the tenant at a time as may be mutually agreed upon by landlord and tenant, but in no event later than 30 days from the date the landlord receives possession of the premises.

(d) Upon termination of the landlord's interest in the unit in question, whether by sale, assignment, death, appointment of receiver or otherwise, the landlord or the landlord's agent shall, within a reasonable time, do one of the following acts, either of which shall relieve the landlord of further liability with respect to the payment or deposit:

(1) Transfer the portion of the payment or deposit remaining after any lawful deductions made under subdivision (c) to the landlord's successor in interest, and thereafter notify the tenant by personal delivery or certified mail of the transfer, of any claims made against the payment or deposit, and of the transferee's name and address. If the notice to the tenant is made by personal delivery, the tenant shall acknowledge receipt of the notice and sign his or her name on the landlord's copy of the notice.

(2) Return the portion of the payment or deposit remaining after any lawful

deductions made under subdivision (c) to the tenant.

(e) Upon receipt of any portion of the payment or deposit under paragraph (1) of subdivision (d), the transferee shall have all of the rights and obligations of a landlord holding the payment or deposit with respect to the payment or deposit.

(f) The bad faith retention by a landlord or transferee of a payment or deposit or any portion thereof, in violation of this section, may subject the landlord or the transferee to damages not to exceed two hundred dollars (\$200), in addition to any actual damages.

(g) This section is declarative of existing law and therefore operative as to all tenancies, leases, or rental agreements for other than residential property created or renewed on or after January 1, 1971.

Legislature's Findings and Intent Regarding Agent's Duty to Inspect

2079.12. (a) The Legislature hereby finds and declares all of the following:

(1) That the imprecision of terms in the opinion rendered in *Easton v. Strassburger*, 152 Cal. App. 3d 90, and the absence of a comprehensive declaration of duties, standards, and exceptions, has caused insurers to modify professional liability coverage of real estate licensees and has caused confusion among real estate licensees as to the manner of performing the duty ascribed to them by the court.

(2) That it is necessary to resolve and make precise these issues in an expeditious manner.

(3) That it is desirable to facilitate the issuance of professional liability insurance as a resource for aggrieved members of the public.

(4) That Sections 2079 to 2079.6, inclusive, of this article should be construed as a definition of the duty of care found to exist by the holding of *Easton v. Strassburger*, 152 Cal. App. 3d 90, and the manner of its discharge, and is declarative of the common law regarding this duty. However, nothing in this section is intended to affect the court's ability to interpret Sections 2079 to 2079.6, inclusive.

(b) It is the intent of the Legislature to codify and make precise the holding of *Easton v. Strassburger*, 152 Cal. App. 3d 90. It is not the intent of the Legislature to modify or restrict existing duties owed by real estate licensees.

(k) “Real property transaction” means a transaction for the sale of real property in which an agent is retained by a buyer, seller, or both a buyer and seller to act in that transaction, and includes a listing or an offer to purchase.

(n) “Seller” means the transferor in a real property transaction and includes an owner who lists real property with an agent, whether or not a transfer results, or who receives an offer to purchase real property of which they are the owner from an agent on behalf of another. “Seller” includes both a vendor and a lessor of real property.

(o) “Buyer’s agent” means an agent who represents a buyer in a real property transaction.

**DISCLOSURE REGARDING REAL
ESTATE AGENCY RELATIONSHIP
(As required by the Civil Code)**

When you enter into a discussion with a real estate agent regarding a real estate transaction, you should from the outset understand what type of agency relationship or representation you wish to have with the agent in the transaction.

SELLER’S AGENT

A Seller’s agent under a listing agreement with the Seller acts as the agent for the Seller only. A Seller’s agent or a subagent of that agent has the following affirmative obligations:

To the Seller:

A fiduciary duty of utmost care, integrity, honesty, and loyalty in dealings with the Seller.

To the Buyer and the Seller:

(a) Diligent exercise of reasonable skill and care in performance of the agent’s duties.

(b) A duty of honest and fair dealing and good faith.

(c) A duty to disclose all facts known to the agent materially affecting the value or desirability of the property that are not known to, or within the diligent attention and observation of, the parties.

An agent is not obligated to reveal to either party any confidential information obtained from the other party that does not involve the affirmative duties set forth above.

BUYER'S AGENT

A Buyer's agent can, with a Buyer's consent, agree to act as agent for the Buyer only. In these situations, the agent is not the Seller's agent, even if by agreement the agent may receive compensation for services rendered, either in full or in part from the Seller. An agent acting only for a Buyer has the following affirmative obligations:

To the Buyer:

A fiduciary duty of utmost care, integrity, honesty, and loyalty in dealings with the Buyer.

To the Buyer and the Seller:

(a) Diligent exercise of reasonable skill and care in performance of the agent's duties.

(b) A duty of honest and fair dealing and good faith.

(c) A duty to disclose all facts known to the agent materially affecting the value or desirability of the property that are not known to, or within the diligent attention and observation of, the parties. An agent is not obligated to reveal to either party any confidential information obtained from the other party that does not involve the affirmative duties set forth above.

AGENT REPRESENTING BOTH SELLER AND BUYER

A real estate agent, either acting directly or through one or more salespersons and broker associates, can legally be the agent of both the Seller and the Buyer in a transaction, but only with the knowledge and consent of both the Seller and the Buyer.

In a dual agency situation, the agent has the following affirmative obligations to both the Seller and the Buyer:

(a) A fiduciary duty of utmost care, integrity, honesty, and loyalty in the dealings with either the Seller or the Buyer.

(b) Other duties to the Seller and the Buyer as stated above in their respective sections.

In representing both Seller and Buyer, a dual agent may not, without the express permission of the respective party, disclose to the other party confidential information, including, but not limited to, facts relating to either the Buyer's or Seller's financial position, motivations, bargaining position, or other personal information that may impact price, including the Seller's willingness to accept a price less than the listing price or the Buyer's willingness to pay a price greater than the price offered.

SELLER AND BUYER RESPONSIBILITIES

Either the purchase agreement or a separate document will contain a confirmation of which agent is representing you and whether that agent is representing you exclusively in the transaction or acting as a dual agent. Please pay attention to that confirmation to make sure it accurately reflects your understanding of your agent's role.

The above duties of the agent in a real estate transaction do not relieve a Seller or Buyer from the responsibility to protect his or her own interests. You should carefully read all agreements to assure that they adequately express your understanding of the transaction. A real estate agent is a person qualified to advise about real estate. If legal or tax advice is desired, consult a competent professional.

If you are a Buyer, you have the duty to exercise reasonable care to protect yourself, including as to those facts about the property which are known to you or within your diligent attention and observation.

Both Sellers and Buyers should strongly consider obtaining tax advice from a competent professional because the federal and state tax consequences of a transaction can be complex and subject to change.

Throughout your real property transaction you may receive more than one disclosure form,

depending upon the number of agents assisting in the transaction. The law requires each agent with whom you have more than a casual relationship to present you with this disclosure form. You should read its contents each time it is presented to you, considering the relationship between you and the real estate agent in your specific transaction.

This disclosure form includes the provisions of Sections 2079.13 to 2079.24, inclusive, of the Civil Code set forth on the reverse hereof. Read it carefully.

Agency Disclosures

2079.17. (a) As soon as practicable, the buyer's agent shall disclose to the buyer and seller whether the agent is acting in the real property transaction as the buyer's agent, or as a dual agent representing both the buyer and the seller. This relationship shall be confirmed in the contract to purchase and sell real property or in a separate writing executed or acknowledged by the seller, the buyer, and the buyer's agent prior to or coincident with execution of that contract by the buyer and the seller, respectively.

(b) As soon as practicable, the seller's agent shall disclose to the seller whether the seller's agent is acting in the real property transaction as the seller's agent, or as a dual agent representing both the buyer and seller. This relationship shall be confirmed in the contract to purchase and sell real property or in a separate writing executed or acknowledged by the seller and the seller's agent prior to or coincident with the execution of that contract by the seller.

(c) The confirmation required by subdivisions (a) and (b) shall be in the following form:

(Name of Seller's Agent, Brokerage firm and license number) _____ is the broker of (check one):
☐ the seller; or
☐ both the buyer and seller. (dual agent)

(Name of Seller's Agent and license number) _____ is (check one):
☐ is the Seller's Agent. (salesperson or broker associate)
☐ both the Buyer's and Seller's Agent. (dual agent)

 _____ (Name of Buyer's Agent, Brokerage firm and license number)
 _____ is the broker of (check one):
☐ the buyer; or
☐ both the buyer and seller (dual agent).

(Name of Buyer's Agent and license number) _____ is (check one):
☐ the Buyer's Agent. (salesperson or broker associate)
☐ both the Buyer's and Seller's Agent. (dual agent).

(d) The disclosures and confirmation required by this section shall be in addition to the disclosure required by Section 2079.14. An agent's duty to provide disclosure and confirmation of representation in this section may be performed by a real estate salesperson or broker associate affiliated with that broker.

Payment of Compensation Not Determinative of Agency

2079.19. The payment of compensation or the obligation to pay compensation to an agent by the seller or buyer is not necessarily determinative of a particular agency relationship between an agent and the seller or buyer. A listing agent and a selling agent may agree to share any compensation or

commission paid, or any right to any compensation or commission for which an obligation arises as the result of a real estate transaction, and the terms of any such agreement shall not necessarily be determinative of a particular relationship.

2079.20. Nothing in this article prevents an agent from selecting, as a condition of the agent's employment, a specific form of agency relationship not specifically prohibited by this article if the requirements of Section 2079.14 and Section 2079.17 are complied with.

Dual Agent – Listing Price/Selling Price

2079.21. (a) A dual agent may not, without the express permission of the seller, disclose to the buyer any confidential information obtained from the seller.

(b) A dual agent may not, without the express permission of the buyer, disclose to the seller any confidential information obtained from the buyer.

(c) "Confidential information" means facts relating to the client's financial position, motivations, bargaining position, or other personal information that may impact price, such as the seller is willing to accept a price less than the listing price or the buyer is willing to pay a price greater than the price offered.

(d) This section does not alter in any way the duty or responsibility of a dual agent to any principal with respect to confidential information other than price.

2079.22. Nothing in this article precludes a seller's agent from also being a buyer's agent. If a seller or buyer in a transaction chooses to not be represented by an agent, that does not, of itself, make that agent a dual agent.

Modification of Agency Relationship

2079.23. (a) A contract between the principal and agent may be modified or altered to change the agency relationship at any time before the performance of the act which is the object of the agency with the written consent of the parties to the agency relationship.

(b) A lender or an auction company retained by a lender to control aspects of a transaction of

real property subject to this part, including validating the sales price, shall not require, as a condition of receiving the lender's approval of the transaction, the homeowner or listing agent to defend or indemnify the lender or auction company from any liability alleged to result from the actions of the lender or auction company. Any clause, provision, covenant, or agreement purporting to impose an obligation to defend or indemnify a lender or an auction company in violation of this subdivision is against public policy, void, and unenforceable.

No Diminishment of Duties

2079.24. Nothing in this article shall be construed to either diminish the duty of disclosure owed buyers and sellers by agents and their associate licensees, subagents, and employees or to relieve agents and their associate licensees, subagents, and employees from liability for their conduct in connection with acts governed by this article or for any breach of a fiduciary duty or a duty of disclosure.

Preservation of Duties

2079.25. The provisions of subdivision (d) of Section 1102.1 shall apply to this article.

Borrower's Successor in Interest

2920.7. (a) Upon notification by someone claiming to be a successor in interest that a borrower has died, and where that claimant is not a party to the loan or promissory note, a mortgage servicer shall not record a notice of default pursuant to Section 2924 until the mortgage servicer does both of the following:

(1) Requests reasonable documentation of the death of the borrower from the claimant, including, but not limited to, a death certificate or other written evidence of the death of the borrower. A reasonable period of time shall be provided for the claimant to present this documentation, but no less than 30 days from the date of a written request by the mortgage servicer.

(2) Requests reasonable documentation from the claimant demonstrating the ownership interest of that claimant in the real property. A reasonable period of time

shall be provided for the claimant to present this documentation, but no less than 90 days from the date of a written request by the mortgage servicer.

(b) (1) Upon receipt by the mortgage servicer of the reasonable documentation of the status of a claimant as successor in interest and that claimant's ownership interest in the real property, that claimant shall be deemed a "successor in interest."

(2) There may be more than one successor in interest. A mortgage servicer shall apply the provisions of this section to multiple successors in interest in accordance with the terms of the loan and federal and state laws and regulations. When there are multiple successors in interest who do not wish to proceed as coborrowers or coapplicants, a mortgage servicer may require any nonapplicant successor in interest to consent in writing to the application for loan assumption.

(3) Being a successor in interest under this section does not impose an affirmative duty on a mortgage servicer or alter any obligation the mortgage servicer has to provide a loan modification to the successor in interest. If a successor in interest assumes the loan, the successor may be required to otherwise qualify for available foreclosure prevention alternatives offered by the mortgage servicer.

(c) Within 10 days of a claimant being deemed a successor in interest pursuant to subdivision (b), a mortgage servicer shall provide the successor in interest with information in writing about the loan. This information shall include, at a minimum, loan balance, interest rate and interest reset dates and amounts, balloon payments if any, prepayment penalties if any, default or delinquency status, the monthly payment amount, and payoff amounts.

(d) A mortgage servicer shall allow a successor in interest to either:

(1) Apply to assume the deceased borrower's loan. The mortgage servicer

may evaluate the creditworthiness of the successor in interest, subject to applicable investor requirements and guidelines.

(2) If a successor in interest of an assumable loan also seeks a foreclosure prevention alternative, simultaneously apply to assume the loan and for a foreclosure prevention alternative that may be offered by, or available through, the mortgage loan servicer. If the successor in interest qualifies for the foreclosure prevention alternative, assume the loan. The mortgage servicer may evaluate the creditworthiness of the successor in interest subject to applicable investor requirements and guidelines.

(e) (1) A successor in interest shall have all the same rights and remedies as a borrower under subdivision (a) of Section 2923.4 and under Sections 2923.6, 2923.7, 2924, 2924.11, 2924.12, 2924.15, and 2924.17. For the purposes of Section 2924.15, "owner-occupied" means that the property was the principal residence of the deceased borrower and is security for a loan made for personal, family, or household purposes.

(2) If a trustee's deed upon sale has not been recorded, a successor in interest may bring an action for injunctive relief to enjoin a material violation of subdivision (a), (b), (c), or (d). Any injunction shall remain in place and any trustee's sale shall be enjoined until the court determines that the mortgage servicer has corrected and remedied the violation or violations giving rise to the action for injunctive relief. An enjoined entity may move to dissolve an injunction based on a showing that the material violation has been corrected and remedied.

(3) After a trustee's deed upon sale has been recorded, a mortgage servicer shall be liable to a successor in interest for actual economic damages pursuant to Section 3281 resulting from a material violation of subdivision (a), (b), (c), or (d) by that mortgage servicer if the violation was not corrected and remedied prior to the

recordation of the trustee's deed upon sale. If the court finds that the material violation was intentional or reckless, or resulted from willful misconduct by a mortgage servicer, the court may award the successor in interest the greater of treble actual damages or statutory damages of fifty thousand dollars (\$50,000).

(4) A court may award a prevailing successor in interest reasonable attorney's fees and costs in an action brought pursuant to this section. A successor in interest shall be deemed to have prevailed for purposes of this subdivision if the successor in interest obtained injunctive relief or damages pursuant to this section.

(5) A mortgage servicer shall not be liable for any violation that it has corrected and remedied prior to the recordation of the trustee's deed upon sale or that has been corrected and remedied by third parties working on its behalf prior to the recordation of the trustee's deed upon sale.

(f) Consistent with their general regulatory authority, the Department of Business Oversight and the Bureau of Real Estate may adopt regulations applicable to any entity or person under their respective jurisdictions that are necessary to carry out the purposes of this section.

(g) The rights and remedies provided by this section are in addition to and independent of any other rights, remedies, or procedures under any other law. This section shall not be construed to alter, limit, or negate any other rights, remedies, or procedures provided by law.

(h) Except as otherwise provided, this act does not affect the obligations arising from a mortgage or deed of trust.

(i) For purposes of this section, all of the following definitions apply:

(1) "Notification of the death of the mortgagor or trustor" means provision to the mortgage servicer of a death certificate or, if a death certificate is not available, of

other written evidence of the death of the mortgagor or trustor deemed sufficient by the mortgage servicer.

(2) "Mortgage servicer" has the same meaning as provided in Section 2920.5.

(3) "Reasonable documentation" means copies of the following documents, as may be applicable, or, if the relevant documentation listed is not available, other written evidence of the person's status as successor in interest to the real property that secures the mortgage or deed of trust deemed sufficient by the mortgage servicer:

(A) In the case of a personal representative, letters as defined in Section 52 of the Probate Code.

(B) In the case of devisee or an heir, a copy of the relevant will or trust document.

(C) In the case of a beneficiary of a revocable transfer on death deed, a copy of that deed.

(D) In the case of a surviving joint tenant, an affidavit of death of the joint tenant or a grant deed showing joint tenancy.

(E) In the case of a surviving spouse where the real property was held as community property with right of survivorship, an affidavit of death of the spouse or a deed showing community property with right of survivorship.

(F) In the case of a trustee of a trust, a certification of trust pursuant to Section 18100.5 of the Probate Code.

(G) In the case of a beneficiary of a trust, relevant trust documents related to the beneficiary's interest.

(4) "Successor in interest" means a natural person who provides the mortgage servicer with notification of the death of the mortgagor or trustor and reasonable documentation showing that the person is

the spouse, domestic partner, joint tenant as evidenced by grant deed, parent, grandparent, adult child, adult grandchild, or adult sibling of the deceased borrower, who occupied the property as the person's principal residence within the last six continuous months prior to the deceased borrower's death and who currently resides in the property.

(j) This section applies to first lien mortgages or deeds of trust that are secured by owner-occupied residential real property containing no more than four dwelling units. "Owner-occupied" means that the property was the principal residence of the deceased borrower.

(k) This section does not apply to a reverse mortgage, as defined in Section 1923.

(l) (1) Any mortgage servicer, mortgagee, or beneficiary of the deed of trust, or an authorized agent thereof, who, with respect to the successor in interest or person claiming to be a successor in interest, complies with the relevant provisions regarding successors in interest of Part 1024 of Chapter X of Title 12 of the Code of Federal Regulations, known as Regulation X, and Part 1026 of Chapter X of Title 12 of the Code of Federal Regulations, known as Regulation Z, including any revisions to those regulations, shall be deemed to be in compliance with this section.

(2) The provisions of paragraph (1) shall only become operative on the effective date of any revisions to the relevant provisions regarding successors in interest of Part 1024 of Chapter X of Title 12 of the Code of Federal Regulations, known as Regulation X, and Part 1026 of Chapter X of Title 12 of the Code of Federal Regulations, known as Regulation Z, issued by the federal Consumer Financial Protection Bureau that revise the Final Servicing Rules in 78 Federal Register 10696, of February 14, 2013.

(m) This section does not apply to a successor in interest who is engaged in a legal dispute

over the property that is security for the borrower's outstanding mortgage loan and has filed a claim raising this dispute in a legal proceeding.

(n) This section does not apply to a depository institution chartered under state or federal law, a person licensed pursuant to Division 9 (commencing with Section 22000) or Division 20 (commencing with Section 50000) of the Financial Code, or a person licensed pursuant to Part 1 (commencing with Section 10000) of Division 4 of the Business and Professions Code, that, during its immediately preceding annual reporting period, as established with its primary regulator, foreclosed on 175 or fewer residential real properties, containing no more than four dwelling units, that are located in California.

(o) This section shall remain in effect only until January 1, 2020, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2020, deletes or extends that date.

Mortgage Broker – Fiduciary Duties

2923.1. (a) A mortgage broker providing mortgage brokerage services to a borrower is the fiduciary of the borrower, and any violation of the broker's fiduciary duties shall be a violation of the mortgage broker's license law. This fiduciary duty includes a requirement that the mortgage broker place the economic interest of the borrower ahead of his or her own economic interest. A mortgage broker who provides mortgage brokerage services to the borrower owes this fiduciary duty to the borrower regardless of whether the mortgage broker is acting as an agent for any other party in connection with the residential mortgage loan transaction.

(b) For purposes of this section, the following definitions apply:

(1) "Licensed person" means a real estate broker licensed under the Real Estate Law (Part 1 (commencing with Section 10000) of Division 4 of the Business and Professions Code), a finance lender or broker licensed under the California

Finance Lenders Law (Division 9 (commencing with Section 22000) of the Financial Code), a residential mortgage lender licensed under the California Residential Mortgage Lending Act (Division 20 (commencing with Section 50000) of the Financial Code), a commercial or industrial bank organized under the Banking Law (Division 1 (commencing with Section 99) of the Financial Code), a savings association organized under the Savings Association Law (Division 2 (commencing with Section 5000) of the Financial Code), and a credit union organized under the California Credit Union Law (Division 5 (commencing with Section 14000) of the Financial Code).

(2) "Mortgage broker" means a licensed person who provides mortgage brokerage services. For purposes of this section, a licensed person who makes a residential mortgage loan is a "mortgage broker," and subject to the requirements of this section applicable to mortgage brokers, only with respect to transactions in which the licensed person provides mortgage brokerage services.

(3) "Mortgage brokerage services" means arranging or attempting to arrange, as exclusive agent for the borrower or as dual agent for the borrower and lender, for compensation or in expectation of compensation, paid directly or indirectly, a residential mortgage loan made by an unaffiliated third party.

(4) "Residential mortgage loan" means a consumer credit transaction that is secured by residential real property that is improved by four or fewer residential units.

(c) The duties set forth in this section shall not be construed to limit or narrow any other fiduciary duty of a mortgage broker.

Summary of Notice of Default

2923.3. (a) With respect to residential real property containing no more than four dwelling units, a mortgagee, trustee, beneficiary, or

authorized agent shall provide to the mortgagor or trustor a copy of the recorded notice of default with an attached separate summary document of the notice of default in English and the languages described in Section 1632, as set forth in subdivision (c), and a copy of the recorded notice of sale with an attached separate summary document of the information required to be contained in the notice of sale in English and the languages described in Section 1632, as set forth in subdivision (d). These summaries are not required to be recorded or published. This subdivision shall become operative on April 1, 2013, or 90 days following the issuance of the translations by the Department of Business Oversight pursuant to subdivision (b), whichever is later.

(b) (1) The Department of Business Oversight shall provide a standard translation of the statement in paragraph (1) of subdivision (c), and of the summary of the notice of default, as set forth in paragraph (2) of subdivision (c) in the languages described in Section 1632.

(2) The Department of Business Oversight shall provide a standard translation of the statement in paragraph (1) of subdivision (d), and of the summary of the notice of sale, as set forth in paragraph (2) of subdivision (d).

(3) The department shall make the translations described in paragraphs (1) and (2) available without charge on its Internet Web site. Any mortgagee, trustee, beneficiary, or authorized agent who provides the department's translations in the manner prescribed by this section shall be in compliance with this section.

(c) (1) The following statement shall appear in the languages described in Section 1632 at the beginning of the notice of default:

NOTE: THERE IS A SUMMARY OF THE INFORMATION IN THIS DOCUMENT ATTACHED.

(2) The following summary of key information shall be attached to the copy of

the notice of default provided to the mortgagor or trustor:

SUMMARY OF KEY INFORMATION

The attached notice of default was sent to [name of the trustor], in relation to [description of the property that secures the mortgage or deed of trust in default]. This property may be sold to satisfy your obligation and any other obligation secured by the deed of trust or mortgage that is in default. [Trustor] has, as described in the notice of default, breached the mortgage or deed of trust on the property described above.

IMPORTANT NOTICE: IF YOUR PROPERTY IS IN FORECLOSURE BECAUSE YOU ARE BEHIND IN YOUR PAYMENTS, IT MAY BE SOLD WITHOUT ANY COURT ACTION, and you may have the legal right to bring your account in good standing by paying all of your past due payments plus permitted costs and expenses within the time permitted by law for reinstatement of your account, which is normally five business days prior to the date set for the sale of your property. No sale date may be set until approximately 90 days from the date the attached notice of default may be recorded (which date of recordation appears on the notice).

This amount is _____ as of _____ (date) _____ and will increase until your account becomes current.

While your property is in foreclosure, you still must pay other obligations (such as insurance and taxes) required by your note and deed of trust or mortgage. If you fail to make future payments on the loan, pay taxes on the property, provide insurance on the property, or pay other obligations as required in the note and deed of trust or mortgage, the beneficiary or mortgagee may insist that you do so in order to reinstate your account in good standing. In addition, the beneficiary or mortgagee may require as a condition to reinstatement that

you provide reliable written evidence that you paid all senior liens, property taxes, and hazard insurance premiums.

Upon your written request, the beneficiary or mortgagee will give you a written itemization of the entire amount you must pay. You may not have to pay the entire unpaid portion of your account, even though full payment was demanded, but you must pay all amounts in default at the time payment is made. However, you and your beneficiary or mortgagee may mutually agree in writing prior to the time the notice of sale is posted (which may not be earlier than three months after this notice of default is recorded) to, among other things, (1) provide additional time in which to cure the default by transfer of the property or otherwise; or (2) establish a schedule of payments in order to cure your default; or both (1) and (2).

Following the expiration of the time period referred to in the first paragraph of this notice, unless the obligation being foreclosed upon or a separate written agreement between you and your creditor permits a longer period, you have only the legal right to stop the sale of your property by paying the entire amount demanded by your creditor.

To find out the amount you must pay, or to arrange for payment to stop the foreclosure, or if your property is in foreclosure for any other reason, contact:

(Name of beneficiary or mortgagee)

(Mailing address)

(Telephone)

If you have any questions, you should contact a lawyer or the governmental agency which may have insured your loan.

Notwithstanding the fact that your property is in foreclosure, you may offer your property for sale, provided the sale is

concluded prior to the conclusion of the foreclosure.

Remember, YOU MAY LOSE LEGAL RIGHTS IF YOU DO NOT TAKE PROMPT ACTION.

If you would like additional copies of this summary, you may obtain them by calling [insert telephone number].

- (d) (1) The following statement shall appear in the languages described in Section 1632 at the beginning of the notice of sale:

NOTE: THERE IS A SUMMARY OF THE INFORMATION IN THIS DOCUMENT ATTACHED.

(2) The following summary of key information shall be attached to the copy of the notice of sale provided to the mortgagor or trustor:

SUMMARY OF KEY INFORMATION

The attached notice of sale was sent to [trustor], in relation to [description of the property that secures the mortgage or deed of trust in default].

YOU ARE IN DEFAULT UNDER A (Deed of trust or mortgage) DATED _____. UNLESS YOU TAKE ACTION TO PROTECT YOUR PROPERTY, IT MAY BE SOLD AT A PUBLIC SALE.

IF YOU NEED AN EXPLANATION OF THE NATURE OF THE PROCEEDING AGAINST YOU, YOU SHOULD CONTACT A LAWYER.

The total amount due in the notice of sale is _____.

Your property is scheduled to be sold on [insert date and time of sale] at [insert location of sale].

However, the sale date shown on the attached notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made

available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call [telephone number for information regarding the trustee's sale] or visit this Internet Web site [Internet Web site address for information regarding the sale of this property], using the file number assigned to this case [case file number]. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale.

If you would like additional copies of this summary, you may obtain them by calling [insert telephone number].

(e) Failure to provide these summaries to the mortgagor or trustor shall have the same effect as if the notice of default or notice of sale were incomplete or not provided.

(f) This section sets forth a requirement for translation in languages other than English, and a document complying with the provisions of this section may be recorded pursuant to subdivision (b) of Section 27293 of the Government Code. A document that complies with this section shall not be rejected for recordation on the ground that some part of the document is in a language other than English.

Purpose of Act

2923.4. The purpose of the act that added this section is to ensure that, as part of the nonjudicial foreclosure process, borrowers are considered for, and have a meaningful opportunity to obtain, available loss mitigation options, if any, offered by or through the borrower's mortgage servicer, such as loan modifications or other alternatives to foreclosure. Nothing in the act that added this section, however, shall be interpreted to require a particular result of that process.

Procedures Associated with Civil Code Sec.
2924.18***

2923.5. (a) (1) A mortgage servicer, mortgagee, trustee, beneficiary, or authorized agent shall not record a notice of default pursuant to Section 2924 until both of the following:

(A) Either 30 days after initial contact is made as required by paragraph (2) or 30 days after satisfying the due diligence requirements as described in subdivision (e).

(B) The mortgage servicer complies with paragraph (1) of subdivision (a) of Section 2924.18, if the borrower has provided a complete application as defined in subdivision (d) of Section 2924.18.

(2) A mortgage servicer shall contact the borrower in person or by telephone in order to assess the borrower's financial situation and explore options for the borrower to avoid foreclosure. During the initial contact, the mortgage servicer shall advise the borrower that he or she has the right to request a subsequent meeting and, if requested, the mortgage servicer shall schedule the meeting to occur within 14 days. The assessment of the borrower's financial situation and discussion of options may occur during the first contact, or at the subsequent meeting scheduled for that purpose. In either case, the borrower shall be provided the toll-free telephone number made available by the United States Department of Housing and Urban Development (HUD) to find a HUD-certified housing counseling agency. Any meeting may occur telephonically.

(b) A notice of default recorded pursuant to Section 2924 shall include a declaration that the mortgage servicer has contacted the borrower, has tried with due diligence to contact the borrower as required by this section, or that no contact was required because the individual did not meet the definition of "borrower" pursuant to subdivision (c) of Section 2920.5.

(c) A mortgage servicer's loss mitigation personnel may participate by telephone during any contact required by this section.

(d) A borrower may designate, with consent given in writing, a HUD-certified housing counseling agency, attorney, or other advisor to discuss with the mortgage servicer, on the borrower's behalf, the borrower's financial situation and options for the borrower to avoid foreclosure. That contact made at the direction of the borrower shall satisfy the contact requirements of paragraph (2) of subdivision (a). Any loan modification or workout plan offered at the meeting by the mortgage servicer is subject to approval by the borrower.

(e) A notice of default may be recorded pursuant to Section 2924 when a mortgage servicer has not contacted a borrower as required by paragraph (2) of subdivision (a) provided that the failure to contact the borrower occurred despite the due diligence of the mortgage servicer. For purposes of this section, "due diligence" shall require and mean all of the following:

(1) A mortgage servicer shall first attempt to contact a borrower by sending a first-class letter that includes the toll-free telephone number made available by HUD to find a HUD-certified housing counseling agency.

(2) (A) After the letter has been sent, the mortgage servicer shall attempt to contact the borrower by telephone at least three times at different hours and on different days. Telephone calls shall be made to the primary telephone number on file.

(B) A mortgage servicer may attempt to contact a borrower using an automated system to dial borrowers, provided that, if the telephone call is answered, the call is connected to a live representative of the mortgage servicer.

(C) A mortgage servicer satisfies the telephone contact requirements of this paragraph:

(i) If it determines, after attempting contact pursuant to this paragraph, that the borrower's primary telephone number and secondary telephone number or numbers on file, if any, have been disconnected.

(ii) If the borrower or his or her authorized agent notifies the mortgage servicer in writing to cease further communication with the borrower. The cease communication notification shall explicitly pertain to the mortgage loan account to be effective. The cease communication notification shall be effective until the borrower or his or her authorized agent rescinds it in writing.

(3) If the borrower does not respond within two weeks after the telephone call requirements of paragraph (2) have been satisfied, the mortgage servicer shall then send a certified letter, with return receipt requested.

(4) The mortgage servicer shall provide a means for the borrower to contact it in a timely manner, including a toll-free telephone number that will provide access to a live representative during business hours.

(5) The mortgage servicer has posted a prominent link on the homepage of its Internet Web site, if any, to the following information:

(A) Options that may be available to borrowers who are unable to afford their mortgage payments and who wish to avoid foreclosure, and instructions to borrowers advising them on steps to take to explore those options.

(B) A list of financial documents borrowers should collect and be prepared to present to the mortgage servicer when discussing options for avoiding foreclosure.

(C) A toll-free telephone number for borrowers who wish to discuss options for avoiding foreclosure with their mortgage servicer.

(D) The toll-free telephone number made available by HUD to find a HUD-certified housing counseling agency.

(f) This section shall apply only to mortgages or deeds of trust described in Section 2924.15.

(g) This section shall apply only to entities described in subdivision (b) of Section 2924.18.

2923.6. (a) The Legislature finds and declares that any duty mortgage servicers may have to maximize net present value under their pooling and servicing agreements is owed to all parties in a loan pool, or to all investors under a pooling and servicing agreement, not to any particular party in the loan pool or investor under a pooling and servicing agreement, and that a mortgage servicer acts in the best interests of all parties to the loan pool or investors in the pooling and servicing agreement if it agrees to or implements a loan modification or workout plan for which both of the following apply:

(1) The loan is in payment default, or payment default is reasonably foreseeable.

(2) Anticipated recovery under the loan modification or workout plan exceeds the anticipated recovery through foreclosure on a net present value basis.

(b) It is the intent of the Legislature that the mortgage servicer offer the borrower a loan modification or workout plan if such a modification or plan is consistent with its contractual or other authority.

(c) If a borrower submits a complete application for a first lien loan modification offered by, or through, the borrower's mortgage servicer at least five business days before a scheduled foreclosure sale, a mortgage servicer, mortgagee, trustee, beneficiary, or authorized agent shall not record a notice of default or notice of sale, or conduct a trustee's sale, while the complete first lien loan modification application is pending. A mortgage servicer, mortgagee, trustee,

beneficiary, or authorized agent shall not record a notice of default or notice of sale or conduct a trustee's sale until any of the following occurs:

- (1) The mortgage servicer makes a written determination that the borrower is not eligible for a first lien loan modification, and any appeal period pursuant to subdivision (d) has expired.
 - (2) The borrower does not accept an offered first lien loan modification within 14 days of the offer.
 - (3) The borrower accepts a written first lien loan modification, but defaults on, or otherwise breaches the borrower's obligations under, the first lien loan modification.

- (e) If the borrower's application for a first lien loan modification is denied, the mortgage servicer, mortgagee, trustee, beneficiary, or authorized agent shall not record a notice of default or, if a notice of default has already been recorded, record a notice of sale or conduct a trustee's sale until the later of:
- (1) Thirty-one days after the borrower is notified in writing of the denial.
 - (2) If the borrower appeals the denial pursuant to subdivision (d), the later of 15 days after the denial of the appeal or 14 days after a first lien loan modification is offered after appeal but declined by the borrower, or, if a first lien loan modification is offered and accepted after appeal, the date on which the borrower fails to timely submit the first payment or otherwise breaches the terms of the offer.
- (f) Following the denial of a first lien loan modification application, the mortgage servicer shall send a written notice to the borrower

identifying the reasons for denial, including the following:

- (1) The amount of time from the date of the denial letter in which the borrower may request an appeal of the denial of the first lien loan modification and instructions regarding how to appeal the denial.
 - (2) If the denial was based on investor disallowance, the specific reasons for the investor disallowance.
 - (3) If the denial is the result of a net present value calculation, the monthly gross income and property value used to calculate the net present value and a statement that the borrower may obtain all of the inputs used in the net present value calculation upon written request to the mortgage servicer.
 - (4) If applicable, a finding that the borrower was previously offered a first lien loan modification and failed to successfully make payments under the terms of the modified loan.
 - (5) If applicable, a description of other foreclosure prevention alternatives for which the borrower may be eligible, and a list of the steps the borrower must take in order to be considered for those options. If the mortgage servicer has already approved the borrower for another foreclosure prevention alternative, information necessary to complete the foreclosure prevention alternative.
- (g) In order to minimize the risk of borrowers submitting multiple applications for first lien loan modifications for the purpose of delay, the mortgage servicer shall not be obligated to evaluate applications from borrowers who have been evaluated or afforded a fair opportunity to be evaluated consistent with the requirements of this section, unless there has been a material change in the borrower's financial circumstances since the date of the borrower's previous application and that change is documented by the borrower and submitted to the mortgage servicer.

(h) For purposes of this section, an application shall be deemed “complete” when a borrower has supplied the mortgage servicer with all documents required by the mortgage servicer within the reasonable timeframes specified by the mortgage servicer.

(i) Subdivisions (c) to (h), inclusive, shall not apply to entities described in subdivision (b) of Section 2924.18.

(j) This section shall apply only to mortgages or deeds of trust described in Section 2924.15.

Single Point of Contact

2923.7. (a) When a borrower requests a foreclosure prevention alternative, the mortgage servicer shall promptly establish a single point of contact and provide to the borrower one or more direct means of communication with the single point of contact.

(b) The single point of contact shall be responsible for doing all of the following:

(1) Communicating the process by which a borrower may apply for an available foreclosure prevention alternative and the deadline for any required submissions to be considered for these options.

(2) Coordinating receipt of all documents associated with available foreclosure prevention alternatives and notifying the borrower of any missing documents necessary to complete the application.

(3) Having access to current information and personnel sufficient to timely, accurately, and adequately inform the borrower of the current status of the foreclosure prevention alternative.

(4) Ensuring that a borrower is considered for all foreclosure prevention alternatives offered by, or through, the mortgage servicer, if any.

(5) Having access to individuals with the ability and authority to stop foreclosure proceedings when necessary.

(c) The single point of contact shall remain assigned to the borrower’s account until the mortgage servicer determines that all loss

mitigation options offered by, or through, the mortgage servicer have been exhausted or the borrower’s account becomes current.

(d) The mortgage servicer shall ensure that a single point of contact refers and transfers a borrower to an appropriate supervisor upon request of the borrower, if the single point of contact has a supervisor.

(e) For purposes of this section, “single point of contact” means an individual or team of personnel each of whom has the ability and authority to perform the responsibilities described in subdivisions (b) to (d), inclusive. The mortgage servicer shall ensure that each member of the team is knowledgeable about the borrower’s situation and current status in the alternatives to foreclosure process.

(f) This section shall apply only to mortgages or deeds of trust described in Section 2924.15.

(g) (1) This section shall not apply to a depository institution chartered under state or federal law, a person licensed pursuant to Division 9 (commencing with Section 22000) or Division 20 (commencing with Section 50000) of the Financial Code, or a person licensed pursuant to Part 1 (commencing with Section 10000) of Division 4 of the Business and Professions Code, that, during its immediately preceding annual reporting period, as established with its primary regulator, foreclosed on 175 or fewer residential real properties, containing no more than four dwelling units, that are located in California.

(2) Within three months after the close of any calendar year or annual reporting period as established with its primary regulator during which an entity or person described in paragraph (1) exceeds the threshold of 175 specified in paragraph (1), that entity shall notify its primary regulator, in a manner acceptable to its primary regulator, and any mortgagor or trustor who is delinquent on a residential mortgage loan serviced by that entity of the date on which that entity will be subject to this

section, which date shall be the first day of the first month that is six months after the close of the calendar year or annual reporting period during which that entity exceeded the threshold.

Defaults

2924. (a) Every transfer of an interest in property, other than in trust, made only as a security for the performance of another act, is to be deemed a mortgage, except when in the case of personal property it is accompanied by actual change of possession, in which case it is to be deemed a pledge. If, by a mortgage created after July 27, 1917, of any estate in real property, other than an estate at will or for years, less than two, or in any transfer in trust made after July 27, 1917, of a like estate to secure the performance of an obligation, a power of sale is conferred upon the mortgagee, trustee, or any other person, to be exercised after a breach of the obligation for which that mortgage or transfer is a security, the power shall not be exercised except where the mortgage or transfer is made pursuant to an order, judgment, or decree of a court of record, or to secure the payment of bonds or other evidences of indebtedness authorized or permitted to be issued by the Commissioner of Business Oversight, or is made by a public utility subject to the provisions of the Public Utilities Act, until all of the following apply:

(1) The trustee, mortgagee, or beneficiary, or any of their authorized agents shall first file for record, in the office of the recorder of each county wherein the mortgaged or trust property or some part or parcel thereof is situated, a notice of default. That notice of default shall include all of the following:

(A) A statement identifying the mortgage or deed of trust by stating the name or names of the trustor or trustors and giving the book and page, or instrument number, if applicable, where the mortgage or deed of trust is recorded or a description of the mortgaged or trust property.

(B) A statement that a breach of the obligation for which the mortgage or

transfer in trust is security has occurred.

(C) A statement setting forth the nature of each breach actually known to the beneficiary and of the beneficiary's election to sell or cause to be sold the property to satisfy that obligation and any other obligation secured by the deed of trust or mortgage that is in default.

(D) If the default is curable pursuant to Section 2924c, the statement specified in paragraph (1) of subdivision (b) of Section 2924c.

(2) Not less than three months shall elapse from the filing of the notice of default.

(3) Except as provided in paragraph (4), after the lapse of the three months described in paragraph (2), the mortgagee, trustee, or other person authorized to take the sale shall give notice of sale, stating the time and place thereof, in the manner and for a time not less than that set forth in Section 2924f.

(4) Notwithstanding paragraph (3), the mortgagee, trustee, or other person authorized to take sale may record a notice of sale pursuant to Section 2924f up to five days before the lapse of the three-month period described in paragraph (2), provided that the date of sale is no earlier than three months and 20 days after the recording of the notice of default.

(5) Whenever a sale is postponed for a period of at least 10 business days pursuant to Section 2924g, a mortgagee, beneficiary, or authorized agent shall provide written notice to a borrower regarding the new sale date and time, within five business days following the postponement. Information provided pursuant to this paragraph shall not constitute the public declaration required by subdivision (d) of Section 2924g. Failure to comply with this paragraph shall not invalidate any sale that would otherwise be valid under Section 2924f.

(6) An entity shall not record or cause a notice of default to be recorded or otherwise initiate the foreclosure process unless it is the holder of the beneficial interest under the mortgage or deed of trust, the original trustee or the substituted trustee under the deed of trust, or the designated agent of the holder of the beneficial interest. An agent of the holder of the beneficial interest under the mortgage or deed of trust, original trustee or substituted trustee under the deed of trust shall not record a notice of default or otherwise commence the foreclosure process except when acting within the scope of authority designated by the holder of the beneficial interest.

(b) In performing acts required by this article, the trustee shall incur no liability for any good faith error resulting from reliance on information provided in good faith by the beneficiary regarding the nature and the amount of the default under the secured obligation, deed of trust, or mortgage. In performing the acts required by this article, a trustee shall not be subject to Title 1.6c (commencing with Section 1788) of Part 4.

(c) A recital in the deed executed pursuant to the power of sale of compliance with all requirements of law regarding the mailing of copies of notices or the publication of a copy of the notice of default or the personal delivery of the copy of the notice of default or the posting of copies of the notice of sale or the publication of a copy thereof shall constitute prima facie evidence of compliance with these requirements and conclusive evidence thereof in favor of bona fide purchasers and encumbrancers for value and without notice.

(d) All of the following shall constitute privileged communications pursuant to Section 47:

- (1) The mailing, publication, and delivery of notices as required by this section.
- (2) Performance of the procedures set forth in this article.

(3) Performance of the functions and procedures set forth in this article if those functions and procedures are necessary to carry out the duties described in Sections 729.040, 729.050, and 729.080 of the Code of Civil Procedure.

(e) There is a rebuttable presumption that the beneficiary actually knew of all unpaid loan payments on the obligation owed to the beneficiary and secured by the deed of trust or mortgage subject to the notice of default. However, the failure to include an actually known default shall not invalidate the notice of sale and the beneficiary shall not be precluded from asserting a claim to this omitted default or defaults in a separate notice of default.

(f) With respect to residential real property containing no more than four dwelling units, a separate document containing a summary of the notice of default information in English and the languages described in Section 1632 shall be attached to the notice of default provided to the mortgagor or trustor pursuant to Section 2923.3.

(b) Any failure to comply with the provisions of this section shall not affect the validity of a trustee's sale or a sale in favor of a bona fide purchaser.

Title Company - Liability

2924.25. (a) Unless acting in the capacity of a trustee, a licensed title company or underwritten title company shall not be liable for a violation of Section 2923.5, 2923.55, 2923.6, 2924.11, 2924.18, or 2924.19 if it records or causes to record a notice of default or notice of sale at the request of a trustee, substitute trustee, or beneficiary, in good faith

and in the normal course of its business activities.

(b) This section shall remain in effect only until January 1, 2018, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2018, deletes or extends that date.

Title Company - Liability

2924.26. (a) Unless acting in the capacity of a trustee, a licensed title company or underwritten title company shall not be liable for a violation of Section 2923.5 or 2924.11 if it records or causes to record a notice of default or notice of sale at the request of a trustee, substitute trustee, or beneficiary, in good faith and in the normal course of its business activities.

(b) This section shall become operative on January 1, 2018.

Acceleration Clause Must Be Printed in Both the Trust Deed and Note (or Other Document Evidencing the Secured Obligation)

2924.5. No clause in any deed of trust or mortgage on property containing four or fewer residential units or on which four or fewer residential units are to be constructed or in any obligation secured by any deed of trust or mortgage on property containing four or fewer residential units or on which four or fewer residential units are to be constructed that provides for the acceleration of the due date of the obligation upon the sale, conveyance, alienation, lease, succession, assignment or other transfer of the property subject to the deed of trust or mortgage shall be valid unless the clause is set forth, in its entirety in both the body of the deed of trust or mortgage and the promissory note or other document evidencing the secured obligation. This section shall apply to all such deeds of trust, mortgages, and obligations secured thereby executed on or after July 1, 1972.

Enforcement of Certain Provisions of Deed of Trust or Mortgage

2924.7. (a) The provisions of any deed of trust or mortgage on real property which authorize any beneficiary, trustee, mortgagee, or his or

her agent or successor in interest, to accelerate the maturity date of the principal and interest on any loan secured thereby or to exercise any power of sale or other remedy contained therein upon the failure of the trustor or mortgagor to pay, at the times provided for under the terms of the deed of trust or mortgage, any taxes, rents, assessments, or insurance premiums with respect to the property or the loan, or any advances made by the beneficiary, mortgagee, or his or her agent or successor in interest shall be enforceable whether or not impairment of the security interest in the property has resulted from the failure of the trustor or mortgagor to pay the taxes, rents, assessments, insurance premiums, or advances.

(b) The provisions of any deed of trust or mortgage on real property which authorize any beneficiary, trustee, mortgagee, or his or her agent or successor in interest, to receive and control the disbursement of the proceeds of any policy of fire, flood, or other hazard insurance respecting the property shall be enforceable whether or not impairment of the security interest in the property has resulted from the event that caused the proceeds of the insurance policy to become payable.

Notice of Sale

2924.8. (a) Upon posting a notice of sale pursuant to Section 2924f, a trustee or authorized agent shall also post the following notice, in the manner required for posting the notice of sale on the property to be sold, and a mortgagee, trustee, beneficiary, or authorized agent, concurrently with the mailing of the notice of sale pursuant to Section 2924b, shall send by first-class mail in an envelope addressed to the "Resident of property subject to foreclosure sale" the following notice in English and the languages described in Section 1632:

Foreclosure process has begun on this property, which may affect your right to continue to live in this property. Twenty days or more after the date of this notice, this property may be sold at foreclosure. If you are renting this property, the new property owner may either give you a new

lease or rental agreement or provide you with a 90-day eviction notice. You may have a right to stay in your home for longer than 90 days. If you have a fixed-term lease, the new owner must honor the lease unless the new owner will occupy the property as a primary residence or in other limited circumstances. Also, in some cases and in some cities with a “just cause for eviction” law, you may not have to move at all. All rights and obligations under your lease or tenancy, including your obligation to pay rent, will continue after the foreclosure sale. You may wish to contact a lawyer or your local legal aid office or housing counseling agency to discuss any rights you may have.

(b) It is an infraction to tear down the notice described in subdivision (a) within 72 hours of posting. Violators shall be subject to a fine of one hundred dollars (\$100).

(c) The Department of Business Oversight and the Department of Real Estate shall make available translations of the notice described in subdivision (a) which may be used by a mortgagee, trustee, beneficiary, or authorized agent to satisfy the requirements of this section.

(d) This section shall only apply to loans secured by residential real property, and if the billing address for the mortgage note is different than the property address.

(e) This section shall become operative on March 1, 2021.

Communication after Notice of Default

2924.9. (a) Unless a borrower has previously exhausted the first lien loan modification process offered by, or through, his or her mortgage servicer described in Section 2923.6, within five business days after recording a notice of default pursuant to Section 2924, a mortgage servicer that offers one or more foreclosure prevention alternatives shall send a written communication to the borrower that includes all of the following information:

(1) That the borrower may be evaluated for a foreclosure prevention alternative or, if applicable, foreclosure prevention alternatives.

(2) Whether an application is required to be submitted by the borrower in order to be considered for a foreclosure prevention alternative.

2924.10. (a) When a borrower submits a complete first lien modification application or any document in connection with a first lien modification application, the mortgage servicer shall provide written acknowledgment of the receipt of the documentation within five business days of receipt. In its initial acknowledgment of receipt of the loan modification application, the mortgage servicer shall include the following information:

(1) A description of the loan modification process, including an estimate of when a decision on the loan modification will be made after a complete application has been submitted by the borrower and the length of time the borrower will have to consider an offer of a loan modification or other foreclosure prevention alternative.

(2) Any deadlines, including deadlines to submit missing documentation, that would affect the processing of a first lien loan modification application.

(3) Any expiration dates for submitted documents.

(4) Any deficiency in the borrower’s first lien loan modification application.

(b) For purposes of this section, a borrower’s first lien loan modification application shall be deemed to be “complete” when a borrower has supplied the mortgage servicer with all documents required by the mortgage servicer

within the reasonable timeframes specified by the mortgage servicer.

(c) This section shall not apply to entities described in subdivision (b) of Section 2924.18.

(d) This section shall apply only to mortgages or deeds of trust described in Section 2924.15.

Subsequent Process

2924.11. (a) If a foreclosure prevention alternative is approved in writing prior to the recordation of a notice of default, a mortgage servicer, mortgagee, trustee, beneficiary, or authorized agent shall not record a notice of default under either of the following circumstances:

(1) The borrower is in compliance with the terms of a written trial or permanent loan modification, forbearance, or repayment plan.

(2) A foreclosure prevention alternative has been approved in writing by all parties, including, for example, the first lien investor, junior lienholder, and mortgage insurer, as applicable, and proof of funds or financing has been provided to the servicer.

(b) If a foreclosure prevention alternative is approved in writing after the recordation of a notice of default, a mortgage servicer, mortgagee, trustee, beneficiary, or authorized agent shall not record a notice of sale or conduct a trustee's sale under either of the following circumstances:

(1) The borrower is in compliance with the terms of a written trial or permanent loan modification, forbearance, or repayment plan.

(2) A foreclosure prevention alternative has been approved in writing by all parties, including, for example, the first lien investor, junior lienholder, and mortgage insurer, as applicable, and proof of funds or financing has been provided to the servicer.

(c) When a borrower accepts an offered first lien loan modification or other foreclosure prevention alternative, the mortgage servicer shall provide the borrower with a copy of the fully executed loan modification agreement or agreement evidencing the foreclosure

prevention alternative following receipt of the executed copy from the borrower.

(d) A mortgagee, beneficiary, or authorized agent shall record a rescission of a notice of default or cancel a pending trustee's sale, if applicable, upon the borrower executing a permanent foreclosure prevention alternative. In the case of a short sale, the cancellation of the pending trustee's sale shall occur when the short sale has been approved by all parties and proof of funds or financing has been provided to the mortgagee, beneficiary, or authorized agent.

(e) The mortgage servicer shall not charge any application, processing, or other fee for a first lien loan modification or other foreclosure prevention alternative.

(f) The mortgage servicer shall not collect any late fees for periods during which a complete first lien loan modification application is under consideration or a denial is being appealed, the borrower is making timely modification payments, or a foreclosure prevention alternative is being evaluated or exercised.

(g) If a borrower has been approved in writing for a first lien loan modification or other foreclosure prevention alternative, and the servicing of that borrower's loan is transferred or sold to another mortgage servicer, the subsequent mortgage servicer shall continue to honor any previously approved first lien loan modification or other foreclosure prevention alternative, in accordance with the provisions of the act that added this section.

(h) This section shall apply only to mortgages or deeds of trust described in Section 2924.15.

(i) This section shall not apply to entities described in subdivision (b) of Section 2924.18.

2924.12. (a) (1) If a trustee's deed upon sale has not been recorded, a borrower may bring an action for injunctive relief to enjoin a material violation of Section 2923.55, 2923.6, 2923.7, 2924.9, 2924.10, 2924.11, or 2924.17.

(2) Any injunction shall remain in place and any trustee's sale shall be enjoined until the court determines that the mortgage servicer, mortgagee, trustee, beneficiary, or

authorized agent has corrected and remedied the violation or violations giving rise to the action for injunctive relief. An enjoined entity may move to dissolve an injunction based on a showing that the material violation has been corrected and remedied.

(b) After a trustee's deed upon sale has been recorded, a mortgage servicer, mortgagee, trustee, beneficiary, or authorized agent shall be liable to a borrower for actual economic damages pursuant to Section 3281, resulting from a material violation of Section 2923.55, 2923.6, 2923.7, 2924.9, 2924.10, 2924.11, or 2924.17 by that mortgage servicer, mortgagee, trustee, beneficiary, or authorized agent where the violation was not corrected and remedied prior to the recordation of the trustee's deed upon sale. If the court finds that the material violation was intentional or reckless, or resulted from willful misconduct by a mortgage servicer, mortgagee, trustee, beneficiary, or authorized agent, the court may award the borrower the greater of treble actual damages or statutory damages of fifty thousand dollars (\$50,000).

(c) A mortgage servicer, mortgagee, trustee, beneficiary, or authorized agent shall not be liable for any violation that it has corrected and remedied prior to the recordation of the trustee's deed upon sale, or that has been corrected and remedied by third parties working on its behalf prior to the recordation of the trustee's deed upon sale.

(d) A violation of Section 2923.55, 2923.6, 2923.7, 2924.9, 2924.10, 2924.11, or 2924.17 by a person licensed by the Department of Business Oversight or the Department of Real Estate shall be deemed to be a violation of that person's licensing law.

(e) No violation of this article shall affect the validity of a sale in favor of a bona fide purchaser and any of its encumbrancers for value without notice.

(f) A third-party encumbrancer shall not be relieved of liability resulting from violations of Section 2923.55, 2923.6, 2923.7, 2924.9, 2924.10, 2924.11, or 2924.17 committed by that third-party encumbrancer, that occurred

prior to the sale of the subject property to the bona fide purchaser.

(g) The rights, remedies, and procedures provided by this section are in addition to and independent of any other rights, remedies, or procedures under any other law. Nothing in this section shall be construed to alter, limit, or negate any other rights, remedies, or procedures provided by law.

(h) A court may award a prevailing borrower reasonable attorney's fees and costs in an action brought pursuant to this section. A borrower shall be deemed to have prevailed for purposes of this subdivision if the borrower obtained injunctive relief or was awarded damages pursuant to this section.

(2) The first lien mortgage or deed of trust is secured by residential real property that is occupied by a tenant, contains no more than four dwelling units, and meets all of

the conditions described in subparagraph (B).

(A) For the purposes of this paragraph:

(iii) “Occupied by a tenant” means that the property is the principal residence of a tenant.

(B) To meet the conditions of this subdivision, a first lien mortgage or deed of trust shall have all of the following characteristics:

(ii) The property is occupied by a tenant pursuant to an applicable lease.

(iii) A tenant occupying the property is unable to pay rent due to a reduction in income resulting from the novel coronavirus.

(C) Relief shall be available pursuant to subdivision (a) of Section 2924 and Sections 2923.5, 2923.55, 2923.6, 2923.7, 2924.9, 2924.10, 2924.11, and 2924.18 for so long as the property remains occupied by a tenant pursuant

to a lease entered in an arm’s length transaction.

(b) This section shall remain in effect until January 1, 2023, and as of that date is repealed.

(Editor’s Note: The following section replaces the prior section and goes into effect on January 1, 2023.)

2924.15. (a) Unless otherwise provided, paragraph (5) of subdivision (a) of Section 2924 and Sections 2923.5, 2923.55, 2923.6, 2923.7, 2924.9, 2924.10, 2924.11, and 2924.18 shall apply only to a first lien mortgage or deed of trust that is secured by owner-occupied residential real property containing no more than four dwelling units.

(b) As used in this section, “owner-occupied” means that the property is the principal residence of the borrower and is security for a loan made for personal, family, or household purposes.

(c) This section shall become operative on January 1, 2023.

(b) Before recording or filing any of the documents described in subdivision (a), a mortgage servicer shall ensure that it has reviewed competent and reliable evidence to substantiate the borrower’s default and the right to foreclose, including the borrower’s loan status and loan information.

(c) Any mortgage servicer that engages in multiple and repeated uncorrected violations of subdivision (b) in recording documents or filing documents in any court relative to a foreclosure proceeding shall be liable for a civil penalty of up to seven thousand five hundred dollars (\$7,500) per mortgage or deed of trust in an action brought by a government entity

identified in Section 17204 of the Business and Professions Code, or in an administrative proceeding brought by the Department of Business Oversight or the Department of Real Estate against a respective licensee, in addition to any other remedies available to these entities.

2924.18. (a) (1) If a borrower submits a complete application for a first lien loan modification offered by, or through, the borrower's mortgage servicer at least five business days before a scheduled foreclosure sale, a mortgage servicer, trustee, mortgagee, beneficiary, or authorized agent shall not record a notice of default, notice of sale, or conduct a trustee's sale while the complete first lien loan modification application is pending, and until the borrower has been provided with a written determination by the mortgage servicer regarding that borrower's eligibility for the requested loan modification.

(2) If a foreclosure prevention alternative has been approved in writing prior to the recordation of a notice of default, a mortgage servicer, mortgagee, trustee, beneficiary, or authorized agent shall not record a notice of default under either of the following circumstances:

(A) The borrower is in compliance with the terms of a written trial or permanent loan modification, forbearance, or repayment plan.

(B) A foreclosure prevention alternative has been approved in writing by all parties, including, for example, the first lien investor, junior lienholder, and mortgage insurer, as applicable, and proof of funds or financing has been provided to the servicer.

(3) If a foreclosure prevention alternative is approved in writing after the recordation of a notice of default, a mortgage servicer, mortgagee, trustee, beneficiary, or authorized agent shall not record a notice of

sale or conduct a trustee's sale under either of the following circumstances:

(A) The borrower is in compliance with the terms of a written trial or permanent loan modification, forbearance, or repayment plan.

(B) A foreclosure prevention alternative has been approved in writing by all parties, including, for example, the first lien investor, junior lienholder, and mortgage insurer, as applicable, and proof of funds or financing has been provided to the servicer.

(b) This section shall apply only to a depository institution chartered under state or federal law, a person licensed pursuant to Division 9 (commencing with Section 22000) or Division 20 (commencing with Section 50000) of the Financial Code, or a person licensed pursuant to Part 1 (commencing with Section 10000) of Division 4 of the Business and Professions Code, that, during its immediately preceding annual reporting period, as established with its primary regulator, foreclosed on 175 or fewer residential real properties, containing no more than four dwelling units, that are located in California.

(c) Within three months after the close of any calendar year or annual reporting period as established with its primary regulator during which an entity or person described in subdivision (b) exceeds the threshold of 175 specified in subdivision (b), that entity shall notify its primary regulator, in a manner acceptable to its primary regulator, and any mortgagor or trustor who is delinquent on a residential mortgage loan serviced by that entity of the date on which that entity will be subject to Sections 2923.55, 2923.6, 2923.7, 2924.9, 2924.10, 2924.11, and 2924.12, which date shall be the first day of the first month that is six months after the close of the calendar year or annual reporting period during which that entity exceeded the threshold.

(d) For purposes of this section, an application shall be deemed "complete" when a borrower has supplied the mortgage servicer with all documents required by the mortgage servicer

within the reasonable timeframes specified by the mortgage servicer.

(e) If a borrower has been approved in writing for a first lien loan modification or other foreclosure prevention alternative, and the servicing of the borrower's loan is transferred or sold to another mortgage servicer, the subsequent mortgage servicer shall continue to honor any previously approved first lien loan modification or other foreclosure prevention alternative, in accordance with the provisions of the act that added this section.

(f) This section shall apply only to mortgages or deeds of trust described in Section 2924.15.

2924.19. (a) (1) If a trustee's deed upon sale has not been recorded, a borrower may bring an action for injunctive relief to enjoin a material violation of Section 2923.5, 2924.17, or 2924.18.

(2) An injunction shall remain in place and any trustee's sale shall be enjoined until the court determines that the mortgage servicer, mortgagee, beneficiary, or authorized agent has corrected and remedied the violation or violations giving rise to the action for injunctive relief. An enjoined entity may move to dissolve an injunction based on a showing that the material violation has been corrected and remedied.

(b) After a trustee's deed upon sale has been recorded, a mortgage servicer, mortgagee, beneficiary, or authorized agent shall be liable to a borrower for actual economic damages pursuant to Section 3281, resulting from a material violation of Section 2923.5, 2924.17, or 2924.18 by that mortgage servicer, mortgagee, beneficiary, or authorized agent where the violation was not corrected and remedied prior to the recordation of the trustee's deed upon sale. If the court finds that the material violation was intentional or reckless, or resulted from willful misconduct by a mortgage servicer, mortgagee, beneficiary, or authorized agent, the court may award the borrower the greater of treble actual damages

or statutory damages of fifty thousand dollars (\$50,000).

(c) A mortgage servicer, mortgagee, beneficiary, or authorized agent shall not be liable for any violation that it has corrected and remedied prior to the recordation of the trustee's deed upon sale, or that has been corrected and remedied by third parties working on its behalf prior to the recordation of the trustee's deed upon sale.

(d) A violation of Section 2923.5, 2924.17, or 2924.18 by a person licensed by the Department of Business Oversight or the Department of Real Estate shall be deemed to be a violation of that person's licensing law.

(e) A violation of this article shall not affect the validity of a sale in favor of a bona fide purchaser and any of its encumbrancers for value without notice.

(f) A third-party encumbrancer shall not be relieved of liability resulting from violations of Section 2923.5, 2924.17, or 2924.18, committed by that third-party encumbrancer, that occurred prior to the sale of the subject property to the bona fide purchaser.

(g) The rights, remedies, and procedures provided by this section are in addition to and independent of any other rights, remedies, or procedures under any other law. Nothing in this section shall be construed to alter, limit, or negate any other rights, remedies, or procedures provided by law.

(h) A court may award a prevailing borrower reasonable attorney's fees and costs in an action brought pursuant to this section. A borrower shall be deemed to have prevailed for purposes of this subdivision if the borrower obtained injunctive relief or damages pursuant to this section.

(i) This section shall apply only to entities described in subdivision (b) of Section 2924.18.

2924b. (a) Any person desiring a copy of any notice of default and of any notice of sale under any deed of trust or mortgage with power of sale upon real property or an estate for years therein, as to which deed of trust or mortgage

the power of sale cannot be exercised until these notices are given for the time and in the manner provided in Section 2924 may, at any time subsequent to recordation of the deed of trust or mortgage and prior to recordation of notice of default thereunder, cause to be filed for record in the office of the recorder of any county in which any part or parcel of the real property is situated, a duly acknowledged request for a copy of the notice of default and of sale. This request shall be signed and acknowledged by the person making the request, specifying the name and address of the person to whom the notice is to be mailed, shall identify the deed of trust or mortgage by stating the names of the parties thereto, the date of recordation thereof, and the book and page where the deed of trust or mortgage is recorded or the recorder's number, and shall be in substantially the following form:

(name)

at _____
(address)

NOTICE: A copy of any notice of default and of any notice of sale will be sent only to the address contained in this recorded request. If your address changes, a new request must be recorded.

Signature _____"

Upon the filing for record of the request, the recorder shall index in the general index of grantors the names of the trustors (or mortgagors) recited therein and the names of persons requesting copies.

(b) The mortgagee, trustee, or other person authorized to record the notice of default or the notice of sale shall do each of the following:

(1) Within 10 business days following recordation of the notice of default, deposit or cause to be deposited in the United States mail an envelope, sent by registered or certified mail with postage prepaid, containing a copy of the notice with the recording date shown thereon, addressed to each person whose name and address are set forth in a duly recorded request therefor, directed to the address designated in the request and to each trustor or mortgagor at his or her last known address if different than the address specified in the deed of trust or mortgage with power of sale.

(2) At least 20 days before the date of sale, deposit or cause to be deposited in the United States mail an envelope, sent by registered or certified mail with postage prepaid, containing a copy of the notice of the time and place of sale, addressed to each person whose name and address are set forth in a duly recorded request therefor, directed to the address designated in the request and to each trustor or mortgagor at his or her last known address if different than the address specified in the deed of trust or mortgage with power of sale.

(3) As used in paragraphs (1) and (2), the "last known address" of each trustor or mortgagor means the last business or residence physical address actually known by the mortgagee, beneficiary, trustee, or other person authorized to record the notice of default. For the purposes of this subdivision, an address is "actually known" if it is contained in the original deed of trust or mortgage, or in any subsequent written notification of a change of physical address from the trustor or mortgagor pursuant to the deed of trust or mortgage. For the purposes of this subdivision, "physical address" does not include an email or any form of electronic address for a trustor or mortgagor. The beneficiary shall inform the trustee of the

trustor's last address actually known by the beneficiary. However, the trustee shall incur no liability for failing to send any notice to the last address unless the trustee has actual knowledge of it.

(4) A "person authorized to record the notice of default or the notice of sale" shall include an agent for the mortgagee or beneficiary, an agent of the named trustee, any person designated in an executed substitution of trustee, or an agent of that substituted trustee.

(c) The mortgagee, trustee, or other person authorized to record the notice of default or the notice of sale shall do the following:

(1) Within one month following recordation of the notice of default, deposit or cause to be deposited in the United States mail an envelope, sent by registered or certified mail with postage prepaid, containing a copy of the notice with the recording date shown thereon, addressed to each person set forth in paragraph (2), provided that the estate or interest of any person entitled to receive notice under this subdivision is acquired by an instrument sufficient to impart constructive notice of the estate or interest in the land or portion thereof that is subject to the deed of trust or mortgage being foreclosed, and provided the instrument is recorded in the office of the county recorder so as to impart that constructive notice prior to the recording date of the notice of default and provided the instrument as so recorded sets forth a mailing address that the county recorder shall use, as instructed within the instrument, for the return of the instrument after recording, and which address shall be the address used for the purposes of mailing notices herein.

(2) The persons to whom notice shall be mailed under this subdivision are:

(A) The successor in interest, as of the recording date of the notice of default, of the estate or interest or any portion thereof of the trustor or mortgagor of

the deed of trust or mortgage being foreclosed.

(B) The beneficiary or mortgagee of any deed of trust or mortgage recorded subsequent to the deed of trust or mortgage being foreclosed, or recorded prior to or concurrently with the deed of trust or mortgage being foreclosed but subject to a recorded agreement or a recorded statement of subordination to the deed of trust or mortgage being foreclosed.

(C) The assignee of any interest of the beneficiary or mortgagee described in subparagraph (B), as of the recording date of the notice of default.

(D) The vendee of any contract of sale, or the lessee of any lease, of the estate or interest being foreclosed that is recorded subsequent to the deed of trust or mortgage being foreclosed, or recorded prior to or concurrently with the deed of trust or mortgage being foreclosed but subject to a recorded agreement or statement of subordination to the deed of trust or mortgage being foreclosed.

(E) The successor in interest to the vendee or lessee described in subparagraph (D), as of the recording date of the notice of default.

(F) The office of the Controller, Sacramento, California, where, as of the recording date of the notice of default, a "Notice of Lien for Postponed Property Taxes" has been recorded against the real property to which the notice of default applies.

(3) At least 20 days before the date of sale, deposit or cause to be deposited in the United States mail an envelope, sent by registered or certified mail with postage prepaid, containing a copy of the notice of the time and place of sale addressed to each person to whom a copy of the notice of default is to be mailed as provided in paragraphs (1) and (2), and addressed to the

office of any state taxing agency, Sacramento, California, that has recorded, subsequent to the deed of trust or mortgage being foreclosed, a notice of tax lien prior to the recording date of the notice of default against the real property to which the notice of default applies.

(4) Provide a copy of the notice of sale to the Internal Revenue Service, in accordance with Section 7425 of the Internal Revenue Code and any applicable federal regulation, if a "Notice of Federal Tax Lien under Internal Revenue Laws" has been recorded, subsequent to the deed of trust or mortgage being foreclosed, against the real property to which the notice of sale applies. The failure to provide the Internal Revenue Service with a copy of the notice of sale pursuant to this paragraph shall be sufficient cause to rescind the trustee's sale and invalidate the trustee's deed, at the option of either the successful bidder at the trustee's sale or the trustee, and in either case with the consent of the beneficiary. Any option to rescind the trustee's sale pursuant to this paragraph shall be exercised prior to any transfer of the property by the successful bidder to a bona fide purchaser for value. A rescission of the trustee's sale pursuant to this paragraph may be recorded in a notice of rescission pursuant to Section 1058.5.

(5) The mailing of notices in the manner set forth in paragraph (1) shall not impose upon any licensed attorney, agent, or employee of any person entitled to receive notices as herein set forth any duty to communicate the notice to the entitled person from the fact that the mailing address used by the county recorder is the address of the attorney, agent, or employee.

(d) Any deed of trust or mortgage with power of sale hereafter executed upon real property or an estate for years therein may contain a request that a copy of any notice of default and a copy of any notice of sale thereunder shall be mailed to any person or party thereto at the address of the person given therein, and a copy of any

notice of default and of any notice of sale shall be mailed to each of these at the same time and in the same manner required as though a separate request therefor had been filed by each of these persons as herein authorized. If any deed of trust or mortgage with power of sale executed after September 19, 1939, except a deed of trust or mortgage of any of the classes excepted from the provisions of Section 2924, does not contain a mailing address of the trustor or mortgagor therein named, and if no request for special notice by the trustor or mortgagor in substantially the form set forth in this section has subsequently been recorded, a copy of the notice of default shall be published once a week for at least four weeks in a newspaper of general circulation in the county in which the property is situated, the publication to commence within 10 business days after the filing of the notice of default. In lieu of publication, a copy of the notice of default may be delivered personally to the trustor or mortgagor within the 10 business days or at any time before publication is completed, or by posting the notice of default in a conspicuous place on the property and mailing the notice to the last known address of the trustor or mortgagor.

(e) Any person required to mail a copy of a notice of default or notice of sale to each trustor or mortgagor pursuant to subdivision (b) or (c) by registered or certified mail shall simultaneously cause to be deposited in the United States mail, with postage prepaid and mailed by first-class mail, an envelope containing an additional copy of the required notice addressed to each trustor or mortgagor at the same address to which the notice is sent by registered or certified mail pursuant to subdivision (b) or (c). The person shall execute and retain an affidavit identifying the notice mailed, showing the name and residence or business address of that person, that he or she is over 18 years of age, the date of deposit in the mail, the name and address of the trustor or mortgagor to whom sent, and that the envelope was sealed and deposited in the mail with postage fully prepaid. In the absence of fraud,

the affidavit required by this subdivision shall establish a conclusive presumption of mailing.

(f) (1) Notwithstanding subdivision (a), with respect to separate interests governed by an association, as defined in Section 4080 or 6528, the association may cause to be filed in the office of the recorder in the county in which the separate interests are situated a request that a mortgagee, trustee, or other person authorized to record a notice of default regarding any of those separate interests mail to the association a copy of any trustee's deed upon sale concerning a separate interest. The request shall include a legal description or the assessor's parcel number of all the separate interests. A request recorded pursuant to this subdivision shall include the name and address of the association and a statement that it is an association as defined in Section 4080 or 6528. Subsequent requests of an association shall supersede prior requests. A request pursuant to this subdivision shall be recorded before the filing of a notice of default. The mortgagee, trustee, or other authorized person shall mail the requested information to the association within 15 business days following the date of the trustee's sale. Failure to mail the request, pursuant to this subdivision, shall not affect the title to real property.

(2) A request filed pursuant to paragraph (1) does not, for purposes of Section 27288.1 of the Government Code, constitute a document that either effects or evidences a transfer or encumbrance of an interest in real property or that releases or terminates any interest, right, or encumbrance of an interest in real property.

(g) No request for a copy of any notice filed for record pursuant to this section, no statement or allegation in the request, and no record thereof shall affect the title to real property or be deemed notice to any person that any person requesting copies of notice has or claims any right, title, or interest in, or lien or charge upon

the property described in the deed of trust or mortgage referred to therein.

(h) "Business day," as used in this section, has the meaning specified in Section 9.

Trustee Sale - Notice

(Editor's Note: The following section is repealed on February 1, 2026, and replaced by a new section, shown next.)

2924f. (a) As used in this section and Sections 2924g and 2924h, "property" means real property or a leasehold estate therein, and "calendar week" means Monday through Saturday, inclusive.

(b) (1) Except as provided in subdivision (c), before any sale of property can be made under the power of sale contained in any deed of trust or mortgage, or any resale resulting from a rescission for a failure of consideration pursuant to subdivision (c) of Section 2924h, notice of the sale thereof shall be given by posting a written notice of the time of sale and of the street address and the specific place at the street address where the sale will be held, and describing the property to be sold, at least 20 days before the date of sale in one public place in the city where the property is to be sold, if the property is to be sold in a city, or, if not, then in one public place in the county seat of the county where the property is to be sold, and publishing a copy once a week for three consecutive calendar weeks.

(2) The first publication to be at least 20 days before the date of sale, in a newspaper of general circulation published in the public notice district in which the property or some part thereof is situated, or in case no newspaper of general circulation is published in the public notice district, in a newspaper of general circulation published in the county in which the property or some part thereof is situated, or in case no newspaper of general circulation is published in the public notice district or county, as the case may be, in a newspaper of general circulation published in the county in this state that is contiguous to the

county in which the property or some part thereof is situated and has, by comparison with all similarly contiguous counties, the highest population based upon total county population as determined by the most recent federal decennial census published by the Bureau of the Census. For the purposes of this section, publication of notice in a public notice district is governed by Chapter 1.1 (commencing with Section 6080) of Division 7 of Title 1 of the Government Code.

(3) A copy of the notice of sale shall also be posted in a conspicuous place on the property to be sold at least 20 days before the date of sale, where possible and where not restricted for any reason. If the property is a single-family residence the posting shall be on a door of the residence, but, if not possible or restricted, then the notice shall be posted in a conspicuous place on the property; however, if access is denied because a common entrance to the property is restricted by a guard gate or similar impediment, the property may be posted at that guard gate or similar impediment to any development community.

(4) The notice of sale shall conform to the minimum requirements of Section 6043 of the Government Code and be recorded with the county recorder of the county in which the property or some part thereof is situated at least 20 days prior to the date of sale.

(5) The notice of sale shall contain the name, street address in this state, which may reflect an agent of the trustee, and either a toll-free telephone number or telephone number in this state of the trustee, and the name of the original trustor, and also shall contain the statement required by paragraph (3) of subdivision (c). In addition to any other description of the property, the notice shall describe the property by giving its street address, if any, or other common designation, if any, and a county assessor's parcel number; but if the property has no street address or other common designation, the notice shall

contain a legal description of the property, the name and address of the beneficiary at whose request the sale is to be conducted, and a statement that directions may be obtained pursuant to a written request submitted to the beneficiary within 10 days from the first publication of the notice. Directions shall be deemed reasonably sufficient to locate the property if information as to the location of the property is given by reference to the direction and approximate distance from the nearest crossroads, frontage road, or access road. If a legal description or a county assessor's parcel number and either a street address or another common designation of the property is given, the validity of the notice and the validity of the sale shall not be affected by the fact that the street address, other common designation, name and address of the beneficiary, or the directions obtained therefrom are erroneous or that the street address, other common designation, name and address of the beneficiary, or directions obtained therefrom are omitted.

(6) The term "newspaper of general circulation," as used in this section, has the same meaning as defined in Article 1 (commencing with Section 6000) of Chapter 1 of Division 7 of Title 1 of the Government Code.

(7) The notice of sale shall contain a statement of the total amount of the unpaid balance of the obligation secured by the property to be sold and reasonably estimated costs, expenses, advances at the time of the initial publication of the notice of sale, and, if republished pursuant to a cancellation of a cash equivalent pursuant to subdivision (d) of Section 2924h, a reference of that fact; provided, that the trustee shall incur no liability for any good faith error in stating the proper amount, including any amount provided in good faith by or on behalf of the beneficiary. An inaccurate statement of this amount shall not affect the validity of any sale to a bona fide purchaser for value, nor shall the

failure to post the notice of sale on a door as provided by this subdivision affect the validity of any sale to a bona fide purchaser for value.

- (8) (A) On and after April 1, 2012, if the deed of trust or mortgage containing a power of sale is secured by real property containing from one to four single-family residences, the notice of sale shall contain substantially the following language, in addition to the language required pursuant to paragraphs (1) to (7), inclusive:

NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property.

NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code.

The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call [telephone number for information regarding the trustee's sale] or visit this internet website [internet website address for information regarding the sale of this property], using the file number assigned to this case [case file number]. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the internet website. The best way to verify postponement information is to attend the scheduled sale.

NOTICE TO TENANT: You may have a right to purchase this property after the trustee auction pursuant to Section 2924m of the California Civil Code. If you are an "eligible tenant buyer," you can purchase the property if you match the last and highest bid placed at the trustee auction. If you are an "eligible bidder," you may be able to purchase the property if you exceed the last and highest bid placed at the trustee auction. There are three steps to exercising this right of purchase. First, 48 hours after the date of the trustee sale, you can call [telephone number for information regarding the trustee's sale], or visit this internet website [internet website address for information regarding the sale of this property], using the file number assigned to this case [case file number] to find the date on which the trustee's sale was held, the amount of the last and highest bid, and the address of the

trustee. Second, you must send a written notice of intent to place a bid so that the trustee receives it no more than 15 days after the trustee's sale. Third, you must submit a bid so that the trustee receives it no more than 45 days after the trustee's sale. If you think you may qualify as an "eligible tenant buyer" or "eligible bidder," you should consider contacting an attorney or appropriate real estate professional immediately for advice regarding this potential right to purchase.

(B) A mortgagee, beneficiary, trustee, or authorized agent shall make a good faith effort to provide up-to-date information regarding sale dates and postponements to persons who wish this information. This information shall be made available free of charge. It may be made available via an internet website, a telephone recording that is accessible 24 hours a day, seven days a week, or through any other means that allows 24 hours a day, seven days a week, no-cost access to updated information. A disruption of any of these methods of providing sale date and postponement information to allow for reasonable maintenance or due to a service outage shall not be deemed to be a violation of the good faith standard.

(C) Except as provided in subparagraph (B), nothing in the wording of the notices required by subparagraph (A) is intended to modify or create any substantive rights or obligations for any person providing, or specified in, either of the required notices. Failure to comply with subparagraph (A) or (B) shall not invalidate any sale that would otherwise be valid under Section 2924f.

(D) Information provided pursuant to subparagraph (A) does not constitute

the public declaration required by subdivision (d) of Section 2924g.

(E) For purposes of a property subject to this paragraph and of satisfying the requirements of Section 2924m, a trustee or an authorized agent shall maintain an internet website and a telephone number to provide information on applicable properties to persons who wish the information. In addition to any other information required by subparagraph (B), a trustee or an authorized agent shall provide information regarding the sale date, amount of the last and highest bid, and the trustee's address, to be accessible using the file number assigned to the case and listed on the NOTICE TO TENANT required by subparagraph (A). This information shall be made available free of charge and shall be available 24 hours a day, seven days a week.

(9) If the sale of the property is to be a unified sale as provided in subparagraph (B) of paragraph (1) of subdivision (a) of Section 9604 of the Commercial Code, the notice of sale shall also contain a description of the personal property or fixtures to be sold. In the case where it is contemplated that all of the personal property or fixtures are to be sold, the description in the notice of the personal property or fixtures shall be sufficient if it is the same as the description of the personal property or fixtures contained in the agreement creating the security interest in or encumbrance on the personal property or fixtures or the filed financing statement relating to the personal property or fixtures. In all other cases, the description in the notice shall be sufficient if it would be a sufficient description of the personal property or fixtures under Section 9108 of the Commercial Code. Inclusion of a reference to or a description of personal property or fixtures in a notice of sale hereunder shall not constitute an election by the secured party to conduct a unified

sale pursuant to subparagraph (B) of paragraph (1) of subdivision (a) of Section 9604 of the Commercial Code, shall not obligate the secured party to conduct a unified sale pursuant to subparagraph (B) of paragraph (1) of subdivision (a) of Section 9604 of the Commercial Code, and in no way shall render defective or noncomplying either that notice or a sale pursuant to that notice by reason of the fact that the sale includes none or less than all of the personal property or fixtures referred to or described in the notice. This paragraph shall not otherwise affect the obligations or duties of a secured party under the Commercial Code.

(c) (1) This subdivision applies only to deeds of trust or mortgages which contain a power of sale and which are secured by real property containing a single-family, owner-occupied residence, where the obligation secured by the deed of trust or mortgage is contained in a contract for goods or services subject to the provisions of the Unruh Act (Chapter 1 (commencing with Section 1801) of Title 2 of Part 4 of Division 3).

(2) Except as otherwise expressly set forth in this subdivision, all other provisions of law relating to the exercise of a power of sale shall govern the exercise of a power of sale contained in a deed of trust or mortgage described in paragraph (1).

(3) If any default of the obligation secured by a deed of trust or mortgage described in paragraph (1) has not been cured within 30 days after the recordation of the notice of default, the trustee or mortgagee shall mail to the trustor or mortgagor, at their last known address, a copy of the following statement:

YOU ARE IN DEFAULT UNDER A

_____,
(Deed of trust or mortgage)

DATED _____. UNLESS YOU TAKE
ACTION TO PROTECT YOUR

PROPERTY, IT MAY BE SOLD AT A
PUBLIC SALE. IF YOU NEED AN
EXPLANATION OF THE NATURE OF
THE PROCEEDING AGAINST YOU,
YOU SHOULD CONTACT A LAWYER.

(4) All sales of real property pursuant to a power of sale contained in any deed of trust or mortgage described in paragraph (1) shall be held in the county where the residence is located and shall be made to the person making the highest offer. The trustee may receive offers during the 10-day period immediately prior to the date of sale and if any offer is accepted in writing by both the trustor or mortgagor and the beneficiary or mortgagee prior to the time set for sale, the sale shall be postponed to a date certain and prior to which the property may be conveyed by the trustor to the person making the offer according to its terms. The offer is revocable until accepted. The performance of the offer, following acceptance, according to its terms, by a conveyance of the property to the offeror, shall operate to terminate any further proceeding under the notice of sale and it shall be deemed revoked.

(5) In addition to the trustee fee pursuant to Section 2924c, the trustee or mortgagee pursuant to a deed of trust or mortgage subject to this subdivision shall be entitled to charge an additional fee of fifty dollars (\$50).

(6) This subdivision applies only to property on which notices of default were filed on or after the effective date of this subdivision.

(d) With respect to residential real property containing no more than four dwelling units, a separate document containing a summary of the notice of sale information in English and the languages described in Section 1632 shall be attached to the notice of sale provided to the mortgagor or trustor pursuant to Section 2923.3.

(e) This section shall remain in effect only until January 1, 2026, and as of that date is repealed,

unless a later enacted statute that is enacted before January 1, 2026, deletes or extends that date.

(Editor's Note: The following section replaces the prior section and goes into effect on January 1, 2026.)

2924f. (a) As used in this section and Sections 2924g and 2924h, "property" means real property or a leasehold estate therein, and "calendar week" means Monday through Saturday, inclusive.

(b) (1) Except as provided in subdivision (c), before any sale of property can be made under the power of sale contained in any deed of trust or mortgage, or any resale resulting from a rescission for a failure of consideration pursuant to subdivision (c) of Section 2924h, notice of the sale thereof shall be given by posting a written notice of the time of sale and of the street address and the specific place at the street address where the sale will be held, and describing the property to be sold, at least 20 days before the date of sale in one public place in the city where the property is to be sold, if the property is to be sold in a city, or, if not, then in one public place in the county seat of the county where the property is to be sold, and publishing a copy once a week for three consecutive calendar weeks.

(2) The first publication to be at least 20 days before the date of sale, in a newspaper of general circulation published in the public notice district in which the property or some part thereof is situated, or in case no newspaper of general circulation is published in the public notice district, in a newspaper of general circulation published in the county in which the property or some part thereof is situated, or in case no newspaper of general circulation is published in the public notice district or county, as the case may be, in a newspaper of general circulation published in the county in this state that is contiguous to the county in which the property or some part thereof is situated and has, by comparison with all similarly contiguous counties, the

highest population based upon total county population as determined by the most recent federal decennial census published by the Bureau of the Census. For the purposes of this section, publication of notice in a public notice district is governed by Chapter 1.1 (commencing with Section 6080) of Division 7 of Title 1 of the Government Code.

(3) A copy of the notice of sale shall also be posted in a conspicuous place on the property to be sold at least 20 days before the date of sale, where possible and where not restricted for any reason. If the property is a single-family residence the posting shall be on a door of the residence, but, if not possible or restricted, then the notice shall be posted in a conspicuous place on the property; however, if access is denied because a common entrance to the property is restricted by a guard gate or similar impediment, the property may be posted at that guard gate or similar impediment to any development community.

(4) The notice of sale shall conform to the minimum requirements of Section 6043 of the Government Code and be recorded with the county recorder of the county in which the property or some part thereof is situated at least 20 days prior to the date of sale.

(5) The notice of sale shall contain the name, street address in this state, which may reflect an agent of the trustee, and either a toll-free telephone number or telephone number in this state of the trustee, and the name of the original trustor, and also shall contain the statement required by paragraph (3) of subdivision (c). In addition to any other description of the property, the notice shall describe the property by giving its street address, if any, or other common designation, if any, and a county assessor's parcel number; but if the property has no street address or other common designation, the notice shall contain a legal description of the property, the name and address of the beneficiary at whose request the sale is to be conducted,

and a statement that directions may be obtained pursuant to a written request submitted to the beneficiary within 10 days from the first publication of the notice. Directions shall be deemed reasonably sufficient to locate the property if information as to the location of the property is given by reference to the direction and approximate distance from the nearest crossroads, frontage road, or access road. If a legal description or a county assessor's parcel number and either a street address or another common designation of the property is given, the validity of the notice and the validity of the sale shall not be affected by the fact that the street address, other common designation, name and address of the beneficiary, or the directions obtained therefrom are erroneous or that the street address, other common designation, name and address of the beneficiary, or directions obtained therefrom are omitted.

(6) The term "newspaper of general circulation," as used in this section, has the same meaning as defined in Article 1 (commencing with Section 6000) of Chapter 1 of Division 7 of Title 1 of the Government Code.

(7) The notice of sale shall contain a statement of the total amount of the unpaid balance of the obligation secured by the property to be sold and reasonably estimated costs, expenses, advances at the time of the initial publication of the notice of sale, and, if republished pursuant to a cancellation of a cash equivalent pursuant to subdivision (d) of Section 2924h, a reference of that fact; provided, that the trustee shall incur no liability for any good faith error in stating the proper amount, including any amount provided in good faith by or on behalf of the beneficiary. An inaccurate statement of this amount shall not affect the validity of any sale to a bona fide purchaser for value, nor shall the failure to post the notice of sale on a door as provided by this subdivision affect the

validity of any sale to a bona fide purchaser for value.

(8) (A) On and after April 1, 2012, if the deed of trust or mortgage containing a power of sale is secured by real property containing from one to four single-family residences, the notice of sale shall contain substantially the following language, in addition to the language required pursuant to paragraphs (1) to (7), inclusive:

NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property.

NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the

public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call [telephone number for information regarding the trustee's sale] or visit this internet website [internet website address for information regarding the sale of this property], using the file number assigned to this case [case file number]. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the internet website. The best way to verify postponement information is to attend the scheduled sale.

(B) A mortgagee, beneficiary, trustee, or authorized agent shall make a good faith effort to provide up-to-date information regarding sale dates and postponements to persons who wish this information. This information shall be made available free of charge. It may be made available via an internet website, a telephone recording that is accessible 24 hours a day, seven days a week, or through any other means that allows 24 hours a day, seven days a week, no-cost access to updated information. A disruption of any of these methods of providing sale date and postponement information to allow for reasonable maintenance or due to a service outage shall not be deemed to be a violation of the good faith standard.

(C) Except as provided in subparagraph (B), nothing in the wording of the notices required by subparagraph (A) is intended to modify or create any substantive rights or obligations for any person providing, or specified in, either of the required notices. Failure to comply with

subparagraph (A) or (B) shall not invalidate any sale that would otherwise be valid under Section 2924f.

(D) Information provided pursuant to subparagraph (A) does not constitute the public declaration required by subdivision (d) of Section 2924g.

(9) If the sale of the property is to be a unified sale as provided in subparagraph (B) of paragraph (1) of subdivision (a) of Section 9604 of the Commercial Code, the notice of sale shall also contain a description of the personal property or fixtures to be sold. In the case where it is contemplated that all of the personal property or fixtures are to be sold, the description in the notice of the personal property or fixtures shall be sufficient if it is the same as the description of the personal property or fixtures contained in the agreement creating the security interest in or encumbrance on the personal property or fixtures or the filed financing statement relating to the personal property or fixtures. In all other cases, the description in the notice shall be sufficient if it would be a sufficient description of the personal property or fixtures under Section 9108 of the Commercial Code. Inclusion of a reference to or a description of personal property or fixtures in a notice of sale hereunder shall not constitute an election by the secured party to conduct a unified sale pursuant to subparagraph (B) of paragraph (1) of subdivision (a) of Section 9604 of the Commercial Code, shall not obligate the secured party to conduct a unified sale pursuant to subparagraph (B) of paragraph (1) of subdivision (a) of Section 9604 of the Commercial Code, and in no way shall render defective or noncomplying either that notice or a sale pursuant to that notice by reason of the fact that the sale includes none or less than all of the personal property or fixtures referred to or described in the notice. This paragraph shall not otherwise affect the

obligations or duties of a secured party under the Commercial Code.

(c) (1) This subdivision applies only to deeds of trust or mortgages which contain a power of sale and which are secured by real property containing a single-family, owner-occupied residence, where the obligation secured by the deed of trust or mortgage is contained in a contract for goods or services subject to the provisions of the Unruh Act (Chapter 1 (commencing with Section 1801) of Title 2 of Part 4 of Division 3).

(2) Except as otherwise expressly set forth in this subdivision, all other provisions of law relating to the exercise of a power of sale shall govern the exercise of a power of sale contained in a deed of trust or mortgage described in paragraph (1).

(3) If any default of the obligation secured by a deed of trust or mortgage described in paragraph (1) has not been cured within 30 days after the recordation of the notice of default, the trustee or mortgagee shall mail to the trustor or mortgagor, at their last known address, a copy of the following statement:

YOU ARE IN DEFAULT UNDER A

_____,

(Deed of trust or mortgage)

DATED _____. UNLESS YOU TAKE ACTION TO PROTECT YOUR PROPERTY, IT MAY BE SOLD AT A PUBLIC SALE. IF YOU NEED AN EXPLANATION OF THE NATURE OF THE PROCEEDING AGAINST YOU, YOU SHOULD CONTACT A LAWYER.

(4) All sales of real property pursuant to a power of sale contained in any deed of trust or mortgage described in paragraph (1) shall be held in the county where the residence is located and shall be made to the person making the highest offer. The trustee may receive offers during the 10-day period immediately prior to the date of sale and if any offer is accepted in writing

by both the trustor or mortgagor and the beneficiary or mortgagee prior to the time set for sale, the sale shall be postponed to a date certain and prior to which the property may be conveyed by the trustor to the person making the offer according to its terms. The offer is revocable until accepted. The performance of the offer, following acceptance, according to its terms, by a conveyance of the property to the offeror, shall operate to terminate any further proceeding under the notice of sale and it shall be deemed revoked.

(5) In addition to the trustee fee pursuant to Section 2924c, the trustee or mortgagee pursuant to a deed of trust or mortgage subject to this subdivision shall be entitled to charge an additional fee of fifty dollars (\$50).

(6) This subdivision applies only to property on which notices of default were filed on or after the effective date of this subdivision.

(d) With respect to residential real property containing no more than four dwelling units, a separate document containing a summary of the notice of sale information in English and the languages described in Section 1632 shall be attached to the notice of sale provided to the mortgagor or trustor pursuant to Section 2923.3.

(e) This section shall be operative January 1, 2026.

Maintenance of Vacant Property Purchased at a Foreclosure Sale - Fines

2929.3. (a) (1) A legal owner shall maintain vacant residential property purchased by that owner at a foreclosure sale once that sale is deemed final, or acquired by that owner through foreclosure under a mortgage or deed of trust. A governmental entity may impose a civil fine upon the legal owner of the property for a violation as set forth in this section. The governmental entity is not required to impose a civil fine if the violation is not remedied.

(2) If the governmental entity chooses to impose a fine pursuant to this section, it shall give the legal owner, prior to the imposition of the fine, a notice containing the following information:

(A) Notice of the alleged violation, including a detailed description of the conditions that gave rise to the allegation.

(B) Notice of the entity's intent to assess a civil fine if the legal owner does not do both of the following:

(i) Within a period determined by the entity, consisting of not less than 14 business days following the date of the notice, commence action to remedy the violation and notify the entity of that action. This time period shall be extended by an additional 10 business days if requested by the legal owner in order to clarify with the entity the actions necessary to remedy the violation.

(ii) Complete the action described in clause (i) within a period of no less than 16 business days following the end of the period set forth in clause (i).

(C) The notice required under this paragraph shall be mailed to the address provided in the deed or other instrument as specified in subdivision (a) of Section 27321.5 of the Government Code, or, if none, to the return address provided on the deed or other instrument.

(3) The governmental entity shall provide a period of not less than the time set forth in clauses (i) and (ii) of subparagraph (B) of paragraph (2) to remedy the violation prior to imposing a civil fine and shall allow for a hearing and opportunity to contest any fine imposed. In determining the amount of the fine, the governmental entity shall take into consideration any timely and good faith efforts by the legal owner to remedy

the violation. The maximum civil fine authorized by this section for each day that the owner fails to maintain the property, commencing on the day following the expiration of the period to remedy the violation established by the governmental entity, is as follows:

(A) Up to a maximum of two thousand dollars (\$2,000) per day for the first 30 days.

(B) Up to a maximum of five thousand dollars (\$5,000) per day thereafter.

(4) Subject to the provisions of this section, a governmental entity may establish different compliance periods for different conditions on the same property in the notice of alleged violation mailed to the legal owner.

(b) For purposes of this section, "failure to maintain" means failure to care for the exterior of the property, including, but not limited to, permitting excessive foliage growth that diminishes the value of surrounding properties, failing to take action to prevent trespassers or squatters from remaining on the property, or failing to take action to prevent mosquito larvae from growing in standing water or other conditions that create a public nuisance.

(c) Notwithstanding subdivisions (a) and (b), a governmental entity may provide less than 30 days' notice to remedy a condition before imposing a civil fine if the entity determines that a specific condition of the property threatens public health or safety and provided that notice of that determination and time for compliance is given.

(d) Fines and penalties collected pursuant to this section shall be directed to local nuisance abatement programs, including, but not limited to, legal abatement proceedings.

(e) A governmental entity may not impose fines on a legal owner under both this section and a local ordinance.

(f) These provisions shall not preempt any local ordinance.

(g) This section shall only apply to residential real property.

(h) The rights and remedies provided in this section are cumulative and in addition to any other rights and remedies provided by law.

Leveling of Fines

2929.4. (a) Prior to imposing a fine or penalty for failure to maintain a vacant property that is subject to a notice of default, that is purchased at a foreclosure sale, or that is acquired through foreclosure under a mortgage or deed of trust, a governmental entity shall provide the owner of that property with a notice of the violation and an opportunity to correct that violation.

(b) This section shall not apply if the governmental entity determines that a specific condition of the property threatens public health or safety.

Limitations on Assessments and Liens

2929.45. (a) An assessment or lien to recover the costs of nuisance abatement measures taken by a governmental entity with regard to property that is subject to a notice of default, that is purchased at a foreclosure sale, or that is acquired through foreclosure under a mortgage or deed of trust, shall not exceed the actual and reasonable costs of nuisance abatement.

(b) A governmental entity shall not impose an assessment or lien unless the costs that constitute the assessment or lien have been adopted by the elected officials of that governmental entity at a public hearing.

Transfer of Servicing of Indebtedness – Notice to Borrower

2937. (a) The Legislature hereby finds and declares that borrowers or subsequent obligors have the right to know when a person holding a promissory note, bond, or other instrument transfers servicing of the indebtedness secured by a mortgage or deed of trust on real property containing one to four residential units located in this state. The Legislature also finds that notification to the borrower or subsequent obligor of the transfer may protect the borrower or subsequent obligor from fraudulent business practices and may ensure timely payments. It is

the intent of the Legislature in enacting this section to mandate that a borrower or subsequent obligor be given written notice when a person transfers the servicing of the indebtedness on notes, bonds, or other instruments secured by a mortgage or deed of trust on real property containing one to four residential units and located in this state.

(b) Any person transferring the servicing of indebtedness as provided in subdivision (a) to a different servicing agent and any person assuming from another responsibility for servicing the instrument evidencing indebtedness, shall give written notice to the borrower or subsequent obligor before the borrower or subsequent obligor becomes obligated to make payments to a new servicing agent.

(c) In the event a notice of default has been recorded or a judicial foreclosure proceeding has been commenced, the person transferring the servicing of the indebtedness and the person assuming from another the duty of servicing the indebtedness shall give written notice to the trustee or attorney named in the notice of default or judicial foreclosure of the transfer. A notice of default, notice of sale, or judicial foreclosure shall not be invalidated solely because the servicing agent is changed during the foreclosure process.

(d) Any person transferring the servicing of indebtedness as provided in subdivision (a) to a different servicing agent shall provide to the new servicing agent all existing insurance policy information that the person is responsible for maintaining, including, but not limited to, flood and hazard insurance policy information.

(e) The notices required by subdivision (b) shall be sent by first-class mail, postage prepaid, to the borrower's or subsequent obligor's address designated for loan payment billings, or if escrow is pending, as provided in the escrow, and shall contain each of the following:

(1) The name and address of the person to which the transfer of the servicing of the indebtedness is made.

(2) The date the transfer was or will be completed.

(3) The address where all payments pursuant to the transfer are to be made.

(f) Any person assuming from another responsibility for servicing the instrument evidencing indebtedness shall include in the notice required by subdivision (b) a statement of the due date of the next payment.

(g) The borrower or subsequent obligor shall not be liable to the holder of the note, bond, or other instrument or to any servicing agent for payments made to the previous servicing agent or for late charges if these payments were made prior to the borrower or subsequent obligor receiving written notice of the transfer as provided by subdivision (e) and the payments were otherwise on time.

(h) For purposes of this section, the term servicing agent shall not include a trustee exercising a power of sale pursuant to a deed of trust.

***Mortgage or Deed of Trust – Satisfaction –
Recordation of Reconveyance – Damages –
Fee***

2941. (a) Within 30 days after any mortgage has been satisfied, the mortgagee or the assignee of the mortgagee shall execute a certificate of the discharge thereof, as provided in Section 2939, and shall record or cause to be recorded in the office of the county recorder in which the mortgage is recorded. The mortgagee shall then deliver, upon the written request of the mortgagor or the mortgagor's heirs, successors, or assignees, as the case may be, the original note and mortgage to the person making the request.

(b) (1) Within 30 calendar days after the obligation secured by any deed of trust has been satisfied, the beneficiary or the assignee of the beneficiary shall execute and deliver to the trustee the original note, deed of trust, request for a full reconveyance, and other documents as may be necessary to reconvey, or cause to be reconveyed, the deed of trust.

(A) The trustee shall execute the full reconveyance and shall record or cause it to be recorded in the office of the county recorder in which the deed of trust is recorded within 21 calendar days after receipt by the trustee of the original note, deed of trust, request for a full reconveyance, the fee that may be charged pursuant to subdivision (e), recorder's fees, and other documents as may be necessary to reconvey, or cause to be reconveyed, the deed of trust.

(B) The trustee shall deliver a copy of the reconveyance to the beneficiary, its successor in interest, or its servicing agent, if known. The reconveyance instrument shall specify one of the following options for delivery of the instrument, the addresses of which the recorder has no duty to validate:

(i) The trustor or successor in interest, and that person's last known address, as the person to whom the recorder will deliver the recorded instrument pursuant to Section 27321 of the Government Code.

(ii) That the recorder shall deliver the recorded instrument to the trustee's address. If the trustee's address is specified for delivery, the trustee shall mail the recorded instrument to the trustor or the successor in interest to the last known address for that party.

(C) Following execution and recordation of the full reconveyance, upon receipt of a written request by the trustor or the trustor's heirs, successors, or assignees, the trustee shall then deliver, or caused to be delivered, the original note and deed of trust to the person making that request.

(D) If the note or deed of trust, or any copy of the note or deed of trust, is electronic, upon satisfaction of an obligation secured by a deed of trust,

any electronic original, or electronic copy which has not been previously marked solely for use as a copy, of the note and deed of trust, shall be altered to indicate that the obligation is paid in full.

(2) If the trustee has failed to execute and record, or cause to be recorded, the full reconveyance within 60 calendar days of satisfaction of the obligation, the beneficiary, upon receipt of a written request by the trustor or trustor's heirs, successor in interest, agent, or assignee, shall execute and acknowledge a document pursuant to Section 2934a substituting itself or another as trustee and issue a full reconveyance.

(3) If a full reconveyance has not been executed and recorded pursuant to either paragraph (1) or paragraph (2) within 75 calendar days of satisfaction of the obligation, then a title insurance company may prepare and record a release of the obligation. However, at least 10 days prior to the issuance and recording of a full release pursuant to this paragraph, the title insurance company shall mail by first-class mail with postage prepaid, the intention to release the obligation to the trustee, trustor, and beneficiary of record, or their successor in interest of record, at the last known address.

(A) The release shall set forth:

- (i) The name of the beneficiary.
- (ii) The name of the trustor.
- (iii) The recording reference to the deed of trust.
- (iv) A recital that the obligation secured by the deed of trust has been paid in full.
- (v) The date and amount of payment.

(B) The release issued pursuant to this subdivision shall be entitled to recordation and, when recorded, shall

be deemed to be the equivalent of a reconveyance of a deed of trust.

(4) Where an obligation secured by a deed of trust was paid in full prior to July 1, 1989, and no reconveyance has been issued and recorded by October 1, 1989, then a release of obligation as provided for in paragraph (3) may be issued.

(5) Paragraphs (2) and (3) do not excuse the beneficiary or the trustee from compliance with paragraph (1). Paragraph (3) does not excuse the beneficiary from compliance with paragraph (2).

(6) In addition to any other remedy provided by law, a title insurance company preparing or recording the release of the obligation shall be liable to any party for damages, including attorney's fees, which any person may sustain by reason of the issuance and recording of the release, pursuant to paragraphs (3) and (4).

(7) A beneficiary may, at its discretion, in accordance with the requirements and procedures of Section 2934a, substitute the title company conducting the escrow through which the obligation is satisfied for the trustee of record, in which case the title company assumes the obligation of a trustee under this subdivision, and may collect the fee authorized by subdivision (e).

(8) In lieu of delivering the original note and deed of trust to the trustee within 30 days of loan satisfaction, as required by paragraph (1) of subdivision (b), a beneficiary who executes and delivers to the trustee a request for a full reconveyance within 30 days of loan satisfaction may, within 120 days of loan satisfaction, deliver the original note and deed of trust to either the trustee or trustor. If the note and deed of trust are delivered as provided in this paragraph, upon satisfaction of the note and deed of trust, the note and deed of trust shall be altered to indicate that the obligation is paid in full. Nothing in this paragraph alters the requirements and

obligations set forth in paragraphs (2) and (3).

(c) For the purposes of this section, the phrases “cause to be recorded” and “cause it to be recorded” include, but are not limited to, sending by certified mail with the United States Postal Service or by an independent courier service using its tracking service that provides documentation of receipt and delivery, including the signature of the recipient, the full reconveyance or certificate of discharge in a recordable form, together with payment for all required fees, in an envelope addressed to the county recorder’s office of the county in which the deed of trust or mortgage is recorded. Within two business days from the day of receipt, if received in recordable form together with all required fees, the county recorder shall stamp and record the full reconveyance or certificate of discharge. Compliance with this subdivision shall entitle the trustee to the benefit of the presumption found in Section 641 of the Evidence Code.

(d) The violation of this section shall make the violator liable to the person affected by the violation for all damages which that person may sustain by reason of the violation, and shall require that the violator forfeit to that person the sum of five hundred dollars (\$500).

(e) (1) The trustee, beneficiary, or mortgagee may charge a reasonable fee to the trustor or mortgagor, or the owner of the land, as the case may be, for all services involved in the preparation, execution, and recordation of the full reconveyance, including, but not limited to, document preparation and forwarding services rendered to effect the full reconveyance, and, in addition, may collect official fees. This fee may be made payable no earlier than the opening of a bona fide escrow or no more than 60 days prior to the full satisfaction of the obligation secured by the deed of trust or mortgage.

(2) If the fee charged pursuant to this subdivision does not exceed forty-five dollars (\$45), the fee is conclusively presumed to be reasonable.

(3) The fee described in paragraph (1) may not be charged unless demand for the fee was included in the payoff demand statement described in Section 2943.

(f) For purposes of this section, “original” may include an optically imaged reproduction when the following requirements are met:

(1) The trustee receiving the request for reconveyance and executing the reconveyance as provided in subdivision (b) is an affiliate or subsidiary of the beneficiary or an affiliate or subsidiary of the assignee of the beneficiary, respectively.

(2) The optical image storage media used to store the document shall be nonerasable write once, read many (WORM) optical image media that does not allow changes to the stored document.

(3) The optical image reproduction shall be made consistent with the minimum standards of quality approved by either the National Institute of Standards and Technology or the Association for Information and Image Management.

(4) Written authentication identifying the optical image reproduction as an unaltered copy of the note, deed of trust, or mortgage shall be stamped or printed on the optical image reproduction.

(g) No fee or charge may be imposed on the trustor in connection with, or relating to, any act described in this section except as expressly authorized by this section.

(h) The amendments to this section enacted at the 1999-2000 Regular Session shall apply only to a mortgage or an obligation secured by a deed of trust that is satisfied on or after January 1, 2001.

(i) (1) In any action filed before January 1, 2002, that is dismissed as a result of the amendments to this section enacted at the 2001-02 Regular Session, the plaintiff shall not be required to pay the defendant’s costs.

(2) Any claimant, including a claimant in a class action lawsuit, whose claim is dismissed or barred as a result of the amendments to this section enacted at the 2001-02 Regular Session, may, within 6 months of the dismissal or barring of the action or claim, file or refile a claim for actual damages occurring before January 1, 2002, that were proximately caused by a time lapse between loan satisfaction and the completion of the beneficiary's obligations as required under paragraph (1) of subdivision (b). In any action brought under this section, the defendant may be found liable for actual damages, but may not be found liable for any civil penalty authorized by Section 2941.

(j) Notwithstanding any other penalties, if a beneficiary collects a fee for reconveyance and thereafter has knowledge, or should have knowledge, that no reconveyance has been recorded, the beneficiary shall cause to be recorded the reconveyance, or in the event a release of obligation is earlier and timely recorded, the beneficiary shall refund to the trustor the fee charged to perform the reconveyance. Evidence of knowledge includes, but is not limited to, notice of a release of obligation pursuant to paragraph (3) of subdivision (b).

Willful Violation of Section 2941 is a Misdemeanor

2941.5. Every person who willfully violates Section 2941 is guilty of a misdemeanor punishable by fine of not less than fifty dollars (\$50) nor more than four hundred dollars (\$400), or by imprisonment in the county jail for not to exceed six months, or by both such fine and imprisonment.

For purposes of this section, "willfully" means simply a purpose or willingness to commit the act, or make the omission referred to. It does not require an intent to violate the law, to injure another, or to acquire any advantage.

Trust Deed Beneficiaries – Agreement to Be Governed by Beneficiaries Holding More Than 50% of the Record Beneficial Interests

2941.9. (a) The purpose of this section is to establish a process through which all of the beneficiaries under a trust deed may agree to be governed by beneficiaries holding more than 50 percent of the record beneficial interest of a series of notes secured by the same real property or of undivided interests in a note secured by real property equivalent to a series transaction, exclusive of any notes or interests of a licensed real estate broker that is the issuer or servicer of the notes or interests or any affiliate of that licensed real estate broker.

(b) All holders of notes secured by the same real property or a series of undivided interests in notes secured by real property equivalent to a series transaction may agree in writing to be governed by the desires of the holders of more than 50 percent of the record beneficial interest of those notes or interests, exclusive of any notes or interests of a licensed real estate broker that is the issuer or servicer of the notes or interests of any affiliate of the licensed real estate broker, with respect to actions to be taken on behalf of all holders in the event of default or foreclosure for matters that require direction or approval of the holders, including designation of the broker, servicing agent, or other person acting on their behalf, and the sale, encumbrance, or lease of real property owned by the holders resulting from foreclosure or receipt of a deed in lieu of foreclosure.

(c) A description of the agreement authorized in subdivision (b) of this section shall be disclosed pursuant to Section 10232.5 of the Business and Professions Code and shall be included in a recorded document such as the deed of trust or the assignment of interests.

(d) Any action taken pursuant to the authority granted in this section is not effective unless all the parties agreeing to the action sign, under penalty of perjury, a separate written document entitled "Majority Action Affidavit" stating the following:

(1) The action has been authorized pursuant to this section.

(2) None of the undersigned is a licensed real estate broker or an affiliate of the broker that is the issuer or servicer of the obligation secured by the deed of trust.

(3) The undersigned together hold more than 50 percent of the record beneficial interest of a series of notes secured by the same real property or of undivided interests in a note secured by real property equivalent to a series transaction.

(4) Notice of the action was sent by certified mail, postage prepaid, with return receipt requested, to each holder of an interest in the obligation secured by the deed of trust who has not joined in the execution of the substitution or this document.

This document shall be recorded in the office of the county recorder of each county in which the real property described in the deed of trust is located. Once the document in this subdivision is recorded, it shall constitute conclusive evidence of compliance with the requirements of this subdivision in favor of trustees acting pursuant to this section, substituted trustees acting pursuant to Section 2934a, subsequent assignees of the obligation secured by the deed of trust, and subsequent bona fide purchasers or encumbrancers for value of the real property described therein.

(e) For purposes of this section, "affiliate of the licensed real estate broker" includes any person as defined in Section 25013 of the Corporations Code who is controlled by, or is under common control with, or who controls, a licensed real estate broker. "Control" means the possession, direct or indirect, of the power to direct or cause the direction of management and policies.

2943. (a) As used in this section:

(G) The nature and, if known, the amount of any additional charges, costs, or expenses paid or incurred by the beneficiary which have become a lien on the real property involved.

(H) Whether the obligation secured by the mortgage or deed of trust can or may be transferred to a new borrower.

(3) "Delivery" means depositing or causing to be deposited in the United States mail an envelope with postage prepaid, containing a copy of the document to be delivered, addressed to the person whose name and address is set forth in the demand therefor. The document may also be transmitted by facsimile machine to the person whose name and address is set forth in the demand therefor.

(4) "Entitled person" means the trustor or mortgagor of, or his or her successor in

interest in, the mortgaged or trust property or any part thereof, any beneficiary under a deed of trust, any person having a subordinate lien or encumbrance of record thereon, the escrowholder licensed as an agent pursuant to Division 6 (commencing with Section 17000) of the Financial Code, or the party exempt by virtue of Section 17006 of the Financial Code who is acting as the escrowholder.

(5) "Payoff demand statement" means a written statement, prepared in response to a written demand made by an entitled person or authorized agent, setting forth the amounts required as of the date of preparation by the beneficiary, to fully satisfy all obligations secured by the loan that is the subject of the payoff demand statement. The written statement shall include information reasonably necessary to calculate the payoff amount on a per diem basis for the period of time, not to exceed 30 days, during which the per diem amount is not changed by the terms of the note.

(b) (1) A beneficiary, or his or her authorized agent, shall, within 21 days of the receipt of a written demand by an entitled person or his or her authorized agent, prepare and deliver to the person demanding it a true, correct, and complete copy of the note or other evidence of indebtedness with any modification thereto, and a beneficiary statement.

(2) A request pursuant to this subdivision may be made by an entitled person or his or her authorized agent at any time before, or within two months after, the recording of a notice of default under a mortgage or deed of trust, or may otherwise be made more than 30 days prior to the entry of the decree of foreclosure.

(c) A beneficiary, or his or her authorized agent, shall, on the written demand of an entitled person, or his or her authorized agent, prepare and deliver a payoff demand statement to the person demanding it within 21 days of the receipt of the demand. However, if the loan

is subject to a recorded notice of default or a filed complaint commencing a judicial foreclosure, the beneficiary shall have no obligation to prepare and deliver this statement as prescribed unless the written demand is received prior to the first publication of a notice of sale or the notice of the first date of sale established by a court.

(d) (1) A beneficiary statement or payoff demand statement may be relied upon by the entitled person or his or her authorized agent in accordance with its terms, including with respect to the payoff demand statement reliance for the purpose of establishing the amount necessary to pay the obligation in full. If the beneficiary notifies the entitled person or his or her authorized agent of any amendment to the statement, then the amended statement may be relied upon by the entitled person or his or her authorized agent as provided in this subdivision.

(2) If notification of any amendment to the statement is not given in writing, then a written amendment to the statement shall be delivered to the entitled person or his or her authorized agent no later than the next business day after notification.

(3) Upon the dates specified in subparagraphs (A) and (B) any sums that were due and for any reason not included in the statement or amended statement shall continue to be recoverable by the beneficiary as an unsecured obligation of the obligor pursuant to the terms of the note and existing provisions of law.

(A) If the transaction is voluntary, the entitled party or his or her authorized agent may rely upon the statement or amended statement upon the earlier of (i) the close of escrow, (ii) transfer of title, or (iii) recordation of a lien.

(B) If the loan is subject to a recorded notice of default or a filed complaint commencing a judicial foreclosure, the entitled party or his or her authorized agent may rely upon the statement or

amended statement upon the acceptance of the last and highest bid at a trustee's sale or a court supervised sale.

(e) The following provisions apply to a demand for either a beneficiary statement or a payoff demand statement:

(1) If an entitled person or his or her authorized agent requests a statement pursuant to this section and does not specify a beneficiary statement or a payoff demand statement the beneficiary shall treat the request as a request for a payoff demand statement.

(2) If the entitled person or the entitled person's authorized agent includes in the written demand a specific request for a copy of the deed of trust or mortgage, it shall be furnished with the written statement at no additional charge.

(3) The beneficiary may, before delivering a statement, require reasonable proof that the person making the demand is, in fact, an entitled person or an authorized agent of an entitled person, in which event the beneficiary shall not be subject to the penalties of this section until 21 days after receipt of the proof herein provided for. A statement in writing signed by the entitled person appointing an authorized agent when delivered personally to the beneficiary or delivered by registered return receipt mail shall constitute reasonable proof as to the identity of an agent. Similar delivery of a policy of title insurance, preliminary report issued by a title company, original or photographic copy of a grant deed or certified copy of letters testamentary, guardianship, or conservatorship shall constitute reasonable proof as to the identity of a successor in interest, provided the person demanding a statement is named as successor in interest in the document.

(4) If a beneficiary for a period of 21 days after receipt of the written demand willfully fails to prepare and deliver the statement,

he or she is liable to the entitled person for all damages which he or she may sustain by reason of the refusal and, whether or not actual damages are sustained, he or she shall forfeit to the entitled person the sum of three hundred dollars (\$300). Each failure to prepare and deliver the statement, occurring at a time when, pursuant to this section, the beneficiary is required to prepare and deliver the statement, creates a separate cause of action, but a judgment awarding an entitled person a forfeiture, or damages and forfeiture, for any failure to prepare and deliver a statement bars recovery of damages and forfeiture for any other failure to prepare and deliver a statement, with respect to the same obligation, in compliance with a demand therefor made within six months before or after the demand as to which the award was made. For the purposes of this subdivision, "willfully" means an intentional failure to comply with the requirements of this section without just cause or excuse.

(5) If the beneficiary has more than one branch, office, or other place of business, then the demand shall be made to the branch or office address set forth in the payment billing notice or payment book, and the statement, unless it specifies otherwise, shall be deemed to apply only to the unpaid balance of the single obligation named in the request and secured by the mortgage or deed of trust which is payable at the branch or office whose address appears on the aforesaid billing notice or payment book.

(6) The beneficiary may make a charge not to exceed thirty dollars (\$30) for furnishing each required statement. The provisions of this paragraph shall not apply to mortgages or deeds of trust insured by the Federal Housing Administrator or guaranteed by the Administrator of Veterans Affairs.

(f) The preparation and delivery of a beneficiary statement or a payoff demand statement pursuant to this section shall not

change a date of sale established pursuant to Section 2924g.

(g) This section shall become operative on January 1, 2014.

These penalties are cumulative to

any other remedies or penalties provided by law.

(c) In addition to the penalties and remedies provided by Chapter 5 (commencing with Section 17200) of Part 2 of Division 7 of the Business and Professions Code, a person who violates this section shall be liable for a civil penalty not to exceed twenty thousand dollars (\$20,000) for each violation, which shall be assessed and recovered in a civil action brought in the name of the people of the State of California by the Attorney General, by any district attorney, by any county counsel authorized by agreement with the district attorney in actions involving a violation of a county ordinance, by any city attorney of a city having a population in excess of 750,000, by any city attorney of any city and county, or, with the consent of the district attorney, by a city prosecutor in any city having a full-time city prosecutor, in any court of competent jurisdiction pursuant to Chapter 5 (commencing with Section 17200) of Part 2 of Division 7 of the Business and Professions Code.

(e) This section shall apply only to mortgages and deeds of trust secured by residential real property containing four or fewer dwelling units.

Article 1.5. Mortgage Foreclosure Consultants

Legislative Findings/Intent

2945. (a) The Legislature finds and declares that homeowners whose residences are in foreclosure are subject to fraud, deception, harassment, and unfair dealing by foreclosure consultants from the time a Notice of Default is recorded pursuant to Section 2924 until the time of the foreclosure sale. Foreclosure consultants represent that they can assist homeowners who have defaulted on obligations secured by their residences. These foreclosure consultants, however, often charge high fees, the payment of which is often secured by a deed of trust on the residence to be saved, and perform no service or essentially a worthless service. Homeowners, relying on the foreclosure consultants' promises of help, take no other action, are diverted from lawful businesses which could render beneficial services, and often lose their homes, sometimes to the foreclosure consultants who purchase homes at a fraction of their value before the sale.

(b) The Legislature further finds and declares that foreclosure consultants have a significant impact on the economy of this state and on the welfare of its citizens.

(c) The intent and purposes of this article are the following:

- (1) To require that foreclosure consultant service agreements be expressed in writing; to safeguard the public against deceit and financial hardship; to permit rescission of foreclosure consultation contracts; to prohibit representations that tend to mislead; and to encourage fair dealing in the rendition of foreclosure services.

(2) The provisions of this article shall be liberally construed to effectuate this intent and to achieve these purposes.

(d) The contract shall be dated and signed by the owner and shall contain in immediate proximity to the space reserved for the owner's signature a conspicuous statement in a size equal to at least 10-point boldface type, as follows: "You, the owner, may cancel this transaction at any time prior to midnight of the fifth business day after the date of this transaction. Prohibited Practices

2945.4. It shall be a violation for a foreclosure consultant to:

(a) Claim, demand, charge, collect, or receive any compensation until after the foreclosure consultant has fully performed each and every service the foreclosure consultant contracted to perform or represented that he or she would perform.

(b) Claim, demand, charge, collect, or receive any fee, interest, or any other compensation for any reason which exceeds 10 percent per annum of the amount of any loan which the foreclosure consultant may make to the owner.

(c) Take any wage assignment, any lien of any type on real or personal property, or other security to secure the payment of compensation. That security shall be void and unenforceable.

(d) Receive any consideration from any third party in connection with services rendered to an owner unless that consideration is fully disclosed to the owner.

(e) Acquire any interest in a residence in foreclosure from an owner with whom the foreclosure consultant has contracted. Any interest acquired in violation of this subdivision shall be voidable, provided that nothing herein shall affect or defeat the title of a bona fide purchaser or encumbrancer for value and without notice of a violation of this article. Knowledge that the property was "residential real property in foreclosure," does not constitute notice of a violation of this article. This subdivision may not be deemed to abrogate any duty of inquiry which exists as to rights or interests of persons in possession of residential real property in foreclosure.

(f) Take any power of attorney from an owner for any purpose.

(g) Induce or attempt to induce any owner to enter into a contract which does not comply in all respects with Sections 2945.2 and 2945.3.

(h) Enter into an agreement at any time to assist the owner in arranging, or arrange for the owner, the release of surplus funds after the trustee's sale is conducted, whether the agreement involves direct payment, assignment, deed, power of attorney, assignment of claim from an owner to the foreclosure consultant or any person designated by the foreclosure consultant, or any other compensation.

Foreclosure Consultants

2945.45. (a) Except as provided in subdivision (b) of Section 2945.1, a person shall not take any action specified in subdivision (a) of Section 2945.1 unless the person satisfies the following requirements:

(1) The person registers with, and is issued and maintains a certificate of registration from, the Department of Justice in accordance with the following requirements:

(A) The person shall submit a completed registration form, along with applicable fees, to the department. The registration form shall include the name, address, and telephone number of the foreclosure consultant, all of the names, addresses, telephone numbers, Internet Web sites, and e-mail addresses used or proposed to be used in connection with acting as a foreclosure consultant, a statement that the person has not been convicted of, or pled nolo contendere to, any crime involving fraud, misrepresentation, dishonesty, or a violation of this article, a statement that the person has not been liable under any civil judgment for fraud, misrepresentation, or violations of this article or of Section 17200 or 17500 of the Business and Professions Code, and any additional information required by the department.

(B) The registration form shall be accompanied by a copy of all print or electronic advertising and other promotional material, and scripts of all telephonic or broadcast advertising and other statements used or proposed to be used in connection with acting as a foreclosure consultant.

(C) The registration form shall be accompanied by a copy of the bond required pursuant to paragraph (2).

(D) The person shall file an update of any material change in the information required by subparagraphs (A) and (B) with the department.

(E) The person shall pay any fee set by the department to defray reasonable costs incurred in connection with the department's responsibilities under this article.

(2) The person obtains and maintains in force a surety bond in the amount of one hundred thousand dollars (\$100,000). The bond shall be executed by a corporate surety admitted to do business in this state. The bond shall be made in favor of the State of California for the benefit of homeowners for damages caused by the foreclosure consultant's violation of this article or any other provision of law. A copy of the bond shall be filed with the Secretary of State, with a copy provided to the department pursuant to subparagraph (C) of paragraph (1).

(b) The Foreclosure Consultant Regulation Fund is hereby created in the State Treasury for the deposit of fees submitted to the Department of Justice pursuant to subparagraph (A) of paragraph (1) of subdivision (a) for registration as a foreclosure consultant. Moneys in the fund shall be available, upon appropriation by the Legislature, for the costs of the department incurred in connection with the administration of the registration program.

(c) The Department of Justice may refuse to issue, or may revoke, a certificate of registration because of any misstatement in the registration form, because the foreclosure consultant has been held liable for the violation of any law described in subparagraph (A) of paragraph (1) of subdivision (a), because the foreclosure consultant has failed to maintain the bond required under paragraph (2) of subdivision (a), or because of any violation of this chapter.

(d) A person who violates subdivision (a) shall be punished, for each violation, by a fine of not less than one thousand dollars (\$1,000) and not more than twenty-five thousand dollars (\$25,000), by imprisonment in the county jail for not more than one year, or by both that fine and imprisonment. The imposition of a penalty pursuant to this subdivision shall not be affected by the availability of any other relief, remedy, or penalty provided by law, and shall not affect the availability of any such relief, remedy, or penalty.

No Waiver Allowed

2945.5. Any waiver by an owner of the provisions of this article shall be deemed void and unenforceable as contrary to public policy. Any attempt by a foreclosure consultant to induce an owner to waive his rights shall be deemed a violation of this article.

Action Against Consultant – Damages – Time Limit

2945.6. (a) An owner may bring an action against a foreclosure consultant for any violation of this chapter. Judgment shall be entered for actual damages, reasonable attorneys' fees and costs, and appropriate equitable relief. The court also may, in its discretion, award exemplary damages and shall award exemplary damages equivalent to at least three times the compensation received by the foreclosure consultant in violation of subdivision (a), (b), or (d) of Section 2945.4, and three times the owner's actual damages for any violation of subdivision (c), (e), or (g) or Section 2945.4, in addition to any other award of actual or exemplary damages.

(b) The rights and remedies provided in subdivision (a) are cumulative to, and not a limitation of, any other rights and remedies provided by law. Any action brought pursuant to this section shall be commenced within four years from the date of the alleged violation.

Violation – Penalties

2945.7. Any person who commits any violation described in Section 2945.4 shall be punished by a fine of not more than ten thousand dollars (\$10,000), by imprisonment in the county jail for not more than one year, or pursuant to subdivision (h) of Section 1170 of the Penal Code, or by both that fine and imprisonment for each violation. These penalties are cumulative to any other remedies or penalties provided by law.

Severability

2945.8. If any provision of this article or the application thereof to any person or circumstance is held to be unconstitutional, the remainder of the article and the application of

such provision to other persons and circumstances shall not be affected thereby.

Liability for Statements or Acts of Representative

2945.9. (a) A foreclosure consultant is liable for all damages resulting from any statement made or act committed by the foreclosure consultant's representative in any manner connected with the foreclosure consultant's (1) performance, offer to perform, or contract to perform any of the services described in subdivision (a) of Section 2945.1, (2) receipt of any consideration or property from or on behalf of an owner, or (3) performance of any act prohibited by this article.

(b) "Representative" for the purposes of this section means a person who in any manner solicits, induces, or causes (1) any owner to contract with a foreclosure consultant, (2) any owner to pay any consideration or transfer title to the residence in foreclosure to the foreclosure consultant, or (3) any member of the owner's family or household to induce or cause any owner to pay any consideration or transfer title to the residence in foreclosure to the foreclosure consultant.

Contract Cannot Limit Section 2945.9 Liability

2945.10. (a) Any provision in a contract which attempts or purports to limit the liability of the foreclosure consultant under Section 2945.9 shall be void and shall at the option of the owner render the contract void. The foreclosure consultant shall be liable to the owner for all damages proximately caused by that provision. Any provision in a contract which attempts or purports to require arbitration of any dispute arising under this chapter shall be void at the option of the owner only upon grounds as exist for the revocation of any contract.

(b) This section shall apply to any contract entered into on or after January 1, 1991.

Representative – Proof and Statement of Licensure and Bond

2945.11. (a) Any representative, as defined in subdivision (b) of Section 2945.9, deemed to be the agent or employee or both the agent and the

employee of the foreclosure consultant shall be required to provide both of the following:

(1) Written proof to the owner that the representative has a valid current California Real Estate Sales License and that the representative is bonded by an admitted surety insurer in an amount equal to at least twice the fair market value of the real property that is the subject of the contract.

(2) A statement in writing, under penalty of perjury, that the representative has a valid current California Real Estate Sales License, that the representative is bonded by an admitted surety insurer in an amount equal to at least twice the value of the real property that is the subject of the contract and has complied with paragraph (1). The written statement required by this paragraph shall be provided to all parties to the contract prior to the transfer of any interest in the real property that is the subject of the contract.

(b) The failure to comply with subdivision (a) shall, at the option of the owner, render the contract void and the foreclosure consultant shall be liable to the owner for all damages proximately caused by the failure to comply.

Mortgages and Deeds of Trust – Accrual of Interest

2948.5. (a) A borrower shall not be required to pay interest on a principal obligation under a promissory note secured by a mortgage or deed of trust on real property improved with between one to four residential dwelling units for a period in excess of one day prior to recording of the mortgage or deed of trust if the loan proceeds are paid into escrow or, if there is no escrow, the date upon which the loan proceeds have been made available for withdrawal as a matter of right, as specified in subdivision (d) of Section 12413.1 of the Insurance Code.

(b) Interest may commence to accrue on the business day immediately preceding the day of recording, if both of the following occur:

(1) The borrower affirmatively requests, and the lender agrees, that the recording

will occur on Monday, or a day immediately following a bank holiday.

(2) The following information is disclosed to the borrower in writing:

(A) the amount of additional per diem interest charged to facilitate recording on Monday or the day following a holiday, as the case may be, and

(B) that it may be possible to avoid the additional per diem interest charge by recording the deed of trust on a day immediately following a business day. This disclosure shall be provided to the borrower and acknowledged by the borrower by signing a copy of the disclosure document prior to placing funds in escrow.

(c) This section does not apply to a loan that is subject to subdivision (c) of Section 10242 of the Business and Professions Code.

Trust Deed Beneficiary Must Give Annual Accounting

2954. (a) (1) No impound, trust, or other type of account for payment of taxes on the property, insurance premiums, or other purposes relating to the property shall be required as a condition of a real property sale contract or a loan secured by a deed of trust or mortgage on real property containing only a single-family, owner-occupied dwelling, except: (A) where required by a state or federal regulatory authority, (B) where a loan is made, guaranteed, or insured by a state or federal governmental lending or insuring agency, (C) upon a failure of the purchaser or borrower to pay two consecutive tax installments on the property prior to the delinquency date for such payments, (D) where the original principal amount of such a loan is (i) 90 percent or more of the sale price, if the property involved is sold, or is (ii) 90 percent or more of the appraised value of the property securing the loan, (E) whenever the combined principal amount of all loans secured by the real property exceeds 80 percent of the appraised value

of the property securing the loans, (F) where a loan is made in compliance with the requirements for higher priced mortgage loans established in Regulation Z, whether or not the loan is a higher priced mortgage loan, or (G) where a loan is refinanced or modified in connection with a lender's homeownership preservation program or a lender's participation in such a program sponsored by a federal, state, or local government authority or a nonprofit organization. Nothing contained in this section shall preclude establishment of such an account on terms mutually agreeable to the parties to the loan, if, prior to the execution of the loan or sale agreement, the seller or lender has furnished to the purchaser or borrower a statement in writing, which may be set forth in the loan application, to the effect that the establishment of such an account shall not be required as a condition to the execution of the loan or sale agreement, and further, stating whether or not interest will be paid on the funds in such an account.

An impound, trust, or other type of account for the payment of taxes, insurance premiums, or other purposes relating to property established in violation of this subdivision is voidable, at the option of the purchaser or borrower, at any time, but shall not otherwise affect the validity of the loan or sale.

(2) For the purposes of this subdivision, "Regulation Z" means any rule, regulation, or interpretation promulgated by the Board of Governors of the Federal Reserve System and any interpretation or approval issued by an official or employee duly authorized by the board to issue interpretations or approvals dealing with, respectively, consumer leasing or consumer lending, pursuant to the federal Truth in Lending Act, as amended (15 U.S.C. Sec. 1601 et seq.).

(b) Every mortgagee of real property, beneficiary under a deed of trust on real

property, or vendor on a real property sale contract upon the written request of the mortgagor, trustor, or vendee shall furnish to the mortgagor, trustor, or vendee for each calendar year within 60 days after the end of the year an itemized accounting of moneys received for interest and principal repayment and received and held in or disbursed from an impound or trust account, if any, for payment of taxes on the property, insurance premiums, or other purposes relating to the property subject to the mortgage, deed of trust, or real property sale contract. The mortgagor, trustor, or vendee shall be entitled to receive one such accounting for each calendar year without charge and shall be entitled to additional similar accountings for one or more months upon written request and on payment in advance of fees as follows:

- (1) Fifty cents (\$0.50) per statement when requested in advance on a monthly basis for one or more years.
- (2) One dollar (\$1) per statement when requested for only one month.
- (3) Five dollars (\$5) if requested for a single cumulative statement giving all the information described above back to the last statement rendered.

If the mortgagee, beneficiary, or vendor transmits to the mortgagor, trustor, or vendee a monthly statement or passbook showing moneys received for interest and principal repayment and received and held in and disbursed from an impound or trust account, if any, the mortgagee, beneficiary, or vendor shall be deemed to have complied with this section.

No increase in the monthly rate of payment of a mortgagor, trustor, or vendee on a real property sale contract for impound or trust accounts shall be effective until after the mortgagee, beneficiary, or vendor has furnished the mortgagor, trustor, or vendee with an itemized accounting of the moneys presently held by it in the accounts, and a statement of the new monthly rate of payment, and an explanation of the factors necessitating the increase.

The provisions of this section shall be in addition to the obligations of the parties as stated by Section 2943.

Every person who willfully or repeatedly violates this subdivision shall be subject to punishment by a fine of not less than fifty dollars (\$50) nor more than two hundred dollars (\$200).

(c) As used in this section, "single-family, owner-occupied dwelling" means a dwelling that will be owned and occupied by a signatory to the mortgage or deed of trust secured by that dwelling within 90 days of the execution of the mortgage or deed of trust.

Impound Prohibitions – Relief

2954.1. No lender or person who purchases obligations secured by real property, or any agent of such lender or person, who maintains an impound, trust, or other type of account for the payment of taxes and assessments on real property, insurance premiums, or other purposes relating to such property shall do any of the following:

(a) Require the borrower or vendee to deposit in such account in any month an amount in excess of that which would be permitted in connection with a federally related mortgage loan pursuant to Section 10 of the Real Estate Settlement Procedures Act of 1974 (12 U.S.C. 2609), as amended.

(b) Require the sums maintained in such account to exceed at any time the amount or amounts reasonably necessary to pay such obligations as they become due. Any sum held in excess of the reasonable amount shall be refunded within 30 days unless the parties mutually agree to the contrary. Such an agreement may be rescinded at any time by any party.

(c) Make payments from the account in a manner so as to cause any policy of insurance to be canceled or so as to cause property taxes or other similar payments to become delinquent.

Nothing contained herein shall prohibit requiring additional amounts to be paid into an

impound account in order to recover any deficiency which may exist in the account.

Any person harmed by a violation of this section shall be entitled to sue to recover his or her damages or for injunctive relief; but such violation shall not otherwise affect the validity of the loan or sale.

This section applies to all such accounts maintained after the effective date of this act.

Itemized Annual Accounting

2954.2. (a) Every mortgagee of record of real property containing only a one- to four-family residence, when the mortgage is given to secure payment of the balance of the purchase price of the property or to refinance such a mortgage, shall furnish to the mortgagor within 60 days after the end of each calendar year a written statement showing the amount of moneys received for interest and principal repayment, late charges, moneys received and held in or disbursed from an impound account, if any, for the payment of taxes on the property, insurance premiums, bond assessments, or other purposes relating to the property, and interest credited to the account, if any. The written statement required to be furnished by this section shall be deemed furnished if the mortgagee of record transmits to the mortgagor of record cumulative statements or receipts which, for each calendar year, provide in one of the statements or receipts the information required by this section. The mortgagor, trustor or vendee shall be entitled to receive one such statement for each calendar year without charge and without request. Such statement shall include a notification in 10-point type that additional accountings can be requested by the mortgagor, trustor, or vendee, pursuant to Section 2954.

(b) For the purposes of this section:

(1) "Mortgagee" includes a beneficiary under a deed of trust, a vendor under a real property sale contract, and an organization which services a mortgage or deed of trust by receiving and disbursing payments for the mortgagee or beneficiary.

(2) “Mortgage” includes a first or second mortgage, a first or second deed of trust, and a real property sale contract.

(3) “Impound account” includes a trust or other type of account established for the purposes described in subdivision (a).

(c) The requirements of this section shall be in addition to the requirements of Section 2954.

(d) This section shall become operative on December 31, 1978, and apply to moneys received by a mortgagee on and after January 1, 1978.

Late Charge Limitations on Loan Secured by Trust Deed or Mortgage

2954.4. (a) A charge that may be imposed for late payment of an installment due on a loan secured by a mortgage or a deed of trust on real property containing only a single-family, owner-occupied dwelling, shall not exceed either (1) the equivalent of 6 percent of the installment due that is applicable to payment of principal and interest on the loan, or (2) five dollars (\$5), whichever is greater. A charge may not be imposed more than once for the late payment of the same installment. However, the imposition of a late charge on any late payment does not eliminate or supersede late charges imposed on prior late payments. A payment is not a “late payment” for the purposes of this section until at least 10 days following the due date of the installment.

(b) A late charge may not be imposed on any installment which is paid or tendered in full on or before its due date, or within 10 days thereafter, even though an earlier installment or installments, or any late charge thereon, may not have been paid in full when due. For the purposes of determining whether late charges may be imposed, any payment tendered by the borrower shall be applied by the lender to the most recent installment due.

(c) A late payment charge described in subdivision (a) is valid if it satisfies the requirements of this section and Section 2954.5.

(d) Nothing in this section shall be construed to alter in any way the duty of the borrower to pay any installment then due or to alter the rights of the lender to enforce the payment of the installments.

(e) This section is not applicable to loans made by a credit union subject to Division 5 (commencing with Section 14000) of the Financial Code, by an industrial loan company subject to Division 7 (commencing with Section 18000) of the Financial Code, or by a finance lender subject to Division 9 (commencing with Section 22000) of the Financial Code, and is not applicable to loans made or negotiated by a real estate broker subject to Article 7 (commencing with Section 10240) of Chapter 3 of Part 1 of Division 4 of the Business and Professions Code.

(f) As used in this section, “single-family, owner-occupied dwelling” means a dwelling that will be owned and occupied by a signatory to the mortgage or deed of trust secured by the dwelling within 90 days of the execution of the mortgage or deed of trust.

(g) This section applies to loans executed on and after January 1, 1976.

Notice Required of Charge for Late Payment

2954.5. (a) Before the first default, delinquency, or late payment charge may be assessed by any lender on a delinquent payment of a loan, other than a loan made pursuant to Division 9 (commencing with Section 22000) of the Financial Code, secured by real property, and before the borrower becomes obligated to pay this charge, the borrower shall either (1) be notified in writing and given at least 10 days from mailing of the notice in which to cure the delinquency, or (2) be informed, by a billing or notice sent for each payment due on the loan, of the date after which this charge will be assessed. The notice provided in either paragraph (1) or (2) shall contain the amount of the charge or the method by which it is calculated.

(b) If a subsequent payment becomes delinquent the borrower shall be notified in writing, before the late charge is to be imposed,

that the charge will be imposed if payment is not received, or the borrower shall be notified at least semiannually of the total amount of late charges imposed during the period covered by the notice.

(c) Notice provided by this section shall be sent to the address specified by the borrower, or, if no address is specified, to the borrower's address as shown in the lender's records.

(d) In case of multiple borrowers obligated on the same loan, a notice mailed to one shall be deemed to comply with this section.

(e) The failure of the lender to comply with the requirements of this section does not excuse or defer the borrower's performance of any obligation incurred in the loan transaction, other than his or her obligation to pay a late payment charge, nor does it impair or defer the right of the lender to enforce any other obligation including the costs and expenses incurred in any enforcement authorized by law.

(f) The provisions of this section as added by Chapter 1430 of the Statutes of 1970 shall only affect loans made on and after January 1, 1971.

The amendments to this section made at the 1975-76 Regular Session of the Legislature shall only apply to loans executed on and after January 1, 1976.

Mortgage Insurance as Condition of Loan – Notice to Borrower

2954.6. (a) If private mortgage insurance or mortgage guaranty insurance, as defined in subdivision (a) of Section 12640.02 of the Insurance Code, is required as a condition of a loan secured by a deed of trust or mortgage on real property, the lender or person making or arranging the loan shall notify the borrower whether or not the borrower has the right to cancel the insurance. If the borrower has the right to cancel, then the lender or person making or arranging the loan shall notify the borrower in writing of the following:

(1) Any identifying loan or insurance information necessary to permit the borrower to communicate with the insurer or the lender concerning the insurance.

(2) The conditions that are required to be satisfied before the private mortgage insurance or mortgage guaranty insurance may be subject to cancellation, which shall include, but is not limited to, both of the following:

(A) If the condition is a minimum ratio between the remaining principal balance of the loan and the original or current value of the property, that ratio shall be stated.

(B) Information concerning whether or not an appraisal may be necessary.

(3) The procedure the borrower is required to follow to cancel the private mortgage insurance or mortgage guaranty insurance.

(b) The notice required in subdivision (a) shall be given to the borrower no later than 30 days after the close of escrow. The notice shall be set forth in at least 10-point bold type.

(c) With respect to any loan specified in subdivision (a) for which private mortgage insurance or mortgage guaranty insurance is still maintained, the lender or person making, arranging, or servicing the loan shall provide the borrower with a notice containing the same information as specified in subdivision (a) or a clear and conspicuous written statement indicating that (1) the borrower may be able to cancel the private mortgage insurance or mortgage guaranty insurance based upon various factors, including appreciation of the value of the property derived from a current appraisal performed by an appraiser selected by the lender or servicer, and paid for by the borrower, and (2) the borrower may contact the lender or person making, arranging, or servicing the loan at a designated address and telephone number to determine whether the borrower has a right of cancellation and, if so, the conditions and procedure to effect cancellation. The notice or statement required by this subdivision shall be provided in or with each written statement required by Section 2954.2.

(d) The notice required under this section shall be provided without cost to the borrower.

(e) Any person harmed by a violation of this section may obtain injunctive relief and may recover treble damages and reasonable attorney's fees and costs.

(f) This section shall not apply to any mortgage funded with bond proceeds issued under an indenture requiring mortgage insurance for the life of the loan nor to any insurance issued pursuant to Part 4 (commencing with Section 51600) of Division 31 of the Health and Safety Code, or loans insured by the Federal Housing Administration or Veterans Administration.

Cancellation of Private Mortgage Insurance – Refund of Unused Premium

2954.65. Within 30 days after notice of cancellation from the insured, a private mortgage insurer or mortgage guaranty insurer shall, if the policy is cancellable, refund the remaining portion of the unused premium to the person or persons designated by the insured.

Termination of Payments for Private Mortgage Insurance – Conditions and Exceptions

2954.7. Except when a statute, regulation, rule, or written guideline promulgated by an institutional third party applicable to notes or evidence of indebtedness secured by a deed of trust or mortgage purchased in whole or in part by an institutional third party specifically prohibits cancellation during the term of the indebtedness, if a borrower so requests and the conditions established by paragraphs (1) to (5), inclusive, of subdivision (a) are met, a borrower may terminate future payments for private mortgage insurance, or mortgage guaranty insurance as defined in subdivision (a) of Section 12640.02 of the Insurance Code, issued as a condition to the extension of credit in the form of a loan evidenced by a note or other evidence of indebtedness that is secured by a deed of trust or mortgage on the subject real property.

(a) The following conditions shall be satisfied in order for a borrower to be entitled to terminate payments for private mortgage insurance or mortgage guaranty insurance:

(1) The request to terminate future payments for private mortgage insurance or mortgage guaranty insurance shall be in writing.

(2) The origination date of the note or evidence of indebtedness shall be at least two years prior to the date of the request.

(3) The note or evidence of indebtedness shall be for personal, family, household, or purchase money purposes, secured by a deed of trust or mortgage on owner-occupied, one- to four-unit, residential real property.

(4) The unpaid principal balance owed on the secured obligation that is the subject of the private mortgage insurance or mortgage guaranty insurance shall not be more than 75 percent, unless the borrower and lender or servicer of the loan agree in writing upon a higher loan-to-value ratio, of either of the following:

(A) The sale price of the property at the origination date of the note or evidence of indebtedness, provided that the current fair market value of the property is equal to or greater than the original appraised value used at the origination date.

(B) The current fair market value of the property as determined by an appraisal, the cost of which shall be paid for by the borrower. The appraisal shall be ordered and the appraiser shall be selected by the lender or servicer of the loan.

(5) The borrower's monthly installments of principal, interest, and escrow obligations on the encumbrance or encumbrances secured by the real property shall be current at the time the request is made and those installments shall not have been more than 30 days past due over the 24-month period immediately preceding the request, provided further, that no notice of default has been recorded against the security real property pursuant to Section 2924, as a result of a nonmonetary default by the

borrower (trustor) during the 24-month period immediately preceding the request.

(b) This section does not apply to any of the following:

(1) A note or evidence of indebtedness secured by a deed of trust or mortgage, or mortgage insurance, executed under the authority of Part 3 (commencing with Section 50900) or Part 4 (commencing with Section 51600) of Division 31 of the Health and Safety Code.

(2) Any note or evidence of indebtedness secured by a deed of trust or mortgage that is funded in whole or in part pursuant to authority granted by statute, regulation, or rule that, as a condition of that funding, prohibits or limits termination of payments for private mortgage insurance or mortgage guaranty insurance during the term of the indebtedness.

(3) Notes or evidence of indebtedness that require private mortgage insurance and were executed prior to January 1, 1991.

(c) If the note secured by the deed of trust or mortgage will be or has been sold in whole or in part to an institutional third party, adherence to the institutional third party's standards for termination of future payments for private mortgage insurance or mortgage guaranty insurance shall be deemed in compliance with the requirements of this section.

(d) For the purposes of this section, "institutional third party" means the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Government National Mortgage Association, and other substantially similar institutions, whether public or private, provided the institutions establish and adhere to rules applicable to the right of cancellation of private mortgage insurance or mortgage guaranty insurance, which are the same or substantially the same as those utilized by the above-named institutions.

Impound Account – Payment of Interest Required

2954.8. (a) Every financial institution that makes loans upon the security of real property containing only a one- to four-family residence and located in this state or purchases obligations secured by such property and that receives money in advance for payment of taxes and assessments on the property, for insurance, or for other purposes relating to the property, shall pay interest on the amount so held to the borrower. The interest on such amounts shall be at the rate of at least 2 percent simple interest per annum. Such interest shall be credited to the borrower's account annually or upon termination of such account, whichever is earlier.

(b) No financial institution subject to the provisions of this section shall impose any fee or charge in connection with the maintenance or disbursement of money received in advance for the payment of taxes and assessments on real property securing loans made by such financial institution, or for the payment of insurance, or for other purposes relating to such real property, that will result in an interest rate of less than 2 percent per annum being paid on the moneys so received.

(c) For the purposes of this section, "financial institution" means a bank, savings and loan association or credit union chartered under the laws of this state or the United States, or any other person or organization making loans upon the security of real property containing only a one- to four-family residence.

(d) The provisions of this section do not apply to any of the following:

(1) Loans executed prior to the effective date of this section.

(2) Moneys which are required by a state or federal regulatory authority to be placed by a financial institution other than a bank in a non-interest-bearing demand trust fund account of a bank.

The amendment of this section made by the 1979-80 Regular Session of the Legislature

shall only apply to loans executed on or after January 1, 1980.

Loan Prepayment

2954.9. (a) (1) Except as otherwise provided by statute, where the original principal obligation is a loan for residential property of four units or less, the borrower under any note or evidence of indebtedness secured by a deed of trust or mortgage or any other lien on real property shall be entitled to prepay the whole or any part of the balance due, together with accrued interest, at any time.

(2) Nothing in this subdivision shall prevent a borrower from obligating himself, by an agreement in writing, to pay a prepayment charge.

(3) This subdivision does not apply during any calendar year to a bona fide loan secured by a deed of trust or mortgage given back during such calendar year to the seller by the purchaser on account of the purchase price if the seller does not take back four or more such deeds of trust or mortgages during such calendar year. Nothing in this subdivision shall be construed to prohibit a borrower from making a prepayment by an agreement in writing with the lender.

(b) Except as otherwise provided in Section 10242.6 of the Business and Professions Code, the principal and accrued interest on any loan secured by a mortgage or deed of trust on owner-occupied residential real property containing only four units or less may be prepaid in whole or in part at any time but only a prepayment made within five years of the date of execution of such mortgage or deed of trust may be subject to a prepayment charge and then solely as herein set forth. An amount not exceeding 20 percent of the original principal amount may be prepaid in any 12-month period without penalty. A prepayment charge may be imposed on any amount prepaid in any 12-month period in excess of 20 percent of the original principal amount of the loan which charge shall not exceed an amount equal to the payment of six months' advance interest on the

amount prepaid in excess of 20 percent of the original principal amount.

(c) Notwithstanding subdivisions (a) and (b), there shall be no prepayment penalty charged to a borrower under a loan subject to this section if the residential structure securing the loan has been damaged to such an extent by a natural disaster for which a state of emergency is declared by the Governor, pursuant to Chapter 7 (commencing with Section 8550) of Division 1 of Title 2 of the Government Code, that the residential structure cannot be occupied and the prepayment is causally related thereto.

Prepayment Penalty – Acceleration of Maturity Date

2954.10. An obligee which accelerates the maturity date of the principal and accrued interest, pursuant to contract, on any loan secured by a mortgage or deed of trust on real property or an estate for years therein, upon the conveyance of any right, title, or interest in that property, may not claim, exact, or collect any charge, fee, or penalty for any prepayment resulting from that acceleration.

The provisions of this section shall not apply to a loan other than a loan secured by residential real property or any interest therein containing four units or less, in which the obligor has expressly waived, in writing, the right to repay in whole or part without penalty, or has expressly agreed, in writing, to the payment of a penalty for prepayment upon acceleration. For any loan executed on or after January 1, 1984, this waiver or agreement shall be separately signed or initialed by the obligor and its enforcement shall be supported by evidence of a course of conduct by the obligee of individual weight to the consideration in that transaction for the waiver or agreement.

Installment Loan – Prepayment Charge

2954.11. (a) As used in this section:

- (1) "Open-end credit plan" has the meaning set forth in Regulation Z of the Federal Reserve System (12 C.F.R. 226.2(a) (20)).
- (2) "Installment loan" means any loan specified in subdivision (h) extended under an installment loan feature.

(3) “Installment loan feature” means a feature of an open-end credit plan which provides for a separate subaccount of the open-end credit plan pursuant to which the principal of, and interest on, the loan associated with that subaccount are to be repaid in substantially equal installments over a specified period without regard to the amount outstanding under any other feature of the open-end credit plan or the payment schedule with respect to the other feature.

(b) (1) Except as otherwise provided by statute, the borrower under any installment loan shall be entitled to prepay the whole or any part of the installment loan, together with any accrued interest, at any time.

(2) With respect to any installment loan, nothing in this section shall preclude a borrower from becoming obligated, by an agreement in writing, to pay a prepayment charge; but only a prepayment made within five years of the date the installment loan is made may be subject to a prepayment charge and then solely as herein set forth. An amount not exceeding 20 percent of the original principal amount of the installment loan may be prepaid in any one 12-month period without incurring a prepayment charge. A prepayment charge may be imposed on any amount prepaid in any 12-month period in excess of 20 percent of the original principal amount of the installment loan, which charge shall not exceed an amount equal to the payment of six months’ advance interest on the amount prepaid in excess of 20 percent of the original principal amount of the installment loan.

(c) For purposes of subdivision (b):

(1) If the deed of trust or mortgage secures repayment of more than one installment loan, each of the installment loans shall be deemed to have been separately made on the date that the proceeds of the installment loan are advanced.

(2) If the outstanding balance of a loan advanced pursuant to an open-end credit plan thereafter becomes subject to an installment loan feature of the credit plan, the loan shall be deemed to have been made when the loan becomes subject to the installment loan feature, whether the feature was available at the borrower’s option under original terms of the open-end credit plan or the feature thereafter became available upon modification of the original terms of the open-end credit plan.

(d) Notwithstanding subdivision (b), no prepayment charge may be imposed with respect to an installment loan subject to this section if any of the following apply:

(1) The residential structure securing the installment loan has been damaged to such an extent by a natural disaster for which a state of emergency is declared by the Governor, pursuant to Chapter 7 (commencing with Section 8550) of Division 1 of Title 2 of the Government Code, that the residential structure cannot be occupied and the prepayment is causally related thereto.

(2) The prepayment is made in conjunction with a bona fide sale of the real property securing the installment loan.

(3) The lender does not comply with subdivision (e).

(4) The term of the installment loan is for not more than five years and the original principal amount of the installment loan is less than five thousand dollars (\$5,000).

(e) (1) The lender receiving a borrower’s obligation to pay a prepayment charge authorized by subdivision (b) shall furnish the borrower with a written disclosure describing the existence of the prepayment charge obligation, the conditions under which the prepayment charge shall be payable, and the method by which the amount of the prepayment charge shall be determined. If subdivision (f) provides the borrower with a right to rescind the installment loan and the related obligation

to pay a prepayment charge, the disclosure required by this subdivision shall also inform the borrower of this right to rescind, how and when to exercise the right, and where to mail or deliver a notice of rescission.

(2) The amount of, or the method for determining the amount of, the prepayment charge for an installment loan shall be set forth in the agreement governing the open-end credit plan.

(f) (1) The disclosure required by paragraph (1) of subdivision (e) shall be furnished when or up to 30 days before the borrower signs the agreement or other documents required by the lender for the installment loan, or no earlier than 30 days before nor later than 10 days following the making of the installment loan, if made without the borrower having to sign an agreement or other documentation, such as may be the case if the installment loan may be made on the basis of telephone or other discussions between the lender and the borrower not taking place in person. If the installment loan is made before the borrower has been furnished with the disclosure required by paragraph (1) of subdivision (e), the borrower shall have the right to rescind the installment loan and the related obligation to pay a prepayment charge by personally delivering or mailing notice to that effect to the lender, by first-class mail with postage prepaid, at the lender's location stated in its disclosure concerning the right to rescind within 10 days following the furnishing of the disclosure.

(2) If the disclosure required by paragraph (1) of subdivision (e) is included in the agreement or other document signed by the borrower for the installment loan, the disclosure shall be deemed given at that time. In other cases, the disclosure shall be deemed furnished when personally delivered to the borrower or three days after it is mailed to the borrower, first-class mail with postage prepaid, at the address to

which billing statements for the open-end credit plan are being sent.

(3) The disclosure required by paragraph (1) of subdivision (e) may be separately furnished or may be included in the agreement or other document for the installment loan, provided that a copy of the disclosure that the borrower may retain is furnished to the borrower.

(4) If there is more than one borrower with respect to the open-end credit plan, a disclosure to any one of them pursuant to subdivision (e) shall satisfy the requirements of that subdivision with respect to all of them.

(g) If after an installment loan is made the lender receives the borrower's timely notice of the rescission of the installment loan in accordance with subdivision (f), the balance of the installment loan shall be transferred to the open-end subaccount of the open-end credit plan and the borrower shall be obligated to repay the amount under the same terms and conditions, and subject to the same fees and other charges, as would be applicable had the loan initially been extended pursuant to the open-end credit plan or had the installment loan never been made.

(h) This section applies to any installment loan secured by a deed of trust or mortgage or any other lien on residential property of four units or less and Section 2954.9 does not apply to such installment loans. This section shall not apply to any loan that is subject to Section 10242.6 of the Business and Professions Code.

(c) If the note secured by the deed of trust or mortgage will be or has been sold in whole or in part to an institutional third party, adherence to the institutional third party's standards for termination of future payments for private mortgage insurance or mortgage guaranty insurance shall be deemed in compliance with the requirements of this section.

2985. (a) A real property sales contract is an agreement in which one party agrees to convey title to real property to another party upon the satisfaction of specified conditions set forth in the contract and that does not require conveyance of title within one year from the date of formation of the contract.

of Real Estate pursuant to Section 11018.12 of the Business and Professions Code.

A real property sales contract may not be transferred by the fee owner of the real property unless accompanied by a transfer of the real property which is the subject of the contract, and real property may not be transferred by the fee owner thereof unless accompanied by an assignment of the contract.

Nothing herein shall be deemed to prohibit the assignment or pledge of a real property sales contract, as security or for the purpose of effecting collection thereon, to the holder of a first lien on the real property which is the subject of the contract without a transfer of the real property or the transfer of a fee title in trust without the concurrent assignment of the sales contract.

2985.2. Any person, or the assignee of such person, who sells a parcel of land under a sales contract which is not recorded and who thereafter causes an encumbrance or encumbrances not consented to in writing by the parties upon such property in an amount which, together with existing encumbrances thereon exceeds the amount then due under the contract, or under which the aggregate amount of any periodic payments exceeds the periodic payments due on the contract, excluding any pro rata amount for insurance and taxes, shall be guilty of a public offense punishable by a fine not exceeding ten thousand dollars (\$10,000), or by imprisonment pursuant to subdivision (h) of Section 1170 of the Penal Code, or in a county jail not exceeding one year, or by both that fine and imprisonment.

2985.3. Every seller of improved or unimproved real property under a real property sales contract, or his assignee, who knowingly receives an installment payment from the buyer under a real property sales contract at a time when there is then due any payment by the seller, or his assignee, on an obligation secured by an encumbrance on the property subject to the real property sales contract, and who appropriates such payment received from the buyer to a use other than payment of the amount then due on the seller's or assignee's obligation,

except to the extent the payment received from the buyer exceeds the amount due from the seller or assignee, is guilty of a public offense punishable by a fine not exceeding ten thousand dollars (\$10,000), or by imprisonment pursuant to subdivision (h) of Section 1170 of the Penal Code, or in a county jail not exceeding one year, or by both that fine and imprisonment.

2985.4. Every seller of improved or unimproved real property under a real property sales contract who receives pro rata payments for insurance and taxes shall hold these amounts in trust for the purpose designated. These amounts shall not be disbursed for any other purpose without the consent of the payor and any person or corporation holding an encumbrance on the property.

This section shall not apply to a state- or federal-supervised assignee of a seller who as agent for the seller receives and disburses payments.

2985.5. Every real property sales contract entered into after January 1, 1966, shall contain a statement of:

(a) The number of years required to complete payment in accordance with the terms of the contract.

(b) The basis upon which the tax estimate is made.

2985.51. (a) Every real property sales contract entered into on and after January 1, 1978, where the real property that is the subject of such contract resulted from a division of real property occurring on or after January 1, 1978, shall contain or have attached thereto a statement indicating the fact that the division creating the parcel or parcels to be conveyed:

(1) Was made in compliance with the provisions of the Subdivision Map Act, Division 2 (commencing with Section 66410) of Title 7 of the Government Code and local ordinances adopted pursuant thereto, and in such event the statement shall expressly refer to the location, in the records of the county recorder for the county in which the real property is located,

of a previously recorded certificate of compliance or conditional certificate of compliance issued pursuant to Section 66499.35 of the Government Code with respect to the real property being sold, or the statement shall describe the real property to be conveyed as an entire lot or parcel by referencing the recorded final or parcel map creating the parcel or parcels to be conveyed and such description shall constitute a certificate of compliance as set forth in subdivision (d) of Section 66499.35 of the Government Code. Provided, however, where reference is made to a recorded parcel map and the approval of such map was conditioned upon the construction of specified offsite and onsite improvements as a precondition to the issuance of a permit or grant of approval for the development of such parcel and the construction of the improvements has not been completed as of the date of execution of the real property sales contract, then the statement shall expressly set forth all such required offsite and onsite improvements; or

(2) Was exempt from the provisions of the Subdivision Map Act and local ordinances adopted pursuant thereto, and in such event the statement shall expressly set forth the basis for such exemption; or

(3) Was the subject of a waiver of the provisions of the Subdivision Map Act and local ordinances adopted pursuant thereto, and in such event the contract shall have attached thereto a copy of the document issued by the local agency granting the waiver. Provided, however, where the granting of the waiver was conditioned upon the construction of specified offsite and onsite improvements as a precondition to the issuance of a permit or grant of approval for the development of the parcel and the construction of the improvements has not been completed as of the date of execution of the real property sales contract, then such statement shall expressly set forth all such required offsite and onsite improvements; or

(4) Was not subject to the provisions of the Subdivision Map Act and local ordinances adopted pursuant thereto, and in such event the statement shall expressly set forth the basis for the nonapplicability of the Subdivision Map Act to the division.

(b) Every real property sales contract entered into after January 1, 1978, where the real property that is the subject of such contract resulted from a division of real property occurring prior to January 1, 1978, shall:

(1) Contain or have attached thereto a signed statement by the vendor that the parcel or parcels which are the subject of the contract have been created in compliance with, or a waiver has been granted with respect to, the provisions of the Subdivision Map Act, Division 2 (commencing with Section 66410) of Title 7 of the Government Code and local ordinances adopted pursuant thereto, or any prior law regulating the division of land, or, were exempt from or not otherwise subject to any such law at the time of their creation. Provided, however, where the division creating the parcel or parcels being conveyed was by means of a parcel map, or in the event that a waiver of the provisions of the Subdivision Map Act has been granted, and the approval of the parcel map or the granting of the waiver was conditioned upon the construction of specified offsite and onsite improvements as a precondition to the issuance of a permit or grant of approval for the development of such parcel and the construction of the improvements has not been completed as of the date of execution of the real property sales contract, then such contract shall expressly set forth all such required offsite and onsite improvements.

(2) In lieu of the above, the vendor may include in the real property sales contract a description of the real property being conveyed as an entire lot or parcel by referencing the recorded final or parcel map creating the parcel or parcels being conveyed and such description shall

constitute a certificate of compliance as set forth in subdivision (d) of Section 66499.35 of the Government Code. Provided, however, where reference is made to a recorded parcel map, or in the event that a waiver of the provisions of the Subdivision Map Act has been granted, and the approval of the parcel map or the granting of the waiver was conditioned upon the construction of specified offsite and onsite improvements as a precondition to the issuance of a permit or grant of approval for the development of such parcel and the construction of the improvements has not been completed as of the date of execution of the real property sales contract, then such contract shall expressly set forth all such required offsite and onsite improvements.

(3) Notwithstanding paragraphs (1) and (2), in the event that the parcel or parcels which are the subject of the real property sales contract were not created in compliance with the provisions of the Subdivision Map Act, Division 2 (commencing with Section 66410) of Title 7 of the Government Code and local ordinances adopted pursuant thereto, or any other prior law regulating the division of land, and were not exempt from, or were otherwise subject to any such law at the time of their creation, the real property sales contract shall contain a statement signed by the vendor and vendee acknowledging such fact. In addition, the vendor shall attach to the real property sales contract a conditional certificate of compliance issued pursuant to Section 66499.35 of the Government Code.

(c) In the event that the parcel or parcels which are the subject of the real property sales contract are found not to have been created in compliance with, or a waiver has not been granted with respect to, the provisions of the Subdivision Map Act, Division 2 (commencing with Section 66410) of Title 7 of the Government Code, or any other prior law regulating the division of land nor to be exempt from, or otherwise subject to such laws and the

vendee has reasonably relied upon the statement of such compliance or exemption made by the vendor, or in the event that the vendor has failed to provide the conditional certificate of compliance as required by paragraph (3) of subdivision (b), and the vendor knew or should have known of the fact of such noncompliance, or lack of exemption, or the failure to provide the conditional certificate of compliance, the vendee, or his successor in interest, shall be entitled to: (1) recover from the vendor or his assigns the amount of all costs incurred by the vendee or his successor in interest in complying with all conditions imposed pursuant to Section 66499.35 of the Government Code; or, (2) the real property sales contract, at the sole option of the vendee, or his successor in interest, shall be voidable and in such event the vendee or his successor in interest shall be entitled to damages from the vendor or his assigns. For purposes of this section, damages shall mean all amounts paid under the real estate sales contract with interest thereon at the rate of 9 percent per annum, and in addition thereto a civil penalty in the amount of five hundred dollars (\$500) plus attorney's fees and costs. Any action to enforce the rights of a vendee or his successor in interest shall be commenced within one year of the date of discovery of the failure to comply with the provisions of this section.

(d) Any vendor who willfully violates the provisions of subdivision (a) of this section by knowingly providing a vendee with a false statement of compliance with, exemption from, waiver of, or nonapplicability of, the provisions of the Subdivision Map Act, with respect to the real property that is the subject of the real property sales contract, shall be guilty of a misdemeanor punishable by a fine of not to exceed one thousand dollars (\$1,000), or imprisonment for not to exceed six months, or both such fine and imprisonment.

(e) For purposes of this section a real property sales contract is an agreement wherein one party agrees to convey title to unimproved real property to another party upon the satisfaction of specified conditions set forth in the contract and which does not require conveyance of title

within one year from the date of formation of the contract. Unimproved real property means real property upon which no permanent structure intended for human occupancy or commercial use is located.

(f) The provisions of this section shall not apply to a real property sales contract which, by its terms, requires either a good faith downpayment and a single payment of the balance of the purchase price or a single payment of the purchase price upon completion of the contract, and the provisions of such contract do not require periodic payment of principal or interest.

2985.6. (a) A buyer shall be entitled to prepay all or any part of the balance due on any real property sales contract with respect to the sale of land which has been subdivided into a residential lot or lots which contain a dwelling for not more than four families entered into on or after January 1, 1969; provided, however, that the seller, by an agreement in writing with the buyer, may prohibit prepayment for up to a 12-month period following the sale.

(b) Any waiver by the buyer of the provisions of this section shall be deemed contrary to public policy and shall be unenforceable and void; provided, however, that any such waiver shall in no way affect the validity of the remainder of the contract.

CHAPTER 2e. CONTROLLED ESCROWS

2995. No real estate developer shall require as a condition precedent to the transfer of real property containing a single family residential dwelling that escrow services effectuating such transfer shall be provided by an escrow entity in which the real estate developer has a financial interest.

A real estate developer who violates the provisions of this section shall be liable to the purchaser of the real property in the amount of three times the amount charged for the escrow services, but in no event less than two hundred fifty dollars (\$250), plus reasonable attorney's fees and costs.

For purposes of this section “financial interest” means ownership or control of 5 percent or more of an escrow entity.

For purposes of this section “real estate developer” means a person or entity having an ownership interest in real property which is improved by such person or entity with single family residential dwellings which are offered for sale to the public.

For purposes of this section “escrow entity” includes a person, firm or corporation.

PART 5. COMMON INTEREST DEVELOPMENTS

CHAPTER 1. GENERAL PROVISIONS

Article 1. Preliminary Provisions

Davis-Stirling Common Interest Development Act

4000. This part shall be known and may be cited as the Davis-Stirling Common Interest Development Act. In a provision of this part, the part may be referred to as the act.

4005. Division, part, title, chapter, article, and section headings do not in any manner affect the scope, meaning, or intent of this act.

4010. Nothing in the act that added this part shall be construed to invalidate a document prepared or action taken before January 1, 2014, if the document or action was proper under the law governing common interest developments at the time that the document was prepared or the action was taken. For the purposes of this section, “document” does not include a governing document.

4020. Unless a contrary intent is clearly expressed, a local zoning ordinance is construed to treat like structures, lots, parcels, areas, or spaces in like manner regardless of the form of the common interest development.

4035. (a) If a provision of this act requires that a document be delivered to an association, the document shall be delivered to the person designated in the annual policy statement,

prepared pursuant to Section 5310, to receive documents on behalf of the association. If no person has been designated to receive documents, the document shall be delivered to the president or secretary of the association.

(b) A document delivered pursuant to this section may be delivered by any of the following methods:

(1) By email, facsimile, or other electronic means, if the association has assented to that method of delivery.

(2) By personal delivery, if the association has assented to that method of delivery. If the association accepts a document by personal delivery it shall provide a written receipt acknowledging delivery of the document.

(3) By first-class mail, postage prepaid, registered or certified mail, express mail, or overnight delivery by an express service center.

4040. (a) If a provision of this act requires that an association deliver a document by “individual delivery” or “individual notice,” the document shall be delivered by one of the following methods:

(1) First-class mail, postage prepaid, registered or certified mail, express mail, or overnight delivery by an express service carrier. The document shall be addressed to the recipient at the address last shown on the books of the association.

(2) Email, facsimile, or other electronic means, if the recipient has consented, in writing or by email, to that method of delivery. The consent may be revoked, in writing or by email, by the recipient.

(b) Upon receipt of a request by a member, pursuant to Section 5260, identifying a secondary address for delivery of notices of the following types, the association shall deliver an additional copy of those notices to the secondary address identified in the request:

(1) The documents to be delivered to the member pursuant to Article 7

(commencing with Section 5300) of Chapter 6.

(2) The documents to be delivered to the member pursuant to Article 2 (commencing with Section 5650) of Chapter 8, and Section 5710.

(c) For the purposes of this section, an unrecorded provision of the governing documents providing for a particular method of delivery does not constitute agreement by a member to that method of delivery.

4041. (a) An owner of a separate interest shall, on an annual basis, provide written notice to the association of all of the following:

(1) The address or addresses to which notices from the association are to be delivered.

(2) An alternate or secondary address to which notices from the association are to be delivered.

(3) The name and address of the owner's legal representative, if any, including any person with power of attorney or other person who can be contacted in the event of the owner's extended absence from the separate interest.

(4) Whether the separate interest is owner-occupied, is rented out, if the parcel is developed but vacant, or if the parcel is undeveloped land.

(b) The association shall solicit these annual notices of each owner and, at least 30 days prior to making its own required disclosure under Section 5300, shall enter the data into its books and records.

(c) If an owner fails to provide the notices set forth in paragraphs (1) and (2) of subdivision (a), the last address provided in writing by the owner or, if none, the property address shall be deemed to be the address to which notices are to be delivered.

(d) To the extent that interests regulated in Chapter 2 (commencing with Section 11210) of Part 2 of Division 4 of the Business and Professions Code are part of a mixed-use

project where those interests comprise a portion of a common interest development, the association, as defined in Section 4040, shall be deemed compliant with this section if, at least once annually, it obtains from the time-share plan association a copy of the list described in subdivision (e) of Section 11273 of the Business and Professions Code, and enters the data into its books and records.

Notwithstanding subdivision (e) of Section 11273 of the Business and Professions Code, the time-share plan association shall provide the list to the association at least annually for this purpose.

4045. (a) If a provision of this act requires "general delivery" or "general notice," the document shall be provided by one or more of the following methods:

(1) Any method provided for delivery of an individual notice pursuant to Section 4040.

(2) Inclusion in a billing statement, newsletter, or other document that is delivered by one of the methods provided in this section.

(4) If the association broadcasts television programming for the purpose of distributing information on association business to its members, by inclusion in the programming.

(b) Notwithstanding subdivision (a), if a member requests to receive general notices by individual delivery, all general notices to that member, given under this section, shall be delivered pursuant to Section 4040. The option provided in this subdivision shall be described in the annual policy statement, prepared pursuant to Section 5310.

4050. (a) This section governs the delivery of a document pursuant to this act.

(b) If a document is delivered by mail, delivery is deemed to be complete on deposit into the United States mail.

(c) If a document is delivered by electronic means, delivery is complete at the time of transmission.

4055. If the association or a member has consented to receive information by electronic delivery, and a provision of this act requires that the information be in writing, that requirement is satisfied if the information is provided in an electronic record capable of retention by the recipient at the time of receipt. An electronic record is not capable of retention by the recipient if the sender or its information processing system inhibits the ability of the recipient to print or store the electronic record.

4065. If a provision of this act requires that an action be approved by a majority of all members, the action shall be approved or ratified by an affirmative vote of a majority of the votes entitled to be cast.

4070. If a provision of this act requires that an action be approved by a majority of a quorum of the members, the action shall be approved or ratified by an affirmative vote of a majority of the votes represented and voting in a duly held election in which a quorum is represented, which affirmative votes also constitute a majority of the required quorum.

4202. This part does not apply to a commercial or industrial common interest development, as defined in Section 6531.

CHAPTER 3. GOVERNING DOCUMENTS

Article 1. General Provisions

4205. (a) To the extent of any conflict between the governing documents and the law, the law shall prevail.

(b) To the extent of any conflict between the articles of incorporation and the declaration, the declaration shall prevail.

(c) To the extent of any conflict between the bylaws and the articles of incorporation or declaration, the articles of incorporation or declaration shall prevail.

(d) To the extent of any conflict between the operating rules and the bylaws, articles of incorporation, or declaration, the bylaws, articles of incorporation, or declaration shall prevail.

4210. In order to facilitate the collection of regular assessments, special assessments, transfer fees as authorized by Sections 4530, 4575, and 4580, and similar charges, the board is authorized to record a statement or amended statement identifying relevant information for the association. This statement may include any or all of the following information:

(b) The name and address of a managing agent or treasurer of the association or other individual or entity authorized to receive assessments and fees imposed by the association.

Nothing in Article 3 (commencing with Section 715) of Chapter 2 of Title 2 of Part 1 of Division 2 shall operate to invalidate any provisions of the governing documents.

4220. In interpreting deeds and condominium plans, the existing physical boundaries of a unit in a condominium project, when the boundaries of the unit are contained within a building, or of a unit reconstructed in substantial accordance with the original plans thereof, shall be conclusively presumed to be its boundaries rather than the metes and bounds expressed in the deed or condominium plan, if any exists, regardless of settling or lateral movement of the building and regardless of minor variance between boundaries shown on the plan or in the deed and those of the building.

4225. (a) No declaration or other governing document shall include a restrictive covenant in violation of Section 12955 of the Government Code.

(b) Notwithstanding any other provision of law or provision of the governing documents, the board, without approval of the members, shall amend any declaration or other governing document that includes a restrictive covenant prohibited by this section to delete the restrictive covenant, and shall restate the declaration or other governing document without the restrictive covenant but with no

other change to the declaration or governing document.

(c) If the declaration is amended under this section, the board shall record the restated declaration in each county in which the common interest development is located. If the articles of incorporation are amended under this section, the board shall file a certificate of amendment with the Secretary of State pursuant to Section 7814 of the Corporations Code.

(d) If after providing written notice to an association, pursuant to Section 4035, requesting that the association delete a restrictive covenant that violates subdivision (a), and the association fails to delete the restrictive covenant within 30 days of receiving the notice, the Department of Fair Employment and Housing, a city or county in which a common interest development is located, or any person may bring an action against the association for injunctive relief to enforce subdivision (a). The court may award attorney's fees to the prevailing party.

4230. (a) Notwithstanding any provision of the governing documents to the contrary, the board may, after the developer has completed construction of the development, has terminated construction activities, and has terminated marketing activities for the sale, lease, or other disposition of separate interests within the development, adopt an amendment deleting from any of the governing documents any provision which is unequivocally designed and intended, or which by its nature can only have been designed or intended, to facilitate the developer in completing the construction or marketing of the development. However, provisions of the governing documents relative to a particular construction or marketing phase of the development may not be deleted under the authorization of this subdivision until that construction or marketing phase has been completed.

(b) The provisions which may be deleted by action of the board shall be limited to those which provide for access by the developer over or across the common area for the purposes of

(1) completion of construction of the development, and (2) the erection, construction, or maintenance of structures or other facilities designed to facilitate the completion of construction or marketing of separate interests.

(c) At least 30 days prior to taking action pursuant to subdivision (a), the board shall deliver to all members, by individual delivery, pursuant to Section 4040, (1) a copy of all amendments to the governing documents proposed to be adopted under subdivision (a), and (2) a notice of the time, date, and place the board will consider adoption of the amendments. The board may consider adoption of amendments to the governing documents pursuant to subdivision (a) only at a meeting that is open to all members, who shall be given opportunity to make comments thereon. All deliberations of the board on any action proposed under subdivision (a) shall only be conducted in an open meeting.

(d) The board may not amend the governing documents pursuant to this section without the approval of a majority of a quorum of the members, pursuant to Section 4070. For the purposes of this section, “quorum” means more than 50 percent of the members who own no more than two separate interests in the development.

4235. (a) Notwithstanding any other provision of law or provision of the governing documents, if the governing documents include a reference to a provision of the Davis-Stirling Common Interest Development Act that was repealed and continued in a new provision by the act that added this section, the board may amend the governing documents, solely to correct the cross-reference, by adopting a board resolution that shows the correction. Member approval is not required in order to adopt a resolution pursuant to this section.

(b) A declaration that is corrected under this section may be restated in corrected form and recorded, provided that a copy of the board resolution authorizing the corrections is recorded along with the restated declaration.

Article 2. Declaration

4250. (a) A declaration, recorded on or after January 1, 1986, shall contain a legal description of the common interest development, and a statement that the common interest development is a community apartment project, condominium project, planned development, stock cooperative, or combination thereof. The declaration shall additionally set forth the name of the association and the restrictions on the use or enjoyment of any portion of the common interest development that are intended to be enforceable equitable servitudes.

(b) The declaration may contain any other matters the declarant or the members consider appropriate.

4255. (a) If a common interest development is located within an airport influence area, a declaration, recorded after January 1, 2004, shall contain the following statement:

“NOTICE OF AIRPORT IN VICINITY

This property is presently located in the vicinity of an airport, within what is known as an airport influence area. For that reason, the property may be subject to some of the annoyances or inconveniences associated with proximity to airport operations (for example: noise, vibration, or odors). Individual sensitivities to those annoyances can vary from person to person. You may wish to consider what airport annoyances, if any, are associated with the property before you complete your purchase and determine whether they are acceptable to you.”

(b) For purposes of this section, an “airport influence area,” also known as an “airport referral area,” is the area in which current or future airport-related noise, overflight, safety, or airspace protection factors may significantly affect land uses or necessitate restrictions on those uses as determined by an airport land use commission.

(c) If a common interest development is within the San Francisco Bay Conservation and Development Commission jurisdiction, as

described in Section 66610 of the Government Code, a declaration recorded on or after January 1, 2006, shall contain the following notice:

“NOTICE OF SAN FRANCISCO BAY
CONSERVATION AND DEVELOPMENT
COMMISSION JURISDICTION

This property is located within the jurisdiction of the San Francisco Bay Conservation and Development Commission. Use and development of property within the commission’s jurisdiction may be subject to special regulations, restrictions, and permit requirements. You may wish to investigate and determine whether they are acceptable to you and your intended use of the property before you complete your transaction.”

(d) The statement in a declaration acknowledging that a property is located in an airport influence area or within the jurisdiction of the San Francisco Bay Conservation and Development Commission does not constitute a title defect, lien, or encumbrance.

4260. Except to the extent that a declaration provides by its express terms that it is not amendable, in whole or in part, a declaration that fails to include provisions permitting its amendment at all times during its existence may be amended at any time.

4265. (a) The Legislature finds that there are common interest developments that have been created with deed restrictions that do not provide a means for the members to extend the term of the declaration. The Legislature further finds that covenants and restrictions contained in the declaration, are an appropriate method for protecting the common plan of developments and to provide for a mechanism for financial support for the upkeep of common area including, but not limited to, roofs, roads, heating systems, and recreational facilities. If declarations terminate prematurely, common interest developments may deteriorate and the housing supply of affordable units could be impacted adversely. The Legislature further finds and declares that it is in the public interest to provide a vehicle for extending the term of

the declaration if the extension is approved by a majority of all members, pursuant to Section 4065.

(b) A declaration that specifies a termination date, but that contains no provision for extension of the termination date, may be extended, before its termination date, by the approval of members pursuant to Section 4270.

(c) No single extension of the terms of the declaration made pursuant to this section shall exceed the initial term of the declaration or 20 years, whichever is less. However, more than one extension may occur pursuant to this section.

4270. (a) A declaration may be amended pursuant to the declaration or this act. Except where an alternative process for approving, certifying, or recording an amendment is provided in Section 4225, 4230, 4235, or 4275, an amendment is effective after all of the following requirements have been met:

(1) The amendment has been approved by the percentage of members required by the declaration and any other person whose approval is required by the declaration.

(2) That fact has been certified in a writing executed and acknowledged by the officer designated in the declaration or by the association for that purpose, or if no one is designated, by the president of the association.

(3) The amendment has been recorded in each county in which a portion of the common interest development is located.

(b) If the declaration does not specify the percentage of members who must approve an amendment of the declaration, an amendment may be approved by a majority of all members, pursuant to Section 4065.

4275. (a) If in order to amend a declaration, the declaration requires members having more than 50 percent of the votes in the association, in a single class voting structure, or members having more than 50 percent of the votes in more than one class in a voting structure with more than one class, to vote in favor of the

amendment, the association, or any member, may petition the superior court of the county in which the common interest development is located for an order reducing the percentage of the affirmative votes necessary for such an amendment. The petition shall describe the effort that has been made to solicit approval of the association members in the manner provided in the declaration, the number of affirmative and negative votes actually received, the number or percentage of affirmative votes required to effect the amendment in accordance with the existing declaration, and other matters the petitioner considers relevant to the court's determination. The petition shall also contain, as exhibits thereto, copies of all of the following:

- (1) The governing documents.
 - (2) A complete text of the amendment.
 - (3) Copies of any notice and solicitation materials utilized in the solicitation of member approvals.
 - (4) A short explanation of the reason for the amendment.
 - (5) Any other documentation relevant to the court's determination.
- (b) Upon filing the petition, the court shall set the matter for hearing and issue an ex parte order setting forth the manner in which notice shall be given.
- (c) The court may, but shall not be required to, grant the petition if it finds all of the following:
- (1) The petitioner has given not less than 15 days written notice of the court hearing to all members of the association, to any mortgagee of a mortgage or beneficiary of a deed of trust who is entitled to notice under the terms of the declaration, and to the city, county, or city and county in which the common interest development is located that is entitled to notice under the terms of the declaration.
 - (2) Balloting on the proposed amendment was conducted in accordance with the

governing documents, this act, and any other applicable law.

(3) A reasonably diligent effort was made to permit all eligible members to vote on the proposed amendment.

(4) Members having more than 50 percent of the votes, in a single class voting structure, voted in favor of the amendment. In a voting structure with more than one class, where the declaration requires a majority of more than one class to vote in favor of the amendment, members having more than 50 percent of the votes of each class required by the declaration to vote in favor of the amendment voted in favor of the amendment.

(5) The amendment is reasonable.

(6) Granting the petition is not improper for any reason stated in subdivision (e).

(d) If the court makes the findings required by subdivision (c), any order issued pursuant to this section may confirm the amendment as being validly approved on the basis of the affirmative votes actually received during the balloting period or the order may dispense with any requirement relating to quorums or to the number or percentage of votes needed for approval of the amendment that would otherwise exist under the governing documents.

(e) Subdivisions (a) to (d), inclusive, notwithstanding, the court shall not be empowered by this section to approve any amendment to the declaration that:

- (1) Would change provisions in the declaration requiring the approval of members having more than 50 percent of the votes in more than one class to vote in favor of an amendment, unless members having more than 50 percent of the votes in each affected class approved the amendment.
- (2) Would eliminate any special rights, preferences, or privileges designated in the declaration as belonging to the declarant, without the consent of the declarant.

(3) Would impair the security interest of a mortgagee of a mortgage or the beneficiary of a deed of trust without the approval of the percentage of the mortgagees and beneficiaries specified in the declaration, if the declaration requires the approval of a specified percentage of the mortgagees and beneficiaries.

(f) An amendment is not effective pursuant to this section until the court order and amendment have been recorded in every county in which a portion of the common interest development is located. The amendment may be acknowledged by, and the court order and amendment may be recorded by, any person designated in the declaration or by the association for that purpose, or if no one is designated for that purpose, by the president of the association. Upon recordation of the amendment and court order, the declaration, as amended in accordance with this section, shall have the same force and effect as if the amendment were adopted in compliance with every requirement imposed by the governing documents.

(g) Within a reasonable time after the amendment is recorded the association shall deliver to each member, by individual delivery, pursuant to Section 4040, a copy of the amendment, together with a statement that the amendment has been recorded.

Article 3. Articles of Incorporation

4280. (a) The articles of incorporation of an association filed with the Secretary of State shall include a statement, which shall be in addition to the statement of purposes of the corporation, that does all of the following:

- (1) Identifies the corporation as an association formed to manage a common interest development under the Davis-Stirling Common Interest Development Act.
- (2) States the business or corporate office of the association, if any, and, if the office is not on the site of the common interest development, states the front street and

nearest cross street for the physical location of the common interest development.

(3) States the name and address of the association's managing agent, if any.

(b) The statement filed by an incorporated association with the Secretary of State pursuant to Section 8210 of the Corporations Code shall also contain a statement identifying the corporation as an association formed to manage a common interest development under the Davis-Stirling Common Interest Development Act.

(c) Documents filed prior to January 1, 2014, in compliance with former Section 1363.5, as it read on January 1, 2013, are deemed to be in compliance with this section.

Article 4. Condominium Plan

4285. A condominium plan shall contain all of the following:

(a) A description or survey map of a condominium project, which shall refer to or show monumentation on the ground.

(b) A three-dimensional description of a condominium project, one or more dimensions of which may extend for an indefinite distance upwards or downwards, in sufficient detail to identify the common area and each separate interest.

(c) A certificate consenting to the recordation of the condominium plan pursuant to this act that is signed and acknowledged as provided in Section 4290.

4290. (a) The certificate consenting to the recordation of a condominium plan that is required by subdivision (c) of Section 4285 shall be signed and acknowledged by all of the following persons:

- (1) The record owner of fee title to that property included in the condominium project.
- (2) In the case of a condominium project that will terminate upon the termination of an estate for years, by all lessors and lessees of the estate for years.

(3) In the case of a condominium project subject to a life estate, by all life tenants and remainder interests.

(4) The trustee or the beneficiary of each recorded deed of trust, and the mortgagee of each recorded mortgage encumbering the property.

(b) Owners of mineral rights, easements, rights-of-way, and other nonpossessory interests do not need to sign the certificate.

(c) In the event a conversion to condominiums of a community apartment project or stock cooperative has been approved by the required number of owners, trustees, beneficiaries, and mortgagees pursuant to Section 66452.10 of the Government Code, the certificate need only be signed by those owners, trustees, beneficiaries, and mortgagees approving the conversion.

4295. A condominium plan may be amended or revoked by a recorded instrument that is acknowledged and signed by all the persons who, at the time of amendment or revocation, are persons whose signatures are required under Section 4290.

Article 5. Operating Rules

4340. For the purposes of this article:

(a) “Operating rule” means a regulation adopted by the board that applies generally to the management and operation of the common interest development or the conduct of the business and affairs of the association.

(b) “Rule change” means the adoption, amendment, or repeal of an operating rule by the board.

4350. An operating rule is valid and enforceable only if all of the following requirements are satisfied:

(a) The rule is in writing.

(b) The rule is within the authority of the board conferred by law or by the declaration, articles of incorporation or association, or bylaws of the association.

(c) The rule is not in conflict with governing law and the declaration, articles of

incorporation or association, or bylaws of the association.

(d) The rule is adopted, amended, or repealed in good faith and in substantial compliance with the requirements of this article.

(e) The rule is reasonable.

4355. (a) Sections 4360 and 4365 only apply to an operating rule that relates to one or more of the following subjects:

(1) Use of the common area or of an exclusive use common area.

(2) Use of a separate interest, including any aesthetic or architectural standards that govern alteration of a separate interest.

(3) Member discipline, including any schedule of monetary penalties for violation of the governing documents and any procedure for the imposition of penalties.

(4) Any standards for delinquent assessment payment plans.

(5) Any procedures adopted by the association for resolution of disputes.

(6) Any procedures for reviewing and approving or disapproving a proposed physical change to a member’s separate interest or to the common area.

(7) Procedures for elections.

(b) Sections 4360 and 4365 do not apply to the following actions by the board:

(1) A decision regarding maintenance of the common area.

(2) A decision on a specific matter that is not intended to apply generally.

(3) A decision setting the amount of a regular or special assessment.

(4) A rule change that is required by law, if the board has no discretion as to the substantive effect of the rule change.

(5) Issuance of a document that merely repeats existing law or the governing documents.

4360. (a) The board shall provide general notice pursuant to Section 4045 of a proposed rule change at least 28 days before making the rule change. The notice shall include the text of the proposed rule change and a description of the purpose and effect of the proposed rule change. Notice is not required under this subdivision if the board determines that an immediate rule change is necessary to address an imminent threat to public health or safety or imminent risk of substantial economic loss to the association.

(b) A decision on a proposed rule change shall be made at a board meeting, after consideration of any comments made by association members.

(c) As soon as possible after making a rule change, but not more than 15 days after making the rule change, the board shall deliver general notice pursuant to Section 4045 of the rule change. If the rule change was an emergency rule change made under subdivision (d), the notice shall include the text of the rule change, a description of the purpose and effect of the rule change, and the date that the rule change expires.

(d) If the board determines that an immediate rule change is required to address an imminent threat to public health or safety, or an imminent risk of substantial economic loss to the association, it may make an emergency rule change, and no notice is required, as specified in subdivision (a). An emergency rule change is effective for 120 days, unless the rule change provides for a shorter effective period. A rule change made under this subdivision may not be readopted under this subdivision.

4365. (a) Members of an association owning 5 percent or more of the separate interests may call a special vote of the members to reverse a rule change.

(b) A special vote of the members may be called by delivering a written request to the association. Not less than 35 days nor more than 90 days after receipt of a proper request, the association shall hold a vote of the members on whether to reverse the rule change, pursuant

to Article 4 (commencing with Section 5100) of Chapter 6. The written request may not be delivered more than 30 days after the association gives general notice of the rule change, pursuant to Section 4045.

(c) For the purposes of Section 5225 of this code and Section 8330 of the Corporations Code, collection of signatures to call a special vote under this section is a purpose reasonably related to the interests of the members of the association. A member request to copy or inspect the membership list solely for that purpose may not be denied on the grounds that the purpose is not reasonably related to the member's interests as a member.

(d) The rule change may be reversed by the affirmative vote of a majority of a quorum of the members, pursuant to Section 4070, or if the declaration or bylaws require a greater percentage, by the affirmative vote of the percentage required.

(e) Unless otherwise provided in the declaration or bylaws, for the purposes of this section, a member may cast one vote per separate interest owned.

(f) A rule change reversed under this section may not be readopted for one year after the date of the vote reversing the rule change. Nothing in this section precludes the board from adopting a different rule on the same subject as the rule change that has been reversed.

(g) As soon as possible after the close of voting, but not more than 15 days after the close of voting, the board shall provide general notice pursuant to Section 4045 of the results of the member vote.

(h) This section does not apply to an emergency rule change made under subdivision (d) of Section 4360.

4370. (a) This article applies to a rule change commenced on or after January 1, 2004.

(b) Nothing in this article affects the validity of a rule change commenced before January 1, 2004.

(c) For the purposes of this section, a rule change is commenced when the board takes its first official action leading to adoption of the rule change.

CHAPTER 4. OWNERSHIP AND TRANSFER OF INTERESTS

Article 1. Ownership Rights and Interests

4500. Unless the declaration otherwise provides, in a condominium project, or in a planned development in which the common area is owned by the owners of the separate interests, the common area is owned as tenants in common, in equal shares, one for each separate interest.

4505. Unless the declaration otherwise provides:

(a) In a community apartment project and condominium project, and in those planned developments with common area owned in common by the owners of the separate interests, there are appurtenant to each separate interest nonexclusive rights of ingress, egress, and support, if necessary, through the common area. The common area is subject to these rights.

(b) In a stock cooperative, and in a planned development with common area owned by the association, there is an easement for ingress, egress, and support, if necessary, appurtenant to each separate interest. The common area is subject to these easements.

4510. Except as otherwise provided in law, an order of the court, or an order pursuant to a final and binding arbitration decision, an association may not deny a member or occupant physical access to the member's or occupant's separate interest, either by restricting access through the common area to the separate interest, or by restricting access solely to the separate interest.

Article 2. Transfer Disclosure

4525. (a) The owner of a separate interest shall provide the following documents to a prospective purchaser of the separate interest, as soon as practicable before the transfer of title

or the execution of a real property sales contract, as defined in Section 2985:

(1) A copy of all governing documents. If the association is not incorporated, this shall include a statement in writing from an authorized representative of the association that the association is not incorporated.

(2) If there is a restriction in the governing documents limiting the occupancy, residency, or use of a separate interest on the basis of age in a manner different from that provided in Section 51.3, a statement that the restriction is only enforceable to the extent permitted by Section 51.3 and a statement specifying the applicable provisions of Section 51.3.

(3) A copy of the most recent documents distributed pursuant to Article 7 (commencing with Section 5300) of Chapter 6.

(4) A true statement in writing obtained from an authorized representative of the association as to the amount of the association's current regular and special assessments and fees, any assessments levied upon the owner's interest in the common interest development that are unpaid on the date of the statement, and any monetary fines or penalties levied upon the owner's interest and unpaid on the date of the statement. The statement obtained from an authorized representative shall also include true information on late charges, interest, and costs of collection which, as of the date of the statement, are or may be made a lien upon the owner's interest in a common interest development pursuant to Article 2 (commencing with Section 5650) of Chapter 8.

(5) A copy or a summary of any notice previously sent to the owner pursuant to Section 5855 that sets forth any alleged violation of the governing documents that remains unresolved at the time of the request. The notice shall not be deemed a waiver of the association's right to enforce the governing documents against the owner

or the prospective purchaser of the separate interest with respect to any violation. This paragraph shall not be construed to require an association to inspect an owner's separate interest.

(6) A copy of the initial list of defects provided to each member pursuant to Section 6000, unless the association and the builder subsequently enter into a settlement agreement or otherwise resolve the matter and the association complies with Section 6100. Disclosure of the initial list of defects pursuant to this paragraph does not waive any privilege attached to the document. The initial list of defects shall also include a statement that a final determination as to whether the list of defects is accurate and complete has not been made.

(7) A copy of the latest information provided for in Section 6100.

(8) Any change in the association's current regular and special assessments and fees which have been approved by the board,

but have not become due and payable as of the date disclosure is provided pursuant to this subdivision.

(9) If there is a provision in the governing documents that prohibits the rental or leasing of any of the separate interests in the common interest development to a renter, lessee, or tenant, a statement describing the prohibition.

(10) If requested by the prospective purchaser, a copy of the minutes of board meetings, excluding meetings held in executive session, conducted over the previous 12 months, that were approved by the board.

(b) This section does not apply to an owner that is subject to Section 11018.6 of the Business and Professions Code

(b) (1) The association may collect a reasonable fee from the seller based upon the association's actual cost for the procurement, preparation, reproduction, and delivery of the documents requested pursuant to this section. An additional fee shall not be charged for the electronic delivery in lieu of a hard copy delivery of the documents requested.

(ii) The request was canceled in writing and any work that had been performed on the order was compensated.

(B) The association shall refund all fees collected pursuant to paragraph (1) if the request was canceled in writing and work had not yet been performed on the order.

(C) If the request was canceled in writing, the association shall refund the share of fees collected pursuant to paragraph (1) that represents the portion of the work not performed on the order.

(4) Fees for any documents required by this section shall be distinguished from, separately stated, and separately billed from, all other fees, fines, or assessments billed as part of the transfer or sales transaction.

(5) Any documents not expressly required by Section 4525 to be provided to a prospective purchaser by the seller shall not be included in the document disclosure required by this section. Bundling of documents required to be provided pursuant to this section with other documents relating to the transaction is prohibited.

(6) A seller shall provide to the prospective purchaser, at no cost, current copies of any documents specified by Section 4525 that are in the possession of the seller.

(7) The fee for each document provided to the seller for the purpose of transmission to the prospective purchaser shall be individually itemized in the statement

required to be provided by the seller to the prospective purchaser.

(8) It is the responsibility of the seller to compensate the association, person, or entity that provides the documents required to be provided by Section 4525 to the prospective purchaser.

(c) An association may contract with any person or entity to facilitate compliance with this section on behalf of the association.

(d) The association shall also provide a recipient authorized by the owner of a separate interest with a copy of the completed form specified in Section 4528 at the time the required documents are delivered. A seller may request to purchase some or all of these documents, but shall not be required to purchase all of the documents listed on the form specified in Section 4528.

4535. In addition to the requirements of this article, an owner transferring title to a separate interest shall comply with applicable requirements of Sections 1133 and 1134.

4540. Any person who willfully violates this article is liable to the purchaser of a separate interest that is subject to this section for actual damages occasioned thereby and, in addition, shall pay a civil penalty in an amount not to exceed five hundred dollars (\$500). In an action to enforce this liability, the prevailing party shall be awarded reasonable attorney's fees.

4545. Nothing in this article affects the validity of title to real property transferred in violation of this article.

Article 3. Transfer Fee

4575. Except as provided in Section 4580, neither an association nor a community service organization or similar entity may impose or collect any assessment, penalty, or fee in connection with a transfer of title or any other interest except for the following:

(a) An amount not to exceed the association's actual costs to change its records.

(b) An amount authorized by Section 4530.

4580. The prohibition in Section 4575 does not apply to a community service organization or similar entity, or to a nonprofit entity that provides services to a common interest development under a declaration of trust, of either of the following types:

(a) An organization or entity that satisfies both of the following conditions:

(1) It was established before February 20, 2003.

(2) It exists and operates, in whole or in part, to fund or perform environmental mitigation or to restore or maintain wetlands or native habitat, as required by the state or local government as an express written condition of development.

(b) An organization or entity that satisfies all of the following conditions:

(1) It is not an organization or entity described by subdivision (a).

(2) It was established and received a transfer fee before January 1, 2004.

(3) On and after January 1, 2006, it offers a purchaser the following payment options for the fee or charge it collects at time of transfer:

(A) Paying the fee or charge at the time of transfer.

(B) Paying the fee or charge pursuant to an installment payment plan for a period of not less than seven years. If the purchaser elects to pay the fee or charge in installment payments, the organization or entity may also collect additional amounts that do not exceed the actual costs for billing and financing on the amount owed. If the purchaser sells the separate interest before the end of the installment payment plan period, the purchaser shall pay the remaining balance before the transfer.

Article 4. Restrictions on Transfer

4600. (a) Unless the governing documents specify a different percentage, the affirmative vote of members owning at least 67 percent of the separate interests in the common interest development shall be required before the board may grant exclusive use of any portion of the common area to a member.

(b) Subdivision (a) does not apply to the following actions:

(1) A reconveyance of all or any portion of that common area to the subdivider to enable the continuation of development that is in substantial conformance with a detailed plan of phased development submitted to the Real Estate Commissioner with the application for a public report.

(2) Any grant of exclusive use that is in substantial conformance with a detailed plan of phased development submitted to the Real Estate Commissioner with the application for a public report or in accordance with the governing documents approved by the Real Estate Commissioner.

(3) Any grant of exclusive use that is for any of the following reasons:

(A) To eliminate or correct engineering errors in documents recorded with the county recorder or on file with a public agency or utility company.

(B) To eliminate or correct encroachments due to errors in construction of any improvements.

(C) To permit changes in the plan of development submitted to the Real Estate Commissioner in circumstances where the changes are the result of topography, obstruction, hardship, aesthetic considerations, or environmental conditions.

(D) To fulfill the requirement of a public agency.

(E) To transfer the burden of management and maintenance of any common area that is generally inaccessible and not of general use to the membership at large of the association.

(F) To accommodate a disability.

(G) To assign a parking space, storage unit, or other amenity, that is designated in the declaration for assignment, but is not assigned by the declaration to a specific separate interest.

(H) To install and use an electric vehicle charging station in an owner's garage or a designated parking space that meets the requirements of Section 4745, where the installation or use of the charging station requires reasonable access through, or across, the common area for utility lines or meters.

(I) To install and use an electric vehicle charging station through a license granted by an association under Section 4745.

(J) To install and use a solar energy system on the common area roof of a residence that meets the requirements of Sections 714, 714.1, and, if applicable, Section 4746.

(K) To comply with governing law.

(c) Any measure placed before the members requesting that the board grant exclusive use of any portion of the common area shall specify whether the association will receive any monetary consideration for the grant and whether the association or the transferee will be responsible for providing any insurance coverage for exclusive use of the common area.

4605. (a) A member of an association may bring a civil action for declaratory or equitable relief for a violation of Section 4600 by the association, including, but not limited to, injunctive relief, restitution, or a combination

thereof, within one year of the date the cause of action accrues.

(b) A member who prevails in a civil action to enforce the member's rights pursuant to Section 4600 shall be entitled to reasonable attorney's fees and court costs, and the court may impose a civil penalty of up to five hundred dollars (\$500) for each violation, except that each identical violation shall be subject to only one penalty if the violation affects each member equally. A prevailing association shall not recover any costs, unless the court finds the action to be frivolous, unreasonable, or without foundation.

4610. (a) Except as provided in this section, the common area in a condominium project shall remain undivided, and there shall be no judicial partition thereof. Nothing in this section shall be deemed to prohibit partition of a cotenancy in a condominium.

(b) The owner of a separate interest in a condominium project may maintain a partition action as to the entire project as if the owners of all of the separate interests in the project were tenants in common in the entire project in the same proportion as their interests in the common area. The court shall order partition under this subdivision only by sale of the entire condominium project and only upon a showing of one of the following:

(1) More than three years before the filing of the action, the condominium project was damaged or destroyed, so that a material part was rendered unfit for its prior use, and the condominium project has not been rebuilt or repaired substantially to its state prior to the damage or destruction.

(2) Three-fourths or more of the project is destroyed or substantially damaged and owners of separate interests holding in the aggregate more than a 50-percent interest in the common area oppose repair or restoration of the project.

(3) The project has been in existence more than 50 years, is obsolete and uneconomic, and owners of separate interests holding in the aggregate more than a 50-percent

interest in the common area oppose repair or restoration of the project.

(4) Any conditions in the declaration for sale under the circumstances described in this subdivision have been met.

4615. (a) In a common interest development, no labor performed or services or materials furnished with the consent of, or at the request of, an owner in the common interest development or the owners' agent or contractor shall be the basis for the filing of a lien against any other property of another owner in the common interest development unless that other owner has expressly consented to or requested the performance of the labor or furnishing of the materials or services. However, express consent is deemed to have been given by the owner of any separate interest in the case of emergency repairs thereto.

(b) Labor performed or services or materials furnished for the common area, if duly authorized by the association, are deemed to be performed or furnished with the express consent of each separate interest owner.

(c) The owner of any separate interest may remove that owner's separate interest from a lien against two or more separate interests or any part thereof by doing either of the following:

(1) Pay to the holder of the lien the fraction of the total sum secured by the lien that is attributable to the owner's separate interest.

(2) Record a lien release bond, pursuant to Section 8424, in an amount equal to 125 percent of the sum secured by the lien that is attributable to the owner's separate interest.

4620. If the association is served with a claim of lien pursuant to Part 6 (commencing with Section 8000) for a work of improvement on a common area, the association shall, within 60 days of service, give individual notice to the members, pursuant to Section 4040.

Article 5. Transfer of Separate Interest

4625. In a community apartment project, any conveyance, judicial sale, or other voluntary or involuntary transfer of the separate interest includes the undivided interest in the community apartment project. Any conveyance, judicial sale, or other voluntary or involuntary transfer of the owner's entire estate also includes the owner's membership interest in the association.

4630. In a condominium project the common area is not subject to partition, except as provided in Section 4610. Any conveyance, judicial sale, or other voluntary or involuntary transfer of the separate interest includes the undivided interest in the common area. Any conveyance, judicial sale, or other voluntary or involuntary transfer of the owner's entire estate also includes the owner's membership interest in the association.

4635. In a planned development, any conveyance, judicial sale, or other voluntary or involuntary transfer of the separate interest includes the undivided interest in the common area, if any exists. Any conveyance, judicial sale, or other voluntary or involuntary transfer of the owner's entire estate also includes the owner's membership interest in the association.

4640. In a stock cooperative, any conveyance, judicial sale, or other voluntary or involuntary transfer of the separate interest includes the ownership interest in the corporation, however evidenced. Any conveyance, judicial sale, or other voluntary or involuntary transfer of the owner's entire estate also includes the owner's membership interest in the association.

4645. Nothing in this article prohibits the transfer of exclusive use areas, independent of any other interest in a common interest subdivision, if authorization to separately transfer exclusive use areas is expressly stated in the declaration and the transfer occurs in accordance with the terms of the declaration.

4650. Any restrictions upon the severability of the component interests in real property which are contained in the declaration shall not be deemed conditions repugnant to the interest

created within the meaning of Section 711. However, these restrictions shall not extend beyond the period in which the right to partition a project is suspended under Section 4610.

CHAPTER 5. PROPERTY USE AND MAINTENANCE

Article 1. Protected Uses

4700. This article includes provisions that limit the authority of an association or the governing documents to regulate the use of a member's separate interest. Nothing in this article is intended to affect the application of any other provision that limits the authority of an association to regulate the use of a member's separate interest, including, but not limited to, the following provisions:

(a) Sections 712 and 713, relating to the display of signs.

(b) Sections 714 and 714.1, relating to solar energy systems.

(c) Section 714.5, relating to structures that are constructed offsite and moved to the property in sections or modules.

(d) Sections 782, 782.5, and 6150 of this code and Section 12956.1 of the Government Code, relating to racial restrictions.

(e) Section 12927 of the Government Code, relating to the modification of property to accommodate a disability.

(f) Section 1597.40 of the Health and Safety Code, relating to the operation of a family day care home.

4705. (a) Except as required for the protection of the public health or safety, no governing document shall limit or prohibit, or be construed to limit or prohibit, the display of the flag of the United States by a member on or in the member's separate interest or within the member's exclusive use common area.

(b) For purposes of this section, "display of the flag of the United States" means a flag of the United States made of fabric, cloth, or paper displayed from a staff or pole or in a window, and does not mean a depiction or emblem of the

flag of the United States made of lights, paint, roofing, siding, paving materials, flora, or balloons, or any other similar building, landscaping, or decorative component.

(c) In any action to enforce this section, the prevailing party shall be awarded reasonable attorney's fees and costs.

4706. (a) Except as restricted in Section 1940.5, no governing document shall limit or prohibit the display of one or more religious items on the entry door or entry door frame of the member's separate interest.

(b) If an association is performing maintenance, repair, or replacement of an entry door or door frame that serves a member's separate interest, the member may be required to remove a religious item during the time the work is being performed. After completion of the association's work, the member may again display or affix the religious item. The association shall provide individual notice to the member regarding the temporary removal of the religious item.

4710. (a) The governing documents may not prohibit posting or displaying of noncommercial signs, posters, flags, or banners on or in a member's separate interest, except as required for the protection of public health or safety or if the posting or display would violate a local, state, or federal law.

(b) For purposes of this section, a noncommercial sign, poster, flag, or banner may be made of paper, cardboard, cloth, plastic, or fabric, and may be posted or displayed from the yard, window, door, balcony, or outside wall of the separate interest, but may not be made of lights, roofing, siding, paving materials, flora, or balloons, or any other similar building, landscaping, or decorative component, or include the painting of architectural surfaces.

(c) An association may prohibit noncommercial signs and posters that are more than nine square feet in size and noncommercial flags or banners that are more than 15 square feet in size.

4715. (a) No governing documents shall prohibit the owner of a separate interest within a common interest development from keeping at least one pet within the common interest development, subject to reasonable rules and regulations of the association. This section may not be construed to affect any other rights provided by law to an owner of a separate interest to keep a pet within the development.

(b) For purposes of this section, "pet" means any domesticated bird, cat, dog, aquatic animal kept within an aquarium, or other animal as agreed to between the association and the homeowner.

(c) If the association implements a rule or regulation restricting the number of pets an owner may keep, the new rule or regulation shall not apply to prohibit an owner from continuing to keep any pet that the owner currently keeps in the owner's separate interest if the pet otherwise conforms with the previous rules or regulations relating to pets.

(d) For the purposes of this section, "governing documents" shall include, but are not limited to, the conditions, covenants, and restrictions of the common interest development, and the bylaws, rules, and regulations of the association.

(e) This section shall become operative on January 1, 2001, and shall only apply to governing documents entered into, amended, or otherwise modified on or after that date.

4720. (a) No association may require a homeowner to install or repair a roof in a manner that is in violation of Section 13132.7 of the Health and Safety Code.

(b) Governing documents of a common interest development located within a very high fire severity zone, as designated by the Director of Forestry and Fire Protection pursuant to Article 9 (commencing with Section 4201) of Chapter 1 of Part 2 of Division 4 of the Public Resources Code or by a local agency pursuant to Chapter 6.8 (commencing with Section 51175) of Part 1 of Division 1 of Title 5 of the Government Code, shall allow for at least one type of fire retardant roof covering material that meets the

requirements of Section 13132.7 of the Health and Safety Code.

4725. (a) Any covenant, condition, or restriction contained in any deed, contract, security instrument, or other instrument affecting the transfer or sale of, or any interest in, a common interest development that effectively prohibits or restricts the installation or use of a video or television antenna, including a satellite dish, or that effectively prohibits or restricts the attachment of that antenna to a structure within that development where the antenna is not visible from any street or common area, except as otherwise prohibited or restricted by law, is void and unenforceable as to its application to the installation or use of a video or television antenna that has a diameter or diagonal measurement of 36 inches or less.

(b) This section shall not apply to any covenant, condition, or restriction, as described in subdivision (a), that imposes reasonable restrictions on the installation or use of a video or television antenna, including a satellite dish, that has a diameter or diagonal measurement of 36 inches or less. For purposes of this section, “reasonable restrictions” means those restrictions that do not significantly increase the cost of the video or television antenna system, including all related equipment, or significantly decrease its efficiency or performance and include all of the following:

- (1) Requirements for application and notice to the association prior to the installation.
- (2) Requirement of a member to obtain the approval of the association for the installation of a video or television antenna that has a diameter or diagonal measurement of 36 inches or less on a separate interest owned by another.
- (3) Provision for the maintenance, repair, or replacement of roofs or other building components.
- (4) Requirements for installers of a video or television antenna to indemnify or reimburse the association or its members for loss or damage caused by the installation, maintenance, or use of a video

or television antenna that has a diameter or diagonal measurement of 36 inches or less.

(c) Whenever approval is required for the installation or use of a video or television antenna, including a satellite dish, the application for approval shall be processed by the appropriate approving entity for the common interest development in the same manner as an application for approval of an architectural modification to the property, and the issuance of a decision on the application shall not be willfully delayed.

(d) In any action to enforce compliance with this section, the prevailing party shall be awarded reasonable attorney’s fees.

4730. (a) Any provision of a governing document that arbitrarily or unreasonably restricts an owner’s ability to market the owner’s interest in a common interest development is void.

(b) No association may adopt, enforce, or otherwise impose any governing document that does either of the following:

(1) Imposes an assessment or fee in connection with the marketing of an owner’s interest in an amount that exceeds the association’s actual or direct costs. That assessment or fee shall be deemed to violate the limitation set forth in subdivision (b) of Section 5600.

(2) Establishes an exclusive relationship with a real estate broker through which the sale or marketing of interests in the development is required to occur. The limitation set forth in this paragraph does not apply to the sale or marketing of separate interests owned by the association or to the sale or marketing of common area by the association.

(c) For purposes of this section, “market” and “marketing” mean listing, advertising, or obtaining or providing access to show the owner’s interest in the development.

(d) This section does not apply to rules or regulations made pursuant to Section 712 or 713 regarding real estate signs.

4735. (a) Notwithstanding any other law, a provision of the governing documents or architectural or landscaping guidelines or policies shall be void and unenforceable if it does any of the following:

(1) Prohibits, or includes conditions that have the effect of prohibiting, the use of low water-using plants as a group or as a replacement of existing turf.

(2) Prohibits, or includes conditions that have the effect of prohibiting, the use of artificial turf or any other synthetic surface that resembles grass.

(3) Has the effect of prohibiting or restricting compliance with either of the following:

(A) A water-efficient landscape ordinance adopted or in effect pursuant to subdivision (c) of Section 65595 of the Government Code.

(B) Any regulation or restriction on the use of water adopted pursuant to Section 353 or 375 of the Water Code.

(b) This section shall not prohibit an association from applying landscaping rules established in the governing documents, to the extent the rules fully conform with subdivision (a).

(c) Notwithstanding any other provision of this part, except as provided in subdivision (d), an association shall not impose a fine or assessment against an owner of a separate interest for reducing or eliminating the watering of vegetation or lawns during any period for which either of the following have occurred:

(1) The Governor has declared a state of emergency due to drought pursuant to subdivision (b) of Section 8558 of the Government Code.

(2) A local government has declared a local emergency due to drought pursuant to subdivision (c) of Section 8558 of the Government Code.

(d) Subdivision (c) shall not apply to an owner of a separate interest that, prior to the

imposition of a fine or assessment described in subdivision (c), receives recycled water, as defined in Section 13050 of the Water Code, from a retail water supplier, as defined in Section 13575 of the Water Code, and fails to use that recycled water for landscaping irrigation.

(e) An owner of a separate interest upon which water-efficient landscaping measures have been installed in response to a declaration of a state of emergency described in subdivision (c) shall not be required to reverse or remove the water-efficient landscaping measures upon the conclusion of the state of emergency.

4736. (a) A provision of the governing documents shall be void and unenforceable if it requires pressure washing the exterior of a separate interest and any exclusive use common area appurtenant to the separate interest during a state or local government declared drought emergency.

(b) For purposes of this section, “pressure washing” means the use of a high-pressure sprayer or hose and potable water to remove loose paint, mold, grime, dust, mud, and dirt from surfaces and objects, including buildings, vehicles, and concrete surfaces.

4740. (a) An owner of a separate interest in a common interest development shall not be subject to a provision in a governing document or an amendment to a governing document that prohibits the rental or leasing of any of the separate interests in that common interest development to a renter, lessee, or tenant unless that governing document, or amendment thereto, was effective prior to the date the owner acquired title to their separate interest.

(b) For purposes of this section, the right to rent or lease the separate interest of an owner shall not be deemed to have terminated if the transfer by the owner of all or part of the separate interest meets at least one of the following conditions:

(1) Pursuant to Section 62 or 480.3 of the Revenue and Taxation Code, the transfer is exempt, for purposes of reassessment by the county tax assessor.

(2) Pursuant to subdivision (b) of, solely with respect to probate transfers, or subdivision (e), (f), or (g) of, Section 1102.2, the transfer is exempt from the requirements to prepare and deliver a Real Estate Transfer Disclosure Statement, as set forth in Section 1102.6.

(c) Prior to renting or leasing their separate interest as provided by this section, an owner shall provide the association verification of the date the owner acquired title to the separate interest and the name and contact information of the prospective tenant or lessee or the prospective tenant's or lessee's representative.

(d) Nothing in this section shall be deemed to revise, alter, or otherwise affect the voting process by which a common interest development adopts or amends its governing documents.

4741. (a) An owner of a separate interest in a common interest development shall not be subject to a provision in a governing document or an amendment to a governing document that prohibits, has the effect of prohibiting, or unreasonably restricts the rental or leasing of any of the separate interests, accessory dwelling units, or junior accessory dwelling units in that common interest development to a renter, lessee, or tenant.

(b) A common interest development shall not adopt or enforce a provision in a governing document or amendment to a governing document that restricts the rental or lease of separate interests within a common interest to less than 25 percent of the separate interests. Nothing in this subdivision prohibits a common interest development from adopting or enforcing a provision authorizing a higher percentage of separate interests to be rented or leased.

(c) This section does not prohibit a common interest development from adopting and enforcing a provision in a governing document that prohibits transient or short-term rental of a separate property interest for a period of 30 days or less.

(d) For purposes of this section, an accessory dwelling unit or junior accessory dwelling unit shall not be construed as a separate interest.

(e) For purposes of this section, a separate interest shall not be counted as occupied by a renter if the separate interest, or the accessory dwelling unit or junior accessory dwelling unit of the separate interest, is occupied by the owner.

(f) A common interest development shall comply with the prohibition on rental restrictions specified in this section on and after January 1, 2021, regardless of whether the common interest development has revised their governing documents to comply with this section. However, a common interest development shall amend their governing documents to conform to the requirements of this section no later than December 31, 2021.

(g) A common interest development that willfully violates this section shall be liable to the applicant or other party for actual damages, and shall pay a civil penalty to the applicant or other party in an amount not to exceed one thousand dollars (\$1,000).

(h) In accordance with Section 4740, this section does not change the right of an owner of a separate interest who acquired title to their separate interest before the effective date of this section to rent or lease their property.

4745. (a) Any covenant, restriction, or condition contained in any deed, contract, security instrument, or other instrument affecting the transfer or sale of any interest in a common interest development, and any provision of a governing document, as defined in Section 4150, that either effectively prohibits or unreasonably restricts the installation or use of an electric vehicle charging station within an owner's unit or in a designated parking space, including, but not limited to, a deeded parking space, a parking space in an owner's exclusive use common area, or a parking space that is specifically designated for use by a particular owner, or is in conflict with this section is void and unenforceable.

(b) (1) This section does not apply to provisions

that impose reasonable restrictions on electric vehicle charging stations. However, it is the policy of the state to promote, encourage, and remove obstacles to the use of electric vehicle charging stations.

(2) For purposes of this section, “reasonable restrictions” are restrictions that do not significantly increase the cost of the station or significantly decrease its efficiency or specified performance.

(c) An electric vehicle charging station shall meet applicable health and safety standards and requirements imposed by state and local authorities, and all other applicable zoning, land use, or other ordinances, or land use permits.

(d) For purposes of this section, “electric vehicle charging station” means a station that is designed in compliance with the California Building Standards Code and delivers electricity from a source outside an electric vehicle into one or more electric vehicles. An electric vehicle charging station may include several charge points simultaneously connecting several electric vehicles to the station and any related equipment needed to facilitate charging plug-in electric vehicles.

(e) If approval is required for the installation or use of an electric vehicle charging station, the application for approval shall be processed and approved by the association in the same manner as an application for approval of an architectural modification to the property, and shall not be willfully avoided or delayed. The approval or denial of an application shall be in writing. If an application is not denied in writing within 60 days from the date of receipt of the application, the application shall be deemed approved, unless that delay is the result of a reasonable request for additional information.

(f) If the electric vehicle charging station is to be placed in a common area or an exclusive use common area, as designated in the common interest development’s declaration, the following provisions apply:

(1) The owner first shall obtain approval from the association to install the electric vehicle charging station and the association shall approve the installation if the owner agrees in writing to do all of the following:

(A) Comply with the association’s architectural standards for the installation of the charging station.

(B) Engage a licensed contractor to install the charging station.

(C) Within 14 days of approval, provide a certificate of insurance that names the association as an additional insured under the owner’s insurance policy in the amount set forth in paragraph (3).

(D) Pay for both the costs associated with the installation of and the electricity usage associated with the charging station.

(2) The owner and each successive owner of the charging station shall be responsible for all of the following:

(A) Costs for damage to the charging station, common area, exclusive use common area, or separate interests resulting from the installation, maintenance, repair, removal, or replacement of the charging station.

(B) Costs for the maintenance, repair, and replacement of the charging station until it has been removed and for the restoration of the common area after removal.

(C) The cost of electricity associated with the charging station.

(D) Disclosing to prospective buyers the existence of any charging station of the owner and the related responsibilities of the owner under this section.

(3) The owner of the charging station, whether located within a separate unit or within the common area or exclusive use common area, shall, at all times, maintain a

liability coverage policy. The owner that submitted the application to install the charging station shall provide the association with the corresponding certificate of insurance within 14 days of approval of the application. That owner and each successor owner shall provide the association with the certificate of insurance annually thereafter.

(4) A homeowner shall not be required to maintain a homeowner liability coverage policy for an existing National Electrical Manufacturers Association standard alternating current power plug.

(g) Except as provided in subdivision (h), installation of an electric vehicle charging station for the exclusive use of an owner in a common area, that is not an exclusive use common area, shall be authorized by the association only if installation in the owner's designated parking space is impossible or unreasonably expensive. In such cases, the association shall enter into a license agreement with the owner for the use of the space in a common area, and the owner shall comply with all of the requirements in subdivision (f).

(h) The association or owners may install an electric vehicle charging station in the common area for the use of all members of the association and, in that case, the association shall develop appropriate terms of use for the charging station.

(i) An association may create a new parking space where one did not previously exist to facilitate the installation of an electric vehicle charging station.

(j) An association that willfully violates this section shall be liable to the applicant or other party for actual damages, and shall pay a civil penalty to the applicant or other party in an amount not to exceed one thousand dollars (\$1,000).

(k) In any action by a homeowner requesting to have an electric vehicle charging station installed and seeking to enforce compliance with this section, the prevailing plaintiff shall be awarded reasonable attorney's fees.

4745.1. (a) Any covenant, restriction, or condition contained in any deed, contract, security instrument, or other instrument affecting the transfer or sale of any interest in a common interest development, and any provision of a governing document, as defined in Section 4150, that either effectively prohibits or unreasonably restricts the installation or use of an EV-dedicated TOU meter or is in conflict with this section is void and unenforceable.

(b) (1) This section does not apply to provisions that impose reasonable restrictions on the installation of an EV-dedicated TOU meter. However, it is the policy of the state to promote, encourage, and remove obstacles to the effective installation of EV-dedicated TOU meters.

(2) For purposes of this section, "reasonable restrictions" are restrictions based upon space, aesthetics, structural integrity, and equal access to these services for all homeowners, but an association shall attempt to find a reasonable way to accommodate the installation request, unless the association would need to incur an expense.

(c) An EV-dedicated TOU meter shall meet applicable health and safety standards and requirements imposed by state and local authorities, and all other applicable zoning, land use, or other ordinances, or land use permits.

(d) For purposes of this section, an "EV-dedicated TOU meter" means an electric meter supplied and installed by an electric utility, that is separate from, and in addition to, any other electric meter and is devoted exclusively to the charging of electric vehicles, and that tracks the time of use (TOU) when charging occurs. An "EV-dedicated TOU meter" includes any wiring or conduit necessary to connect the electric meter to an electric vehicle charging station, as defined in Section 4745, regardless of whether it is supplied or installed by an electric utility.

(e) If approval is required for the installation or use of an EV-dedicated TOU meter, the

application for approval shall be processed and approved by the association in the same manner as an application for approval of an architectural modification to the property, and shall not be willfully avoided or delayed. The approval or denial of an application shall be in writing. If an application is not denied in writing within 60 days from the date of receipt of the application, the application shall be deemed approved, unless that delay is the result of a reasonable request for additional information.

(f) If the EV-dedicated TOU meter is to be placed in a common area or an exclusive use common area, as designated in the common interest development's declaration, the following provisions apply:

(1) The owner first shall obtain approval from the association to install the EV-dedicated TOU meter and the association shall approve the installation if the owner agrees in writing to do both of the following:

(A) Comply with the association's architectural standards for the installation of the EV-dedicated TOU meter.

(B) Engage the relevant electric utility to install the EV-dedicated TOU meter and, if necessary, a licensed contractor to install wiring or conduit necessary to connect the electric meter to an EV charging station.

(2) The owner and each successive owner of an EV-dedicated TOU meter shall be responsible for all of the following:

(A) Costs for damage to the EV-dedicated TOU meter, common area, exclusive use common area, or separate interests resulting from the installation, maintenance, repair, removal, or replacement of the EV-dedicated TOU meter.

(B) Costs for the maintenance, repair, and replacement of the EV-dedicated TOU meter until it has been removed

and for the restoration of the common area after removal.

(C) Disclosing to prospective buyers the existence of any EV-dedicated TOU meter of the owner and the related responsibilities of the owner under this section.

(g) The association or owners may install an EV-dedicated TOU meter in the common area for the use of all members of the association and, in that case, the association shall develop appropriate terms of use for the EV-dedicated TOU meter.

(h) An association that willfully violates this section shall be liable to the applicant or other party for actual damages, and shall pay a civil penalty to the applicant or other party in an amount not to exceed one thousand dollars (\$1,000).

(i) In any action by a homeowner requesting to have an EV-dedicated TOU meter installed and seeking to enforce compliance with this section, the prevailing plaintiff shall be awarded reasonable attorney's fees.

4746. (a) When reviewing a request to install a solar energy system on a multifamily common area roof shared by more than one homeowner pursuant to Sections 714 and 714.1, an association shall require both of the following:

(1) An applicant to notify each owner of a unit in the building on which the installation will be located of the application to install a solar energy system.

(2) The owner and each successive owner to maintain a homeowner liability coverage policy at all times and provide the association with the corresponding certificate of insurance within 14 days of approval of the application and annually thereafter.

(b) When reviewing a request to install a solar energy system on a multifamily common area roof shared by more than one homeowner pursuant to Sections 714 and 714.1, an association may impose additional reasonable provisions that:

(1) (A) Require the applicant to submit a solar site survey showing the placement of the solar energy system prepared by a licensed contractor or the contractor's registered salesperson knowledgeable in the installation of solar energy systems to determine usable solar roof area. This survey or the costs to determine useable space shall not be deemed as part of the cost of the system as used in Section 714.

(B) The solar site survey shall also include a determination of an equitable allocation of the usable solar roof area among all owners sharing the same roof, garage, or carport.

(2) Require the owner and each successive owner of the solar energy system to be responsible for all of the following:

(A) Costs for damage to the common area, exclusive use common area, or separate interests resulting from the installation, maintenance, repair, removal, or replacement of the solar energy system.

(B) Costs for the maintenance, repair, and replacement of solar energy system until it has been removed and for the restoration of the common area, exclusive use common area, or separate interests after removal.

(C) Disclosing to prospective buyers the existence of any solar energy system of the owner and the related responsibilities of the owner under this section.

(c) For purposes of this section:

(1) "Association" has the same meaning as defined in Section 4080 or 6528.

(2) "Common area" has the same meaning as defined in Section 4095 or 6532.

(3) "Separate interest" has the same meaning as defined in Section 4185 or 6564.

(d) This section imposes additional requirements for any proposed installation of a solar energy system on a multifamily common area roof shared by more than one homeowner.

(e) This section does not diminish the authority of an association to impose reasonable provisions pursuant to Section 714.1.

4751. (a) Any covenant, restriction, or condition contained in any deed, contract, security instrument, or other instrument affecting the transfer or sale of any interest in a planned development, and any provision of a governing document, that either effectively prohibits or unreasonably restricts the construction or use of an accessory dwelling unit or junior accessory dwelling unit on a lot zoned for single-family residential use that meets the requirements of Section 65852.2 or 65852.22 of the Government Code, is void and unenforceable.

(b) This section does not apply to provisions that impose reasonable restrictions on accessory dwelling units or junior accessory dwelling units. For purposes of this subdivision, "reasonable restrictions" means restrictions that do not unreasonably increase the cost to construct, effectively prohibit the construction of, or extinguish the ability to otherwise construct, an accessory dwelling unit or junior accessory dwelling unit consistent with the provisions of Section 65852.2 or 65852.22 of the Government Code.

Article 2. Modification of Separate Interest

4760. (a) Subject to the governing documents and applicable law, a member may do the following:

(1) Make any improvement or alteration within the boundaries of the member's separate interest that does not impair the structural integrity or mechanical systems or lessen the support of any portions of the common interest development.

(2) Modify the member's separate interest, at the member's expense, to facilitate access for persons who are blind, visually

handicapped, deaf, or physically disabled, or to alter conditions which could be hazardous to these persons. These modifications may also include modifications of the route from the public way to the door of the separate interest for the purposes of this paragraph if the separate interest is on the ground floor or already accessible by an existing ramp or elevator. The right granted by this paragraph is subject to the following conditions:

(A) The modifications shall be consistent with applicable building code requirements.

(B) The modifications shall be consistent with the intent of otherwise applicable provisions of the governing documents pertaining to safety or aesthetics.

(C) Modifications external to the dwelling shall not prevent reasonable passage by other residents, and shall be removed by the member when the separate interest is no longer occupied by persons requiring those modifications who are blind, visually handicapped, deaf, or physically disabled.

(D) Any member who intends to modify a separate interest pursuant to this paragraph shall submit plans and specifications to the association for review to determine whether the modifications will comply with the provisions of this paragraph. The association shall not deny approval of the proposed modifications under this paragraph without good cause.

(b) Any change in the exterior appearance of a separate interest shall be in accordance with the governing documents and applicable provisions of law.

4765. (a) This section applies if the governing documents require association approval before a member may make a physical change to the member's separate interest or to the common

area. In reviewing and approving or disapproving a proposed change, the association shall satisfy the following requirements:

(1) The association shall provide a fair, reasonable, and expeditious procedure for making its decision. The procedure shall be included in the association's governing documents. The procedure shall provide for prompt deadlines. The procedure shall state the maximum time for response to an application or a request for reconsideration by the board.

(2) A decision on a proposed change shall be made in good faith and may not be unreasonable, arbitrary, or capricious.

(3) Notwithstanding a contrary provision of the governing documents, a decision on a proposed change may not violate any governing provision of law, including, but not limited to, the Fair Employment and Housing Act (Part 2.8 (commencing with Section 12900) of Division 3 of Title 2 of the Government Code), or a building code or other applicable law governing land use or public safety.

(4) A decision on a proposed change shall be in writing. If a proposed change is disapproved, the written decision shall include both an explanation of why the proposed change is disapproved and a description of the procedure for reconsideration of the decision by the board.

(5) If a proposed change is disapproved, the applicant is entitled to reconsideration by the board, at an open meeting of the board. This paragraph does not require reconsideration of a decision that is made by the board or a body that has the same membership as the board, at a meeting that satisfies the requirements of Article 2 (commencing with Section 4900) of Chapter 6. Reconsideration by the board does not constitute dispute resolution within the meaning of Section 5905.

(b) Nothing in this section authorizes a physical change to the common area in a manner that is inconsistent with an association's governing documents, unless the change is required by law.

(c) An association shall annually provide its members with notice of any requirements for association approval of physical changes to property. The notice shall describe the types of changes that require association approval and shall include a copy of the procedure used to review and approve or disapprove a proposed change.

Article 3. Maintenance

4775. (a) (1) Except as provided in paragraph (3), unless otherwise provided in the declaration of a common interest development, the association is responsible for repairing, replacing, and maintaining the common area.

(2) Unless otherwise provided in the declaration of a common interest development, the owner of each separate interest is responsible for repairing, replacing, and maintaining that separate interest.

(3) Unless otherwise provided in the declaration of a common interest development, the owner of each separate interest is responsible for maintaining the exclusive use common area appurtenant to that separate interest and the association is responsible for repairing and replacing the exclusive use common area.

(b) The costs of temporary relocation during the repair and maintenance of the areas within the responsibility of the association shall be borne by the owner of the separate interest affected.

(c) This section shall become operative on January 1, 2017.

4780. (a) In a community apartment project, condominium project, or stock cooperative, unless otherwise provided in the declaration, the association is responsible for the repair and maintenance of the common area occasioned

by the presence of wood-destroying pests or organisms.

(b) In a planned development, unless a different maintenance scheme is provided in the declaration, each owner of a separate interest is responsible for the repair and maintenance of that separate interest as may be occasioned by the presence of wood-destroying pests or organisms. Upon approval of the majority of all members of the association, pursuant to Section 4065, that responsibility may be delegated to the association, which shall be entitled to recover the cost thereof as a special assessment.

4785. (a) The association may cause the temporary, summary removal of any occupant of a common interest development for such periods and at such times as may be necessary for prompt, effective treatment of wood-destroying pests or organisms.

(b) The association shall give notice of the need to temporarily vacate a separate interest to the occupants and to the owners, not less than 15 days nor more than 30 days prior to the date of the temporary relocation. The notice shall state the reason for the temporary relocation, the date and time of the beginning of treatment, the anticipated date and time of termination of treatment, and that the occupants will be responsible for their own accommodations during the temporary relocation.

(c) Notice by the association shall be deemed complete upon either:

(1) Personal delivery of a copy of the notice to the occupants, and if an occupant is not the owner, individual delivery pursuant to Section 4040, of a copy of the notice to the owner.

(2) Individual delivery pursuant to Section 4040 to the occupant at the address of the separate interest, and if the occupant is not the owner, individual delivery pursuant to Section 4040, of a copy of the notice to the owner.

(d) For purposes of this section, "occupant" means an owner, resident, guest, invitee, tenant,

lessee, sublessee, or other person in possession of the separate interest.

4790. Notwithstanding the provisions of the declaration, a member is entitled to reasonable access to the common area for the purpose of maintaining the internal and external telephone wiring made part of the exclusive use common area of the member's separate interest pursuant to subdivision (c) of Section 4145. The access shall be subject to the consent of the association, whose approval shall not be unreasonably withheld, and which may include the association's approval of telephone wiring upon the exterior of the common area, and other conditions as the association determines reasonable.

CHAPTER 6. ASSOCIATION GOVERNANCE

Article 1. Association Existence and Powers

4800. A common interest development shall be managed by an association that may be incorporated or unincorporated. The association may be referred to as an owners' association or a community association.

4805. (a) Unless the governing documents provide otherwise, and regardless of whether the association is incorporated or unincorporated, the association may exercise the powers granted to a nonprofit mutual benefit corporation, as enumerated in Section 7140 of the Corporations Code, except that an unincorporated association may not adopt or use a corporate seal or issue membership certificates in accordance with Section 7313 of the Corporations Code.

(b) The association, whether incorporated or unincorporated, may exercise the powers granted to an association in this act. 4820. Whenever two or more associations have consolidated any of their functions under a joint neighborhood association or similar organization, members of each participating association shall be (a) entitled to attend all meetings of the joint association other than executive sessions, (b) given reasonable opportunity for participation in those meetings,

and (c) entitled to the same access to the joint association's records as they are to the participating association's records.

Article 2. Board Meeting

4900. This article shall be known and may be cited as the Common Interest Development Open Meeting Act.

4910. (a) The board shall not take action on any item of business outside of a board meeting.

(b) (1) Notwithstanding Section 7211 of the Corporations Code, the board shall not conduct a meeting via a series of electronic transmissions, including, but not limited to, electronic mail, except as specified in paragraph (2).

(2) Electronic transmissions may be used as a method of conducting an emergency board meeting if all directors, individually or collectively, consent in writing to that action, and if the written consent or consents are filed with the minutes of the board meeting. These written consents may be transmitted electronically.

4920. (a) Except as provided in subdivision (b), the association shall give notice of the time and place of a board meeting at least four days before the meeting.

(b) (1) If a board meeting is an emergency meeting held pursuant to Section 4923, the association is not required to give notice of the time and place of the meeting.

(2) If a nonemergency board meeting is held solely in executive session, the association shall give notice of the time and place of the meeting at least two days prior to the meeting.

(3) If the association's governing documents require a longer period of notice than is required by this section, the association shall comply with the period stated in its governing documents. For the purposes of this paragraph, a governing document provision does not apply to a notice of an emergency meeting or a meeting held solely in executive session

unless it specifically states that it applies to those types of meetings.

(c) Notice of a board meeting shall be given by general delivery pursuant to Section 4045.

(d) Notice of a board meeting shall contain the agenda for the meeting.

4923. An emergency board meeting may be called by the president of the association, or by any two directors other than the president, if there are circumstances that could not have been reasonably foreseen which require immediate attention and possible action by the board, and which of necessity make it impracticable to provide notice as required by Section 4920.

4925. (a) Any member may attend board meetings, except when the board adjourns to, or meets solely in, executive session. As specified in subdivision (b) of Section 4090, a member of the association shall be entitled to attend a teleconference meeting or the portion of a teleconference meeting that is open to members, and that meeting or portion of the meeting shall be audible to the members in a location specified in the notice of the meeting.

(b) The board shall permit any member to speak at any meeting of the association or the board, except for meetings of the board held in executive session. A reasonable time limit for all members of the association to speak to the board or before a meeting of the association shall be established by the board.

4930. (a) Except as described in subdivisions (b) to (e), inclusive, the board may not discuss or take action on any item at a nonemergency meeting unless the item was placed on the agenda included in the notice that was distributed pursuant to subdivision (a) of Section 4920. This subdivision does not prohibit a member or resident who is not a director from speaking on issues not on the agenda.

(b) Notwithstanding subdivision (a), a director, a managing agent or other agent of the board, or a member of the staff of the board, may do any of the following:

(1) Briefly respond to statements made or questions posed by a person speaking at a meeting as described in subdivision (b) of Section 4925.

(2) Ask a question for clarification, make a brief announcement, or make a brief report on the person's own activities, whether in response to questions posed by a member or based upon the person's own initiative.

(c) Notwithstanding subdivision (a), the board or a director, subject to rules or procedures of the board, may do any of the following:

(1) Provide a reference to, or provide other resources for factual information to, its managing agent or other agents or staff.

(2) Request its managing agent or other agents or staff to report back to the board at a subsequent meeting concerning any matter, or take action to direct its managing agent or other agents or staff to place a matter of business on a future agenda.

(3) Direct its managing agent or other agents or staff to perform administrative tasks that are necessary to carry out this section.

(d) Notwithstanding subdivision (a), the board may take action on any item of business not appearing on the agenda distributed pursuant to subdivision (a) of Section 4920 under any of the following conditions:

(1) Upon a determination made by a majority of the board present at the meeting that an emergency situation exists. An emergency situation exists if there are circumstances that could not have been reasonably foreseen by the board, that require immediate attention and possible action by the board, and that, of necessity, make it impracticable to provide notice.

(2) Upon a determination made by the board by a vote of two-thirds of the directors present at the meeting, or, if less than two-thirds of total membership of the board is present at the meeting, by a unanimous vote of the directors present, that there is a need to take immediate action

and that the need for action came to the attention of the board after the agenda was distributed pursuant to subdivision (a) of Section 4920.

(3) The item appeared on an agenda that was distributed pursuant to subdivision (a) of Section 4920 for a prior meeting of the board that occurred not more than 30 calendar days before the date that action is taken on the item and, at the prior meeting, action on the item was continued to the meeting at which the action is taken.

(e) Before discussing any item pursuant to subdivision (d), the board shall openly identify the item to the members in attendance at the meeting.

4935. (a) The board may adjourn to, or meet solely in, executive session to consider litigation, matters relating to the formation of contracts with third parties, member discipline, personnel matters, or to meet with a member, upon the member's request, regarding the member's payment of assessments, as specified in Section 5665.

(b) The board shall adjourn to, or meet solely in, executive session to discuss member discipline, if requested by the member who is the subject of the discussion. That member shall be entitled to attend the executive session.

(c) The board shall adjourn to, or meet solely in, executive session to discuss a payment plan pursuant to Section 5665.

(d) The board shall adjourn to, or meet solely in, executive session to decide whether to foreclose on a lien pursuant to subdivision (b) of Section 5705.

(e) Any matter discussed in executive session shall be generally noted in the minutes of the immediately following meeting that is open to the entire membership.

4950. (a) The minutes, minutes proposed for adoption that are marked to indicate draft status, or a summary of the minutes, of any board meeting, other than an executive session, shall be available to members within 30 days of the meeting. The minutes, proposed minutes, or

summary minutes shall be distributed to any member upon request and upon reimbursement of the association's costs for making that distribution.

(b) The annual policy statement, prepared pursuant to Section 5310, shall inform the members of their right to obtain copies of board meeting minutes and of how and where to do so.

4955. (a) A member of an association may bring a civil action for declaratory or equitable relief for a violation of this article by the association, including, but not limited to, injunctive relief, restitution, or a combination thereof, within one year of the date the cause of action accrues.

(b) A member who prevails in a civil action to enforce the member's rights pursuant to this article shall be entitled to reasonable attorney's fees and court costs, and the court may impose a civil penalty of up to five hundred dollars (\$500) for each violation, except that each identical violation shall be subject to only one penalty if the violation affects each member equally. A prevailing association shall not recover any costs, unless the court finds the action to be frivolous, unreasonable, or without foundation.

Article 3. Member Meeting

5000. (a) Meetings of the membership of the association shall be conducted in accordance with a recognized system of parliamentary procedure or any parliamentary procedures the association may adopt.

(b) The board shall permit any member to speak at any meeting of the membership of the association. A reasonable time limit for all members to speak at a meeting of the association shall be established by the board.

Article 4. Member Election

5100. (a) (1) Notwithstanding any other law or provision of the governing documents, elections regarding assessments legally requiring a vote, election and removal of directors, amendments to the governing documents, or the grant of exclusive use of

common area pursuant to Section 4600 shall be held by secret ballot in accordance with the procedures set forth in this article.

(2) An association shall hold an election for a seat on the board of directors in accordance with the procedures set forth in this article at the expiration of the corresponding director's term and at least once every four years.

(b) This article also governs an election on any topic that is expressly identified in the operating rules as being governed by this article.

(c) The provisions of this article apply to both incorporated and unincorporated associations, notwithstanding any contrary provision of the governing documents.

(d) The procedures set forth in this article shall apply to votes cast directly by the membership, but do not apply to votes cast by delegates or other elected representatives.

(e) In the event of a conflict between this article and the provisions of the Nonprofit Mutual Benefit Corporation Law (Part 3 (commencing with Section 7110) of Division 2 of Title 1 of the Corporations Code) relating to elections, the provisions of this article shall prevail.

(f) Directors shall not be required to be elected pursuant to this article if the governing documents provide that one member from each separate interest is a director.

(g) Notwithstanding the secret balloting requirement in subdivision (a), when, as of the close of nominations for directors on the board, the number of director nominees is not more than the number of vacancies to be elected, as determined by the inspector or inspectors of the elections, the director nominees shall be considered elected by acclamation if all of the following are true:

(1) The association includes 6,000 or more units.

(2) The association provided individual notice of the election and the procedure for

nominating candidates at least 30 days before the close of nominations.

(3) The association permits all candidates to run if nominated, except as follows:

(A) An association shall disqualify a person from nomination as a candidate if the person is not a member of the association at the time of the nomination. This subdivision does not restrict a developer from making a nomination of a nonmember candidate consistent with the voting power of the developer, as set forth in the regulations of the Department of Real Estate and the association's governing documents.

(B) Through its bylaws or election operating rules adopted pursuant to subdivision (a) of Section 5105 only, an association may disqualify a person from nomination as a candidate based on any of the following:

(i) An association may disqualify a nominee if that person discloses, or if the association is aware or becomes aware of, a past criminal conviction that would either prevent the association from purchasing the fidelity bond coverage required by Section 5806 should the person be elected or terminate the association's existing fidelity bond coverage as to that person should the person be elected.

(ii) Failure to be current in the payment of regular and special assessments, which are consumer debts subject to validation. If an association requires a nominee to be current in the payment of regular and special assessments, it shall also require a director to be current in the payment of regular and special assessments. An association may not disqualify a nominee for nonpayment of fines,

finer renamed as assessments, collection charges, late charges, or costs levied by a third party. An association shall not disqualify a nominee for failure to be current in payment of regular and special assessments if any of the following circumstances are true:

(I) The nominee has paid the regular assessment or special assessment under protest pursuant to Section 5658.

(II) The nominee has entered into a payment plan pursuant to Section 5665.

(III) The nominee has not been provided the opportunity to engage in internal dispute resolution pursuant to Article 2 (commencing with Section 5900) of Chapter 10.

(iii) If the person, if elected, would be serving on the board at the same time as another person who holds a joint ownership interest in the same separate interest parcel as the person and the other person is either properly nominated for the current election or an incumbent director.

(iv) If that person has been a member of the association for less than one year.

5105. (a) An association shall adopt operating rules in accordance with the procedures prescribed by Article 5 (commencing with Section 4340) of Chapter 3, that do all of the following:

(1) Ensure that if any candidate or member advocating a point of view is provided access to association media, newsletters, or internet websites during a campaign, for purposes that are reasonably related to that election, equal access shall be provided to all candidates and members advocating a point of view, including those not endorsed

by the board, for purposes that are reasonably related to the election. The association shall not edit or redact any content from these communications, but may include a statement specifying that the candidate or member, and not the association, is responsible for that content.

(2) Ensure access to the common area meeting space, if any exists, during a campaign, at no cost, to all candidates, including those who are not incumbents, and to all members advocating a point of view, including those not endorsed by the board, for purposes reasonably related to the election.

(3) Specify the qualifications for candidates for the board and any other elected position, subject to subdivision (b), and procedures for the nomination of candidates, consistent with the governing documents. A nomination or election procedure shall not be deemed reasonable if it disallows any member from nominating themselves for election to the board.

(4) Specify the voting power of each membership, the authenticity, validity, and effect of proxies, and the voting period for elections, including the times at which polls will open and close, consistent with the governing documents.

(5) Specify a method of selecting one or three independent third parties as inspector or inspectors of elections utilizing one of the following methods:

(A) Appointment of the inspector or inspectors by the board.

(B) Election of the inspector or inspectors by the members of the association.

(C) Any other method for selecting the inspector or inspectors.

(6) Allow the inspector or inspectors to appoint and oversee additional persons to verify signatures and to count and tabulate votes as the inspector or inspectors deem

appropriate, provided that the persons are independent third parties.

(7) Require retention of, as association election materials, both a candidate registration list and a voter list. The voter list shall include name, voting power, and either the physical address of the voter's separate interest, the parcel number, or both. The mailing address for the ballot shall be listed on the voter list if it differs from the physical address of the voter's separate interest or if only the parcel number is used. The association shall permit members to verify the accuracy of their individual information on both lists at least 30 days before the ballots are distributed. The association or member shall report any errors or omissions to either list to the inspector or inspectors who shall make the corrections within two business days.

(b) An association shall disqualify a person from a nomination as a candidate for not being a member of the association at the time of the nomination.

(1) This subdivision does not restrict a developer from making a nomination of a nonmember candidate consistent with the voting power of the developer as set forth in the regulations of the Department of Real Estate and the association's governing documents.

(2) If title to a separate interest parcel is held by a legal entity that is not a natural person, the governing authority of that legal entity shall have the power to appoint a natural person to be a member for purposes of this article.

(c) Through its bylaws or election operating rules adopted pursuant to subdivision (a) of Section 5105 only, an association may disqualify a person from nomination as a candidate pursuant to any of the following:

(1) Subject to paragraph (2) of subdivision (d), an association may require a nominee for a board seat, and a director during their board tenure, to be current in the payment

of regular and special assessments, which are consumer debts subject to validation. If an association requires a nominee to be current in the payment of regular and special assessments, it shall also require a director to be current in the payment of regular and special assessments.

(2) An association may disqualify a person from nomination as a candidate if the person, if elected, would be serving on the board at the same time as another person who holds a joint ownership interest in the same separate interest parcel as the person and the other person is either properly nominated for the current election or an incumbent director.

(3) An association may disqualify a nominee if that person has been a member of the association for less than one year.

(4) An association may disqualify a nominee if that person discloses, or if the association is aware or becomes aware of, a past criminal conviction that would, if the person was elected, either prevent the association from purchasing the fidelity bond coverage required by Section 5806 or terminate the association's existing fidelity bond coverage.

(d) An association may disqualify a person from nomination for nonpayment of regular and special assessments, but may not disqualify a nominee for nonpayment of fines, fines renamed as assessments, collection charges, late charges, or costs levied by a third party. The person shall not be disqualified for failure to be current in payment of regular and special assessments if either of the following circumstances is true:

(1) The person has paid the regular or special assessment under protest pursuant to Section 5658.

(2) The person has entered into a payment plan pursuant to Section 5665.

(e) An association shall not disqualify a person from nomination if the person has not been provided the opportunity to engage in internal

dispute resolution pursuant to Article 2 (commencing with Section 5900) of Chapter 10.

(f) Notwithstanding any other law, the rules adopted pursuant to this section may provide for the nomination of candidates from the floor of membership meetings or nomination by any other manner. Those rules may permit write-in candidates for ballots.

(g) Notwithstanding any other law, the rules adopted pursuant to this section shall do all of the following:

(1) Prohibit the denial of a ballot to a member for any reason other than not being a member at the time when ballots are distributed.

(2) Prohibit the denial of a ballot to a person with general power of attorney for a member.

(3) Require the ballot of a person with general power of attorney for a member to be counted if returned in a timely manner.

(4) Require the inspector or inspectors of elections to deliver, or cause to be delivered, at least 30 days before an election, to each member both of the following documents:

(A) The ballot or ballots.

(B) A copy of the election operating rules. Delivery of the election operating rules may be accomplished by either of the following methods:

(i) Posting the election operating rules to an internet website and including the corresponding internet website address on the ballot together with the phrase, in at least 12-point font: "The rules governing this election may be found here."

(ii) Individual delivery.

(h) Election operating rules adopted pursuant to this section shall not be amended less than 90 days prior to an election.

5110. (a) The association shall select an independent third party or parties as an inspector of elections. The number of inspectors of elections shall be one or three.

(b) For the purposes of this section, an independent third party includes, but is not limited to, a volunteer poll worker with the county registrar of voters, a licensee of the California Board of Accountancy, or a notary public. An independent third party may be a member, but may not be a director or a candidate for director or be related to a director or to a candidate for director. An independent third party may not be a person, business entity, or subdivision of a business entity who is currently employed or under contract to the association for any compensable services other than serving as an inspector of elections.

(c) The inspector or inspectors of elections shall do all of the following:

(1) Determine the number of memberships entitled to vote and the voting power of each.

(2) Determine the authenticity, validity, and effect of proxies, if any.

(3) Receive ballots.

(4) Hear and determine all challenges and questions in any way arising out of or in connection with the right to vote.

(5) Count and tabulate all votes.

(6) Determine when the polls shall close, consistent with the governing documents.

(7) Determine the tabulated results of the election.

(8) Perform any acts as may be proper to conduct the election with fairness to all members in accordance with this article, the Corporations Code, and all applicable rules of the association regarding the conduct of the election that are not in conflict with this article.

(d) An inspector of elections shall perform all duties impartially, in good faith, to the best of the inspector of election's ability, as

expeditiously as is practical, and in a manner that protects the interest of all members of the association. If there are three inspectors of elections, the decision or act of a majority shall be effective in all respects as the decision or act of all. Any report made by the inspector or inspectors of elections is prima facie evidence of the facts stated in the report.

5115. (a) An association shall provide general notice of the procedure and deadline for submitting a nomination at least 30 days before any deadline for submitting a nomination. Individual notice shall be delivered pursuant to Section 4040 if individual notice is requested by a member.

(b) An association shall provide general notice of all of the following at least 30 days before the ballots are distributed:

(1) The date and time by which, and the physical address where, ballots are to be returned by mail or handed to the inspector or inspectors of elections.

(2) The date, time, and location of the meeting at which ballots will be counted.

(3) The list of all candidates' names that will appear on the ballot.

(4) Individual notice of the above paragraphs shall be delivered pursuant to Section 4040 if individual notice is requested by a member.

(c) Ballots and two preaddressed envelopes with instructions on how to return ballots shall be mailed by first-class mail or delivered by the association to every member not less than 30 days prior to the deadline for voting. In order to preserve confidentiality, a voter may not be identified by name, address, or lot, parcel, or unit number on the ballot. The association shall use as a model those procedures used by California counties for ensuring confidentiality of vote by mail ballots, including all of the following:

(1) The ballot itself is not signed by the voter, but is inserted into an envelope that is sealed. This envelope is inserted into a second envelope that is sealed. In the upper

left-hand corner of the second envelope, the voter shall sign the voter's name, indicate the voter's name, and indicate the address or separate interest identifier that entitles the voter to vote.

(2) The second envelope is addressed to the inspector or inspectors of elections, who will be tallying the votes. The envelope may be mailed or delivered by hand to a location specified by the inspector or inspectors of elections. The member may request a receipt for delivery.

(d) A quorum shall be required only if so stated in the governing documents or other provisions of law. If a quorum is required by the governing documents, each ballot received by the inspector of elections shall be treated as a member present at a meeting for purposes of establishing a quorum.

(e) An association shall allow for cumulative voting using the secret ballot procedures provided in this section, if cumulative voting is provided for in the governing documents.

(f) Except for the meeting to count the votes required in subdivision (a) of Section 5120, an election may be conducted entirely by mail unless otherwise specified in the governing documents.

(g) In an election to approve an amendment of the governing documents, the text of the proposed amendment shall be delivered to the members with the ballot.

5120. (a) All votes shall be counted and tabulated by the inspector or inspectors of elections, or the designee of the inspector of elections, in public at a properly noticed open meeting of the board or members. Any candidate or other member of the association may witness the counting and tabulation of the votes. No person, including a member of the association or an employee of the management company, shall open or otherwise review any ballot prior to the time and place at which the ballots are counted and tabulated. The inspector of elections, or the designee of the inspector of elections, may verify the member's information and signature on the outer envelope prior to the

meeting at which ballots are tabulated. Once a secret ballot is received by the inspector of elections, it shall be irrevocable.

(b) The tabulated results of the election shall be promptly reported to the board and shall be recorded in the minutes of the next meeting of the board and shall be available for review by members of the association. Within 15 days of the election, the board shall give general notice pursuant to Section 4045 of the tabulated results of the election.

5125. The sealed ballots, signed voter envelopes, voter list, proxies, and candidate registration list shall at all times be in the custody of the inspector or inspectors of elections or at a location designated by the inspector or inspectors until after the tabulation of the vote, and until the time allowed by Section 5145 for challenging the election has expired, at which time custody shall be transferred to the association. If there is a recount or other challenge to the election process, the inspector or inspectors of elections shall, upon written request, make the ballots available for inspection and review by an association member or the member's authorized representative. Any recount shall be conducted in a manner that preserves the confidentiality of the vote.

5130. (a) For purposes of this article, the following definitions shall apply:

(1) "Proxy" means a written authorization signed by a member or the authorized representative of the member that gives another member or members the power to vote on behalf of that member.

(2) "Signed" means the placing of the member's name on the proxy (whether by manual signature, typewriting, telegraphic transmission, or otherwise) by the member or authorized representative of the member.

(b) Proxies shall not be construed or used in lieu of a ballot. An association may use proxies if permitted or required by the bylaws of the association and if those proxies meet the requirements of this article, other laws, and the governing documents, but the association shall

not be required to prepare or distribute proxies pursuant to this article.

(c) Any instruction given in a proxy issued for an election that directs the manner in which the proxyholder is to cast the vote shall be set forth on a separate page of the proxy that can be detached and given to the proxyholder to retain. The proxyholder shall cast the member's vote by secret ballot. The proxy may be revoked by the member prior to the receipt of the ballot by the inspector of elections as described in Section 7613 of the Corporations Code.

5135. (a) Association funds shall not be used for campaign purposes in connection with any association board election. Funds of the association shall not be used for campaign purposes in connection with any other association election except to the extent necessary to comply with duties of the association imposed by law.

(b) For the purposes of this section, "campaign purposes" includes, but is not limited to, the following:

(1) Expressly advocating the election or defeat of any candidate that is on the association election ballot.

(2) Including the photograph or prominently featuring the name of any candidate on a communication from the association or its board, excepting the ballot, ballot materials, or a communication that is legally required, within 30 days of an election. This is not a campaign purpose if the communication is one for which subdivision (a) of Section 5105 requires that equal access be provided to another candidate or advocate.

5145. (a) A member of an association may bring a civil action for declaratory or equitable relief for a violation of this article by the association, including, but not limited to, injunctive relief, restitution, or a combination thereof, within one year of the date that the inspector or inspectors of elections notifies the board and membership of the election results or the cause of action accrues, whichever is later. If a member establishes, by a preponderance of

the evidence, that the election procedures of this article, or the adoption of and adherence to rules provided by Article 5 (commencing with Section 4340) of Chapter 3, were not followed, a court shall void any results of the election unless the association establishes, by a preponderance of the evidence, that the association's noncompliance with this article or the election operating rules did not affect the results of the election. The findings of the court shall be stated in writing as part of the record.

(b) A member who prevails in a civil action to enforce the member's rights pursuant to this article shall be entitled to reasonable attorney's fees and court costs, and the court may impose a civil penalty of up to five hundred dollars (\$500) for each violation, except that each identical violation shall be subject to only one penalty if the violation affects each member of the association equally. A prevailing association shall not recover any costs, unless the court finds the action to be frivolous, unreasonable, or without foundation. If a member prevails in a civil action brought in small claims court, the member shall be awarded court costs and reasonable attorney's fees incurred for consulting an attorney in connection with this civil action.

(c) A cause of action under subdivision (a) may be brought in either the superior court or, if the amount of the demand does not exceed the jurisdictional amount of the small claims court, in small claims court.

5205. (a) The association shall make available association records for the time periods and within the timeframes provided in Section 5210 for inspection and copying by a member of the association, or the member’s designated representative.

(b) A member of the association may designate another person to inspect and copy the specified association records on the member’s behalf. The member shall make this designation in writing.

(d) If the association does not have a business office within the development, the association shall make the specified association records available for inspection and copying at a place agreed to by the requesting member and the association.

(e) If the association and the requesting member cannot agree upon a place for inspection and copying pursuant to subdivision (d) or if the requesting member submits a written request directly to the association for copies of specifically identified records, the association may satisfy the requirement to make the association records available for inspection and copying by delivering copies of the specifically identified records to the member by individual delivery pursuant to

Section 4040 within the timeframes set forth in subdivision (b) of Section 5210.

(f) The association may bill the requesting member for the direct and actual cost of copying and mailing requested documents. The association shall inform the member of the amount of the copying and mailing costs, and the member shall agree to pay those costs, before copying and sending the requested documents.

(g) In addition to the direct and actual costs of copying and mailing, the association may bill the requesting member an amount not in excess of ten dollars (\$10) per hour, and not to exceed two hundred dollars (\$200) total per written request, for the time actually and reasonably involved in redacting an enhanced association record. If the enhanced association record includes a reimbursement request, the person submitting the reimbursement request shall be solely responsible for removing all personal identification information from the request. The association shall inform the member of the estimated costs, and the member shall agree to pay those costs, before retrieving the requested documents.

(h) Requesting parties shall have the option of receiving specifically identified records by electronic transmission or machine-readable storage media as long as those records can be transmitted in a redacted format that does not allow the records to be altered. The cost of duplication shall be limited to the direct cost of producing the copy of a record in that electronic format. The association may deliver specifically identified records by electronic transmission or machine-readable storage media as long as those records can be transmitted in a redacted format that prevents the records from being altered.

5210. (a) Association records are subject to member inspection for the following time periods:

- (1) For the current fiscal year and for each of the previous two fiscal years.
- (2) Notwithstanding paragraph (1), minutes of member and board meetings are subject

5215. (a) Except as provided in subdivision (b), the association may withhold or redact information from the association records if any of the following are true:

(1) The release of the information is reasonably likely to lead to identity theft.

For the purposes of this section, "identity theft" means the unauthorized use of another person's personal identifying information to obtain credit, goods, services, money, or property. Examples of information that may be withheld or redacted pursuant to this paragraph include bank account numbers of members or vendors, social security or tax identification numbers, and check, stock, and credit card numbers.

(2) The release of the information is reasonably likely to lead to fraud in connection with the association.

(3) The information is privileged under law. Examples include documents subject to attorney-client privilege or relating to litigation in which the association is or may become involved, and confidential settlement agreements.

(4) The release of the information is reasonably likely to compromise the privacy of an individual member of the association.

(5) The information contains any of the following:

(D) Minutes and other information from executive sessions of the board as described in Article 2 (commencing with Section 4900), except for

executed contracts not otherwise privileged. Privileged contracts shall not include contracts for maintenance, management, or legal services.

(E) Personnel records other than the payroll records required to be provided under subdivision (b).

(F) Interior architectural plans, including security features, for individual homes.

(b) Except as provided by the attorney-client privilege, the association may not withhold or redact information concerning the compensation paid to employees, vendors, or contractors. Compensation information for individual employees shall be set forth by job classification or title, not by the employee's name, social security number, or other personal information.

(c) No association, officer, director, employee, agent, or volunteer of an association shall be liable for damages to a member of the association or any third party as the result of identity theft or other breach of privacy because of the failure to withhold or redact that member's information under this section unless the failure to withhold or redact the information was intentional, willful, or negligent.

(d) If requested by the requesting member, an association that denies or redacts records shall provide a written explanation specifying the legal basis for withholding or redacting the requested records.

5220. A member of the association may opt out of the sharing of that member's name, property address, and mailing address by notifying the association in writing that the member prefers to be contacted via the alternative process described in subdivision (c) of Section 8330 of the Corporations Code. This opt out shall remain in effect until changed by the member.

5225. A member requesting the membership list shall state the purpose for which the list is requested which purpose shall be reasonably related to the requester's interest as a member. If the association reasonably believes that the

information in the list will be used for another purpose, it may deny the member access to the list. If the request is denied, in any subsequent action brought by the member under Section 5235, the association shall have the burden to prove that the member would have allowed use of the information for purposes unrelated to the member's interest as a member.

5230. (a) The association records, and any information from them, may not be sold, used for a commercial purpose, or used for any other purpose not reasonably related to a member's interest as a member. An association may bring an action against any person who violates this article for injunctive relief and for actual damages to the association caused by the violation.

(b) This article may not be construed to limit the right of an association to damages for misuse of information obtained from the association records pursuant to this article or to limit the right of an association to injunctive relief to stop the misuse of this information.

(c) An association shall be entitled to recover reasonable costs and expenses, including reasonable attorney's fees, in a successful action to enforce its rights under this article.

5235. (a) A member may bring an action to enforce that member's right to inspect and copy the association records. If a court finds that the association unreasonably withheld access to the association records, the court shall award the member reasonable costs and expenses, including reasonable attorney's fees, and may assess a civil penalty of up to five hundred dollars (\$500) for the denial of each separate written request.

(b) A cause of action under this section may be brought in small claims court if the amount of the demand does not exceed the jurisdiction of that court.

(c) A prevailing association may recover any costs if the court finds the action to be frivolous, unreasonable, or without foundation.

5240. (a) As applied to an association and its members, the provisions of this article are

intended to supersede the provisions of Sections 8330 and 8333 of the Corporations Code to the extent those sections are inconsistent.

(b) Except as provided in subdivision (a), members of the association shall have access to association records, including accounting books and records and membership lists, in accordance with Article 3 (commencing with Section 8330) of Chapter 13 of Part 3 of Division 2 of Title 1 of the Corporations Code.

(c) This article applies to any community service organization or similar entity that is related to the association, and to any nonprofit entity that provides services to a common interest development under a declaration of trust. This article shall operate to give a member of the organization or entity a right to inspect and copy the records of that organization or entity equivalent to that granted to association members by this article.

(d) This article shall not apply to any common interest development in which separate interests are being offered for sale by a subdivider under the authority of a public report issued by the Bureau of Real Estate so long as the subdivider or all subdividers offering those separate interests for sale, or any employees of those subdividers or any other person who receives direct or indirect compensation from any of those subdividers, comprise a majority of the directors. Notwithstanding the foregoing, this article shall apply to that common interest development no later than 10 years after the close of escrow for the first sale of a separate interest to a member of the general public pursuant to the public report issued for the first phase of the development.

Article 6. Recordkeeping

The summary distributed pursuant to this paragraph shall contain, in at least 10-point boldface type, the following statement:

Any association member may, upon request and provision of reasonable notice, review the association's insurance policies and, upon request and payment of reasonable duplication charges, obtain copies of those policies. Although the association maintains the policies of insurance specified in this summary, the association's policies of insurance may not cover your property, including personal property or real property improvements to or around your dwelling, or personal injuries or other losses that occur within or around your dwelling. (2) By unincorporated associations, in July 2003, and in that same month biennially thereafter. Upon changing its status to that of a corporation, the association shall comply with the filing deadlines in paragraph (1).

(c) The association shall notify the Secretary of State of any change in the street address of the association’s onsite office or of the responsible officer or managing agent of the association in the form and for a fee prescribed by the Secretary of State, within 60 days of the change.

(d) The penalty for an incorporated association's noncompliance with the initial or biennial filing requirements of this section shall be suspension of the association's rights, privileges, and powers as a corporation and monetary penalties, to the same extent and in the same manner as suspension and monetary penalties imposed pursuant to Section 8810 of the Corporations Code.

(e) The statement required by this section may be filed, notwithstanding suspension of the corporate powers, rights, and privileges under this section or under provisions of the Revenue and Taxation Code. Upon the filing of a statement under this section by a corporation that has suffered suspension under this section, the Secretary of State shall certify that fact to the Franchise Tax Board and the corporation may thereupon be relieved from suspension, unless the corporation is held in suspension by the Franchise Tax Board by reason of Section 23301, 23301.5, or 23775 of the Revenue and Taxation Code.

(f) The Secretary of State shall make the information submitted pursuant to paragraph (5) of subdivision (a) available only for governmental purposes and only to Members of the Legislature and the Business, Consumer Services, and Housing Agency, upon written request. All other information submitted pursuant to this section shall be subject to public inspection pursuant to the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1 of the Government Code). The information submitted pursuant to this section shall be made available for governmental or public inspection.

(g) Whenever any form is filed pursuant to this section, it supersedes any previously filed form.

(h) The Secretary of State may destroy or otherwise dispose of any form filed pursuant to this section after it has been superseded by the filing of a new form.

CHAPTER 7. FINANCES

Article 1. Accounting

5500. Unless the governing documents impose more stringent standards, the board shall do all of the following:

(a) Review, on a monthly basis, a current reconciliation of the association's operating accounts.

(b) Review, on a monthly basis, a current reconciliation of the association's reserve accounts.

(c) Review, on a monthly basis, the current year's actual operating revenues and expenses compared to the current year's budget.

(d) Review, on a monthly basis, the latest account statements prepared by the financial institutions where the association has its operating and reserve accounts.

(e) Review, on a monthly basis, an income and expense statement for the association's operating and reserve accounts.

(f) Review, on a monthly basis, the check register, monthly general ledger, and delinquent assessment receivable reports.

5501. The review requirements of Section 5500 may be met when every individual member of the board, or a subcommittee of the board consisting of the treasurer and at least one other board member, reviews the documents and statements described in Section 5500 independent of a board meeting, so long as the review is ratified at the board meeting subsequent to the review and that ratification is reflected in the minutes of that meeting.

5502. Notwithstanding any other law, transfers of greater than ten thousand dollars (\$10,000) or 5 percent of an association's total combine reserve and operating account deposits, whichever is lower, shall not be authorized from the association's reserve or operating accounts without prior written board approval. This section shall apply in addition to any other applicable requirements of this part.

Article 2. Use of Reserve Funds

5510. (a) The signatures of at least two persons, who shall be directors, or one officer who is not a director and one who is a director, shall be required for the withdrawal of moneys from the association's reserve accounts.

(b) The board shall not expend funds designated as reserve funds for any purpose other than the repair, restoration, replacement, or maintenance of, or litigation involving the repair, restoration, replacement, or maintenance of, major components that the association is obligated to repair, restore, replace, or maintain and for which the reserve fund was established.

5515. (a) Notwithstanding Section 5510, the board may authorize the temporary transfer of moneys from a reserve fund to the association's general operating fund to meet short-term cashflow requirements or other expenses, if the board has provided notice of the intent to consider the transfer in a board meeting notice provided pursuant to Section 4920.

(b) The notice shall include the reasons the transfer is needed, some of the options for repayment, and whether a special assessment may be considered.

(c) If the board authorizes the transfer, the board shall issue a written finding, recorded in the board's minutes, explaining the reasons that the transfer is needed, and describing when and how the moneys will be repaid to the reserve fund.

(d) The transferred funds shall be restored to the reserve fund within one year of the date of the initial transfer, except that the board may, after giving the same notice required for considering a transfer, and, upon making a finding supported by documentation that a temporary delay would be in the best interests of the common interest development, temporarily delay the restoration.

(e) The board shall exercise prudent fiscal management in maintaining the integrity of the reserve account, and shall, if necessary, levy a special assessment to recover the full amount of

the expended funds within the time limits required by this section. This special assessment is subject to the limitation imposed by Section 5605. The board may, at its discretion, extend the date the payment on the special assessment is due. Any extension shall not prevent the board from pursuing any legal remedy to enforce the collection of an unpaid special assessment.

5520. (a) When the decision is made to use reserve funds or to temporarily transfer moneys from the reserve fund to pay for litigation pursuant to subdivision (b) of Section 5510, the association shall provide general notice pursuant to Section 4045 of that decision, and of the availability of an accounting of those expenses.

(b) Unless the governing documents impose more stringent standards, the association shall make an accounting of expenses related to the litigation on at least a quarterly basis. The accounting shall be made available for inspection by members of the association at the association's office.

Article 3. Reserve Planning

5550. (a) At least once every three years, the board shall cause to be conducted a reasonably competent and diligent visual inspection of the accessible areas of the major components that the association is obligated to repair, replace, restore, or maintain as part of a study of the reserve account requirements of the common interest development, if the current replacement value of the major components is equal to or greater than one-half of the gross budget of the association, excluding the association's reserve account for that period. The board shall review this study, or cause it to be reviewed, annually and shall consider and implement necessary adjustments to the board's analysis of the reserve account requirements as a result of that review.

(b) The study required by this section shall at a minimum include:

- (1) Identification of the major components that the association is obligated to repair, replace, restore, or maintain that, as of the

date of the study, have a remaining useful life of less than 30 years.

(2) Identification of the probable remaining useful life of the components identified in paragraph (1) as of the date of the study.

(3) An estimate of the cost of repair, replacement, restoration, or maintenance of the components identified in paragraph (1).

(4) An estimate of the total annual contribution necessary to defray the cost to repair, replace, restore, or maintain the components identified in paragraph (1) during and at the end of their useful life, after subtracting total reserve funds as of the date of the study.

(5) A reserve funding plan that indicates how the association plans to fund the contribution identified in paragraph (4) to meet the association's obligation for the repair and replacement of all major components with an expected remaining life of 30 years or less, not including those components that the board has determined will not be replaced or repaired.

5551. (a) For purposes of this section, the following definitions apply:

(1) "Associated waterproofing systems" include flashings, membranes, coatings, and sealants that protect the load-bearing components of exterior elevated elements from exposure to water.

(2) "Exterior elevated elements" mean the load-bearing components together with their associated waterproofing system.

(3) "Load-bearing components" means those components that extend beyond the exterior walls of the building to deliver structural loads to the building from decks, balconies, stairways, walkways, and their railings, that have a walking surface elevated more than six feet above ground level, that are designed for human occupancy or use, and that are supported in whole or in substantial part by wood or wood-based products.

(4) "Statistically significant sample" means a sufficient number of units inspected to provide 95 percent confidence that the results from the sample are reflective of the whole, with a margin of error of no greater than plus or minus 5 percent.

(5) "Visual inspection" means inspection through the least intrusive method necessary to inspect load-bearing components, including visual observation only or visual observation in conjunction with, for example, the use of moisture meters, borescopes, or infrared technology.

(b) (1) At least once every nine years, the board of an association of a condominium project shall cause a reasonably competent and diligent visual inspection to be conducted by a licensed structural engineer or architect of a random and statistically significant sample of exterior elevated elements for which the association has maintenance or repair responsibility.

(2) The inspection shall determine whether the exterior elevated elements are in a generally safe condition and performing in accordance with applicable standards.

(c) Prior to conducting the first visual inspection, the inspector shall generate a random list of the locations of each type of exterior elevated element. The list shall include all exterior elevated elements for which the association has maintenance or repair responsibility. The list shall be provided to the association for future use.

(d) The inspector shall perform the visual inspections in accordance with the random list generated pursuant to subdivision (c). If during the visual inspection the inspector observes building conditions indicating that unintended water or water vapor has passed into the associated waterproofing system, thereby creating the potential for damage to the load-bearing components, then the inspector may conduct a further inspection. The inspector shall exercise their best professional judgment in determining the necessity, scope, and breadth of any further inspection.

(e) Based upon the inspector's visual inspections, further inspection, and construction and materials expertise, the inspector shall issue a written report containing the following information:

(1) The identification of the building components comprising the load-bearing components and associated waterproofing system.

(2) The current physical condition of the load-bearing components and associated waterproofing system, including whether the condition presents an immediate threat to the health and safety of the residents.

(3) The expected future performance and remaining useful life of the load-bearing components and associated waterproofing system.

(4) Recommendations for any necessary repair or replacement of the load-bearing components and associated waterproofing system.

(f) The report issued pursuant to subdivision (e) shall be stamped or signed by the inspector, presented to the board, and incorporated into the study required by Section 5550.

(g) (1) If, after inspection of any exterior elevated element, the inspector advises that the exterior elevated element poses an immediate threat to the safety of the occupants, the inspector shall provide a copy of the inspection report to the association immediately upon completion of the report, and to the local code enforcement agency within 15 days of completion of the report. Upon receiving the report, the association shall take preventive measures immediately, including preventing occupant access to the exterior elevated element until repairs have been inspected and approved by the local enforcement agency.

(2) Local enforcement agencies shall have the ability to recover enforcement costs associated with the requirements of this section from the association.

(h) Each subsequent visual inspection conducted under this section shall commence with the next exterior elevated element identified on the random list and shall proceed in order through the list.

(i) The first inspection shall be completed by January 1, 2025, and then every nine years thereafter in coordination with the reserve study inspection pursuant to Section 5550. All written reports shall be maintained for two inspection cycles as records of the association.

(j) (1) The association shall be responsible for complying with the requirements of this section.

(2) The continued and ongoing maintenance and repair of the load-bearing components and associated waterproofing systems in a safe, functional, and sanitary condition shall be the responsibility of the association as required by the association's governing documents.

(k) The inspection of buildings for which a building permit application has been submitted on or after January 1, 2020, shall occur no later than six years following the issuance of a certificate of occupancy. The inspection shall otherwise comply with the provisions of this section.

(l) This section shall only apply to buildings containing three or more multifamily dwelling units.

(m) The association board may enact rules or bylaws imposing requirements greater than those imposed by this section.

(n) A local government or local enforcement agency may enact an ordinance or other rule imposing requirements greater than those imposed by this section.

5560. (a) The reserve funding plan required by Section 5550 shall include a schedule of the date and amount of any change in regular or special assessments that would be needed to sufficiently fund the reserve funding plan.

(b) The plan shall be adopted by the board at an open meeting before the membership of the

association as described in Article 2 (commencing with Section 4900) of Chapter 6.

(c) If the board determines that an assessment increase is necessary to fund the reserve funding plan, any increase shall be approved in a separate action of the board that is consistent with the procedure described in Section 5605.

5565. The summary of the association's reserves required by paragraph (2) of subdivision (b) of Section 5300 shall be based on the most recent review or study conducted pursuant to Section 5550, shall be based only on assets held in cash or cash equivalents, shall be printed in boldface type, and shall include all of the following:

(a) The current estimated replacement cost, estimated remaining life, and estimated useful life of each major component.

(b) As of the end of the fiscal year for which the study is prepared:

(1) The current estimate of the amount of cash reserves necessary to repair, replace, restore, or maintain the major components.

(2) The current amount of accumulated cash reserves actually set aside to repair, replace, restore, or maintain major components.

(3) If applicable, the amount of funds received from either a compensatory damage award or settlement to an association from any person for injuries to property, real or personal, arising out of any construction or design defects, and the expenditure or disposition of funds, including the amounts expended for the direct and indirect costs of repair of construction or design defects. These amounts shall be reported at the end of the fiscal year for which the study is prepared as separate line items under cash reserves pursuant to paragraph (2). Instead of complying with the requirements set forth in this paragraph, an association that is obligated to issue a review of its financial statement pursuant to Section 5305 may include in the review a statement

containing all of the information required by this paragraph.

(c) The percentage that the amount determined for purposes of paragraph (2) of subdivision (b) equals the amount determined for purposes of paragraph (1) of subdivision (b).

(d) The current deficiency in reserve funding expressed on a per unit basis. The figure shall be calculated by subtracting the amount determined for purposes of paragraph (2) of subdivision (b) from the amount determined for purposes of paragraph (1) of subdivision (b) and then dividing the result by the number of separate interests within the association, except that if assessments vary by the size or type of ownership interest, then the association shall calculate the current deficiency in a manner that reflects the variation.

5570. (a) The disclosures required by this article with regard to an association or a property shall be summarized on the following form:

**Assessment and Reserve Funding
Disclosure Summary For the Fiscal Year
Ending _____**

(1) The regular assessment per ownership interest is \$_____ per _____. Note: If assessments vary by the size or type of ownership interest, the assessment applicable to this ownership interest may be found on page _____ of the attached summary.

(2) Additional regular or special assessments that have already been scheduled to be imposed or charged, regardless of the purpose, if they have been approved by the board and/or members:

Date assessment will be due:	Amount per ownership interest per month or year (If assessments are variable, see note immediately below):	Purpose of the assessment:
	Total:	

Note: If assessments vary by the size or type of ownership interest, the assessment applicable to this ownership interest may be found on page ____ of the attached report.

(3) Based upon the most recent reserve study and other information available to the board of directors, will currently projected reserve account balances be sufficient at the end of each year to meet the association's obligation for repair and/or replacement of major components during the next 30 years?

Yes ____ No ____

(4) If the answer to (3) is no, what additional assessments or other contributions to reserves would be necessary to ensure that sufficient reserve funds will be available each year during the next 30 years that have not yet been approved by the board or the members?

Approximate date assessment will be due:	Amount per ownership interest per month or year:
	Total:

(5) All major components are included in the reserve study and are included in its calculations.

(6) Based on the method of calculation in paragraph (4) of subdivision (b) of Section 5570, the estimated amount required in the reserve fund at the end of the current fiscal year is \$____, based in whole or in part on the last reserve study or update prepared by ____ as of ____ (month), ____ (year). The projected reserve fund cash balance at the end of the current fiscal year is \$____, resulting in reserves being ____ percent funded at this date.

If an alternate, but generally accepted, method of calculation is also used, the required reserve amount is \$____. (See attached explanation)

(7) Based on the method of calculation in paragraph (4) of subdivision (b) of Section 5570 of the Civil Code, the estimated amount

required in the reserve fund at the end of each of the next five budget years is \$____, and the projected reserve fund cash balance in each of those years, taking into account only assessments already approved and other known revenues, is \$____, leaving the reserve at ____ percent funded. If the reserve funding plan approved by the association is implemented, the projected reserve fund cash balance in each of those years will be \$____, leaving the reserve at ____ percent funded.

Note: The financial representations set forth in this summary are based on the best estimates of the preparer at that time. The estimates are subject to change. At the time this summary was prepared, the assumed long-term before-tax interest rate earned on reserve funds was ____ percent per year, and the assumed long-term inflation rate to be applied to major component repair and replacement costs was ____ percent per year.

(b) For the purposes of preparing a summary pursuant to this section:

(1) "Estimated remaining useful life" means the time reasonably calculated to remain before a major component will require replacement.

(2) "Major component" has the meaning used in Section 5550. Components with an estimated remaining useful life of more than 30 years may be included in a study as a capital asset or disregarded from the reserve calculation, so long as the decision is revealed in the reserve study report and reported in the Assessment and Reserve Funding Disclosure Summary.

(3) The form set out in subdivision (a) shall accompany each annual budget report or summary thereof that is delivered pursuant to Section 5300. The form may be supplemented or modified to clarify the information delivered, so long as the minimum information set out in subdivision (a) is provided.

(4) For the purpose of the report and summary, the amount of reserves needed to be accumulated for a component at a given

time shall be computed as the current cost of replacement or repair multiplied by the number of years the component has been in service divided by the useful life of the component. This shall not be construed to require the board to fund reserves in accordance with this calculation.

5580. (a) Unless the governing documents impose more stringent standards, any community service organization whose funding from the association or its members exceeds 10 percent of the organization's annual budget shall prepare and distribute to the association a report that meets the requirements of Section 5012 of the Corporations Code, and that describes in detail administrative costs and identifies the payees of those costs in a manner consistent with the provisions of Article 5 (commencing with Section 5200) of Chapter 6.

(b) If the community service organization does not comply with the standards, the report shall disclose the noncompliance in detail. If a community service organization is responsible for the maintenance of major components for which an association would otherwise be responsible, the community service organization shall supply to the association the information regarding those components that the association would use to complete disclosures and reserve reports required under this article and Section 5300. An association may rely upon information received from a community service organization, and shall provide access to the information pursuant to the provisions of Article 5 (commencing with Section 5200) of Chapter 6.

CHAPTER 8. ASSESSMENTS AND ASSESSMENT COLLECTION

Article 1. Establishment and Imposition of Assessments

5600. (a) Except as provided in Section 5605, the association shall levy regular and special assessments sufficient to perform its obligations under the governing documents and this act.

(b) An association shall not impose or collect an assessment or fee that exceeds the amount

necessary to defray the costs for which it is levied.

5605. (a) Annual increases in regular assessments for any fiscal year shall not be imposed unless the board has complied with paragraphs (1), (2), (4), (5), (6), (7), and (8) of subdivision (b) of Section 5300 with respect to that fiscal year, or has obtained the approval of a majority of a quorum of members, pursuant to Section 4070, at a member meeting or election.

(b) Notwithstanding more restrictive limitations placed on the board by the governing documents, the board may not impose a regular assessment that is more than 20 percent greater than the regular assessment for the association's preceding fiscal year or impose special assessments which in the aggregate exceed 5 percent of the budgeted gross expenses of the association for that fiscal year without the approval of a majority of a quorum of members, pursuant to Section 4070, at a member meeting or election.

(c) For the purposes of this section, "quorum" means more than 50 percent of the members.

5610. Section 5605 does not limit assessment increases necessary for emergency situations. For purposes of this section, an emergency situation is any one of the following:

(a) An extraordinary expense required by an order of a court.

(b) An extraordinary expense necessary to repair or maintain the common interest development or any part of it for which the association is responsible where a threat to personal safety on the property is discovered.

(c) An extraordinary expense necessary to repair or maintain the common interest development or any part of it for which the association is responsible that could not have been reasonably foreseen by the board in preparing and distributing the annual budget report under Section 5300. However, prior to the imposition or collection of an assessment under this subdivision, the board shall pass a resolution containing written findings as to the necessity of the extraordinary expense involved

and why the expense was not or could not have been reasonably foreseen in the budgeting process, and the resolution shall be distributed to the members with the notice of assessment.

5615. The association shall provide individual notice pursuant to Section 4040 to the members of any increase in the regular or special assessments of the association, not less than 30 nor more than 60 days prior to the increased assessment becoming due.

5620. (a) Regular assessments imposed or collected to perform the obligations of an association under the governing documents or this act shall be exempt from execution by a judgment creditor of the association only to the extent necessary for the association to perform essential services, such as paying for utilities and insurance. In determining the appropriateness of an exemption, a court shall ensure that only essential services are protected under this subdivision.

(b) This exemption shall not apply to any consensual pledges, liens, or encumbrances that have been approved by a majority of a quorum of members, pursuant to Section 4070, at a member meeting or election, or to any state tax lien, or to any lien for labor or materials supplied to the common area.

5625. (a) Except as provided in subdivision (b), notwithstanding any provision of this act or the governing documents to the contrary, an association shall not levy assessments on separate interests within the common interest development based on the taxable value of the separate interests unless the association, on or before December 31, 2009, in accordance with its governing documents, levied assessments on those separate interests based on their taxable value, as determined by the tax assessor of the county in which the separate interests are located.

(b) An association that is responsible for paying taxes on the separate interests within the common interest development may levy that portion of assessments on separate interests that is related to the payment of taxes based on the

taxable value of the separate interest, as determined by the tax assessor.

Article 2. Assessment Payment and Delinquency

5650. (a) A regular or special assessment and any late charges, reasonable fees and costs of collection, reasonable attorney's fees, if any, and interest, if any, as determined in accordance with subdivision (b), shall be a debt of the owner of the separate interest at the time the assessment or other sums are levied.

(b) Regular and special assessments levied pursuant to the governing documents are delinquent 15 days after they become due, unless the declaration provides a longer time period, in which case the longer time period shall apply. If an assessment is delinquent, the association may recover all of the following:

(1) Reasonable costs incurred in collecting the delinquent assessment, including reasonable attorney's fees.

(2) A late charge not exceeding 10 percent of the delinquent assessment or ten dollars (\$10), whichever is greater, unless the declaration specifies a late charge in a smaller amount, in which case any late charge imposed shall not exceed the amount specified in the declaration.

(3) Interest on all sums imposed in accordance with this section, including the delinquent assessments, reasonable fees and costs of collection, and reasonable attorney's fees, at an annual interest rate not to exceed 12 percent, commencing 30 days after the assessment becomes due, unless the declaration specifies the recovery of interest at a rate of a lesser amount, in which case the lesser rate of interest shall apply.

(c) Associations are hereby exempted from interest-rate limitations imposed by Article XV of the California Constitution, subject to the limitations of this section.

5655. (a) Any payments made by the owner of a separate interest toward a debt described in subdivision (a) of Section 5650 shall first be

applied to the assessments owed, and, only after the assessments owed are paid in full shall the payments be applied to the fees and costs of collection, attorney's fees, late charges, or interest.

(b) When an owner makes a payment, the owner may request a receipt and the association shall provide it. The receipt shall indicate the date of payment and the person who received it.

(c) The association shall provide a mailing address for overnight payment of assessments. The address shall be provided in the annual policy statement.

5658. (a) If a dispute exists between the owner of a separate interest and the association regarding any disputed charge or sum levied by the association, including, but not limited to, an assessment, fine, penalty, late fee, collection cost, or monetary penalty imposed as a disciplinary measure, and the amount in dispute does not exceed the jurisdictional limits of the small claims court stated in Sections 116.220 and 116.221 of the Code of Civil Procedure, the owner of the separate interest may, in addition to pursuing dispute resolution pursuant to Article 3 (commencing with Section 5925) of Chapter 10, pay under protest the disputed amount and all other amounts levied, including any fees and reasonable costs of collection, reasonable attorney's fees, late charges, and interest, if any, pursuant to subdivision (b) of Section 5650, and commence an action in small claims court pursuant to Chapter 5.5 (commencing with Section 116.110) of Title 1 of the Code of Civil Procedure.

(b) Nothing in this section shall impede an association's ability to collect delinquent assessments as provided in this article or Article 3 (commencing with Section 5700).

5660. At least 30 days prior to recording a lien upon the separate interest of the owner of record to collect a debt that is past due under Section 5650, the association shall notify the owner of record in writing by certified mail of the following:

(a) A general description of the collection and lien enforcement procedures of the association

and the method of calculation of the amount, a statement that the owner of the separate interest has the right to inspect the association records pursuant to Section 5205, and the following statement in 14-point boldface type, if printed, or in capital letters, if typed:

"IMPORTANT NOTICE: IF YOUR SEPARATE INTEREST IS PLACED IN FORECLOSURE BECAUSE YOU ARE BEHIND IN YOUR ASSESSMENTS, IT MAY BE SOLD WITHOUT COURT ACTION."

(b) An itemized statement of the charges owed by the owner, including items on the statement which indicate the amount of any delinquent assessments, the fees and reasonable costs of collection, reasonable attorney's fees, any late charges, and interest, if any.

(c) A statement that the owner shall not be liable to pay the charges, interest, and costs of collection, if it is determined the assessment was paid on time to the association.

(d) The right to request a meeting with the board as provided in Section 5665.

(e) The right to dispute the assessment debt by submitting a written request for dispute resolution to the association pursuant to the association's "meet and confer" program required in Article 2 (commencing with Section 5900) of Chapter 10.

(f) The right to request alternative dispute resolution with a neutral third party pursuant to Article 3 (commencing with Section 5925) of Chapter 10 before the association may initiate foreclosure against the owner's separate interest, except that binding arbitration shall not be available if the association intends to initiate a judicial foreclosure.

5665. (a) An owner, other than an owner of any interest that is described in Section 11212 of the Business and Professions Code that is not otherwise exempt from this section pursuant to subdivision (a) of Section 11211.7 of the Business and Professions Code, may submit a written request to meet with the board to discuss a payment plan for the debt noticed

pursuant to Section 5660. The association shall provide the owners the standards for payment plans, if any exists.

(b) The board shall meet with the owner in executive session within 45 days of the postmark of the request, if the request is mailed within 15 days of the date of the postmark of the notice, unless there is no regularly scheduled board meeting within that period, in which case the board may designate a committee of one or more directors to meet with the owner.

(c) Payment plans may incorporate any assessments that accrue during the payment plan period. Additional late fees shall not accrue during the payment plan period if the owner is in compliance with the terms of the payment plan.

(d) Payment plans shall not impede an association's ability to record a lien on the owner's separate interest to secure payment of delinquent assessments.

(e) In the event of a default on any payment plan, the association may resume its efforts to collect the delinquent assessments from the time prior to entering into the payment plan.

5670. Prior to recording a lien for delinquent assessments, an association shall offer the owner and, if so requested by the owner, participate in dispute resolution pursuant to the association's "meet and confer" program required in Article 2 (commencing with Section 5900) of Chapter 10.

5673. For liens recorded on or after January 1, 2006, the decision to record a lien for delinquent assessments shall be made only by the board and may not be delegated to an agent of the association. The board shall approve the decision by a majority vote of the directors in an open meeting. The board shall record the vote in the minutes of that meeting.

5675. (a) The amount of the assessment, plus any costs of collection, late charges, and interest assessed in accordance with subdivision (b) of Section 5650, shall be a lien on the owner's separate interest in the common

interest development from and after the time the association causes to be recorded with the county recorder of the county in which the separate interest is located, a notice of delinquent assessment, which shall state the amount of the assessment and other sums imposed in accordance with subdivision (b) of Section 5650, a legal description of the owner's separate interest in the common interest development against which the assessment and other sums are levied, and the name of the record owner of the separate interest in the common interest development against which the lien is imposed.

(b) The itemized statement of the charges owed by the owner described in subdivision (b) of Section 5660 shall be recorded together with the notice of delinquent assessment.

(c) In order for the lien to be enforced by nonjudicial foreclosure as provided in Sections 5700 to 5710, inclusive, the notice of delinquent assessment shall state the name and address of the trustee authorized by the association to enforce the lien by sale.

(d) The notice of delinquent assessment shall be signed by the person designated in the declaration or by the association for that purpose, or if no one is designated, by the president of the association.

(e) A copy of the recorded notice of delinquent assessment shall be mailed by certified mail to every person whose name is shown as an owner of the separate interest in the association's records, and the notice shall be mailed no later than 10 calendar days after recordation.

5680. A lien created pursuant to Section 5675 shall be prior to all other liens recorded subsequent to the notice of delinquent assessment, except that the declaration may provide for the subordination thereof to any other liens and encumbrances.

5685. (a) Within 21 days of the payment of the sums specified in the notice of delinquent assessment, the association shall record or cause to be recorded in the office of the county recorder in which the notice of delinquent assessment is recorded a lien release or notice

of rescission and provide the owner of the separate interest a copy of the lien release or notice that the delinquent assessment has been satisfied.

(b) If it is determined that a lien previously recorded against the separate interest was recorded in error, the party who recorded the lien shall, within 21 calendar days, record or cause to be recorded in the office of the county recorder in which the notice of delinquent assessment is recorded a lien release or notice of rescission and provide the owner of the separate interest with a declaration that the lien filing or recording was in error and a copy of the lien release or notice of rescission.

(c) If it is determined that an association has recorded a lien for a delinquent assessment in error, the association shall promptly reverse all late charges, fees, interest, attorney's fees, costs of collection, costs imposed for the notice prescribed in Section 5660, and costs of recordation and release of the lien authorized under subdivision (b) of Section 5720, and pay all costs related to any related dispute resolution or alternative dispute resolution.

5690. An association that fails to comply with the procedures set forth in this article shall, prior to recording a lien, recommence the required notice process. Any costs associated with recommencing the notice process shall be borne by the association and not by the owner of a separate interest.

Article 3. Assessment Collection

5700. (a) Except as otherwise provided in this article, after the expiration of 30 days following the recording of a lien created pursuant to Section 5675, the lien may be enforced in any manner permitted by law, including sale by the court, sale by the trustee designated in the notice of delinquent assessment, or sale by a trustee substituted pursuant to Section 2934a.

(b) Nothing in Article 2 (commencing with Section 5650) or in subdivision (a) of Section 726 of the Code of Civil Procedure prohibits actions against the owner of a separate interest to recover sums for which a lien is created pursuant to Article 2 (commencing with

Section 5650) or prohibits an association from taking a deed in lieu of foreclosure.

5705. (a) Notwithstanding any law or any provisions of the governing documents to the contrary, this section shall apply to debts for assessments that arise on and after January 1, 2006.

(b) Prior to initiating a foreclosure on an owner's separate interest, the association shall offer the owner and, if so requested by the owner, participate in dispute resolution pursuant to the association's "meet and confer" program required in Article 2 (commencing with Section 5900) of Chapter 10 or alternative dispute resolution as set forth in Article 3 (commencing with Section 5925) of Chapter 10. The decision to pursue dispute resolution or a particular type of alternative dispute resolution shall be the choice of the owner, except that binding arbitration shall not be available if the association intends to initiate a judicial foreclosure.

(c) The decision to initiate foreclosure of a lien for delinquent assessments that has been validly recorded shall be made only by the board and may not be delegated to an agent of the association. The board shall approve the decision by a majority vote of the directors in an executive session. The board shall record the vote in the minutes of the next meeting of the board open to all members. The board shall maintain the confidentiality of the owner or owners of the separate interest by identifying the matter in the minutes by the parcel number of the property, rather than the name of the owner or owners. A board vote to approve foreclosure of a lien shall take place at least 30 days prior to any public sale.

(d) The board shall provide notice by personal service in accordance with the manner of service of summons in Article 3 (commencing with Section 415.10) of Chapter 4 of Title 5 of Part 2 of the Code of Civil Procedure to an owner of a separate interest who occupies the separate interest or to the owner's legal representative, if the board votes to foreclose upon the separate interest. The board shall provide written notice to an owner of a separate

interest who does not occupy the separate interest by first-class mail, postage prepaid, at the most current address shown on the books of the association. In the absence of written notification by the owner to the association, the address of the owner's separate interest may be treated as the owner's mailing address.

5710. (a) Any sale by the trustee shall be conducted in accordance with Sections 2924, 2924b, and 2924c applicable to the exercise of powers of sale in mortgages and deeds of trust.

(b) In addition to the requirements of Section 2924, the association shall serve a notice of default on the person named as the owner of the separate interest in the association's records or, if that person has designated a legal representative pursuant to this subdivision, on that legal representative. Service shall be in accordance with the manner of service of summons in Article 3 (commencing with Section 415.10) of Chapter 4 of Title 5 of Part 2 of the Code of Civil Procedure. An owner may designate a legal representative in a writing that is mailed to the association in a manner that indicates that the association has received it.

(c) The fees of a trustee may not exceed the amounts prescribed in Sections 2924c and 2924d, plus the cost of service for either of the following:

(1) The notice of default pursuant to subdivision (b).

(2) The decision of the board to foreclose upon the separate interest of an owner as described in subdivision (d) of Section 5705.

5715. (a) Notwithstanding any law or any provisions of the governing documents to the contrary, this section shall apply to debts for assessments that arise on and after January 1, 2006.

(b) A nonjudicial foreclosure by an association to collect upon a debt for delinquent assessments shall be subject to a right of redemption. The redemption period within which the separate interest may be redeemed

from a foreclosure sale under this paragraph ends 90 days after the sale. In addition to the requirements of Section 2924f, a notice of sale in connection with an association's foreclosure of a separate interest in a common interest development shall include a statement that the property is being sold subject to the right of redemption created in this section.

5720. (a) Notwithstanding any law or any provisions of the governing documents to the contrary, this section shall apply to debts for assessments that arise on and after January 1, 2006.

(b) An association that seeks to collect delinquent regular or special assessments of an amount less than one thousand eight hundred dollars (\$1,800), not including any accelerated assessments, late charges, fees and costs of collection, attorney's fees, or interest, may not collect that debt through judicial or nonjudicial foreclosure, but may attempt to collect or secure that debt in any of the following ways:

(1) By a civil action in small claims court, pursuant to Chapter 5.5 (commencing with Section 116.110) of Title 1 of Part 1 of the Code of Civil Procedure. An association that chooses to proceed by an action in small claims court, and prevails, may enforce the judgment as permitted under Article 8 (commencing with Section 116.810) of Chapter 5.5 of Title 1 of Part 1 of the Code of Civil Procedure. The amount that may be recovered in small claims court to collect upon a debt for delinquent assessments may not exceed the jurisdictional limits of the small claims court and shall be the sum of the following:

(A) The amount owed as of the date of filing the complaint in the small claims court proceeding.

(B) In the discretion of the court, an additional amount to that described in subparagraph (A) equal to the amount owed for the period from the date the complaint is filed until satisfaction of the judgment, which total amount may include accruing unpaid assessments

and any reasonable late charges, fees and costs of collection, attorney's fees, and interest, up to the jurisdictional limits of the small claims court.

(2) By recording a lien on the owner's separate interest upon which the association may not foreclose until the amount of the delinquent assessments secured by the lien, exclusive of any accelerated assessments, late charges, fees and costs of collection, attorney's fees, or interest, equals or exceeds one thousand eight hundred dollars (\$1,800) or the assessments secured by the lien are more than 12 months delinquent. An association that chooses to record a lien under these provisions, prior to recording the lien, shall offer the owner and, if so requested by the owner, participate in dispute resolution as set forth in Article 2 (commencing with Section 5900) of Chapter 10.

(3) Any other manner provided by law, except for judicial or nonjudicial foreclosure.

(c) The limitation on foreclosure of assessment liens for amounts under the stated minimum in this section does not apply to any of the following:

(1) Assessments secured by a lien that are more than 12 months delinquent.

(2) Assessments owed by owners of separate interests in time-share estates, as defined in subdivision (x) of Section 11212 of the Business and Professions Code.

(3) Assessments owed by the developer.

5725. (a) A monetary charge imposed by the association as a means of reimbursing the association for costs incurred by the association in the repair of damage to common area and facilities caused by a member or the member's guest or tenant may become a lien against the member's separate interest enforceable by the sale of the interest under Sections 2924, 2924b, and 2924c, provided the authority to impose a lien is set forth in the governing documents. It is the intent of the Legislature not to contravene

Section 2792.26 of Title 10 of the California Code of Regulations, as that section appeared on January 1, 1996, for associations of subdivisions that are being sold under authority of a subdivision public report, pursuant to Part 2 (commencing with Section 11000) of Division 4 of the Business and Professions Code.

(b) A monetary penalty imposed by the association as a disciplinary measure for failure of a member to comply with the governing documents, except for the late payments, may not be characterized nor treated in the governing documents as an assessment that may become a lien against the member's separate interest enforceable by the sale of the interest under Sections 2924, 2924b, and 2924c.

5730. (a) The annual policy statement, prepared pursuant to Section 5310, shall include the following notice, in at least 12-point type:

“NOTICE ASSESSMENTS AND
FORECLOSURE

This notice outlines some of the rights and responsibilities of owners of property in common interest developments and the associations that manage them. Please refer to the sections of the Civil Code indicated for further information. A portion of the information in this notice applies only to liens recorded on or after January 1, 2003. You may wish to consult a lawyer if you dispute an assessment.

ASSESSMENTS AND FORECLOSURE

Assessments become delinquent 15 days after they are due, unless the governing documents provide for a longer time. The failure to pay association assessments may result in the loss of an owner's property through foreclosure. Foreclosure may occur either as a result of a court action, known as judicial foreclosure, or without court action, often referred to as nonjudicial foreclosure. For liens recorded on and after January 1, 2006, an association may not use judicial or nonjudicial foreclosure to enforce that lien if the amount of the delinquent assessments or dues, exclusive of any

accelerated assessments, late charges, fees, attorney's fees, interest, and costs of collection, is less than one thousand eight hundred dollars (\$1,800). For delinquent assessments or dues in excess of one thousand eight hundred dollars (\$1,800) or more than 12 months delinquent, an association may use judicial or nonjudicial foreclosure subject to the conditions set forth in Article 3 (commencing with Section 5700) of Chapter 8 of Part 5 of Division 4 of the Civil Code. When using judicial or nonjudicial foreclosure, the association records a lien on the owner's property. The owner's property may be sold to satisfy the lien if the amounts secured by the lien are not paid. (Sections 5700 through 5720 of the Civil Code, inclusive)

In a judicial or nonjudicial foreclosure, the association may recover assessments, reasonable costs of collection, reasonable attorney's fees, late charges, and interest. The association may not use nonjudicial foreclosure to collect fines or penalties, except for costs to repair common area damaged by a member or a member's guests, if the governing documents provide for this. (Section 5725 of the Civil Code)

The association must comply with the requirements of Article 2 (commencing with Section 5650) of Chapter 8 of Part 5 of Division 4 of the Civil Code when collecting delinquent assessments. If the association fails to follow these requirements, it may not record a lien on the owner's property until it has satisfied those requirements. Any additional costs that result from satisfying the requirements are the responsibility of the association. (Section 5675 of the Civil Code)

At least 30 days prior to recording a lien on an owner's separate interest, the association must provide the owner of record with certain documents by certified mail, including a description of its collection and lien enforcement procedures and the method of calculating the amount. It must also provide an itemized statement of the charges owed by the owner. An owner has a right to review the association's records to verify the debt. (Section 5660 of the Civil Code)

If a lien is recorded against an owner's property in error, the person who recorded the lien is required to record a lien release within 21 days, and to provide an owner certain documents in this regard. (Section 5685 of the Civil Code)

The collection practices of the association may be governed by state and federal laws regarding fair debt collection. Penalties can be imposed for debt collection practices that violate these laws.

PAYMENTS

When an owner makes a payment, the owner may request a receipt, and the association is required to provide it. On the receipt, the association must indicate the date of payment and the person who received it. The association must inform owners of a mailing address for overnight payments. (Section 5655 of the Civil Code)

An owner may, but is not obligated to, pay under protest any disputed charge or sum levied by the association, including, but not limited to, an assessment, fine, penalty, late fee, collection cost, or monetary penalty imposed as a disciplinary measure, and by so doing, specifically reserve the right to contest the disputed charge or sum in court or otherwise.

An owner may dispute an assessment debt by submitting a written request for dispute resolution to the association as set forth in Article 2 (commencing with Section 5900) of Chapter 10 of Part 5 of Division 4 of the Civil Code. In addition, an association may not initiate a foreclosure without participating in alternative dispute resolution with a neutral third party as set forth in Article 3 (commencing with Section 5925) of Chapter 10 of Part 5 of Division 4 of the Civil Code, if so requested by the owner. Binding arbitration shall not be available if the association intends to initiate a judicial foreclosure.

An owner is not liable for charges, interest, and costs of collection, if it is established that the assessment was paid properly on time. (Section 5685 of the Civil Code)

MEETINGS AND PAYMENT PLANS

An owner of a separate interest that is not a time-share interest may request the association to consider a payment plan to satisfy a delinquent assessment. The association must inform owners of the standards for payment plans, if any exists. (Section 5665 of the Civil Code)

The board must meet with an owner who makes a proper written request for a meeting to discuss a payment plan when the owner has received a notice of a delinquent assessment. These payment plans must conform with the payment plan standards of the association, if they exist. (Section 5665 of the Civil Code)”

(b) An association distributing the notice required by this section to an owner of an interest that is described in Section 11212 of the Business and Professions Code that is not otherwise exempt from this section pursuant to subdivision (a) of Section 11211.7 of the Business and Professions Code may delete from the notice described in subdivision (a) the portion regarding meetings and payment plans.

5735. (a) An association may not voluntarily assign or pledge the association’s right to collect payments or assessments, or to enforce or foreclose a lien to a third party, except when the assignment or pledge is made to a financial institution or lender chartered or licensed under federal or state law, when acting within the scope of that charter or license, as security for a loan obtained by the association.

(b) Nothing in subdivision (a) restricts the right or ability of an association to assign any unpaid obligations of a former member to a third party for purposes of collection.

5740. (a) Except as otherwise provided, this article applies to a lien created on or after January 1, 2003.

(b) A lien created before January 1, 2003, is governed by the law in existence at the time the lien was created.

CHAPTER 9. INSURANCE AND LIABILITY

5800. (a) A volunteer officer or volunteer director described in subdivision (e) of an association that manages a common interest development that is residential or mixed use shall not be personally liable in excess of the coverage of insurance specified in paragraph (4) to any person who suffers injury, including, but not limited to, bodily injury, emotional distress, wrongful death, or property damage or loss as a result of the tortious act or omission of the volunteer officer or volunteer director if all of the following criteria are met:

(1) The act or omission was performed within the scope of the officer’s or director’s association duties.

(2) The act or omission was performed in good faith.

(3) The act or omission was not willful, wanton, or grossly negligent.

(4) The association maintained and had in effect at the time the act or omission occurred and at the time a claim is made one or more policies of insurance that shall include coverage for (A) general liability of the association and (B) individual liability of officers and directors of the association for negligent acts or omissions in that capacity; provided that both types of coverage are in the following minimum amounts:

(A) At least five hundred thousand dollars (\$500,000) if the common interest development consists of 100 or fewer separate interests.

(B) At least one million dollars (\$1,000,000) if the common interest development consists of more than 100 separate interests.

(b) The payment of actual expenses incurred by a director or officer in the execution of the duties of that position does not affect the director’s or officer’s status as a volunteer within the meaning of this section.

(c) An officer or director who at the time of the act or omission was a declarant, or who received either direct or indirect compensation as an employee from the declarant, or from a financial institution that purchased a separate interest at a judicial or nonjudicial foreclosure of a mortgage or deed of trust on real property, is not a volunteer for the purposes of this section.

(d) Nothing in this section shall be construed to limit the liability of the association for its negligent act or omission or for any negligent act or omission of an officer or director of the association.

(e) This section shall only apply to a volunteer officer or director who is a tenant of a residential separate interest in the common interest development or is an owner of no more than two separate interests and whose ownership in the common interest development consists exclusively of residential separate interests.

(f) (1) For purposes of paragraph (1) of subdivision (a), the scope of the officer's or director's association duties shall include, but shall not be limited to, both of the following decisions:

(A) Whether to conduct an investigation of the common interest development for latent deficiencies prior to the expiration of the applicable statute of limitations.

(B) Whether to commence a civil action against the builder for defects in design or construction.

(2) It is the intent of the Legislature that this section clarify the scope of association duties to which the protections against personal liability in this section apply. It is not the intent of the Legislature that these clarifications be construed to expand, or limit, the fiduciary duties owed by the directors or officers.

5805. (a) It is the intent of the Legislature to offer civil liability protection to owners of the separate interests in a common interest

development that have common area owned in tenancy-in-common if the association carries a certain level of prescribed insurance that covers a cause of action in tort.

(b) Any cause of action in tort against any owner of a separate interest arising solely by reason of an ownership interest as a tenant-in-common in the common area of a common interest development shall be brought only against the association and not against the individual owners of the separate interests, if both of the insurance requirements in paragraphs (1) and (2) are met:

(1) The association maintained and has in effect for this cause of action, one or more policies of insurance that include coverage for general liability of the association.

(2) The coverage described in paragraph (1) is in the following minimum amounts:

(A) At least two million dollars (\$2,000,000) if the common interest development consists of 100 or fewer separate interests.

(B) At least three million dollars (\$3,000,000) if the common interest development consists of more than 100 separate interests.

5806. Unless the governing documents require greater coverage amounts, the association shall maintain fidelity bond coverage for its directors, officers, and employees in an amount that is equal to or more than the combined amount of the reserves of the association and total assessments for three months. The association's fidelity bond shall also include computer fraud and funds transfer fraud. If the association uses a managing agent or management company, the association's fidelity bond coverage shall additionally include dishonest acts by that person or entity and its employees.

5810. The association shall, as soon as reasonably practicable, provide individual notice pursuant to Section 4040 to all members if any of the policies described in the annual budget report pursuant to Section 5300 have

lapsed, been canceled, and are not immediately renewed, restored, or replaced, or if there is a significant change, such as a reduction in coverage or limits or an increase in the deductible, as to any of those policies. If the association receives any notice of nonrenewal of a policy described in the annual budget report pursuant to Section 5300, the association shall immediately notify its members if replacement coverage will not be in effect by the date the existing coverage will lapse.

CHAPTER 10. DISPUTE RESOLUTION AND ENFORCEMENT

Article 1. Discipline and Cost Reimbursement

5850. (a) If an association adopts or has adopted a policy imposing any monetary penalty, including any fee, on any association member for a violation of the governing documents, including any monetary penalty relating to the activities of a guest or tenant of the member, the board shall adopt and distribute to each member, in the annual policy statement prepared pursuant to Section 5310, a schedule of the monetary penalties that may be assessed for those violations, which shall be in accordance with authorization for member discipline contained in the governing documents.

(b) Any new or revised monetary penalty that is adopted after complying with subdivision (a) may be included in a supplement that is delivered to the members individually, pursuant to Section 4040.

(c) A monetary penalty for a violation of the governing documents shall not exceed the monetary penalty stated in the schedule of monetary penalties or supplement that is in effect at the time of the violation.

(d) An association shall provide a copy of the most recently distributed schedule of monetary penalties, along with any applicable supplements to that schedule, to any member upon request.

5855. (a) When the board is to meet to consider or impose discipline upon a member, or to

impose a monetary charge as a means of reimbursing the association for costs incurred by the association in the repair of damage to common area and facilities caused by a member or the member's guest or tenant, the board shall notify the member in writing, by either personal delivery or individual delivery pursuant to Section 4040, at least 10 days prior to the meeting.

(b) The notification shall contain, at a minimum, the date, time, and place of the meeting, the nature of the alleged violation for which a member may be disciplined or the nature of the damage to the common area and facilities for which a monetary charge may be imposed, and a statement that the member has a right to attend and may address the board at the meeting. The board shall meet in executive session if requested by the member.

(c) If the board imposes discipline on a member or imposes a monetary charge on the member for damage to the common area and facilities, the board shall provide the member a written notification of the decision, by either personal delivery or individual delivery pursuant to Section 4040, within 15 days following the action.

(d) A disciplinary action or the imposition of a monetary charge for damage to the common area shall not be effective against a member unless the board fulfills the requirements of this section.

5865. Nothing in Section 5850 or 5855 shall be construed to create, expand, or reduce the authority of the board to impose monetary penalties on a member for a violation of the governing documents.

Article 2. Internal Dispute Resolution

5900. (a) This article applies to a dispute between an association and a member involving their rights, duties, or liabilities under this act, under the Nonprofit Mutual Benefit Corporation Law (Part 3 (commencing with Section 7110) of Division 2 of Title 1 of the Corporations Code), or under the governing documents of the common interest development or association.

(b) This article supplements, and does not replace, Article 3 (commencing with Section 5925), relating to alternative dispute resolution as a prerequisite to an enforcement action.

5905. (a) An association shall provide a fair, reasonable, and expeditious procedure for resolving a dispute within the scope of this article.

(b) In developing a procedure pursuant to this article, an association shall make maximum, reasonable use of available local dispute resolution programs involving a neutral third party, including low-cost mediation programs such as those listed on the Internet Web sites of the Department of Consumer Affairs and the United States Department of Housing and Urban Development.

(c) If an association does not provide a fair, reasonable, and expeditious procedure for resolving a dispute within the scope of this article, the procedure provided in Section 5915 applies and satisfies the requirement of subdivision (a).

5910. A fair, reasonable, and expeditious dispute resolution procedure shall, at a minimum, satisfy all of the following requirements:

(a) The procedure may be invoked by either party to the dispute. A request invoking the procedure shall be in writing.

(b) The procedure shall provide for prompt deadlines. The procedure shall state the maximum time for the association to act on a request invoking the procedure.

(c) If the procedure is invoked by a member, the association shall participate in the procedure.

(d) If the procedure is invoked by the association, the member may elect not to participate in the procedure. If the member participates but the dispute is resolved other than by agreement of the member, the member shall have a right of appeal to the board.

(e) A written resolution, signed by both parties, of a dispute pursuant to the procedure that is not in conflict with the law or the governing

documents binds the association and is judicially enforceable. A written agreement, signed by both parties, reached pursuant to the procedure that is not in conflict with the law or the governing documents binds the parties and is judicially enforceable.

(f) The procedure shall provide a means by which the member and the association may explain their positions. The member and association may be assisted by an attorney or another person in explaining their positions at their own cost.

(g) A member of the association shall not be charged a fee to participate in the process.

5910.1. An association may not file a civil action regarding a dispute in which the member has requested dispute resolution unless the association has complied with Section 5910 by engaging in good faith in the internal dispute resolution procedures after a member invokes those procedures.

5915. (a) This section applies to an association that does not otherwise provide a fair, reasonable, and expeditious dispute resolution procedure. The procedure provided in this section is fair, reasonable, and expeditious within the meaning of this article.

(b) Either party to a dispute within the scope of this article may invoke the following procedure:

(1) The party may request the other party to meet and confer in an effort to resolve the dispute. The request shall be in writing.

(2) A member of an association may refuse a request to meet and confer. The association shall not refuse a request to meet and confer.

(3) The board shall designate a director to meet and confer.

(4) The parties shall meet promptly at a mutually convenient time and place, explain their positions to each other, and confer in good faith in an effort to resolve the dispute. The parties may be assisted by

an attorney or another person at their own cost when conferring.

(5) A resolution of the dispute agreed to by the parties shall be memorialized in writing and signed by the parties, including the board designee on behalf of the association.

(c) A written agreement reached under this section binds the parties and is judicially enforceable if it is signed by both parties and both of the following conditions are satisfied:

(1) The agreement is not in conflict with law or the governing documents of the common interest development or association.

(2) The agreement is either consistent with the authority granted by the board to its designee or the agreement is ratified by the board.

(d) A member shall not be charged a fee to participate in the process.

5920. The annual policy statement prepared pursuant to Section 5310 shall include a description of the internal dispute resolution process provided pursuant to this article.

Article 3. Alternative Dispute Resolution Prerequisite to Civil Action

5925. As used in this article:

(a) “Alternative dispute resolution” means mediation, arbitration, conciliation, or other nonjudicial procedure that involves a neutral party in the decisionmaking process. The form of alternative dispute resolution chosen pursuant to this article may be binding or nonbinding, with the voluntary consent of the parties.

(b) “Enforcement action” means a civil action or proceeding, other than a cross-complaint, for any of the following purposes:

(1) Enforcement of this act.

(2) Enforcement of the Nonprofit Mutual Benefit Corporation Law (Part 3 (commencing with Section 7110) of Division 2 of Title 1 of the Corporations Code).

(3) Enforcement of the governing documents.

5930. (a) An association or a member may not file an enforcement action in the superior court unless the parties have endeavored to submit their dispute to alternative dispute resolution pursuant to this article.

(b) This section applies only to an enforcement action that is solely for declaratory, injunctive, or writ relief, or for that relief in conjunction with a claim for monetary damages not in excess of the jurisdictional limits stated in Sections 116.220 and 116.221 of the Code of Civil Procedure.

(c) This section does not apply to a small claims action.

(d) Except as otherwise provided by law, this section does not apply to an assessment dispute.

5935. (a) Any party to a dispute may initiate the process required by Section 5930 by serving on all other parties to the dispute a Request for Resolution. The Request for Resolution shall include all of the following:

(1) A brief description of the dispute between the parties.

(2) A request for alternative dispute resolution.

(3) A notice that the party receiving the Request for Resolution is required to respond within 30 days of receipt or the request will be deemed rejected.

(4) If the party on whom the request is served is the member, a copy of this article.

(b) Service of the Request for Resolution shall be by personal delivery, first-class mail, express mail, facsimile transmission, or other means reasonably calculated to provide the party on whom the request is served actual notice of the request.

(c) A party on whom a Request for Resolution is served has 30 days following service to accept or reject the request. If a party does not accept the request within that period, the request is deemed rejected by the party.

5940. (a) If the party on whom a Request for Resolution is served accepts the request, the parties shall complete the alternative dispute resolution within 90 days after the party initiating the request receives the acceptance, unless this period is extended by written stipulation signed by both parties.

(b) Chapter 2 (commencing with Section 1115) of Division 9 of the Evidence Code applies to any form of alternative dispute resolution initiated by a Request for Resolution under this article, other than arbitration.

(c) The costs of the alternative dispute resolution shall be borne by the parties.

5945. If a Request for Resolution is served before the end of the applicable time limitation for commencing an enforcement action, the time limitation is tolled during the following periods:

(a) The period provided in Section 5935 for response to a Request for Resolution.

(b) If the Request for Resolution is accepted, the period provided by Section 5940 for completion of alternative dispute resolution, including any extension of time stipulated to by the parties pursuant to Section 5940.

5950. (a) At the time of commencement of an enforcement action, the party commencing the action shall file with the initial pleading a certificate stating that one or more of the following conditions are satisfied:

(1) Alternative dispute resolution has been completed in compliance with this article.

(2) One of the other parties to the dispute did not accept the terms offered for alternative dispute resolution.

(3) Preliminary or temporary injunctive relief is necessary.

(b) Failure to file a certificate pursuant to subdivision (a) is grounds for a demurrer or a motion to strike unless the court finds that dismissal of the action for failure to comply with this article would result in substantial prejudice to one of the parties.

5955. (a) After an enforcement action is commenced, on written stipulation of the parties, the matter may be referred to alternative dispute resolution. The referred action is stayed. During the stay, the action is not subject to the rules implementing subdivision (c) of Section 68603 of the Government Code.

(b) The costs of the alternative dispute resolution shall be borne by the parties.

5960. In an enforcement action in which attorney's fees and costs may be awarded, the court, in determining the amount of the award, may consider whether a party's refusal to participate in alternative dispute resolution before commencement of the action was reasonable.

5965. (a) An association shall annually provide its members a summary of the provisions of this article that specifically references this article. The summary shall include the following language:

"Failure of a member of the association to comply with the alternative dispute resolution requirements of Section 5930 of the Civil Code may result in the loss of the member's right to sue the association or another member of the association regarding enforcement of the governing documents or the applicable law."

(b) The summary shall be included in the annual policy statement prepared pursuant to Section 5310.

Article 4. Civil Action

5975. (a) The covenants and restrictions in the declaration shall be enforceable equitable servitudes, unless unreasonable, and shall inure to the benefit of and bind all owners of separate interests in the development. Unless the declaration states otherwise, these servitudes may be enforced by any owner of a separate interest or by the association, or by both.

(b) A governing document other than the declaration may be enforced by the association against an owner of a separate interest or by an owner of a separate interest against the association.

(c) In an action to enforce the governing documents, the prevailing party shall be awarded reasonable attorney's fees and costs.

5980. An association has standing to institute, defend, settle, or intervene in litigation, arbitration, mediation, or administrative proceedings in its own name as the real party in interest and without joining with it the members, in matters pertaining to the following:

- (a) Enforcement of the governing documents.
- (b) Damage to the common area.
- (c) Damage to a separate interest that the association is obligated to maintain or repair.
- (d) Damage to a separate interest that arises out of, or is integrally related to, damage to the common area or a separate interest that the association is obligated to maintain or repair.

5985. (a) In an action maintained by an association pursuant to subdivision (b), (c), or (d) of Section 5980, the amount of damages recovered by the association shall be reduced by the amount of damages allocated to the association or its managing agents in direct proportion to their percentage of fault based upon principles of comparative fault. The comparative fault of the association or its managing agents may be raised by way of defense, but shall not be the basis for a cross-action or separate action against the association or its managing agents for contribution or implied indemnity, where the only damage was sustained by the association or its members. It is the intent of the Legislature in enacting this subdivision to require that comparative fault be pleaded as an affirmative defense, rather than a separate cause of action, where the only damage was sustained by the association or its members.

(b) In an action involving damages described in subdivision (b), (c), or (d) of Section 5980, the defendant or cross-defendant may allege and prove the comparative fault of the association or its managing agents as a setoff to the liability of the defendant or cross-defendant even if the association is not a party to the litigation or is

no longer a party whether by reason of settlement, dismissal, or otherwise.

(c) Subdivisions (a) and (b) apply to actions commenced on or after January 1, 1993.

(d) Nothing in this section affects a person's liability under Section 1431, or the liability of the association or its managing agent for an act or omission that causes damages to another.

5986. (a) Subject to compliance with Section 6150, which requires the board to provide notice of a meeting with the members to discuss, among other things, problems that may lead to the filing of a civil action, before the board files a civil action against a declarant or other developer, or within 30 days after it files the action, if the association has reason to believe that the applicable statute of limitations will expire, and notwithstanding any provision to the contrary in the governing documents, the board shall have the authority to commence and pursue a claim, civil action, arbitration, prelitigation process pursuant to Section 6000 or Title 7 (commencing with Section 895) of Part 2 of Division 2, or other legal proceeding against a declarant, developer, or builder of a common interest development. If the board includes members appointed by, or affiliated with, the declarant, developer, or builder, the decision and authority to commence and pursue legal proceedings shall be vested solely in the nonaffiliated board members.

(b) The governing documents shall not impose any preconditions or limitations on the board's authority to commence and pursue any claim, civil action, arbitration, prelitigation process pursuant to Section 6000 or Title 7 (commencing with Section 895) of Part 2 of Division 2, or other legal proceeding against a declarant, developer, or builder of a common interest development. Any limitation or precondition, including, but not limited to, requiring a membership vote as a prerequisite to, or otherwise providing the declarant, developer, or builder with veto authority over, the board's commencement and pursuit of a claim, civil action, arbitration, prelitigation process, or legal proceeding against the declarant, developer, or builder, or any

incidental decision of the board, including, but not limited to, retaining legal counsel or incurring costs or expenses, is unenforceable, null, and void. The failure to comply with those limitations or preconditions, if only, shall not be asserted as a defense to any claim or action described in this section.

(c) Notwithstanding subdivision (a) or (b), any provision in the governing documents imposing limitations or preconditions on the board's authority to commence and pursue claims shall be valid and enforceable if the provision is adopted solely by the nondeclarant affiliated members of the association and the provision is adopted in accordance with the requirements necessary to amend the governing documents of the association.

(d) This section applies to all governing documents, whether recorded before or after the effective date of this section, and applies retroactively to claims initiated before the effective date of this section, except if those claims have been resolved through an executed settlement, a final arbitration decision, or a final judicial decision on the merits.

(e) Nothing in this section extends any applicable statute of limitation or repose to file or initiate any claim, civil action, arbitration, prelitigation process, or other legal proceeding. Nothing in this section shall affect any other obligations of an association contained in Title 7 (commencing with Section 895) of Part 2 of Division 2, or any other provision in the covenants, conditions, and restrictions of the association related to arbitration or other alternative dispute resolution procedures.

CHAPTER 11. CONSTRUCTION DEFECT LITIGATION

6000. (a) Before an association files a complaint for damages against a builder, developer, or general contractor (respondent) of a common interest development based upon a claim for defects in the design or construction of the common interest development, all of the requirements of this section shall be satisfied with respect to the builder, developer, or general contractor.

(b) The association shall serve upon the respondent a "Notice of Commencement of Legal Proceedings." The notice shall be served by certified mail to the registered agent of the respondent, or if there is no registered agent, then to any officer of the respondent. If there are no current officers of the respondent, service shall be upon the person or entity otherwise authorized by law to receive service of process. Service upon the general contractor shall be sufficient to initiate the process set forth in this section with regard to any builder or developer, if the builder or developer is not amenable to service of process by the foregoing methods. This notice shall toll all applicable statutes of limitation and repose, whether contractual or statutory, by and against all potentially responsible parties, regardless of whether they were named in the notice, including claims for indemnity applicable to the claim for the period set forth in subdivision (c). The notice shall include all of the following:

- (1) The name and location of the project.
- (2) An initial list of defects sufficient to apprise the respondent of the general nature of the defects at issue.
- (3) A description of the results of the defects, if known.
- (4) A summary of the results of a survey or questionnaire distributed to homeowners to determine the nature and extent of defects, if a survey has been conducted or a questionnaire has been distributed.
- (5) Either a summary of the results of testing conducted to determine the nature and extent of defects or the actual test results, if that testing has been conducted.

(c) Service of the notice shall commence a period, not to exceed 180 days, during which the association, the respondent, and all other participating parties shall try to resolve the dispute through the processes set forth in this section. This 180-day period may be extended for one additional period, not to exceed 180 days, only upon the mutual agreement of the association, the respondent, and any parties not

deemed peripheral pursuant to paragraph (3) of subdivision (e). Any extensions beyond the first extension shall require the agreement of all participating parties. Unless extended, the dispute resolution process prescribed by this section shall be deemed completed. All extensions shall continue the tolling period described in subdivision (b).

(d) Within 25 days of the date the association serves the Notice of Commencement of Legal Proceedings, the respondent may request in writing to meet and confer with the board. Unless the respondent and the association otherwise agree, there shall be not more than one meeting, which shall take place no later than 10 days from the date of the respondent's written request, at a mutually agreeable time and place. The meeting shall be subject to subdivision (a) of Section 4925 and subdivisions (a) and (b) of Section 4935. The discussions at the meeting are privileged communications and are not admissible in evidence in any civil action, unless the association and the respondent consent in writing to their admission.

(e) Upon receipt of the notice, the respondent shall, within 60 days, comply with the following:

(1) The respondent shall provide the association with access to, for inspection and copying of, all plans and specifications, subcontracts, and other construction files for the project that are reasonably calculated to lead to the discovery of admissible evidence regarding the defects claimed. The association shall provide the respondent with access to, for inspection and copying of, all files reasonably calculated to lead to the discovery of admissible evidence regarding the defects claimed, including all reserve studies, maintenance records and any survey questionnaires, or results of testing to determine the nature and extent of defects. To the extent any of the above documents are withheld based on privilege, a privilege log shall be prepared and submitted to all other parties. All other potentially

responsible parties shall have the same rights as the respondent regarding the production of documents upon receipt of written notice of the claim, and shall produce all relevant documents within 60 days of receipt of the notice of the claim.

(2) The respondent shall provide written notice by certified mail to all subcontractors, design professionals, their insurers, and the insurers of any additional insured whose identities are known to the respondent or readily ascertainable by review of the project files or other similar sources and whose potential responsibility appears on the face of the notice. This notice to subcontractors, design professionals, and insurers shall include a copy of the Notice of Commencement of Legal Proceedings, and shall specify the date and manner by which the parties shall meet and confer to select a dispute resolution facilitator pursuant to paragraph (1) of subdivision (f), advise the recipient of its obligation to participate in the meet and confer or serve a written acknowledgment of receipt regarding this notice, advise the recipient that it will waive any challenge to selection of the dispute resolution facilitator if it elects not to participate in the meet and confer, advise the recipient that it may seek the assistance of an attorney, and advise the recipient that it should contact its insurer, if any. Any subcontractor or design professional, or insurer for that subcontractor, design professional, or additional insured, who receives written notice from the respondent regarding the meet and confer shall, prior to the meet and confer, serve on the respondent a written acknowledgment of receipt. That subcontractor or design professional shall, within 10 days of service of the written acknowledgment of receipt, provide to the association and the respondent a Statement of Insurance that includes both of the following:

(A) The names, addresses, and contact persons, if known, of all insurance carriers, whether primary or excess and

regardless of whether a deductible or self-insured retention applies, whose policies were in effect from the commencement of construction of the subject project to the present and which potentially cover the subject claims.

(B) The applicable policy numbers for each policy of insurance provided.

(3) Any subcontractor or design professional, or insurer for that subcontractor, design professional, or additional insured, who so chooses, may, at any time, make a written request to the dispute resolution facilitator for designation as a peripheral party. That request shall be served contemporaneously on the association and the respondent. If no objection to that designation is received within 15 days, or upon rejection of that objection, the dispute resolution facilitator shall designate that subcontractor or design professional as a peripheral party, and shall thereafter seek to limit the attendance of that subcontractor or design professional only to those dispute resolution sessions deemed peripheral party sessions or to those sessions during which the dispute resolution facilitator believes settlement as to peripheral parties may be finalized. Nothing in this subdivision shall preclude a party who has been designated a peripheral party from being reclassified as a nonperipheral party, nor shall this subdivision preclude a party designated as a nonperipheral party from being reclassified as a peripheral party after notice to all parties and an opportunity to object. For purposes of this subdivision, a peripheral party is a party having total claimed exposure of less than twenty-five thousand dollars (\$25,000).

(f) (1) Within 20 days of sending the notice set forth in paragraph (2) of subdivision (e), the association, respondent, subcontractors, design professionals, and their insurers who have been sent a notice as described in paragraph (2) of subdivision (e) shall meet and confer in an effort to

select a dispute resolution facilitator to preside over the mandatory dispute resolution process prescribed by this section. Any subcontractor or design professional who has been given timely notice of this meeting but who does not participate, waives any challenge he or she may have as to the selection of the dispute resolution facilitator. The role of the dispute resolution facilitator is to attempt to resolve the conflict in a fair manner. The dispute resolution facilitator shall be sufficiently knowledgeable in the subject matter and be able to devote sufficient time to the case. The dispute resolution facilitator shall not be required to reside in or have an office in the county in which the project is located. The dispute resolution facilitator and the participating parties shall agree to a date, time, and location to hold a case management meeting of all parties and the dispute resolution facilitator, to discuss the claims being asserted and the scheduling of events under this section. The case management meeting with the dispute resolution facilitator shall be held within 100 days of service of the Notice of Commencement of Legal Proceedings at a location in the county where the project is located. Written notice of the case management meeting with the dispute resolution facilitator shall be sent by the respondent to the association, subcontractors and design professionals, and their insurers who are known to the respondent to be on notice of the claim, no later than 10 days prior to the case management meeting, and shall specify its date, time, and location. The dispute resolution facilitator in consultation with the respondent shall maintain a contact list of the participating parties.

(2) No later than 10 days prior to the case management meeting, the dispute resolution facilitator shall disclose to the parties all matters that could cause a person aware of the facts to reasonably entertain a doubt that the proposed dispute resolution facilitator would be able to resolve the

conflict in a fair manner. The facilitator's disclosure shall include the existence of any ground specified in Section 170.1 of the Code of Civil Procedure for disqualification of a judge, any attorney-client relationship the facilitator has or had with any party or lawyer for a party to the dispute resolution process, and any professional or significant personal relationship the facilitator or his or her spouse or minor child living in the household has or had with any party to the dispute resolution process. The disclosure shall also be provided to any subsequently noticed subcontractor or design professional within 10 days of the notice.

(3) A dispute resolution facilitator shall be disqualified by the court if he or she fails to comply with this subdivision and any party to the dispute resolution process serves a notice of disqualification prior to the case management meeting. If the dispute resolution facilitator complies with this subdivision, he or she shall be disqualified by the court on the basis of the disclosure if any party to the dispute resolution process serves a notice of disqualification prior to the case management meeting.

(4) If the parties cannot mutually agree to a dispute resolution facilitator, then each party shall submit a list of three dispute resolution facilitators. Each party may then strike one nominee from the other parties' list, and petition the court, pursuant to the procedure described in subdivisions (n) and (o), for final selection of the dispute resolution facilitator. The court may issue an order for final selection of the dispute resolution facilitator pursuant to this paragraph.

(5) Any subcontractor or design professional who receives notice of the association's claim without having previously received timely notice of the meet and confer to select the dispute resolution facilitator shall be notified by the respondent regarding the name, address, and telephone number of the dispute

resolution facilitator. Any such subcontractor or design professional may serve upon the parties and the dispute resolution facilitator a written objection to the dispute resolution facilitator within 15 days of receiving notice of the claim. Within seven days after service of this objection, the subcontractor or design professional may petition the superior court to replace the dispute resolution facilitator. The court may replace the dispute resolution facilitator only upon a showing of good cause, liberally construed. Failure to satisfy the deadlines set forth in this subdivision shall constitute a waiver of the right to challenge the dispute resolution facilitator.

(6) The costs of the dispute resolution facilitator shall be apportioned in the following manner: one-third to be paid by the association; one-third to be paid by the respondent; and one-third to be paid by the subcontractors and design professionals, as allocated among them by the dispute resolution facilitator. The costs of the dispute resolution facilitator shall be recoverable by the prevailing party in any subsequent litigation pursuant to Section 1032 of the Code of Civil Procedure, provided however that any nonsettling party may, prior to the filing of the complaint, petition the facilitator to reallocate the costs of the dispute resolution facilitator as they apply to any nonsettling party. The determination of the dispute resolution facilitator with respect to the allocation of these costs shall be binding in any subsequent litigation. The dispute resolution facilitator shall take into account all relevant factors and equities between all parties in the dispute resolution process when reallocating costs.

(7) In the event the dispute resolution facilitator is replaced at any time, the case management statement created pursuant to subdivision (h) shall remain in full force and effect.

(8) The dispute resolution facilitator shall be empowered to enforce all provisions of this section.

(g) (1) No later than the case management meeting, the parties shall begin to generate a data compilation showing the following information regarding the alleged defects at issue:

(A) The scope of the work performed by each potentially responsible subcontractor.

(B) The tract or phase number in which each subcontractor provided goods or services, or both.

(C) The units, either by address, unit number, or lot number, at which each subcontractor provided goods or services, or both.

(2) This data compilation shall be updated as needed to reflect additional information. Each party attending the case management meeting, and any subsequent meeting pursuant to this section, shall provide all information available to that party relevant to this data compilation.

(h) At the case management meeting, the parties shall, with the assistance of the dispute resolution facilitator, reach agreement on a case management statement, which shall set forth all of the elements set forth in paragraphs (1) to (8), inclusive, except that the parties may dispense with one or more of these elements if they agree that it is appropriate to do so. The case management statement shall provide that the following elements shall take place in the following order:

(1) Establishment of a document depository, located in the county where the project is located, for deposit of documents, defect lists, demands, and other information provided for under this section. All documents exchanged by the parties and all documents created pursuant to this subdivision shall be deposited in the document depository, which shall be available to all parties throughout the

prefiling dispute resolution process and in any subsequent litigation. When any document is deposited in the document depository, the party depositing the document shall provide written notice identifying the document to all other parties. The costs of maintaining the document depository shall be apportioned among the parties in the same manner as the costs of the dispute resolution facilitator.

(2) Provision of a more detailed list of defects by the association to the respondent after the association completes a visual inspection of the project. This list of defects shall provide sufficient detail for the respondent to ensure that all potentially responsible subcontractors and design professionals are provided with notice of the dispute resolution process. If not already completed prior to the case management meeting, the Notice of Commencement of Legal Proceedings shall be served by the respondent on all additional subcontractors and design professionals whose potential responsibility appears on the face of the more detailed list of defects within seven days of receipt of the more detailed list. The respondent shall serve a copy of the case management statement, including the name, address, and telephone number of the dispute resolution facilitator, to all the potentially responsible subcontractors and design professionals at the same time.

(3) Nonintrusive visual inspection of the project by the respondent, subcontractors, and design professionals.

(4) Invasive testing conducted by the association, if the association deems appropriate. All parties may observe and photograph any testing conducted by the association pursuant to this paragraph, but may not take samples or direct testing unless, by mutual agreement, costs of testing are shared by the parties.

(5) Provision by the association of a comprehensive demand which provides

sufficient detail for the parties to engage in meaningful dispute resolution as contemplated under this section.

(6) Invasive testing conducted by the respondent, subcontractors, and design professionals, if they deem appropriate.

(7) Allowance for modification of the demand by the association if new issues arise during the testing conducted by the respondent, subcontractor, or design professionals.

(8) Facilitated dispute resolution of the claim, with all parties, including peripheral parties, as appropriate, and insurers, if any, present and having settlement authority. The dispute resolution facilitators shall endeavor to set specific times for the attendance of specific parties at dispute resolution sessions. If the dispute resolution facilitator does not set specific times for the attendance of parties at dispute resolution sessions, the dispute resolution facilitator shall permit those parties to participate in dispute resolution sessions by telephone.

(i) In addition to the foregoing elements of the case management statement described in subdivision (h), upon mutual agreement of the parties, the dispute resolution facilitator may include any or all of the following elements in a case management statement: the exchange of consultant or expert photographs; expert presentations; expert meetings; or any other mechanism deemed appropriate by the parties in the interest of resolving the dispute.

(j) The dispute resolution facilitator, with the guidance of the parties, shall at the time the case management statement is established, set deadlines for the occurrence of each event set forth in the case management statement, taking into account such factors as the size and complexity of the case, and the requirement of this section that this dispute resolution process not exceed 180 days absent agreement of the parties to an extension of time.

(k) (1) At a time to be determined by the dispute resolution facilitator, the respondent may

submit to the association all of the following:

(A) A request to meet with the board to discuss a written settlement offer.

(B) A written settlement offer, and a concise explanation of the reasons for the terms of the offer.

(C) A statement that the respondent has access to sufficient funds to satisfy the conditions of the settlement offer.

(D) A summary of the results of testing conducted for the purposes of determining the nature and extent of defects, if this testing has been conducted, unless the association provided the respondent with actual test results.

(2) If the respondent does not timely submit the items required by this subdivision, the association shall be relieved of any further obligation to satisfy the requirements of this subdivision only.

(3) No less than 10 days after the respondent submits the items required by this paragraph, the respondent and the board shall meet and confer about the respondent's settlement offer.

(4) If the board rejects a settlement offer presented at the meeting held pursuant to this subdivision, the board shall hold a meeting open to each member of the association. The meeting shall be held no less than 15 days before the association commences an action for damages against the respondent.

(5) No less than 15 days before this meeting is held, a written notice shall be sent to each member of the association specifying all of the following:

(A) That a meeting will take place to discuss problems that may lead to the filing of a civil action, and the time and place of this meeting.

(B) The options that are available to address the problems, including the

filing of a civil action and a statement of the various alternatives that are reasonably foreseeable by the association to pay for those options and whether these payments are expected to be made from the use of reserve account funds or the imposition of regular or special assessments, or emergency assessment increases.

(C) The complete text of any written settlement offer, and a concise explanation of the specific reasons for the terms of the offer submitted to the board at the meeting held pursuant to subdivision (d) that was received from the respondent.

(6) The respondent shall pay all expenses attributable to sending the settlement offer to all members of the association. The respondent shall also pay the expense of holding the meeting, not to exceed three dollars (\$3) per association member.

(7) The discussions at the meeting and the contents of the notice and the items required to be specified in the notice pursuant to paragraph (5) are privileged communications and are not admissible in evidence in any civil action, unless the association consents to their admission.

(8) No more than one request to meet and discuss a written settlement offer may be made by the respondent pursuant to this subdivision.

(l) All defect lists and demands, communications, negotiations, and settlement offers made in the course of the prelitigation dispute resolution process provided by this section shall be inadmissible pursuant to Sections 1119 to 1124, inclusive, of the Evidence Code and all applicable decisional law. This inadmissibility shall not be extended to any other documents or communications which would not otherwise be deemed inadmissible.

(m) Any subcontractor or design professional may, at any time, petition the dispute resolution facilitator to release that party from the dispute

resolution process upon a showing that the subcontractor or design professional is not potentially responsible for the defect claims at issue. The petition shall be served contemporaneously on all other parties, who shall have 15 days from the date of service to object. If a subcontractor or design professional is released, and it later appears to the dispute resolution facilitator that it may be a responsible party in light of the current defect list or demand, the respondent shall renote the party as provided by paragraph (2) of subdivision (e), provide a copy of the current defect list or demand, and direct the party to attend a dispute resolution session at a stated time and location. A party who subsequently appears after having been released by the dispute resolution facilitator shall not be prejudiced by its absence from the dispute resolution process as the result of having been previously released by the dispute resolution facilitator.

(n) Any party may, at any time, petition the superior court in the county where the project is located, upon a showing of good cause, and the court may issue an order, for any of the following, or for appointment of a referee to resolve a dispute regarding any of the following:

(1) To take a deposition of any party to the process, or subpoena a third party for deposition or production of documents, which is necessary to further prelitigation resolution of the dispute.

(2) To resolve any disputes concerning inspection, testing, production of documents, or exchange of information provided for under this section.

(3) To resolve any disagreements relative to the timing or contents of the case management statement.

(4) To authorize internal extensions of timeframes set forth in the case management statement.

(5) To seek a determination that a settlement is a good faith settlement pursuant to Section 877.6 of the Code of

Civil Procedure and all related authorities. The page limitations and meet and confer requirements specified in this section shall not apply to these motions, which may be made on shortened notice. Instead, these motions shall be subject to other applicable state law, rules of court, and local rules. A determination made by the court pursuant to this motion shall have the same force and effect as the determination of a postfiling application or motion for good faith settlement.

(6) To ensure compliance, on shortened notice, with the obligation to provide a Statement of Insurance pursuant to paragraph (2) of subdivision (e).

(7) For any other relief appropriate to the enforcement of the provisions of this section, including the ordering of parties, and insurers, if any, to the dispute resolution process with settlement authority.

(o) (1) A petition filed pursuant to subdivision (n) shall be filed in the superior court in the county in which the project is located. The court shall hear and decide the petition within 10 days after filing. The petitioning party shall serve the petition on all parties, including the date, time, and location of the hearing no later than five business days prior to the hearing. Any responsive papers shall be filed and served no later than three business days prior to the hearing. Any petition or response filed under this section shall be no more than three pages in length.

(2) All parties shall meet with the dispute resolution facilitator, if one has been appointed and confer in person or by telephone prior to the filing of that petition to attempt to resolve the matter without requiring court intervention.

(p) As used in this section:

(1) “Association” shall have the same meaning as defined in Section 4080.

(2) “Builder” means the declarant, as defined in Section 4130.

(3) “Common interest development” shall have the same meaning as in Section 4100, except that it shall not include developments or projects with less than 20 units.

(q) The alternative dispute resolution process and procedures described in this section shall have no application or legal effect other than as described in this section.

(r) This section shall become operative on July 1, 2002, however it shall not apply to any pending suit or claim for which notice has previously been given.

(s) This section shall become inoperative on July 1, 2024, and, as of January 1, 2025, is repealed, unless a later enacted statute, that becomes operative on or before January 1, 2025, deletes or extends the dates on which it becomes inoperative and is repealed.

6100. (a) As soon as is reasonably practicable after the association and the builder have entered into a settlement agreement or the matter has otherwise been resolved regarding alleged defects in the common areas, alleged defects in the separate interests that the association is obligated to maintain or repair, or alleged defects in the separate interests that arise out of, or are integrally related to, defects in the common areas or separate interests that the association is obligated to maintain or repair, where the defects giving rise to the dispute have not been corrected, the association shall, in writing, inform only the members of the association whose names appear on the records of the association that the matter has been resolved, by settlement agreement or other means, and disclose all of the following:

(1) A general description of the defects that the association reasonably believes, as of the date of the disclosure, will be corrected or replaced.

(2) A good faith estimate, as of the date of the disclosure, of when the association believes that the defects identified in paragraph (1) will be corrected or replaced. The association may state that the estimate may be modified.

(3) The status of the claims for defects in the design or construction of the common interest development that were not identified in paragraph (1) whether expressed in a preliminary list of defects sent to each member of the association or otherwise claimed and disclosed to the members of the association.

(b) Nothing in this section shall preclude an association from amending the disclosures required pursuant to subdivision (a), and any amendments shall supersede any prior conflicting information disclosed to the members of the association and shall retain any privilege attached to the original disclosures.

(c) Disclosure of the information required pursuant to subdivision (a) or authorized by subdivision (b) shall not waive any privilege attached to the information.

(d) For the purposes of the disclosures required pursuant to this section, the term “defects” shall be defined to include any damage resulting from defects.

6150. (a) Not later than 30 days before filing of any civil action by the association against the declarant or other developer of a common interest development for alleged damage to the common areas, alleged damage to the separate interests that the association is obligated to maintain or repair, or alleged damage to the separate interests that arises out of, or is integrally related to, damage to the common areas or separate interests that the association is obligated to maintain or repair, the board shall provide a written notice to each member of the association who appears on the records of the association when the notice is provided. This notice shall specify all of the following:

(1) That a meeting will take place to discuss problems that may lead to the filing of a civil action, in addition to the potential impacts thereof to the association and its members, including any financial impacts.

(2) The options, including civil actions, that are available to address the problems.

(3) The time and place of the meeting.

(b) Notwithstanding subdivision (a), if the association has reason to believe that the applicable statute of limitations will expire before the association files the civil action, the association may give the notice, as described above, within 30 days after the filing of the action.

Purchase Money Mortgages – No Deficiency Judgment

580b. (a) Except as provided in subdivision (c), no deficiency shall be owed or collected, and no deficiency judgment shall lie, for any of the following:

(1) After a sale of real property or an estate for years therein for failure of the purchaser to complete his or her contract of sale.

(2) Under a deed of trust or mortgage given to the vendor to secure payment of the balance of the purchase price of that real property or estate for years therein.

(3) Under a deed of trust or mortgage on a dwelling for not more than four families given to a lender to secure repayment of a loan that was used to pay all or part of the purchase price of that dwelling, occupied entirely or in part by the purchaser. For purposes of subdivision (b), a loan described in this paragraph is a “purchase money loan.”

(b) No deficiency shall be owed or collected, and no deficiency judgment shall lie, on a loan, refinance, or other credit transaction (collectively, a “credit transaction”) that is used to refinance a purchase money loan, or subsequent refinances of a purchase money loan, except to the extent that in a credit transaction the lender or creditor advances new principal (hereafter “new advance”) that is not applied to an obligation owed or to be owed under the purchase money loan, or to fees, costs, or related expenses of the credit transaction. A new credit transaction shall be deemed to be a purchase money loan except as to the principal amount of a new advance. For purposes of this section, any payment of principal shall be deemed to be applied first to the principal balance of the purchase money loan, and then to the principal balance of a new advance, and interest payments shall be applied to any interest due and owing. This subdivision applies only to credit transactions that are executed on or after January 1, 2013.

(c) The fact that no deficiency shall be owed or collected under the circumstances set forth in subdivisions (a) and (b) does not affect the liability that a guarantor, pledgor, or other surety might otherwise have with respect to the deficiency, or that might otherwise be satisfied in whole or in part from other collateral pledged to secure the obligation that is the subject of the deficiency.

(d) When both a chattel mortgage and a deed of trust or mortgage have been given to secure payment of the balance of the combined purchase price of both real and personal property, no deficiency judgment shall lie under any one thereof if no deficiency judgment would lie under the deed of trust or mortgage on the real property or estate for years therein.

Deficiency Judgment – Short Sales

580e. (a) (1) No deficiency shall be owed or collected, and no deficiency judgment shall be requested or rendered for any deficiency upon a note secured solely by a deed of trust or mortgage for a dwelling of not more than four units, in any case in which the trustor or mortgagor sells the dwelling for a sale price less than the remaining amount of the indebtedness outstanding at the time of sale, in accordance with the written consent of the holder of the deed of trust or mortgage, provided that both of the following have occurred:

(A) Title has been voluntarily transferred to a buyer by grant deed or by other document of conveyance that has been recorded in the county where all or part of the real property is located.

(B) The proceeds of the sale have been tendered to the mortgagee, beneficiary, or the agent of the mortgagee or beneficiary, in accordance with the parties’ agreement.

(2) In circumstances not described in paragraph (1), when a note is not secured solely by a deed of trust or mortgage for a

dwelling of not more than four units, no judgment shall be rendered for any deficiency upon a note secured by a deed of trust or mortgage for a dwelling of not more than four units, if the trustor or mortgagor sells the dwelling for a sale price less than the remaining amount of the indebtedness outstanding at the time of sale, in accordance with the written consent of the holder of the deed of trust or mortgage. Following the sale, in accordance with the holder's written consent, the voluntary transfer of title to a buyer by grant deed or by other document of conveyance recorded in the county where all or part of the real property is located, and the tender to the mortgagee, beneficiary, or the agent of the mortgagee or beneficiary of the sale proceeds, as agreed, the rights, remedies, and obligations of any holder, beneficiary, mortgagee, trustor, mortgagor, obligor, obligee, or guarantor of the note, deed of trust, or mortgage, and with respect to any other property that secures the note, shall be treated and determined as if the dwelling had been sold through foreclosure under a power of sale contained in the deed of trust or mortgage for a price equal to the sale proceeds received by the holder, in the manner contemplated by Section 580d.

(b) A holder of a note shall not require the trustor, mortgagor, or maker of the note to pay any additional compensation, aside from the proceeds of the sale, in exchange for the written consent to the sale.

(c) If the trustor or mortgagor commits either fraud with respect to the sale of, or waste with respect to, the real property that secures the deed of trust or mortgage, this section shall not limit the ability of the holder of the deed of trust or mortgage to seek damages and use existing rights and remedies against the trustor or mortgagor or any third party for fraud or waste.

(d) (1) This section shall not apply if the trustor or mortgagor is a corporation, limited liability company, limited partnership, or political subdivision of the state.

(2) This section shall not apply to any deed of trust, mortgage, or other lien given to secure

the payment of bonds or other evidence of indebtedness authorized, or permitted to be issued, by the Commissioner of Business Oversight, or that is made by a public utility subject to the Public Utilities Act (Part 1 (commencing with Section 201) of Division 1 of the Public Utilities Code).

(e) Any purported waiver of subdivision (a) or (b) shall be void and against public policy.

Tenancy

(Editor's Note: The following section is repealed on February 1, 2025, and replaced by a new section, shown next.)

1161. A tenant of real property, for a term less than life, or the executor or administrator of the tenant's estate heretofore qualified and now acting or hereafter to be qualified and act, is guilty of unlawful detainer:

1. When the tenant continues in possession, in person or by subtenant, of the property, or any part thereof, after the expiration of the term for which it is let to the tenant; provided the expiration is of a nondefault nature however brought about without the permission of the landlord, or the successor in estate of the landlord, if applicable; including the case where the person to be removed became the occupant of the premises as a servant, employee, agent, or licensee and the relation of master and servant, or employer and employee, or principal and agent, or licensor and licensee, has been lawfully terminated or the time fixed for occupancy by the agreement between the parties has expired; but nothing in this subdivision shall be construed as preventing the removal of the occupant in any other lawful manner; but in case of a tenancy at will, it shall first be terminated by notice, as prescribed in the Civil Code.

2. When the tenant continues in possession, in person or by subtenant, without the permission of the landlord, or the successor in estate of the landlord, if applicable, after default in the payment of rent, pursuant to the lease or agreement under which the property is held, and three days' notice, excluding Saturdays and Sundays and other judicial holidays, in writing, requiring its payment, stating the amount that is

due, the name, telephone number, and address of the person to whom the rent payment shall be made, and, if payment may be made personally, the usual days and hours that person will be available to receive the payment (provided that, if the address does not allow for personal delivery, then it shall be conclusively presumed that upon the mailing of any rent or notice to the owner by the tenant to the name and address provided, the notice or rent is deemed received by the owner on the date posted, if the tenant can show proof of mailing to the name and address provided by the owner), or the number of an account in a financial institution into which the rental payment may be made, and the name and street address of the institution (provided that the institution is located within five miles of the rental property), or if an electronic funds transfer procedure has been previously established, that payment may be made pursuant to that procedure, or possession of the property, shall have been served upon the tenant and if there is a subtenant in actual occupation of the premises, also upon the subtenant.

The notice may be served at any time within one year after the rent becomes due. In all cases of tenancy upon agricultural lands, if the tenant has held over and retained possession for more than 60 days after the expiration of the term without any demand of possession or notice to quit by the landlord or the successor in estate of the landlord, if applicable, the tenant shall be deemed to be holding by permission of the landlord or successor in estate of the landlord, if applicable, and shall be entitled to hold under the terms of the lease for another full year, and shall not be guilty of an unlawful detainer during that year, and the holding over for that period shall be taken and construed as a consent on the part of a tenant to hold for another year.

An unlawful detainer action under this paragraph shall be subject to the COVID-19 Tenant Relief Act of 2020 (Chapter 5 (commencing with Section 1179.01)) if the default in the payment of rent is based upon the COVID-19 rental debt.

3. When the tenant continues in possession, in person or by subtenant, after a neglect or failure to perform other conditions or covenants of the

lease or agreement under which the property is held, including any covenant not to assign or sublet, than the one for the payment of rent, and three days' notice, excluding Saturdays and Sundays and other judicial holidays, in writing, requiring the performance of those conditions or covenants, or the possession of the property, shall have been served upon the tenant, and if there is a subtenant in actual occupation of the premises, also, upon the subtenant. Within three days, excluding Saturdays and Sundays and other judicial holidays, after the service of the notice, the tenant, or any subtenant in actual occupation of the premises, or any mortgagee of the term, or other person interested in its continuance, may perform the conditions or covenants of the lease or pay the stipulated rent, as the case may be, and thereby save the lease from forfeiture; provided, if the conditions and covenants of the lease, violated by the lessee, cannot afterward be performed, then no notice, as last prescribed herein, need be given to the lessee or the subtenant, demanding the performance of the violated conditions or covenants of the lease.

A tenant may take proceedings, similar to those prescribed in this chapter, to obtain possession of the premises let to a subtenant or held by a servant, employee, agent, or licensee, in case of that person's unlawful detention of the premises underlet to or held by that person.

An unlawful detainer action under this paragraph shall be subject to the COVID-19 Tenant Relief Act of 2020 (Chapter 5 (commencing with Section 1179.01)) if the neglect or failure to perform other conditions or covenants of the lease or agreement is based upon the COVID-19 rental debt.

4. Any tenant, subtenant, or executor or administrator of that person's estate heretofore qualified and now acting, or hereafter to be qualified and act, assigning or subletting or committing waste upon the demised premises, contrary to the conditions or covenants of the lease, or maintaining, committing, or permitting the maintenance or commission of a nuisance upon the demised premises or using the premises for an unlawful purpose, thereby terminates the lease, and the landlord, or the landlord's

successor in estate, shall upon service of three days' notice to quit upon the person or persons in possession, be entitled to restitution of possession of the demised premises under this chapter. For purposes of this subdivision, a person who commits or maintains a public nuisance as described in Section 3482.8 of the Civil Code, or who commits an offense described in subdivision (c) of Section 3485 of the Civil Code, or subdivision (c) of Section 3486 of the Civil Code, or uses the premises to further the purpose of that offense shall be deemed to have committed a nuisance upon the premises.

5. When the tenant gives written notice as provided in Section 1946 of the Civil Code of the tenant's intention to terminate the hiring of the real property, or makes a written offer to surrender which is accepted in writing by the landlord, but fails to deliver possession at the time specified in that written notice, without the permission of the landlord, or the successor in estate of the landlord, if applicable.

6. As used in this section:

"COVID-19 rental debt" has the same meaning as defined in Section 1179.02.

"Tenant" includes any person who hires real property except those persons whose occupancy is described in subdivision (b) of Section 1940 of the Civil Code.

7. This section shall remain in effect until February 1, 2025, and as of that date is repealed.

(Editor's Note: The following section replaces the prior section and goes into effect on February 1, 2025.)

1161. A tenant of real property, for a term less than life, or the executor or administrator of the tenant's estate heretofore qualified and now acting or hereafter to be qualified and act, is guilty of unlawful detainer:

1. When the tenant continues in possession, in person or by subtenant, of the property, or any part thereof, after the expiration of the term for which it is let to the tenant; provided the expiration is of a nondefault nature however brought about without the permission of the landlord, or the successor in estate of the

landlord, if applicable; including the case where the person to be removed became the occupant of the premises as a servant, employee, agent, or licensee and the relation of master and servant, or employer and employee, or principal and agent, or licensor and licensee, has been lawfully terminated or the time fixed for occupancy by the agreement between the parties has expired; but nothing in this subdivision shall be construed as preventing the removal of the occupant in any other lawful manner; but in case of a tenancy at will, it shall first be terminated by notice, as prescribed in the Civil Code.

2. When the tenant continues in possession, in person or by subtenant, without the permission of the landlord, or the successor in estate of the landlord, if applicable, after default in the payment of rent, pursuant to the lease or agreement under which the property is held, and three days' notice, excluding Saturdays and Sundays and other judicial holidays, in writing, requiring its payment, stating the amount that is due, the name, telephone number, and address of the person to whom the rent payment shall be made, and, if payment may be made personally, the usual days and hours that person will be available to receive the payment (provided that, if the address does not allow for personal delivery, then it shall be conclusively presumed that upon the mailing of any rent or notice to the owner by the tenant to the name and address provided, the notice or rent is deemed received by the owner on the date posted, if the tenant can show proof of mailing to the name and address provided by the owner), or the number of an account in a financial institution into which the rental payment may be made, and the name and street address of the institution (provided that the institution is located within five miles of the rental property), or if an electronic funds transfer procedure has been previously established, that payment may be made pursuant to that procedure, or possession of the property, shall have been served upon the tenant and if there is a subtenant in actual occupation of the premises, also upon the subtenant.

The notice may be served at any time within one year after the rent becomes due. In all cases of tenancy upon agricultural lands, if the tenant has

held over and retained possession for more than 60 days after the expiration of the term without any demand of possession or notice to quit by the landlord or the successor in estate of the landlord, if applicable, the tenant shall be deemed to be holding by permission of the landlord or successor in estate of the landlord, if applicable, and shall be entitled to hold under the terms of the lease for another full year, and shall not be guilty of an unlawful detainer during that year, and the holding over for that period shall be taken and construed as a consent on the part of a tenant to hold for another year.

3. When the tenant continues in possession, in person or by subtenant, after a neglect or failure to perform other conditions or covenants of the lease or agreement under which the property is held, including any covenant not to assign or sublet, than the one for the payment of rent, and three days' notice, excluding Saturdays and Sundays and other judicial holidays, in writing, requiring the performance of those conditions or covenants, or the possession of the property, shall have been served upon the tenant, and if there is a subtenant in actual occupation of the premises, also, upon the subtenant. Within three days, excluding Saturdays and Sundays and other judicial holidays, after the service of the notice, the tenant, or any subtenant in actual occupation of the premises, or any mortgagee of the term, or other person interested in its continuance, may perform the conditions or covenants of the lease or pay the stipulated rent, as the case may be, and thereby save the lease from forfeiture; provided, if the conditions and covenants of the lease, violated by the lessee, cannot afterward be performed, then no notice, as last prescribed herein, need be given to the lessee or the subtenant, demanding the performance of the violated conditions or covenants of the lease.

A tenant may take proceedings, similar to those prescribed in this chapter, to obtain possession of the premises let to a subtenant or held by a servant, employee, agent, or licensee, in case of that person's unlawful detention of the premises underlet to or held by that person.

4. Any tenant, subtenant, or executor or administrator of that person's estate heretofore

qualified and now acting, or hereafter to be qualified and act, assigning or subletting or committing waste upon the demised premises, contrary to the conditions or covenants of the lease, or maintaining, committing, or permitting the maintenance or commission of a nuisance upon the demised premises or using the premises for an unlawful purpose, thereby terminates the lease, and the landlord, or the landlord's successor in estate, shall upon service of three days' notice to quit upon the person or persons in possession, be entitled to restitution of possession of the demised premises under this chapter. For purposes of this subdivision, a person who commits or maintains a public nuisance as described in Section 3482.8 of the Civil Code, or who commits an offense described in subdivision (c) of Section 3485 of the Civil Code, or subdivision (c) of Section 3486 of the Civil Code, or uses the premises to further the purpose of that offense shall be deemed to have committed a nuisance upon the premises.

5. When the tenant gives written notice as provided in Section 1946 of the Civil Code of the tenant's intention to terminate the hiring of the real property, or makes a written offer to surrender which is accepted in writing by the landlord, but fails to deliver possession at the time specified in that written notice, without the permission of the landlord, or the successor in estate of the landlord, if applicable.

6. As used in this section, "tenant" includes any person who hires real property except those persons whose occupancy is described in subdivision (b) of Section 1940 of the Civil Code.

7. This section shall become operative on February 1, 2025.

1161.2. (a) (1) The clerk shall allow access to limited civil case records filed under this chapter, including the court file, index, and register of actions, only as follows:

(A) To a party to the action, including a party's attorney.

(B) To a person who provides the clerk with the names of at least one plaintiff and one defendant and the address of the premises, including the apartment or unit number, if any.

(F) Except as provided in subparagraph (G), to any other person 60 days after the complaint has been filed if the plaintiff prevails in the action within 60 days of the filing of the complaint, in which case the clerk shall allow access to any court records in the action. If a default or default judgment is set aside more than 60 days after the complaint has been filed, this section shall apply as if the complaint had been filed on the date the default or default judgment is set aside.

(G) (i) In the case of a complaint involving residential property based on Section 1161a as indicated in the caption of the complaint, as required in subdivision (c) of Section 1166, to any other person, if 60 days have elapsed since the complaint was filed with the court, and, as of that date, judgment against all defendants has been entered for the plaintiff, after a trial.

(ii) Subparagraphs (E) and (F) shall not apply if the plaintiff filed the action between March 4, 2020, and January 31, 2021, and the action is

based on an alleged default in the payment of rent.

(2) This section shall not be construed to prohibit the court from issuing an order that bars access to the court record in an action filed under this chapter if the parties to the action so stipulate.

(b) (1) For purposes of this section, “good cause” includes, but is not limited to, both of the following:

(A) The gathering of newsworthy facts by a person described in Section 1070 of the Evidence Code.

(2) It is the intent of the Legislature that a simple procedure be established to request the *ex parte* order described in subparagraph (D) of paragraph (1) of subdivision (a).

(c) Upon the filing of a case so restricted, the court clerk shall mail notice to each defendant named in the action. The notice shall be mailed to the address provided in the complaint. (4) The name and telephone number of an office or offices funded by the federal Legal Services Corporation or qualified legal services projects that receive funds distributed pursuant to Section 6216 of the Business and Professions Code that provide legal services to low-income persons in the county in which the action is filed. The notice shall state that these telephone numbers may be called for legal advice regarding the case. The notice shall be issued between 24 and 48 hours of the filing of the complaint, excluding weekends and holidays. One copy of the notice shall be addressed to “all occupants” and mailed separately to the subject premises. The notice shall not constitute service of the summons and complaint.

(d) Notwithstanding any other law, the court shall charge an additional fee of fifteen dollars (\$15) for filing a first appearance by the plaintiff. This fee shall be added to the uniform filing fee for actions filed under this chapter.

(e) This section does not apply to a case that seeks to terminate a mobilehome park tenancy if the statement of the character of the proceeding in the

If a default or default judgment is set aside more than 60 days after the complaint has been filed, this section shall apply as if the

complaint had been filed on the date the default or default judgment is set aside.

(G) In the case of a complaint involving residential property based on Section 1161a as indicated in the caption of the complaint, as required in subdivision (c) of Section 1166, to any other person, if 60 days have elapsed since the complaint was filed with the court, and, as of that date, judgment against all defendants has been entered for the plaintiff, after a trial.

(a) Notwithstanding Section 1161a, a tenant or subtenant in possession of a rental housing unit under a month-to-month lease or periodic tenancy at the time the property is sold in foreclosure shall be given 90 days' written notice to quit pursuant to Section 1162 before the tenant or subtenant may be removed from the property as prescribed in this chapter.

(b) In addition to the rights set forth in subdivision (a), tenants or subtenants holding possession of a rental housing unit under a fixed-term residential lease entered into before transfer of title at the foreclosure sale shall have the right to possession until the end of the lease term, and all rights and obligations under the lease shall survive foreclosure, except that the tenancy may be terminated upon 90 days' written notice to quit pursuant to subdivision (a) if any of the following conditions apply:

(c) The purchaser or successor in interest shall bear the burden of proof in establishing that a fixed-term residential lease is not entitled to protection under subdivision (b).

(d) This section shall not apply if any party to the note remains in the property as a tenant, subtenant, or occupant.

- (4) If the action is based on paragraph (2) of Section 1161, state the amount of rent in default.

(b) The complaint may set forth any circumstances of fraud, force, or violence that may have accompanied the alleged forcible entry or forcible or unlawful detainer, and claim damages therefor.

(a) Any corporation organized for or engaged in the business of selling, distributing, supplying, or delivering water for irrigation purposes may provide, and any corporation organized for or engaged in the business of selling, distributing, supplying, or delivering water for domestic use shall provide, in its articles or bylaws that water shall be sold, distributed, supplied, or delivered only to owners of its shares and that the shares shall be appurtenant to certain lands when the same are described in the certificate issued therefor; and when the certificate is so issued and a certified copy of the articles or bylaws recorded in the office of the county recorder in the county where the lands are situated the shares of stock shall become appurtenant to the lands and shall only be transferred therewith, except after sale or forfeiture for delinquent assessments thereon as provided in Section 14303. Notwithstanding this provision in its articles or bylaws, any such corporation may sell water to the state, or any department or agency thereof, or to any school district, or to any public agency, or, to any other mutual water company or, during any emergency resulting from fire or other disaster involving danger to public health or safety, to any person at the same rates as to holders of shares of the corporations; and provided further, that any corporation may enter into a contract with a county fire protection district to furnish water to fire hydrants and for fire suppression or fire prevention purposes at a flat rate per hydrant or other connection. In the event lands to which any stock is appurtenant are owned or purchased by the state, or any department or agency thereof, or any school district, or public agency, the stock shall be canceled by the secretary, but shall be reissued to any person later acquiring title to the

land from the state department, agency, or school district, or public agency.

(b) A corporation described in subdivision (a) shall be known as a mutual water company.

Public Water System - Definition

14300.5. For purposes of this chapter, "public water system" shall have the same meaning as provided in Section 116275 of the Health and Safety Code.

14301. A corporation, including a nonprofit corporation organized for or engaged in the business of developing, distributing, supplying, or delivering water for irrigation or domestic use, or both, may provide in its articles, or may amend its articles to provide, that its only purpose shall be to develop, distribute, supply, or deliver water for irrigation or domestic use, or both, to its members or shareholders, at actual cost plus necessary expenses.

The amendment of the articles may be accomplished by:

(a) The passage by a three-fourths vote of the members of the board of directors of the corporation of a resolution adopting as the purpose of the corporation the purpose set forth in this section.

(b) The signing, verification, and filing of a certificate setting forth the resolution and the manner of its adoption.

The corporation shall not distribute any gains, profits, or dividends to its members or shareholders except upon the dissolution of the corporation.

Mutual Water Company Operating Public Water System

14301.1. (a) No later than December 31, 2012, each mutual water company that operates a public water system shall submit to the local agency formation commission for its county a map depicting the approximate boundaries of the property that the mutual water company serves.

(b) A mutual water company that operates a public water system shall respond to a request from a local agency formation commission, located within a county that the mutual water

company operates in, for information in connection with the preparation of municipal service reviews or spheres of influence pursuant to Chapter 4 (commencing with Section 56425) of Part 2 of Division 3 of Title 5 of the Government Code within 45 days of the request. The mutual water company shall provide all reasonably available nonconfidential information relating to the operation of the public water system. The mutual water company shall explain, in writing, why any requested information is not reasonably available. The mutual water company shall not be required to disclose any information pertaining to the names, addresses, or water usage of any specific shareholder. This subdivision shall not be interpreted to require a mutual water company to undertake any study or investigation. A mutual water company may comply with this section by submitting to the local agency formation commission the same information that the mutual water company submitted to the State Department of Public Health.

(c) A mutual water company that operates a public water system shall be subject to the requirements of, and has the powers granted by, subdivision (b) of Section 116755 of the Health and Safety Code.

Board Member – Training Requirements

14301.2. Each board member of a mutual water company that operates a public water system shall comply with the training requirements set out in subdivision (a) of Section 116755 of the Health and Safety Code.

Public Water System – Design and Construction

14301.3. (a) All construction on public water systems operated by a mutual water company shall be designed and constructed to comply with the applicable California Waterworks standards, as provided in Chapter 16 (commencing with Section 64551) of Division 4 of Title 22 of the California Code of Regulations.

(b) A mutual water company that operates a public water system shall maintain a financial reserve fund for repairs and replacements to its water production, transmission, and distribution facilities at a level sufficient for continuous operation of facilities in compliance with the

federal Safe Drinking Water Act (42 U.S.C. Sec. 300f et seq.) and the California Safe Drinking Water Act (Chapter 4 (commencing with Section 116270) of Part 12 of Division 104 of the Health and Safety Code).

14302. Whenever the owner of real property to which water stock by the terms of the certificate thereof is appurtenant at the time of conveyance, by properly executed conveyance, transfers to another the real property with the appurtenances belonging to the property, or whenever title to the property passes by execution sale, or by foreclosure or probate proceedings, the secretary of the water company that issued the stock shall, upon exhibition to him or her of a deed of the land duly recorded, or the necessary court order duly recorded, issue to the grantee named in the conveyance a new certificate of stock for the number of shares appurtenant to the land as shown by the books and records of the company. The secretary of the water company shall enter the name of the grantee upon the books of the company as the owner of the shares of stock and shall cancel on the books the number of former shares of stock so appurtenant to the land in the name of the grantor or of any previous owner of the land, or of any other person.

14303. A corporation organized for or engaged in the business of selling, distributing, supplying, or delivering water for irrigation purposes or domestic use, and not as a public utility, may levy assessments upon its shares, whether or not fully paid, unless otherwise provided in its articles or bylaws. If any shares of the corporation that have been made appurtenant to any land as provided in this chapter, become delinquent in the payment of assessments, the right to receive water or dividends thereon may be denied, and they may be sold and transferred without those lands as if not appurtenant thereto, and the purchaser shall acquire the right to receive water as provided in the articles or bylaws of the corporation, or they may be forfeited to the corporation.

CHAPTER 2. MUTUAL WATER COMPANIES FORMED IN CONNECTION WITH SUBDIVIDED LANDS

14310. (a) It is the intent of the Legislature to ensure both of the following:

(1) That when a mutual water company is formed or is about to be formed in connection with a subdivision, as defined in Sections 11000 and 11004.5 of the Business and Professions Code, an adequate potable water supply and distribution system exists for domestic use and fire protection.

(2) That adequate disclosure and protection to the security holders exist with respect to rights and duties arising from their security holdings in a mutual water company.

(b) For purposes of this chapter, the use of the term “subdivision” has the same definition as “subdivision” as defined in Sections 11000 and 11004.5 of the Business and Professions Code.

14311. A mutual water company formed on or after January 1, 1998, in connection with the offering for sale or lease, or with the sale or lease, of lots within a subdivision and organized to sell, distribute, supply, or deliver water for domestic use to owners of lots in the subdivision shall meet all the requirements of this chapter. A mutual water company described in this section and formed before January 1, 1998, may elect to meet all the requirements of this chapter.

14312. (a) Any person who intends to offer for sale or lease lots within a subdivision within this state and to provide water for domestic use to purchasers of the lots within a subdivision through the formation of a mutual water corporation described in Section 14311, shall include as part of the application for a public report, as described in Section 11010 of the Business and Professions Code, a separate document containing all of the following information, representations, and assurances:

(1) That the provisions of this chapter have been complied with.

(2) That the area in which the mutual water company proposes to deliver water encompasses and includes the entire subdivision and, when applicable, will include parcels to be annexed to the subdivision.

(5) That copies of the contracts and other documents relating to the acquisition by the mutual water company of the water supply, distribution, and fire protection system have been delivered to, and are on file with, the mutual water company and that these contracts and documents evidence the mutual water company's title to the water supply, distribution, and fire protection system.

(6) That the subdivider or applicant has executed and entered into a written contract with the mutual water company wherein the subdivider or applicant has agreed to pay monthly a proportional part of the repair and replacement fund according to a ratio of the number of lots owned or controlled by the subdivider or applicant to the total number of lots in the subdivision.

(7) That an engineer's report has been prepared in accordance with this chapter and Sections 260.504.2 to 260.504.2.4, inclusive, of Title 10 of the California Code of Regulations and is on file with the mutual water company.

(8) That the mutual water company will distribute potable water for domestic use and has obtained, and has on file, a copy of the permit issued by the State Water Resources Control Board, as required pursuant to Section 116540 of the Health and Safety Code, or by a local primacy agency that has been delegated the authority to issue permits to small water systems, with the concurrence of the State Water Resources Control Board.

(9) That the securities of the mutual benefit water corporation will be sold or issued only

to purchasers of lots in the subdivision, or to successors in interest of purchasers of lots in the subdivision, and not sold or issued to the subdivider, applicant, or to the successor in interest of the subdivider or applicant, and that the securities will be sold or issued only after a public report for the subdivision has been issued by the Real Estate Commissioner.

(11) That the water supply and distribution system will serve each lot in the subdivision and be completed prior to the issuance of the public report by the Real Estate Commissioner.

(12) That there is a statement, signed by either the engineer who prepared the engineer's report referred to in paragraph (7) or a person employed or acting on behalf of a public agency or other independent qualified person, that the water supply and distribution system has been examined and tested and that the water supply and distribution system operates in accordance with the design standards of the water supply and distribution system required by this chapter, and that a copy of this statement is on file with the mutual water company.

(13) That the articles of incorporation or bylaws of the mutual water company contain all of the following:

(A) A statement to the effect that the mutual water company shall provide water to all members or shareholders. If there will be an owners' association of the subdivision, an additional statement that water shall also be provided to the common areas.

(B) A provision directing the board of directors to establish a rate structure that will result in the accumulation and maintenance of a fund for the repair, administration, maintenance, and replacement of the water supply, distribution, and fire protection system,

that the rate charged shall bear a reasonable relationship to the cost of furnishing water and maintaining the system, and that unimproved lots included within the area to be served shall bear a proportionate share of the cost of repair and replacement of the water supply, distribution, and fire protection system, as well as a proportionate share of the cost of maintaining the fund.

(C) A statement evidencing a reasonable relationship between each unit of the securities to be issued and each unit of the area to be served, such as one share of common stock issued for each subdivision lot purchased.

(D) A prohibition on the issuance of fractional shares or securities.

(E) A statement, meeting the requirements of Section 14300, that the securities are appurtenant to the land within the area to be served.

(H) A provision for annual meetings of the security holders accompanied by a provision for adequate notice.

(I) A provision for the annual distribution to each security holder of fiscal yearend financial statements within 105 days of the close of the fiscal year.

(J) In the case of a mutual water company that purchases water for distribution from a public utility, municipal water company, or water district, a provision

for charging all security holders a pro rata amount of the cost of water supplied to an entity providing fire protection service.

(K) A provision that a share certificate shall be issued to each lot purchased.

(L) In the case of a mutual water company serving a residential subdivision, the following statements: (i) the mutual water company shall be a separate corporation formed and organized for the purpose described in Section 14311; and (ii) if a shareholder becomes delinquent in paying assessments, the right to receive water or dividends may be denied or forfeited but those rights shall not be sold or transferred without the land.

(14) That an offering circular has been prepared and will be used in any offer and sale of the securities of the mutual water company.

(15) That the writings and documents evidencing compliance with all of the above provisions of the subdivision are on file as part of the permanent record of the mutual water company.

(b) The contracts and documents described in paragraph (5) of subdivision (a) shall include all of the following:

(1) Any bill of sale transferring all personal property used and usable in the operation of the mutual water company.

 - (3) Contract with the subdivider, applicant, or a successor in interest, if a reasonable request is made to do so, for the management of the mutual water company for as long as lots in the subdivision remain unsold. The terms of the contract shall be subject to approval by the board of directors of the mutual water company, including terms related to the compensation to the subdivider, applicant, or successor in interest, if any.
- (d) The offering circular described in paragraph (14) of subdivision (a) shall be delivered to each prospective purchaser of the securities and shall include, among other things, all of the following:

(a) A system map of the area to be served showing all of the following:

- (1) The total acreage.
- (2) The number and location of lots into which the area is or can be subdivided and the location of the connection for water service.
- (3) The location of all sources of supply, principal pumping stations, diversion works, water treatment and filter plants, and storage facilities.

(c) A statement indicating in detail the cost of the water supply, distribution, and fire protection system, and indicating the cost of any required repairs or replacement.

(d) An opinion by the engineer to the effect that the water supply, distribution, and fire protection system will adequately, dependably, and safely meet the total requirements for all water consumers under maximum consumption and will meet the requirements of Section 14314. The opinion shall have attached to it the calculations and data used in estimating the water requirements.

(e) A statement by the engineer of the estimated cost of maintenance of the system, the estimated useful life of the components of the system, the estimated cost of replacement of the system, and the monthly or annual amount which should be charged to establish a reasonable reserve for maintenance and replacement of the system based on these estimates.

14314. The water supply and distribution system of a mutual water company described in Section 14311 that proposes to distribute water for domestic use pursuant to this chapter shall comply with all of the following design standards:

(a) The system shall be adequate to maintain normal operating pressure of not less than 25 pounds per square inch, nor more than 125 pounds per square inch, at the service connection; provided, however, that during periods of hourly maximum demand, or at the time of peak seasonal loads, the pressure may be reduced to not less than 20 pounds per square inch, and during periods of hourly minimum demand the pressure may increase to not more than 150 pounds per square inch. Variations in pressure under normal operation shall not exceed 50 percent of the average operating pressure. The average operating pressure shall be determined by computing the arithmetical average of at least 24 consecutive hourly pressure readings.

(b) The quantity of water delivered to the distribution system from all source facilities shall be sufficient to supply adequately, dependably, and safely the total requirements of all water

consumers under maximum consumption, and shall be sufficient to maintain the pressure specified by subdivision (a).

(c) The distribution system shall provide at least one connection per service and, to the extent feasible, shall be designed in a property segmented grid so as to do both of the following:

(1) Minimize the extent of interruption in water service when repairs are necessary.

(2) Avoid dead ends in its water mains.

14315. (a) The mutual water company described in Section 14311 shall provide at least a minimum level of water service to its customers for fire protection purposes as an inherent part of the water system design in accordance with the standards set forth in this section. The standards set forth in this section are the minimum levels of water service that the mutual water company shall provide and shall not preclude the mutual water company from designing a fire protection system that meets higher standards, nor preclude any governmental agency from setting higher standards in any area subject to its jurisdiction. A mutual water company may request a fire protection agency to approve a fire protection system that does not meet the standards set forth in this chapter upon a showing by the mutual water company that the proposed system is adequate for fire protection purposes.

(b) In the initial construction, extension, or modification of a water system, any one of which is required to serve (1) a new user or (2) a change in use, the facilities constructed, extended, or modified shall be designed to be capable of providing, for a sustained period of at least two hours, in addition to the requirements of the average daily demand within the area to be served, the minimum flow requirements set forth below opposite the classification of land use to be served:

Land Use - Minimum Flow

1. Rural, residential with a lot density of two or fewer units per acre primarily for recreational and retirement use.....250 gpm
2. Lot density of less than one single-family residential unit per acre.....500 gpm

3. Lot density of one or two single-family residential units per acre.....750 gpm
4. Lot density of three or more single-family residential units per acre.....1,000 gpm
5. Duplex residential units, neighborhood business of one story.....1,500 gpm
6. Multiple residential, one and two stories; light commercial or light industrial.....2,000 gpm
7. Multiple residential, three stories or higher; heavy commercial or heavy industrial..... 2,500 gpm

14316. The water supply and distribution system of a mutual water company described in Section 14311 that proposes to distribute water for domestic use shall be constructed to conform with currently accepted engineering practices, and shall comply with the following construction standards where possible:

(a) Water mains to be installed below the frost level or otherwise protected to prevent freezing and shall not have less than 30 inches of cover over the top of the pipe in public streets or alleys except where such depth is rendered impossible by underground obstructions or rocky or hardpan conditions.

(b) The size, design, material, and installation of service pipes shall conform to the reasonable requirements of the mutual water company; provided, however, that the minimum size of the pipe shall be 3/4 inch or greater nominal size. Except where services are not intended for use during freezing weather and arrangements are made to drain service pipes prior to freezing weather, and except at terminations in connection with the meter or water consumer's piping, all service pipes shall be laid at a depth sufficient to prevent freezing.

14317. The fire protection system of a mutual water company shall be constructed to conform with currently accepted engineering practices, and shall comply with the following construction standards:

(a) The flows set forth in Section 14315 shall be calculated on the basis of a residual pressure of

20 p.s.i.g. in the distribution system under flowing conditions.

(b) Fire hydrants shall be attached to the distribution systems at the locations designated by the entity responsible for their use for firefighting purposes. Any new mains to which a hydrant may be attached shall not be less than six inches in diameter.

(c) Each separately operated water system shall not have less than two independent sources of supply.

14318. The mutual water company shall be financially responsible for the maintenance, repair, or replacement of fire hydrants. A mutual water company shall perform and record annual flow tests pursuant to Section 14317 or, in lieu of the annual flow test under Section 14317, any test to determine available flow performed by a fire protection agency. The recorded test results shall become part of the mutual water company's books and records.

Exempt Sales

25102.5. There shall be exempted from Section 25110 a transaction that is the sale of a series of notes secured directly by an interest in the same real property, or the sale of undivided interests in a note secured directly by real property equivalent to a series transaction, that complies with all of the provisions of Article 6 (commencing with Section 10237) of Chapter 3 of Part 1 of Division 4 of the Business and Professions Code. For purposes of this section, a real estate broker licensed by the Real Estate Commissioner of this state who engages in the offer and sale of notes secured directly by real property of various makers, which are a series of notes or notes in which undivided interests are offered and sold, shall be deemed to be the issuer of these notes and undivided interests if the notes of the various makers are offered and sold pursuant to a plan or arrangement that is common to the various makers with respect to documentation and loan standards and that include provisions for servicing these notes on behalf of purchasers.

Real Estate Syndicates – Broker Exemption

25206. A broker licensed by the Real Estate Commissioner is exempt from the provisions of Section 25210 when engaged in transactions in any interest in any general or limited partnership, joint venture, unincorporated association, or similar organization (but not a corporation) owned beneficially by no more than 100 persons and formed for the sole purpose of, and engaged solely in, investment in or gain from an interest in real property, including, but not limited to, a sale, exchange, trade, or development. An interest held by spouses shall be considered held by one person for the purposes of this section.

Real Estate Syndicates – Transfer of Jurisdiction

25706. (a) All effective permits, orders, and consents under the Real Estate Syndicate Act, all administrative orders relating to the Real Estate Syndicate Act, and all conditions imposed upon the Real Estate Syndicate Act remain in effect so long as they would have remained in effect if such act had not been repealed, but shall be considered to have been filed, entered, or imposed under this law. An application to amend, extend, modify, revoke, or set aside any such permits, orders, or consents shall be filed under and be subject to the provisions of this division.

(b) Any application pending under the Real Estate Syndicate Act, upon the effective date of this section, shall be processed by the Real Estate Commissioner pursuant to the provisions of the Real Estate Syndicate Act in effect on December 31, 1977, until such application is granted or denied by such commissioner.

PERTINENT EXCERPTS FROM THE FAMILY CODE

Enforcement of Child Support Obligations

17520. (a) As used in this section:

(1) “Applicant” means a person applying for issuance or renewal of a license.

(2) “Board” means an entity specified in Section 101 of the Business and Professions Code, the entities referred to in Sections 1000 and 3600 of the Business and Professions Code, the State Bar of California, the Department of Real Estate, the Department of Motor Vehicles, the Secretary of State, the Department of Fish and Wildlife, and any other state commission, department, committee, examiner, or agency that issues a license, certificate, credential, permit, registration, or any other authorization to engage in a business, occupation, or profession, or to the extent required by federal law or regulations, for recreational purposes. This term includes all boards, commissions, departments, committees, examiners, entities, and agencies that issue a license, certificate, credential, permit, registration, or any other authorization to engage in a business, occupation, or profession. The failure to specifically name a particular board, commission, department, committee, examiner, entity, or agency that issues a license, certificate, credential, permit, registration, or any other authorization to engage in a business, occupation, or profession does not exclude that board, commission, department, committee, examiner, entity, or agency from this term.

(3) “Certified list” means a list provided by the local child support agency to the Department of Child Support Services in which the local child support agency verifies, under penalty of perjury, that the names contained therein are support obligors found to be out of compliance with a judgment or order for support in a case being enforced under Title IV-D of the federal Social Security Act.

(4) “Compliance with a judgment or order for support” means that, as set forth in a judgment or order for child or family support, the obligor is no more than 30 calendar days in arrears in making payments in full for current support, in making periodic payments in full, whether court ordered or by agreement with the local child support agency, on a support arrearage, or in making periodic payments in full, whether court ordered or by agreement with the local child support agency, on a judgment for reimbursement for public assistance, or has obtained a judicial finding that equitable estoppel as provided in statute or case law precludes enforcement of the order. The local child support agency is authorized to use this section to enforce orders for spousal support only when the local child support agency is also enforcing a related child support obligation owed to the obligee parent by the same obligor, pursuant to Sections 17400 and 17604.

(5) “License” includes membership in the State Bar of California, and a certificate, credential, permit, registration, or any other authorization issued by a board that allows a person to engage in a business, occupation, or profession, or to operate a commercial motor vehicle, including appointment and commission by the Secretary of State as a notary public. “License” also includes any driver’s license issued by the Department of Motor Vehicles, any commercial fishing license issued by the Department of Fish and Wildlife, and to the extent required by federal law or regulations, any license used for recreational purposes. This term includes all licenses, certificates, credentials, permits, registrations, or any other authorization issued by a board that allows a person to engage in a business, occupation, or profession. The failure to specifically name a particular type of license, certificate, credential, permit, registration, or other authorization issued by a board that allows a person to engage in a business, occupation, or

profession, does not exclude that license, certificate, credential, permit, registration, or other authorization from this term.

(6) “Licensee” means a person holding a license, certificate, credential, permit, registration, or other authorization issued by a board, to engage in a business, occupation, or profession, or a commercial driver’s license as defined in Section 15210 of the Vehicle Code, including an appointment and commission by the Secretary of State as a notary public. “Licensee” also means a person holding a driver’s license issued by the Department of Motor Vehicles, a person holding a commercial fishing license issued by the Department of Fish and Wildlife, and to the extent required by federal law or regulations, a person holding a license used for recreational purposes. This term includes all persons holding a license, certificate, credential, permit, registration, or any other authorization to engage in a business, occupation, or profession, and the failure to specifically name a particular type of license, certificate, credential, permit, registration, or other authorization issued by a board does not exclude that person from this term. For licenses issued to an entity that is not an individual person, “licensee” includes an individual who is either listed on the license or who qualifies for the license.

(b) The local child support agency shall maintain a list of those persons included in a case being enforced under Title IV-D of the federal Social Security Act against whom a support order or judgment has been rendered by, or registered in, a court of this state, and who are not in compliance with that order or judgment. The local child support agency shall submit a certified list with the names, social security numbers, individual taxpayer identification numbers, or other uniform identification numbers, and last known addresses of these persons and the name, address, and telephone number of the local child support agency who certified the list to the department. The local child support agency shall verify, under penalty of perjury, that the persons listed are subject to an order or judgment for the payment of support and that these persons are not

in compliance with the order or judgment. The local child support agency shall submit to the department an updated certified list on a monthly basis.

(c) The department shall consolidate the certified lists received from the local child support agencies and, within 30 calendar days of receipt, shall provide a copy of the consolidated list to each board that is responsible for the regulation of licenses, as specified in this section.

(d) On or before November 1, 1992, or as soon thereafter as economically feasible, as determined by the department, all boards subject to this section shall implement procedures to accept and process the list provided by the department, in accordance with this section. Notwithstanding any other law, all boards shall collect social security numbers or individual taxpayer identification numbers from all applicants for the purposes of matching the names of the certified list provided by the department to applicants and licensees and of responding to requests for this information made by child support agencies.

(e) (1) Promptly after receiving the certified consolidated list from the department, and prior to the issuance or renewal of a license, each board shall determine whether the applicant is on the most recent certified consolidated list provided by the department. The board shall have the authority to withhold issuance or renewal of the license of an applicant on the list.

(2) If an applicant is on the list, the board shall immediately serve notice as specified in subdivision (f) on the applicant of the board’s intent to withhold issuance or renewal of the license. The notice shall be made personally or by mail to the applicant’s last known mailing address on file with the board. Service by mail shall be complete in accordance with Section 1013 of the Code of Civil Procedure.

(A) The board shall issue a temporary license valid for a period of 150 days to any applicant whose name is on the

certified list if the applicant is otherwise eligible for a license.

(B) Except as provided in subparagraph (D), the 150-day time period for a temporary license shall not be extended. Except as provided in subparagraph (D), only one temporary license shall be issued during a regular license term and it shall coincide with the first 150 days of that license term. As this paragraph applies to commercial driver's licenses, "license term" shall be deemed to be 12 months from the date the application fee is received by the Department of Motor Vehicles. A license for the full or remainder of the license term shall be issued or renewed only upon compliance with this section.

(C) In the event that a license or application for a license or the renewal of a license is denied pursuant to this section, any funds paid by the applicant or licensee shall not be refunded by the board.

(D) This paragraph shall apply only in the case of a driver's license, other than a commercial driver's license. Upon the request of the local child support agency or by order of the court upon a showing of good cause, the board shall extend a 150-day temporary license for a period not to exceed 150 extra days.

- (3) (A) The department may, when it is economically feasible for the department and the boards to do so as determined by the department, in cases where the department is aware that certain child support obligors listed on the certified lists have been out of compliance with a judgment or order for support for more than four months, provide a supplemental list of these obligors to each board with which the department has an interagency agreement to implement this paragraph. Upon request by the department, the licenses of these obligors shall be subject to suspension, provided that the licenses would not otherwise be eligible for

renewal within six months from the date of the request by the department. The board shall have the authority to suspend the license of any licensee on this supplemental list.

(B) If a licensee is on a supplemental list, the board shall immediately serve notice as specified in subdivision (f) on the licensee that the license will be automatically suspended 150 days after notice is served, unless compliance with this section is achieved. The notice shall be made personally or by mail to the licensee's last known mailing address on file with the board. Service by mail shall be complete in accordance with Section 1013 of the Code of Civil Procedure.

(C) The 150-day notice period shall not be extended.

(D) In the event that any license is suspended pursuant to this section, any funds paid by the licensee shall not be refunded by the board.

(E) This paragraph shall not apply to licenses subject to annual renewal or annual fee.

(f) Notices shall be developed by each board in accordance with guidelines provided by the department and subject to approval by the department. The notice shall include the address and telephone number of the local child support agency that submitted the name on the certified list, and shall emphasize the necessity of obtaining a release from that local child support agency as a condition for the issuance, renewal, or continued valid status of a license or licenses.

(1) In the case of applicants not subject to paragraph (3) of subdivision (e), the notice shall inform the applicant that the board shall issue a temporary license, as provided in subparagraph (A) of paragraph (2) of subdivision (e), for 150 calendar days if the applicant is otherwise eligible and that upon expiration of that time period the license will be denied unless the board has received a release from the local child support agency that submitted the name on the certified list.

(2) In the case of licensees named on a supplemental list, the notice shall inform the licensee that the license will continue in its existing status for no more than 150 calendar days from the date of mailing or service of the notice and thereafter will be suspended indefinitely unless, during the 150-day notice period, the board has received a release from the local child support agency that submitted the name on the certified list. Additionally, the notice shall inform the licensee that any license suspended under this section will remain so until the expiration of the remaining license term, unless the board receives a release along with applications and fees, if applicable, to reinstate the license during the license term.

(3) The notice shall also inform the applicant or licensee that if an application is denied or a license is suspended pursuant to this section, any funds paid by the applicant or licensee shall not be refunded by the board. The Department of Child Support Services shall also develop a form that the applicant shall use to request a review by the local child support agency. A copy of this form shall be included with every notice sent pursuant to this subdivision.

(g) (1) Each local child support agency shall maintain review procedures consistent with this section to allow an applicant to have the underlying arrearage and any relevant defenses investigated, to provide an applicant information on the process of obtaining a modification of a support order, or to provide an applicant assistance in the establishment of a payment schedule on arrearages if the circumstances so warrant.

(2) It is the intent of the Legislature that a court or local child support agency, when determining an appropriate payment schedule for arrearages, base its decision on the facts of the particular case and the priority of payment of child support over other debts. The payment schedule shall also recognize that certain expenses may be essential to enable an obligor to be employed. Therefore, in reaching its decision, the court or the local

child support agency shall consider both of these goals in setting a payment schedule for arrearages.

(h) If the applicant wishes to challenge the submission of their name on the certified list, the applicant shall make a timely written request for review to the local child support agency who certified the applicant's name. A request for review pursuant to this section shall be resolved in the same manner and timeframe provided for resolution of a complaint pursuant to Section 17800. The local child support agency shall immediately send a release to the appropriate board and the applicant, if any of the following conditions are met:

(1) The applicant is found to be in compliance or negotiates an agreement with the local child support agency for a payment schedule on arrearages or reimbursement.

(2) The applicant has submitted a request for review, but the local child support agency will be unable to complete the review and send notice of its findings to the applicant within the time specified in Section 17800.

(3) The applicant has filed and served a request for judicial review pursuant to this section, but a resolution of that review will not be made within 150 days of the date of service of notice pursuant to subdivision (f). This paragraph applies only if the delay in completing the judicial review process is not the result of the applicant's failure to act in a reasonable, timely, and diligent manner upon receiving the local child support agency's notice of findings.

(4) The applicant has obtained a judicial finding of compliance as defined in this section.

(i) An applicant is required to act with diligence in responding to notices from the board and the local child support agency with the recognition that the temporary license will lapse or the license suspension will go into effect after 150 days and that the local child support agency and, where appropriate, the court must have time to act within that period. An applicant's delay in acting, without good cause, which directly results in the

inability of the local child support agency to complete a review of the applicant's request or the court to hear the request for judicial review within the 150-day period shall not constitute the diligence required under this section which would justify the issuance of a release.

(j) Except as otherwise provided in this section, the local child support agency shall not issue a release if the applicant is not in compliance with the judgment or order for support. The local child support agency shall notify the applicant, in writing, that the applicant may, by filing an order to show cause or notice of motion, request any or all of the following:

- (1) Judicial review of the local child support agency's decision not to issue a release.
- (2) A judicial determination of compliance.
- (3) A modification of the support judgment or order.

The notice shall also contain the name and address of the court in which the applicant shall file the order to show cause or notice of motion and inform the applicant that their name shall remain on the certified list if the applicant does not timely request judicial review. The applicant shall comply with all statutes and rules of court regarding orders to show cause and notices of motion.

This section does not limit an applicant from filing an order to show cause or notice of motion to modify a support judgment or order or to fix a payment schedule on arrearages accruing under a support judgment or order or to obtain a court finding of compliance with a judgment or order for support.

(k) The request for judicial review of the local child support agency's decision shall state the grounds for which review is requested and judicial review shall be limited to those stated grounds. The court shall hold an evidentiary hearing within 20 calendar days of the filing of the request for review. Judicial review of the local child support agency's decision shall be limited to a determination of each of the following issues:

(1) Whether there is a support judgment, order, or payment schedule on arrearages or reimbursement.

(2) Whether the petitioner is the obligor covered by the support judgment or order.

(3) Whether the support obligor is or is not in compliance with the judgment or order of support.

(4) (A) The extent to which the needs of the obligor, taking into account the obligor's payment history and the current circumstances of both the obligor and the obligee, warrant a conditional release as described in this subdivision.

(B) The request for judicial review shall be served by the applicant upon the local child support agency that submitted the applicant's name on the certified list within seven calendar days of the filing of the petition. The court has the authority to uphold the action, unconditionally release the license, or conditionally release the license.

(C) If the judicial review results in a finding by the court that the obligor is in compliance with the judgment or order for support, the local child support agency shall immediately send a release in accordance with subdivision (l) to the appropriate board and the applicant. If the judicial review results in a finding by the court that the needs of the obligor warrant a conditional release, the court shall make findings of fact stating the basis for the release and the payment necessary to satisfy the unrestricted issuance or renewal of the license without prejudice to a later judicial determination of the amount of support arrearages, including interest, and shall specify payment terms, compliance with which are necessary to allow the release to remain in effect.

- (l) (1) The department shall prescribe release forms for use by local child support agencies. When the obligor is in compliance, the local child support agency shall mail to the

applicant and the appropriate board a release stating that the applicant is in compliance. The receipt of a release shall serve to notify the applicant and the board that, for the purposes of this section, the applicant is in compliance with the judgment or order for support. A board that has received a release from the local child support agency pursuant to this subdivision shall process the release within five business days of its receipt.

(2) When the local child support agency determines, subsequent to the issuance of a release, that the applicant is once again not in compliance with a judgment or order for support, or with the terms of repayment as described in this subdivision, the local child support agency may notify the board, the obligor, and the department in a format prescribed by the department that the obligor is not in compliance.

(3) The department may, when it is economically feasible for the department and the boards to develop an automated process for complying with this subdivision, notify the boards in a manner prescribed by the department, that the obligor is once again not in compliance. Upon receipt of this notice, the board shall immediately notify the obligor on a form prescribed by the department that the obligor's license will be suspended on a specific date, and this date shall be no longer than 30 days from the date the form is mailed. The obligor shall be further notified that the license will remain suspended until a new release is issued in accordance with subdivision (h). This section does not limit the obligor from seeking judicial review of suspension pursuant to the procedures described in subdivision (k).

(m) The department may enter into interagency agreements with the state agencies that have responsibility for the administration of boards necessary to implement this section, to the extent that it is cost effective to implement this section. These agreements shall provide for the receipt by the other state agencies and boards of federal funds to cover that portion of costs allowable in federal law and regulation and incurred by the

state agencies and boards in implementing this section. Notwithstanding any other law, revenue generated by a board or state agency shall be used to fund the nonfederal share of costs incurred pursuant to this section. These agreements shall provide that boards shall reimburse the department for the nonfederal share of costs incurred by the department in implementing this section. The boards shall reimburse the department for the nonfederal share of costs incurred pursuant to this section from moneys collected from applicants and licensees.

(n) Notwithstanding any other law, in order for the boards subject to this section to be reimbursed for the costs incurred in administering its provisions, the boards may, with the approval of the appropriate department director, levy on all licensees and applicants a surcharge on any fee or fees collected pursuant to law, or, alternatively, with the approval of the appropriate department director, levy on the applicants or licensees named on a certified list or supplemental list, a special fee.

(o) The process described in subdivision (h) shall constitute the sole administrative remedy for contesting the issuance of a temporary license or the denial or suspension of a license under this section. The procedures specified in the administrative adjudication provisions of the Administrative Procedure Act (Chapter 4.5 (commencing with Section 11400) and Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code) shall not apply to the denial, suspension, or failure to issue or renew a license or the issuance of a temporary license pursuant to this section.

(p) In furtherance of the public policy of increasing child support enforcement and collections, on or before November 1, 1995, the State Department of Social Services shall make a report to the Legislature and the Governor based on data collected by the boards and the district attorneys in a format prescribed by the State Department of Social Services. The report shall contain all of the following:

(1) The number of delinquent obligors certified by district attorneys under this section.

- (2) The number of support obligors who also were applicants or licensees subject to this section.
- (3) The number of new licenses and renewals that were delayed, temporary licenses issued, and licenses suspended subject to this section and the number of new licenses and renewals granted and licenses reinstated following board receipt of releases as provided by subdivision (h) by May 1, 1995.
- (4) The costs incurred in the implementation and enforcement of this section.
- (q) A board receiving an inquiry as to the licensed status of an applicant or licensee who has had a license denied or suspended under this section or has been granted a temporary license under this section shall respond only that the license was denied or suspended or the temporary license was issued pursuant to this section. Information collected pursuant to this section by a state agency, board, or department shall be subject to the Information Practices Act of 1977 (Chapter 1 (commencing with Section 1798) of Title 1.8 of Part 4 of Division 3 of the Civil Code).
- (r) Any rules and regulations issued pursuant to this section by a state agency, board, or department may be adopted as emergency regulations in accordance with the rulemaking provisions of the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code). The adoption of these regulations shall be deemed an emergency and necessary for the immediate preservation of the public peace, health, and safety, or general welfare. The regulations shall become effective immediately upon filing with the Secretary of State.
- (s) The department and boards, as appropriate, shall adopt regulations necessary to implement this section.
- (t) The Judicial Council shall develop the forms necessary to implement this section, except as provided in subdivisions (f) and (l).
- (u) The release or other use of information received by a board pursuant to this section, except as authorized by this section, is punishable as a misdemeanor.
- (v) The State Board of Equalization shall enter into interagency agreements with the department and the Franchise Tax Board that will require the department and the Franchise Tax Board to maximize the use of information collected by the State Board of Equalization, for child support enforcement purposes, to the extent it is cost effective and permitted by the Revenue and Taxation Code.
- (w) (1) The suspension or revocation of a driver's license, including a commercial driver's license, under this section shall not subject the licensee to vehicle impoundment pursuant to Section 14602.6 of the Vehicle Code.
- (2) Notwithstanding any other law, the suspension or revocation of a driver's license, including a commercial driver's license, under this section shall not subject the licensee to increased costs for vehicle liability insurance.
- (x) If any provision of this section or the application thereof to any person or circumstance is held invalid, that invalidity shall not affect other provisions or applications of this section which can be given effect without the invalid provision or application, and to this end the provisions of this section are severable.
- (y) All rights to administrative and judicial review afforded by this section to an applicant shall also be afforded to a licensee.

(1) For a mortgage or deed of trust, the annual percentage rate at consummation of the transaction will exceed by more than eight percentage points the yield on Treasury securities having comparable periods of maturity on the 15th day of the month immediately preceding the month in which the application for the extension of credit is received by the creditor.

(2) The total points and fees payable by the consumer at or before closing for a mortgage or deed of trust will exceed 6 percent of the total loan amount.

(c) “Points and fees” shall include the following:

(1) All items required to be disclosed as finance charges under Sections 1026.4(a) and 1026.4(b) of Title 12 of the Code of Federal Regulations, including the Official Staff Commentary, as amended from time to time, except interest.

(2) All compensation and fees paid to mortgage brokers in connection with the loan transaction.

(3) All items listed in Section 1026.4(c)(7) of Title 12 of the Code of Federal Regulations, only if the person originating the covered loan receives direct compensation in connection with the charge.

(d) “Consumer loan” means a consumer credit transaction that is secured by real property located in this state used, or intended to be used or occupied, as the principal dwelling of the consumer that is improved by a one-to-four residential unit. “Consumer loan” does not include a reverse mortgage, an open line of credit as defined in Part 1026 of Title 12 of the Code of Federal Regulations (Regulation Z), or a consumer credit transaction that is secured by rental property or second homes. “Consumer loan” does not include a bridge loan. For purposes of this division, a bridge loan is any temporary loan, having a maturity of one year or less, for the purpose of acquisition or construction of a dwelling intended to become the consumer’s principal dwelling.

(e) “Original principal balance” means the total initial amount the consumer is obligated to repay on the loan.

(f) “Licensing agency” shall mean the Bureau of Real Estate for licensed real estate brokers, the Department of Business Oversight for licensed residential mortgage lenders, licensed finance lenders and brokers, and the commercial and industrial banks and savings associations and credit unions organized in this state.

(g) “Licensed person” means a real estate broker licensed under the Real Estate Law (Part 1 (commencing with Section 10000) of Division 4 of the Business and Professions Code), a finance lender or broker licensed under the California Financing Law (Division 9 (commencing with Section 22000)), a residential mortgage lender licensed under the California Residential Mortgage Lending Act (Division 20 (commencing with Section 50000)), a commercial or industrial bank organized under the Banking Law (Division 1.1 (commencing with Section 1000)), a savings association

organized under the Savings Association Law (Division 2 (commencing with Section 5000)), and a credit union organized under the California Credit Union Law (Division 5 (commencing with Section 14000)). This division shall not be construed to prevent any enforcement by a governmental entity against any person who originates a loan and who is exempt or excluded from licensure by all of the licensing agencies, based on a violation of any provision of this division. This division shall not be construed to prevent the Bureau of Real Estate from enforcing this division against a licensed salesperson employed by a licensed real estate broker as if that salesperson were a licensed person under this division. A licensed person includes any person engaged in the practice of consumer lending, as defined in this division, for which a license is required under any other provision of law, but whose license is invalid, suspended or revoked, or where no license has been obtained.

(h) "Originate" means to arrange, negotiate, or make a consumer loan.

(i) "Servicer" has the same meaning provided in Section 6(i)(2) of the federal Real Estate Settlement Procedures Act of 1974.

CHAPTER 2. PROHIBITED ACTS

Prohibited Acts and Limitations for Covered Loans

4973. The following are prohibited acts and limitations for covered loans:

(a) (1) A covered loan shall not include a prepayment fee or penalty after the first 36 months after the date of consummation of the loan.

(2) A covered loan may include a prepayment fee or penalty up to the first 36 months after the date of consummation of the loan if:

(A) The person who originates the covered loan has also offered the consumer a choice of another product without a prepayment fee or penalty.

(B) The person who originates the covered loan has disclosed in writing to the consumer at least three business days prior to loan consummation the terms of

the prepayment fee or penalty to the consumer for accepting a covered loan with the prepayment penalty and the rates, points, and fees that would be available to the consumer for accepting a covered loan without a prepayment penalty.

(C) The person who originates the covered loan has limited the amount of the prepayment fee or penalty to an amount not to exceed the payment of six months' advance interest, at the contract rate of interest then in effect, on the amount prepaid in any 12-month period in excess of 20 percent of the original principal amount.

(D) A covered loan will not impose the prepayment fee or penalty if the covered loan is accelerated as a result of default.

(E) The person who originates the covered loan will not finance a prepayment penalty through a new loan that is originated by the same person.

(b) (1) A covered loan with a term of 5 years or less may not provide at origination for a payment schedule with regular periodic payments that when aggregated do not fully amortize the principal balance as of the maturity date of the loan.

(2) For a payment schedule that is adjusted to account for the seasonal or irregular income of the consumer, the total installments in any year shall not exceed the amount of one year's worth of payments on the loan. This prohibition does not apply to a bridge loan. For purposes of this paragraph, "bridge loan" means a loan with a maturity of less than 18 months that only requires payments of interest until the time when the entire unpaid balance is due and payable.

(c) A covered loan shall not contain a provision for negative amortization such that the payment schedule for regular monthly payments causes the principal balance to increase, unless the covered loan is a first mortgage and the person who originates the loan discloses to the consumer that the loan contains a negative amortization

provision that may add principal to the balance of the loan.

(d) A covered loan shall not include terms under which periodic payments required under the loan are consolidated and paid in advance from the loan proceeds.

(e) A covered loan shall not contain a provision that increases the interest rate as a result of a default. This provision does not apply to interest rate changes in a variable rate loan otherwise consistent with the provisions of the loan documents, provided the change in the interest rate is not triggered by the event of default or the acceleration for the indebtedness.

(f) (1) A person who originates covered loans shall not make or arrange a covered loan unless at the time the loan is consummated, the person reasonably believes the consumer, or consumers, when considered collectively in the case of multiple consumers, will be able to make the scheduled payments to repay the obligation based upon a consideration of their current and expected income, current obligations, employment status, and other financial resources, other than the consumer's equity in the dwelling that secures repayment of the loan. In the case of a covered loan that is structured to increase to a specific designated rate, stated as a number or formula, at a specific predetermined date not exceeding 37 months from the date of application, this evaluation shall be based upon the fully indexed rate of the loan calculated at the time of application.

The consumer shall be presumed to be able to make the scheduled payments to repay the obligation if, at the time the loan is consummated, the consumer's total monthly debts, including amounts owed under the loan, do not exceed 55 percent of the consumer's monthly gross income, as verified by the credit application, the consumer's financial statement, a credit report, financial information provided to the person originating the loan by or on behalf of the consumer, or any other reasonable means.

(2) No presumption of inability to make the scheduled payments to repay the obligation shall arise solely from the fact that at the time the loan is consummated, the consumer's total monthly debts, including amounts owed under the loan, exceed 55 percent of the consumer's monthly gross income.

(3) In the case of a stated income loan, the reasonable belief requirement in paragraph (1) shall apply, however, for stated income loans that belief may be based on the income stated by the consumer, and other information in the possession of the person originating the loan after the solicitation of all information that the person customarily solicits in connection with loans of this type. A person shall not knowingly or willfully originate a covered loan as a stated income loan with the intent, or effect, of evading the provisions of this subdivision.

(g) A person who originates a covered loan shall not pay a contractor under a home-improvement contract from the proceeds of a covered loan other than by an instrument payable to the consumer or jointly to the consumer and the contractor or, at the election of the consumer, to a third-party escrow agent for the benefit of the contractor in accordance with terms and conditions established in a written escrow agreement signed by the consumer, the person who originates a covered loan, and the contractor prior to the disbursement of funds. No payments, other than progress payments for home-improvement work that the consumer certifies is completed, shall be made to an escrow account or jointly to the consumer and the contractor unless the person who originates the loan is presented with a signed and dated completion certificate by the consumer showing that the home-improvement contract was completed to the satisfaction of the consumer.

(h) It is unlawful for a person who originates a covered loan to recommend or encourage a consumer to default on an existing consumer loan or other debt in connection with the solicitation or making of a covered loan that refinances all or any portion of the existing consumer loan or debt.

(i) A covered loan shall not contain a call provision that permits the lender, in its sole discretion, to accelerate the indebtedness. This prohibition does not apply if repayment of the loan has been accelerated in accordance with the terms of the loan documents (1) as a result of the consumer's default, (2) pursuant to a due-on-sale provision, or (3) due to fraud or material misrepresentation by a consumer in connection with the loan or the value of the security for the loan.

(j) A person who originates a covered loan shall not refinance or arrange for the refinancing of a consumer loan such that the new loan is a covered loan that is made for the purpose of refinancing, debt consolidation or cash out, that does not result in an identifiable benefit to the consumer, considering the consumer's stated purpose for seeking the loan, fees, interest rates, finance charges, and points.

Disclosure – Covered Loans Secured By Real Property – Consumer Caution and Home Ownership Counseling Notice

(k) (1) A covered loan shall not be made unless the following disclosure, written in 12-point font or larger, has been provided to the consumer no later than three business days prior to signing of the loan documents of the transaction:

CONSUMER CAUTION AND HOME OWNERSHIP COUNSELING NOTICE

If you obtain this loan, the lender will have a mortgage on your home. You could lose your home, and any money you have put into it, if you do not meet your obligations under the loan.

Mortgage loan rates and closing costs and fees vary based on many other factors, including your particular credit and financial circumstances, your earnings history, the loan-to-value requested, and the type of property that will secure your loan. Higher rates and fees may be justified depending on the individual circumstances of a particular consumer's application. You should shop around and compare loan rates and fees.

This particular loan may have a higher rate and total points and fees than other mortgage loans and is, or may be, subject to the additional disclosure and substantive protections under Division 1.7 (commencing with Section 4970) of the Financial Code. You should consider consulting a qualified independent credit counselor or other experienced financial adviser regarding the rate, fees, and provisions of this mortgage loan before you proceed. For information on contacting a qualified credit counselor, ask your lender or call the United States Department of Housing and Urban Development's counseling hotline at 1-888-995-HOPE (4673) or go to www.hud.gov/offices/hsg/hcc/fc/ for a list of HUD-approved housing counseling agencies.

You are not required to complete any loan agreement merely because you have received these disclosures or have signed a loan application.

If you proceed with this mortgage loan, you should also remember that you may face serious financial risks if you use this loan to pay off credit card debts and other debts in connection with this transaction and then subsequently incur significant new credit card charges or other debts. If you continue to accumulate debt after this loan is closed and then experience financial difficulties, you could lose your home and any equity you have in it if you do not meet your mortgage loan obligations.

Property taxes and homeowner's insurance are your responsibility. Not all lenders provide escrow services for these payments. You should ask your lender about these services.

Your payments on existing debts contribute to your credit ratings. You should not accept any advice to ignore your regular payments to your existing creditors.

(2) It shall be a rebuttable presumption that a licensed person has met its obligation to provide this disclosure if the consumer provides the licensed person with a signed

acknowledgment of receipt of a copy of the notice set forth in paragraph (1).

- (l) (1) A person who originates a covered loan shall not steer, counsel, or direct any prospective consumer to accept a loan product with a risk grade less favorable than the risk grade that the consumer would qualify for based on that person's then current underwriting guidelines, prudently applied, considering the information available to that person, including the information provided by the consumer.

A person shall not be deemed to have violated this section if the risk grade determination applied to a consumer is reasonably based on the person's underwriting guidelines if it is an appropriate risk grade category for which the consumer qualifies with the person.

- (2) If a broker originates a covered loan, the broker shall not steer, counsel, or direct any prospective consumer to accept a loan product at a higher cost than that for which the consumer could qualify based on the loan products offered by the persons with whom the broker regularly does business.

- (m) A person who originates a covered loan shall not avoid, or attempt to avoid, the application of this division by doing the following:

(1) Structuring a loan transaction as an open-end credit plan for the purpose of evading the provisions of this division when the loan would have been a covered loan if the loan had been structured as a closed end loan.

(2) Dividing any loan transaction into separate parts for the purpose of evading the provisions of this division.

- (n) A person who originates a covered loan shall not act in any manner, whether specifically prohibited by this section or of a different character, that constitutes fraud.

CHAPTER 3. ENFORCEMENT

Liability for Violations of Covered Loans Provisions

4974. (a) Any compliance failure that was not willful or intentional and resulted from a bona

fide error, that occurred notwithstanding the maintenance of procedures reasonably adopted to avoid those errors, including, but not limited to, those involving clerical, calculation, computer malfunction and programming, and printing errors shall be corrected no later than 45 days after receipt of the complaint or discovery of the error. A person who originates a covered loan shall not be administratively, civilly, or criminally liable for a bona fide error corrected pursuant to this section.

- (b) If a person who originates covered loans makes a loan where the person knew of and showed reckless disregard for a violation of this division by a broker, the person and broker shall be jointly and severally liable for all damages awarded under this division with respect to the broker's unlawful conduct.

This section does not impose or transfer liability for a breach of the broker's fiduciary duty.

4975.

- (a) (1) Any licensed person who violates any provision of Section 4973, 4979.6, or 4979.7 shall be deemed to have violated that person's licensing law.

(2) After a knowing and willful violation, the licensing agency may bring a proceeding to suspend the license of the licensed person for not less than six months and not more than three years.

- (b) After a knowing and willful violation resulting in a second or subsequent administrative or civil action, the licensing agency may bring a proceeding to permanently revoke the license of the licensed person or impose any lesser licensed sanction for at least three years.

(c) A licensing agency may exercise any and all authority and powers available to it under any other provisions of law, to administer and enforce this division including, but not limited to, investigating and examining the licensed person's books and records, and charging and collecting the reasonable costs for these activities. The licensing agency shall not charge a licensed person twice for the same service. Any civil, criminal, and administrative authority and remedies available to the licensing agency

pursuant to its licensing law may be sought and employed in any combination deemed advisable by the licensing agency to enforce the provisions of this division.

(d) Nothing in this section shall be construed to impair or impede a licensing agency's authority under any other provision of law.

4977. (a) A licensing agency may, after appropriate notice and opportunity for hearing, by order levy administrative penalties against a person who violates any provision of this division, and the person shall be liable for administrative penalties of not more than two thousand five hundred dollars (\$2,500) for each violation. Except for licensing agencies exempt from the provisions of the Administrative Procedure Act, any hearing shall be held in accordance with the Administrative Procedure Act (Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code), and the licensing agency shall have all the powers granted under that act.

(b) Any person who willfully and knowingly violates any provision of this division shall be liable for a civil penalty of not more than twenty-five thousand dollars (\$25,000) for each violation which shall be assessed and recovered in a civil action brought in the name of the people of the State of California by the licensing agency in any court of competent jurisdiction.

(c) Nothing in this section requires exhaustion of administrative remedies prior to an injured party bringing a civil action.

(d) If the licensing agency determines that it is in the public interest, the licensing agency may include, in any action for penalties authorized by subdivision (b), a claim for relief in addition to the penalties, including a claim for restitution or disgorgement, and the court shall have jurisdiction to award the additional relief.

(e) Nothing in this section shall be construed to impair or impede the Attorney General from representing a licensing agency in bringing an action to enforce this division at the request and on behalf of the licensing agency.

(f) In any action brought by the licensing agency, or the Attorney General acting at the request and on behalf of the licensing agency, under this division in which a judgment against a person is rendered, the licensing agency or the Attorney General shall be entitled to recover costs which, in the discretion of the court, may include an amount representing reasonable attorney's fees and investigative expenses for services rendered for deposit in the appropriate fund of that licensing agency.

(g) The amounts collected under subdivisions (a) and (b) shall be deposited in the appropriate fund of the licensing agency to be used by that licensing agency, subject to appropriation by the Legislature, for the purposes of education and enforcement in connection with abusive lending practices.

4978. (a) A person who fails to comply with the provisions of this division is civilly liable to the consumer in an amount equal to any actual damages suffered by the consumer, plus attorneys fees and costs. For a willful and knowing violation of this division, the person shall be liable to the consumer in the amount of fifteen thousand dollars (\$15,000) or the consumers actual damages, whichever is greater, plus attorneys fees and costs.

(b) (1) If a provision in a contract in a covered loan violates subdivision (a), (b), (c), (d), (e), or (i) of Section 4973, Section 4979.6, or Section 4979.7, that provision is unenforceable. A court in which any action is brought by, or on behalf of, an aggrieved consumer for relief may issue an order or injunction to reform the terms of the covered loan to conform to the provisions of this division.

(2) A court may, in addition to any other remedy, award punitive damages to the consumer upon a finding that such damages are warranted pursuant to Section 3294 of the Civil Code.

(c) Nothing in this section is intended, nor shall be construed, to abrogate existing common law provisions prohibiting double recovery of damages.

4978.6. A person who originates covered loans shall inform any employee, who originates covered loans on behalf of the person, of the administrative or civil penalties for a violation of this division.

4979. Upon request, a person who originates a covered loan shall provide the licensing agency or the consumer, at no cost, documentation regarding his or her loan that clearly demonstrates whether any loan is a covered loan. This documentation shall include, but not be limited to, full disclosure of the original principal balance, the annual percentage rate, and the total points and fees, as defined in Section 4970.

4979.5. (a) A person who provides brokerage services to a borrower in a covered loan transaction by soliciting lenders or otherwise negotiating a consumer loan secured by real property, is the fiduciary of the consumer, and any violation of the person's fiduciary duties shall be a violation of this section. A broker who arranges a covered loan owes this fiduciary duty to the consumer regardless of who else the broker may be acting as an agent for in the course of the loan transaction.

(b) Except for a broker or a person who provides brokerage services, no licensed person or subsequent assignee shall have administrative, civil, or criminal liability for a violation of this section.

4979.6. A person who originates a covered loan shall not make a covered loan that finances points and fees in excess of one thousand dollars (\$1,000) or 6 percent of the original principal balance, exclusive of points and fees, whichever is greater.

4979.7. On or after July 1, 2002, a person who originates a consumer loan shall not finance, directly or indirectly, into a consumer loan or finance to the same borrower within 30 days of a consumer loan any credit life, credit disability, credit property, or credit unemployment insurance premiums, or any debt cancellation or suspension agreement fees, provided that credit insurance premiums, debt cancellation, or suspension fees calculated and paid on a monthly basis shall not be considered financed by the

person originating the loan. For purposes of this section, credit insurance does not include a contract issued by a government agency or private mortgage insurance company to insure the lender against loss caused by a mortgagor's default.

4979.8. The provisions of this division shall not impose liability on an assignee that is a holder in due course. The provisions of this division shall not apply to persons chartered by Congress to engage in secondary mortgage market transactions.

DIVISION 1.10. HIGHER-PRICED MORTGAGE LOANS

4995. The following definitions shall apply for purposes of this division:

(a) "Higher-priced mortgage loan" has the meaning set forth in Section 1026.35 of Title 12 of the Code of Federal Regulations.

(b) "Licensed person" means a real estate broker licensed under the Real Estate Law (Part 1 (commencing with Section 10000) of Division 4 of the Business and Professions Code), a finance lender or broker licensed under the California Financing Law (Division 9 (commencing with Section 22000)), a residential mortgage lender licensed under the California Residential Mortgage Lending Act (Division 20 (commencing with Section 50000)), a commercial or industrial bank organized under the Banking Law (Division 1.1 (commencing with Section 1000)), a savings association organized under the Savings Association Law (Division 2 (commencing with Section 5000)), and a credit union organized under the California Credit Union Law (Division 5 (commencing with Section 14000)).

(c) "Mortgage broker" means a licensed person who provides mortgage brokerage services. For purposes of this division, a licensed person who makes home loans is a "mortgage broker," and subject to the requirements of this division applicable to mortgage brokers, only with respect to transactions in which the licensed person provides mortgage brokerage services.

(d) "Mortgage brokerage services" means arranging or attempting to arrange, as exclusive agent for the borrower or as dual agent for the borrower and lender, for compensation or in expectation of compensation, paid directly or indirectly, a higher-priced mortgage loan made by an unaffiliated third party.

4995.1. Notwithstanding any other provision of law, the maximum amount of a prepayment penalty that may be imposed by a licensed person in connection with a higher-priced mortgage loan shall not exceed 2 percent of the principal balance prepaid, for prepayment of the loan during the first 12 months following loan consummation or 1 percent of the principal balance prepaid, for prepayment of the loan during the second 12 months following loan consummation.

4995.2. (a) This division shall apply to any licensed person who in bad faith attempts to avoid the application of this division by doing either of the following:

(1) Dividing any loan transaction into separate parts for the purpose and with the intent of evading the provisions of this division.

(2) Any other subterfuge.

(b) Notwithstanding any other provision of law, a licensed person shall not make, or cause to be made, any false, deceptive, or misleading statement or representation in connection with a higher-priced mortgage loan.

(c) A mortgage broker who arranges only higher-priced mortgage loans shall disclose that fact to a borrower, both orally and in writing, at the time of initially engaging in mortgage brokerage services with that borrower.

(d) A mortgage broker who provides mortgage brokerage services shall not steer, counsel, or direct a borrower to accept a loan at a higher cost than that for which the borrower could qualify based upon the loans offered by the persons with whom the broker regularly does business.

(e) (1) A mortgage broker who provides mortgage brokerage services for a borrower shall not receive compensation, including a yield spread premium, fee, commission, or

any other compensation, for arranging a higher-priced mortgage loan with a prepayment penalty that exceeds the compensation that the mortgage broker would otherwise receive for arranging that higher-priced mortgage loan without a prepayment penalty.

(2) When providing mortgage brokerage services for a borrower, a mortgage broker shall receive the same compensation for providing those services whether paid by the lender, borrower, or a third party.

(f) No licensed person shall recommend or encourage default on an existing loan or other debt prior to and in connection with the closing or planned closing of a higher-priced mortgage loan that refinances all or any portion of the existing loan or debt.

(g) A licensed person shall not make a higher-priced mortgage loan that contains a provision for negative amortization. This subdivision shall not preclude a licensed person from entering into a subsequent agreement with a borrower to capitalize payments as a means of permitting a borrower to cure or prevent a delinquency.

(h) A licensed person who makes a higher-priced mortgage loan and who, when acting in good faith, fails to comply with this section, shall not be liable if the licensed person establishes either of the following:

(1) Within 90 days of the loan closing and prior to the institution of any action against the licensed person under this section, the licensed person did all of the following:

(A) Notified the borrower of the compliance failure.

(B) Tendered appropriate restitution.

(C) Offered, at the borrower's option, either to make the higher-priced mortgage loan comply with the requirements of this division or change the terms of the loan in a manner beneficial to the borrower so that the loan will no longer be considered a higher-priced mortgage loan subject to the provisions of this division.

(D) Within a reasonable period of time following the borrower's election of remedies, took appropriate action based on the borrower's choice.

- (2) (A) The compliance failure was not intentional and resulted from a bona fide error notwithstanding the maintenance of procedures reasonably adopted to avoid those errors, and within 120 days after receipt of a complaint or the discovery of the compliance failure or the licensed person's receipt of written notice of the compliance failure, the licensed person did all of the following:

(i) Notified the borrower of the compliance failure.

(ii) Tendered appropriate restitution.

(iii) Offered, at the borrower's option, either to make the higher-priced mortgage loan comply with the requirements of this division or change the terms of the loan in a manner beneficial to the borrower so that the loan will no longer be considered a higher-priced mortgage loan subject to the provisions of this division.

(iv) Within a reasonable period of time following the borrower's election of remedies, took appropriate action based on the borrower's choice.

(B) For purposes of this subdivision, examples of a bona fide error include clerical, calculation, computer malfunction and programming, and printing errors.

4995.3. (a) Any licensed person who violates any provision of this division shall be deemed to have violated that person's licensing law.

(b) The licensing agency may, by order and after appropriate administrative hearing, prohibit licensees under this division from engaging in acts or practices in connection with higher-priced mortgage loans that the licensing agency finds to

be unfair, deceptive, or designed to evade laws of this state.

(c) A violation of Section 2923.1 of the Civil Code in connection with a higher-priced mortgage loan is a violation of this division.

(d) A violation of the provisions of Part 226 of Title 12 of the Code of Federal Regulations, relating to prepayment penalties in connection with higher-priced mortgage loans, is a violation of this division.

(e) The provisions of this division may be enforced only by the Attorney General or the licensed person's licensing agency. Any licensed person who willfully and knowingly violates any provision of this division shall be liable for a civil penalty of not more than ten thousand dollars (\$10,000) for each violation.

(f) A prepayment penalty or yield spread premium provision of a higher-priced mortgage loan that violates this division shall be unenforceable.

4995.4. The provisions of this division shall apply to higher-priced mortgage loans originated on or after July 1, 2010.

4995.5. The provisions of this division are severable. If any provision of this division or its application is held invalid, that invalidity shall not affect other provisions or applications that can be given effect without the invalid provision or application.

4995.6. Nothing in this division shall be construed to affect any other rights or remedies otherwise available under the law.

Definition of Escrow

17003. (a) "Escrow" means any transaction in which one person, for the purpose of effecting the sale, transfer, encumbering, or leasing of real or personal property to another person, delivers any written instrument, money, evidence of title to real or personal property, or other thing of value to a third person to be held by that third person until the happening of a specified event or the performance of a prescribed condition, when it is then to be delivered by that third person to a grantee, grantor, promisee, promisor, obligee,

(b) With regard to Internet escrow companies, "escrow" also includes any transaction in which one person, for the purpose of effecting the sale or transfer of personal property or services to another person, delivers money, or its Internet-authorized equivalent, to a third person to be held by that third person until the happening of a specified event or the performance of a prescribed condition, when it is then to be delivered by that third person to a grantee, grantor, promisee, promisor, obligee, obligor, bailee, bailor, or any agent or employee of any of the latter.

CHAPTER 13.8

RESIDENTIAL STRENGTHENING – SEISMIC SAFETY

Article 1. General Provisions and Legislative Findings

Legislative Findings and Declarations

8897. (a) The Legislature finds and declares all of the following:

- (1) There exists a serious threat to homes in the State of California from damage during earthquakes. Over 23,000 homes were damaged or destroyed during the Loma Prieta earthquake of October 17, 1989, due to the lack of adequate foundation anchoring or as a result of cripple wall failure.
 - (2) The building codes used in the State of California did not require homes to be bolted to their foundations until on or about 1949, and some of California's local jurisdictions did not enforce the anchor bolting requirements until as late as 1958.
 - (3) There are approximately 1,200,000 homes in the State of California which may not be bolted or anchored to their foundations or do not have adequate cripple wall bracing.
 - (4) There also exists a serious threat of gas leaks followed by fire and explosion from water heaters that overturn, damaging the plumbing or electrical wiring during an earthquake due to the lack of adequate anchoring, strapping, or bracing.
- (b) Therefore, it is the goal of the Legislature to ensure that all homes be anchored to their

foundations, have adequately braced cripple walls, and have the water heaters braced, strapped, or anchored, and that deficiencies be disclosed by the seller to prospective buyers.

(c) The Legislature finds and declares that the disclosure of earthquake deficiencies should provide a prospective buyer with information on the possible vulnerability of the dwelling being purchased. It is the intent of the Legislature that the seller be able to complete the report without having to consult with any design professional.

Article 2. Earthquake Evaluations

(g) "Aggrieved person" includes any person who claims to have been injured by a discriminatory housing practice or believes that the person will be injured by a discriminatory housing practice that is about to occur.

(h) "Real estate-related transactions" include any of the following:

- (1) The making or purchasing of loans or providing other financial assistance that is for the purpose of purchasing, constructing, improving, repairing, or maintaining a dwelling, or that is secured by residential real estate.

- (2) The selling, brokering, or appraising of residential real property.

- (3) The use of territorial underwriting requirements, for the purpose of requiring a borrower in a specific geographic area to obtain earthquake insurance, required by an institutional third party on a loan secured by residential real property.

(i) "Source of income" means lawful, verifiable income paid directly to a tenant, or to a

representative of a tenant, or paid to a housing owner or landlord on behalf of a tenant, including federal, state, or local public assistance, and federal, state, or local housing subsidies, including, but not limited to, federal housing assistance vouchers issued under Section 8 of the United States Housing Act of 1937 (42 U.S.C. Sec. 1437f). "Source of income" includes a federal Department of Housing and Urban Development Veterans Affairs Supportive Housing voucher. For the purposes of this definition, a housing owner or landlord is not considered a representative of a tenant unless the source of income is a federal Department of Housing and Urban Development Veterans Affairs Supportive Housing voucher.

Prohibitions

12955. It shall be unlawful:

(a) For the owner of any housing accommodation to discriminate against or harass any person because of the race, color, religion, sex, gender, gender identity, gender expression, sexual orientation, marital status, national origin, ancestry, familial status, source of income, disability, veteran or military status, or genetic information of that person.

(b) For the owner of any housing accommodation to make or to cause to be made any written or oral inquiry concerning the race, color, religion, sex, gender, gender identity, gender expression, sexual orientation, marital status, national origin, ancestry, familial status, disability, veteran or military status, or genetic information of any person seeking to purchase, rent, or lease any housing accommodation.

(c) For any person to make, print, or publish, or cause to be made, printed, or published any notice, statement, or advertisement, with respect to the sale or rental of a housing accommodation that indicates any preference, limitation, or discrimination based on race, color, religion, sex, gender, gender identity, gender expression, sexual orientation, marital status, national origin, ancestry, familial status, source of income, disability, veteran or military status, or genetic information or an intention to make that preference, limitation, or discrimination.

(d) For any person subject to the provisions of Section 51 of the Civil Code, as that section applies to housing accommodations, to discriminate against any person on the basis of sex, gender, gender identity, gender expression, sexual orientation, color, race, religion, ancestry, national origin, familial status, marital status, disability, genetic information, source of income, veteran or military status, or on any other basis prohibited by that section. Selection preferences based on age, imposed in connection with a federally approved housing program, do not constitute age discrimination in housing.

(e) For any person, bank, mortgage company, or other financial institution that provides financial assistance for the purchase, organization, or construction of any housing accommodation to discriminate against any person or group of persons because of the race, color, religion, sex, gender, gender identity, gender expression, sexual orientation, marital status, national origin, ancestry, familial status, source of income, disability, veteran or military status, or genetic information in the terms, conditions, or privileges relating to the obtaining or use of that financial assistance.

(f) For any owner of housing accommodations to harass, evict, or otherwise discriminate against any person in the sale or rental of housing accommodations when the owner's dominant purpose is retaliation against a person who has opposed practices unlawful under this section, informed law enforcement agencies of practices believed unlawful under this section, has testified or assisted in any proceeding under this part, or has aided or encouraged a person to exercise or enjoy the rights secured by this part. Nothing herein is intended to cause or permit the delay of an unlawful detainer action.

(g) For any person to aid, abet, incite, compel, or coerce the doing of any of the acts or practices declared unlawful in this section, or to attempt to do so.

(h) For any person, for profit, to induce any person to sell or rent any dwelling by representations regarding the entry or prospective entry into the neighborhood of a person or persons of a particular race, color, religion, sex,

gender, gender identity, gender expression, sexual orientation, marital status, ancestry, disability, genetic information, source of income, familial status, veteran or military status, or national origin.

(i) For any person or other organization or entity whose business involves real estate-related transactions to discriminate against any person in making available a transaction, or in the terms and conditions of a transaction, because of race, color, religion, sex, gender, gender identity, gender expression, sexual orientation, marital status, national origin, ancestry, source of income, familial status, disability, veteran or military status, or genetic information.

(j) To deny a person access to, or membership or participation in, a multiple listing service, real estate brokerage organization, or other service because of race, color, religion, sex, gender, gender identity, gender expression, sexual orientation, marital status, ancestry, disability, genetic information, familial status, source of income, veteran or military status, or national origin.

(k) To otherwise make unavailable or deny a dwelling based on discrimination because of race, color, religion, sex, gender, gender identity, gender expression, sexual orientation, familial status, source of income, disability, genetic information, veteran or military status, or national origin.

(l) To discriminate through public or private land use practices, decisions, and authorizations because of race, color, religion, sex, gender, gender identity, gender expression, sexual orientation, familial status, marital status, disability, genetic information, national origin, source of income, veteran or military status, or ancestry. Discrimination includes, but is not limited to, restrictive covenants, zoning laws, denials of use permits, and other actions authorized under the Planning and Zoning Law (Title 7 (commencing with Section 65000)), that make housing opportunities unavailable.

Discrimination under this subdivision also includes the existence of a restrictive covenant, regardless of whether accompanied by a

statement that the restrictive covenant is repealed or void.

(m) As used in this section, “race, color, religion, sex, gender, gender identity, gender expression, sexual orientation, marital status, national origin, ancestry, familial status, source of income, disability, veteran or military status, or genetic information,” includes a perception that the person has any of those characteristics or that the person is associated with a person who has, or is perceived to have, any of those characteristics.

(n) To use a financial or income standard in the rental of housing that fails to account for the aggregate income of persons residing together or proposing to reside together on the same basis as the aggregate income of married persons residing together or proposing to reside together.

(o) In instances where there is a government rent subsidy, to use a financial or income standard in assessing eligibility for the rental of housing that is not based on the portion of the rent to be paid by the tenant.

(p) (1) For the purposes of this section, “source of income” means lawful, verifiable income paid directly to a tenant, or to a representative of a tenant, or paid to a housing owner or landlord on behalf of a tenant, including federal, state, or local public assistance, and federal, state, or local housing subsidies, including, but not limited to, federal housing assistance vouchers issued under Section 8 of the United States Housing Act of 1937 (42 U.S.C. Sec. 1437f). “Source of income” includes a federal Department of Housing and Urban Development Veterans Affairs Supportive Housing voucher. For the purposes of this section, a housing owner or landlord is not considered a representative of a tenant unless the source of income is a federal Department of Housing and Urban Development Veterans Affairs Supportive Housing voucher.

(2) For the purposes of this section, it shall not constitute discrimination based on source of income to make a written or oral inquiry concerning the level or source of income.

Discrimination – Restrictive Covenant in Recorded Documents Void and/or Misdemeanor

12956.1. (a) As used in this section, “association,” “governing documents,” and “declaration” have the same meanings as set forth in Sections 4080, 4135, and 4150 or Sections 6528, 6546, and 6552 of the Civil Code.

(b) (1) A county recorder, title insurance company, escrow company, real estate broker, real estate agent, or association that provides a copy of a declaration, governing document, or deed to any person shall place a cover page or stamp on the first page of the previously recorded document or documents stating, in at least 14-point boldface type, the following:

“If this document contains any restriction based on race, color, religion, sex, gender, gender identity, gender expression, sexual orientation, familial status, marital status, disability, veteran or military status, genetic information, national origin, source of income as defined in subdivision (p) of Section 12955, or ancestry, that restriction violates state and federal fair housing laws and is void, and may be removed pursuant to Section 12956.2 of the Government Code. Lawful restrictions under state and federal law on the age of occupants in senior housing or housing for older persons shall not be construed as restrictions based on familial status.”

(2) The requirements of paragraph (1) shall not apply to documents being submitted for recordation to a county recorder.

(c) Any person who records a document for the express purpose of adding a racially restrictive covenant is guilty of a misdemeanor. The county recorder shall not incur any liability for recording the document. Notwithstanding any other provision of law, a prosecution for a violation of this subdivision shall commence within three years after the discovery of the recording of the document.

Restrictive Covenant Modification Document

12956.2. (a) A person who holds an ownership interest of record in property that the person believes is the subject of an unlawfully restrictive covenant in violation of subdivision (l) of Section 12955 may record a document titled Restrictive Covenant Modification. The county recorder may choose to waive the fee prescribed for recording and indexing instruments pursuant to Section 27361 in the case of the modification document provided for in this section. The modification document shall include a complete copy of the original document containing the unlawfully restrictive language with the unlawfully restrictive language stricken.

(b) Before recording the modification document, the county recorder shall submit the modification document and the original document to the county counsel who shall determine whether the original document contains an unlawful restriction based on race, color, religion, sex, gender, gender identity, gender expression, sexual orientation, familial status, marital status, disability, veteran or military status, national origin, source of income as defined in subdivision (p) of Section 12955, or ancestry. The county counsel shall return the documents and inform the county recorder of its determination. The county recorder shall refuse to record the modification document if the county counsel finds that the original document does not contain an unlawful restriction as specified in this paragraph.

(c) The modification document shall be indexed in the same manner as the original document being modified. It shall contain a recording reference to the original document in the form of a book and page or instrument number, and date of the recording.

(d) Subject to covenants, conditions, and restrictions that were recorded after the recording of the original document that contains the unlawfully restrictive language and subject to covenants, conditions, and restrictions that will be recorded after the Restrictive Covenant Modification, the restrictions in the Restrictive Covenant Modification, once recorded, are the only restrictions having effect on the property. The effective date of the terms and conditions of

the modification document shall be the same as the effective date of the original document.

(e) The county recorder shall make available to the public Restrictive Covenant Modification forms.

(f) If the holder of an ownership interest of record in property causes to be recorded a modified document pursuant to this section that contains modifications not authorized by this section, the county recorder shall not incur liability for recording the document. The liability that may result from the unauthorized recordation is the sole responsibility of the holder of the ownership interest of record who caused the modified recordation.

(g) This section does not apply to persons holding an ownership interest in property that is part of a common interest development as defined in Section 4100 or 6534 of the Civil Code if the board of directors of that common interest development is subject to the requirements of subdivision (b) of Section 4225 or of subdivision (b) of Section 6606 of the Civil Code.

Name and Address to Which Future Tax Statements May Be Mailed

27321.5. Before acceptance for recording, in addition to the address required on each document for delivery by the recorder, all of the following shall apply:

(a) Every deed or instrument executed to convey fee title to real property shall have noted on the first page or sheet thereof the name and address to which future tax statements may be mailed.

(b) Every deed of trust or mortgage with power of sale upon real property, shall specify the address of the trustor or mortgagor, or if more than one, the address of any one of them, and shall contain a request by the trustor or mortgagor that a copy of any notice of default and a copy of any notice of sale thereunder shall be mailed to one trustor or mortgagor designated for the purpose of receiving such notice at the address so specified.

(c) The failure to note, pursuant to subdivision (a) or (b), or any error in noting, any such name or address or request shall not affect the validity of the deed, instrument, deed of trust or mortgage or

the notice otherwise imparted by recording. This section does not apply to the State Lands Commission.

***Recording Fees – Real Estate Fraud
Prosecution Trust Fund***

27388. (a) (1) In addition to any other recording fees specified in this code, upon the adoption of a resolution by the county board of supervisors, a fee of up to ten dollars (\$10) shall be paid at the time of recording of every real estate instrument, paper, or notice required or permitted by law to be recorded within that county, except those expressly exempted from payment of recording fees and except as provided in paragraph (2). For purposes of this section, “real estate instrument” means a deed of trust, an assignment of deed of trust, an amended deed of trust, an abstract of judgment, an affidavit, an assignment of rents, an assignment of a lease, a construction trust deed, covenants, conditions, and restrictions (CC&Rs), a declaration of homestead, an easement, a lease, a lien, a lot line adjustment, a mechanics lien, a modification for deed of trust, a notice of completion, a quitclaim deed, a subordination agreement, a release, a reconveyance, a request for notice, a notice of default, a substitution of trustee, a notice of trustee sale, a trustee’s deed upon sale, or a notice of rescission of declaration of default, or any Uniform Commercial Code amendment, assignment, continuation, statement, or termination. The fees, after deduction of any actual and necessary administrative costs incurred by the county recorder in carrying out this section, shall be paid quarterly to the county auditor or director of finance, to be placed in the Real Estate Fraud Prosecution Trust Fund. The amount deducted for administrative costs shall not exceed 10 percent of the fees paid pursuant to this section.

(2) The fee imposed by paragraph (1) shall not apply to any real estate instrument, paper, or notice if any of the following apply:

(A) The real estate instrument, paper, or notice is accompanied by a declaration

stating that the transfer is subject to a documentary transfer tax pursuant to Section 11911 of the Revenue and Taxation Code.

(B) The real estate instrument, paper, or notice is recorded concurrently with a document subject to a documentary transfer tax pursuant to Section 11911 of the Revenue and Taxation Code.

(C) The real estate instrument, paper, or notice is presented for recording within the same business day as, and is related to the recording of, a document subject to a documentary transfer tax pursuant to Section 11911 of the Revenue and Taxation Code. A real estate instrument, paper, or notice that is exempt under this subparagraph shall be accompanied by a statement that includes both of the following:

(i) A statement that the real estate instrument, paper, or notice is exempt from the fee imposed under paragraph (1).

(ii) A statement of the recording date and the recorder identification number or book and page of the previously recorded document.

(b) Money placed in the Real Estate Fraud Prosecution Trust Fund shall be expended to fund programs to enhance the capacity of local police and prosecutors to deter, investigate, and prosecute real estate fraud crimes. After deduction of the actual and necessary administrative costs referred to in subdivision (a), 60 percent of the funds shall be distributed to district attorneys subject to review pursuant to subdivision (d), and 40 percent of the funds shall be distributed to local law enforcement agencies within the county in accordance with subdivision (c). In those counties where the investigation of real estate fraud is done exclusively by the district attorney, after deduction of the actual and necessary administrative costs referred to in subdivision (a), 100 percent of the funds shall be distributed to the district attorney, subject to review pursuant to subdivision (d). A portion of

the funds may be directly allocated to the county recorder to support county recorder fraud prevention programs, including, but not limited to, the fraud prevention program provided for in Section 27297.7. Prior to establishing or increasing fees pursuant to this section, the board of supervisors may consider support for county recorder fraud prevention programs. The funds so distributed shall be expended for the exclusive purpose of deterring, investigating, and prosecuting real estate fraud crimes.

(c) The county auditor or director of finance shall distribute funds in the Real Estate Fraud Prosecution Trust Fund to eligible law enforcement agencies within the county pursuant to subdivision (b), as determined by a Real Estate Fraud Prosecution Trust Fund Committee composed of the district attorney, the county chief administrative officer, the chief officer responsible for consumer protection within the county, and the chief law enforcement officer of one law enforcement agency receiving funding from the Real Estate Fraud Prosecution Trust Fund, the latter being selected by a majority of the other three members of the committee. The chief law enforcement officer shall be a nonvoting member of the committee and shall serve a one-year term, which may be renewed. Members may appoint representatives of their offices to serve on the committee. If a county lacks a chief officer responsible for consumer protection, the county board of supervisors may appoint an appropriate representative to serve on the committee. The committee shall establish and publish deadlines and written procedures for local law enforcement agencies within the county to apply for the use of funds and shall review applications and make determinations by majority vote as to the award of funds using the following criteria:

(1) Each law enforcement agency that seeks funds shall submit a written application to the committee setting forth in detail the agency's proposed use of the funds.

(2) In order to qualify for receipt of funds, each law enforcement agency submitting an application shall provide written evidence that the agency either:

(A) Has a unit, division, or section devoted to the investigation or prosecution of real estate fraud, or both, and the unit, division, or section has been in existence for at least one year prior to the application date.

(B) Has on a regular basis, during the three years immediately preceding the application date, accepted for investigation or prosecution, or both, and assigned to specific persons employed by the agency, cases of suspected real estate fraud, and actively investigated and prosecuted those cases.

(3) The committee's determination to award funds to a law enforcement agency shall be based on, but not be limited to, (A) the number of real estate fraud cases filed in the prior year; (B) the number of real estate fraud cases investigated in the prior year; (C) the number of victims involved in the cases filed; and (D) the total aggregated monetary loss suffered by victims, including individuals, associations, institutions, or corporations, as a result of the real estate fraud cases filed, and those under active investigation by that law enforcement agency.

(4) Each law enforcement agency that, pursuant to this section, has been awarded funds in the previous year, upon reapplication for funds to the committee in each successive year, in addition to any information the committee may require in paragraph (3), shall be required to submit a detailed accounting of funds received and expended in the prior year. The accounting shall include (A) the amount of funds received and expended; (B) the uses to which those funds were put, including payment of salaries and expenses, purchase of equipment and supplies, and other expenditures by type; (C) the number of filed complaints, investigations, arrests, and convictions that resulted from the expenditure of the funds; and (D) other relevant information the committee may reasonably require.

(d) The county board of supervisors shall annually review the effectiveness of the district

attorney in deterring, investigating, and prosecuting real estate fraud crimes based upon information provided by the district attorney in an annual report. The district attorney shall submit the annual report to the board on or before September 1 of each year.

(e) A county shall not expend funds held in that county's Real Estate Fraud Prosecution Trust Fund until the county's auditor-controller verifies that the county's district attorney has submitted an annual report for the county's most recent full fiscal year pursuant to the requirements of subdivision (d).

(f) The intent of the Legislature in enacting this section is to have an impact on real estate fraud involving the largest number of victims. To the extent possible, an emphasis should be placed on fraud against individuals whose residences are in danger of, or are in, foreclosure as defined in subdivision (b) of Section 1695.1 of the Civil Code. Case filing decisions continue to be at the discretion of the prosecutor.

(g) A district attorney's office or a local enforcement agency that has undertaken investigations and prosecutions that will continue into a subsequent program year may receive nonexpended funds from the previous fiscal year subsequent to the annual submission of information detailing the accounting of funds received and expended in the prior year.

(h) No money collected pursuant to this section shall be expended to offset a reduction in any other source of funds. Funds from the Real Estate Fraud Prosecution Trust Fund shall be used only in connection with criminal investigations or prosecutions involving recorded real estate documents.

27388.1. (a) (1) Commencing January 1, 2018, and except as provided in paragraph (2), in addition to any other recording fees specified in this code, a fee of seventy-five dollars (\$75) shall be paid at the time of recording of every real estate instrument, paper, or notice required or permitted by law to be recorded, except those expressly exempted from payment of recording fees, per each single transaction per parcel of real

property. The fee imposed by this section shall not exceed two hundred twenty-five dollars (\$225). "Real estate instrument, paper, or notice" means a document relating to real property, including, but not limited to, the following: deed, grant deed, trustee's deed, deed of trust, reconveyance, quit claim deed, fictitious deed of trust, assignment of deed of trust, request for notice of default, abstract of judgment, subordination agreement, declaration of homestead, abandonment of homestead, notice of default, release or discharge, easement, notice of trustee sale, notice of completion, UCC financing statement, mechanic's lien, maps, and covenants, conditions, and restrictions.

(2) The fee described in paragraph (1) shall not be imposed on any of the following documents:

(A) Any real estate instrument, paper, or notice recorded in connection with a transfer subject to the imposition of a documentary transfer tax as defined in Section 11911 of the Revenue and Taxation Code.

(B) Any real estate instrument, paper, or notice recorded in connection with a transfer of real property that is a residential dwelling to an owner-occupier.

(C) Any real estate instrument, paper, or notice executed or recorded by the federal government in accordance with the Uniform Federal Lien Registration Act (Title 7 (commencing with Section 2100) of Part 4 of the Code of Civil Procedure).

(D) Any real estate instrument, paper, or notice executed or recorded by the state or any county, municipality, or other political subdivision of the state.

(b) The county recorder shall remit quarterly, on or before the last day of the month next succeeding each calendar quarterly period, the fees, after deduction of any actual and necessary administrative costs incurred by the county recorder in carrying out this section, to the

Controller for deposit in the Building Homes and Jobs Trust Fund established by Section 50470 of the Health and Safety Code, to be expended for the purposes set forth in that section. In addition, the county shall pay to the Controller interest, at the legal rate, on any funds not paid to the Controller before the last day of the month next succeeding each quarterly period.

(c) If the Department of Housing and Community Development determines that any moneys derived from fees collected are being allocated by the state for a purpose not authorized by Section 50470 of the Health and Safety Code, the county recorder shall, upon notice of the determination, immediately cease collection of the fees, and shall resume collection of those fees only upon notice that the moneys derived from the fees collected are being allocated by the state only for a purpose authorized by Section 50470 of the Health and Safety Code.

(d) (1) Subparagraph (C) of paragraph (2) of subdivision (a), as added by the act adding this subdivision, shall apply to any real estate instrument, paper, or notice executed or recorded by the federal government on or after January 1, 2018, and the fee imposed by this section shall not be imposed or billed for any real estate instrument, paper, or notice executed or recorded by the federal government in accordance with the Uniform Federal Lien Registration Act (Title 7 (commencing with Section 2100) of Part 4 of the Code of Civil Procedure) on or after that date.

(2) The Legislature finds and declares that subparagraph (D) of paragraph (2) of subdivision (a), as added by the act adding this subdivision, reflects the original intent of the Legislature in enacting this section and is therefore not a change in, but is declaratory of, existing law. Subparagraph (D) of paragraph (2) of subdivision (a), as added by the act adding this subdivision, shall apply to any real estate instrument, paper, or notice executed or recorded by the state or any county, municipality, or other political subdivision of the state on or after January 1, 2018, and the fee imposed by this section

shall not be imposed or billed for any real estate instrument, paper, or notice executed or recorded by the state or any county, municipality, or other political subdivision of the state on or after that date.

Wildfires – Protection of Property

51175. The Legislature hereby finds and declares as follows:

(a) Wildfires are extremely costly, not only to property owners and residents, but also to local agencies. Wildfires pose a serious threat to the preservation of the public peace, health, or safety. The wildfire front is not the only source of risk since embers, or firebrands, travel far beyond the area impacted by the front and pose a risk of ignition to a structure or fuel on a site for a longer time. Since fires ignore civil boundaries, it is necessary that cities, counties, special districts, state agencies, and federal agencies work together to bring raging fires under control. Preventive measures are therefore needed to ensure the preservation of the public peace, health, or safety.

(b) The prevention of wildland fires is not a municipal affair, as that term is used in Section 5 of Article XI of the California Constitution, but is instead, a matter of statewide concern. It is the intent of the Legislature that this chapter apply to all local agencies, including, but not limited to, charter cities, charter counties, and charter cities and counties. This subdivision shall not limit the authority of a local agency to impose more restrictive fire and public safety requirements, as otherwise authorized by law.

(c) It is not the intent of the Legislature in enacting this chapter to limit or restrict the authority of a local agency to impose more restrictive fire and public safety requirements, as otherwise authorized by law.

Wildfire Protection – Definitions

51177. As used in this chapter:

(a) "Defensible space" means the area adjacent to a structure or dwelling where wildfire prevention or protection practices are implemented to provide defense from an approaching wildfire or to minimize the spread of a structure fire to wildlands or surrounding areas.

(b) "Director" means the Director of Forestry and Fire Protection.

(c) "Fuel" means any combustible material, especially petroleum-based products and wildland fuels.

(d) "Fuel management" means the act or practice of controlling flammability and reducing resistance to control of fuels through mechanical, chemical, biological, or manual means or by fire, in support of land management objectives.

(e) "Local agency" means a city, county, city and county, or district responsible for fire protection within a very high fire hazard severity zone.

(f) "Single specimen tree" means any live tree that stands alone in the landscape so as to be clear of buildings, structures, combustible vegetation, or other trees, and that does not form a means of rapidly transmitting fire from the vegetation to an occupied dwelling or structure or from an occupied dwelling or structure to vegetation.

(g) "State responsibility areas" means those areas identified pursuant to Section 4102 of the Public Resources Code.

(h) "Vegetation" means all plants, including trees, shrubs, grass, and perennial or annual plants.

(i) "Very high fire hazard severity zone" means an area designated by the director pursuant to Section 51178 that is not a state responsibility area.

(j) "Wildfire" means an unplanned, unwanted wildland fire, including unauthorized human-caused fires, escaped wildland fire use events, escaped prescribed fire projects, and all other wildland fires where the objective is to extinguish the fire.

Very High Fire Hazard Severity Zones

51178. The director shall identify areas in the state as very high fire hazard severity zones based on consistent statewide criteria and based on the severity of fire hazard that is expected to prevail in those areas. Very high fire hazard severity zones shall be based on fuel loading, slope, fire weather, and other relevant factors including areas where Santa Ana, Mono, and Diablo winds have been identified by the Department of

Forestry and Fire Protection as a major cause of wildfire spread.

51179. (a) A local agency shall designate, by ordinance, very high fire hazard severity zones in its jurisdiction within 120 days of receiving recommendations from the director pursuant to Section 51178.

(b) A local agency may, at its discretion, include areas within the jurisdiction of the local agency, not identified as very high fire hazard severity zones by the director, as very high fire hazard severity zones following a finding supported by substantial evidence in the record that the requirements of Section 51182 are necessary for effective fire protection within the area.

(c) The local agency shall transmit a copy of an ordinance adopted pursuant to subdivision (a) to the State Board of Forestry and Fire Protection within 30 days of adoption.

(d) Changes made by a local agency to the recommendations made by the director shall be final and shall not be rebuttable by the director.

(e) The State Fire Marshal shall prepare and adopt a model ordinance that provides for the establishment of very high fire hazard severity zones.

(f) Any ordinance adopted by a local agency pursuant to this section that substantially conforms to the model ordinance of the State Fire Marshal shall be presumed to be in compliance with the requirements of this section.

(g) A local agency shall post a notice at the office of the county recorder, county assessor, and county planning agency identifying the location of the map provided by the director pursuant to Section 51178. If the agency amends the map, pursuant to subdivision (b) or (c) of this section, the notice shall instead identify the location of the amended map.

Fire Prevention – Vegetation Management

51182. (a) A person who owns, leases, controls, operates, or maintains an occupied dwelling or occupied structure in, upon, or adjoining a mountainous area, forest-covered land, brush-covered land, grass-covered land, or land that is covered with flammable material, which area or land is within a very high fire hazard severity zone designated by the local agency pursuant to Section 51179, shall at all times do all of the following:

- (1) (A) Maintain defensible space of 100 feet from each side and from the front and rear of the structure, but not beyond the property line except as provided in subparagraph (B). The amount of fuel modification necessary shall consider the flammability of the structure as affected by building material, building standards, location, and type of vegetation. Fuels shall be maintained in a condition so that a wildfire burning under average weather conditions would be unlikely to ignite the structure. This subparagraph does not apply to single specimens of trees or other vegetation that are well-pruned and maintained so as to effectively manage fuels and not form a means of rapidly transmitting fire from other nearby vegetation to a structure or from a structure to other nearby vegetation. The intensity of fuels management may vary within the 100-foot perimeter of the structure, with more intense fuel reductions being used between 5 and 30 feet around the structure, and an ember-resistant zone being required within 5 feet of the structure, based on regulations promulgated by the State Board of Forestry and Fire Protection, in consultation with the Department of Forestry and Fire Protection, to consider the elimination of materials in the ember-resistant zone that would likely be ignited by embers. The promulgation of these regulations by the State Board of Forestry and Fire Protection is contingent upon an appropriation by the Legislature in the annual Budget Act or another statute for this purpose. Consistent with

fuels management objectives, steps should be taken to minimize erosion.

(B) A greater distance than that required under subparagraph (A) may be required by state law, local ordinance, rule, or regulation. Clearance beyond the property line may only be required if the state law, local ordinance, rule, or regulation includes findings that the clearing is necessary to significantly reduce the risk of transmission of flame or heat sufficient to ignite the structure, and there is no other feasible mitigation measure possible to reduce the risk of ignition or spread of wildfire to the structure. Clearance on adjacent property shall only be conducted following written consent by the adjacent landowner.

(C) An insurance company that insures an occupied dwelling or occupied structure may require a greater distance than that required under subparagraph (A) if a fire expert, designated by the fire chief or fire official from the authority having jurisdiction, provides findings that the clearing is necessary to significantly reduce the risk of transmission of flame or heat sufficient to ignite the structure, and there is no other feasible mitigation measure possible to reduce the risk of ignition or spread of wildfire to the structure. The greater distance may not be beyond the property line unless allowed by state law, local ordinance, rule, or regulation.

- (2) Remove that portion of a tree that extends within 10 feet of the outlet of a chimney or stovepipe.
- (3) Maintain a tree, shrub, or other plant adjacent to or overhanging a building free of dead or dying wood.
- (4) Maintain the roof of a structure free of leaves, needles, or other vegetative materials.
- (5) Before constructing a new dwelling or structure that will be occupied or rebuilding an occupied dwelling or occupied structure

damaged by a fire in that zone, the construction or rebuilding of which requires a building permit, the owner shall obtain a certification from the local building official that the dwelling or structure, as proposed to be built, complies with all applicable state and local building standards, including those described in subdivision (b) of Section 51189, and shall provide a copy of the certification, upon request, to the insurer providing course of construction insurance coverage for the building or structure. Upon completion of the construction or rebuilding, the owner shall obtain from the local building official, a copy of the final inspection report that demonstrates that the dwelling or structure was constructed in compliance with all applicable state and local building standards, including those described in subdivision (b) of Section 51189, and shall provide a copy of the report, upon request, to the property insurance carrier that insures the dwelling or structure.

(b) A person is not required under this section to manage fuels on land if that person does not have the legal right to manage fuels, nor is a person required to enter upon or to alter property that is owned by any other person without the consent of the owner of the property.

(c) (1) The State Board of Forestry and Fire Protection, in consultation with the Department of Forestry and Fire Protection, shall develop, periodically update, and post on its internet website a guidance document on fuels management pursuant to this chapter. The guidance document shall include, but not be limited to, regionally appropriate vegetation management suggestions that preserve and restore native species that are fire resistant or drought tolerant, or both, minimize erosion, minimize water consumption, and permit trees near homes for shade, aesthetics, and habitat; and suggestions to minimize or eliminate the risk of flammability of nonvegetative sources of combustion such as woodpiles, propane tanks, decks, and outdoor lawn furniture.

(2) On or before January 1, 2023, the State Board of Forestry and Fire Protection, in consultation with the Department of Forestry and Fire Protection, shall update the guidance document to include suggestions for creating an ember-resistant zone within five feet of a structure based on regulations promulgated by the State Board of Forestry and Fire Protection, in consultation with the Department of Forestry and Fire Protection, to consider the elimination of materials in the ember-resistant zone that would likely be ignited by embers. The implementation of this paragraph is contingent upon an appropriation by the Legislature in the annual Budget Act or another statute for this purpose.

(d) For purposes of this section, a structure for the purpose of an ember-resistant zone shall include any attached deck. This section does not limit the authority of the State Board of Forestry and Fire Protection or the Department of Forestry and Fire Protection to require the removal of fuel or vegetation on top of or underneath a deck pursuant to this section.

51183. (a) The local agency may exempt from the standards set forth in Section 51182 structures with exteriors constructed entirely of nonflammable materials, or conditioned upon the contents and composition of the structure, and may vary the requirements respecting the management of fuels surrounding the structures in those cases. This subdivision does not authorize a local agency to vary a requirement that is a building standard subject to Section 18930 of the Health and Safety Code, except as otherwise authorized by law.

(b) An exemption or variance under subdivision (a) shall not apply unless and until the occupant of the structure, or if there is no occupant, then the owner of the structure, files with the local agency a written consent to the inspection of the interior and contents of the structure to ascertain whether Section 51182 is complied with at all times.

Disclosure – Property in Very High Fire Hazard Severity Zone

51183.5. (a) A transferor of real property that is

located within a very high fire hazard severity zone, designated pursuant to this chapter, shall disclose to any prospective transferee the fact that the property is located within a very high fire hazard severity zone, and is subject to the requirements of Section 51182.

(b) Disclosure is required pursuant to this section only when one of the following conditions is met:

(1) The transferor, or the transferor's agent, has actual knowledge that the property is within a very high fire hazard severity zone.

(2) A map that includes the property has been provided to the local agency pursuant to Section 51178, and a notice is posted at the offices of the county recorder, county assessor, and county planning agency that identifies the location of the map and any information regarding changes to the map received by the local agency.

(c) In all transactions that are subject to Section 1103 of the Civil Code, the disclosure required by subdivision (a) of this section shall be provided by either of the following means:

(1) The Local Option Real Estate Disclosure Statement as provided in Section 1102.6a of the Civil Code.

(2) The Natural Hazard Disclosure Statement as provided in Section 1103.2 of the Civil Code.

(d) If the map or accompanying information is not of sufficient accuracy or scale that a reasonable person can determine if the subject real property is included in a very high fire hazard zone, the transferor shall mark "Yes" on the Natural Hazard Disclosure Statement. The transferor may mark "No" on the Natural Hazard Disclosure Statement if he or she attaches a report prepared pursuant to subdivision (c) of Section 1103.4 of the Civil Code that verifies the property is not in the hazard zone. Nothing in this subdivision is intended to limit or abridge any existing duty of the transferor or the transferor's agents to exercise reasonable care in making a determination under this subdivision.

(e) Section 1103.13 of the Civil Code shall apply to this section.

(f) The specification of items for disclosure in this section does not limit or abridge any obligation for disclosure created by any other provision of law or that may exist in order to avoid fraud, misrepresentation, or deceit in the transfer transaction.

(b) On and after January 1, 1986, the transferor of any real property containing a single-family dwelling, as described in subdivision (a), whether the transfer is made by sale, exchange, or real property sales contract, as defined in Section 2985 of the Civil Code, shall deliver to the transferee a written statement indicating that the transferor is in compliance with this section. The disclosure statement shall be either included in the receipt for deposit in a real estate transaction, an addendum attached thereto, or a separate document.

For purposes of this subdivision, "delivery" means delivery in person or by mail to the transferee or transferor, or to any person authorized to act for him or her in the transaction, or to additional transferees who have requested delivery from the transferor in writing. Delivery to the spouse of a transferee or transferor shall be deemed delivery to a transferee or transferor, unless the contract states otherwise.

(8) Transfers by the Controller in the course of administering the Unclaimed Property Law provided for in Chapter 7 (commencing with Section 1500) of Title 10 of Part 3 of the Code of Civil Procedure.

(9) Transfers under the provisions of Chapter 7 (commencing with Section 3691) or

Chapter 8 (commencing with Section 3771) of Part 6 of Division 1 of the Revenue and Taxation Code.

(e) No liability shall arise, nor any action be brought or maintained against, any agent of any party to a transfer of title, including any person or entity acting in the capacity of an escrow, for any error, inaccuracy, or omission relating to the disclosure required to be made by a transferor pursuant to this section. However, this subdivision does not apply to a licensee, as defined in Section 10011 of the Business and Professions Code, where the licensee participates in the making of the disclosure required to be made pursuant to this section with actual knowledge of the falsity of the disclosure.

(f) Except as otherwise provided in this section, this section shall not be deemed to create or imply a duty upon a licensee, as defined in Section 10011 of the Business and Professions Code, or upon any agent of any party to a transfer of title, including any person or entity acting in the capacity of an escrow, to monitor or ensure compliance with this section.

(g) No transfer of title shall be invalidated on the basis of a failure to comply with this section, and the exclusive remedy for the failure to comply with this section is an award of actual damages not to exceed one hundred dollars (\$100), exclusive of any court costs and attorney's fees.

(h) Local ordinances requiring smoke alarms in single-family dwellings may be enacted or amended. However, the ordinances shall satisfy the minimum requirements of this section.

(i) For the purposes of this section, "single-family dwelling" includes a one- or two-unit dwelling, but does not include a manufactured home as defined in Section 18007, a mobilehome as defined in Section 18008, or a commercial coach as defined in Section 18001.8.

17973. (a) Exterior elevated elements that include load-bearing components in all buildings containing three or more multifamily dwelling units shall be inspected. The inspection shall be performed by a licensed architect; licensed civil or structural engineer; a building contractor holding any or all of the "A," "B," or "C-5"

license classifications issued by the Contractors' State License Board, with a minimum of five years' experience, as a holder of the aforementioned classifications or licenses, in constructing multistory wood frame buildings; or an individual certified as a building inspector or building official from a recognized state, national, or international association, as determined by the local jurisdiction. These individuals shall not be employed by the local jurisdiction while performing these inspections. The purpose of the inspection is to determine that exterior elevated elements and their associated waterproofing elements are in a generally safe condition, adequate working order, and free from any hazardous condition caused by fungus, deterioration, decay, or improper alteration to the extent that the life, limb, health, property, safety, or welfare of the public or the occupants is not endangered. The person or business performing the inspection shall be hired by the owner of the building.

(b) For purposes of this section, the following terms have the following definitions:

(1) "Associated waterproofing elements" include flashings, membranes, coatings, and sealants that protect the load-bearing components of exterior elevated elements from exposure to water and the elements.

(2) "Exterior elevated element" means the following types of structures, including their supports and railings: balconies, decks, porches, stairways, walkways, and entry structures that extend beyond exterior walls of the building and which have a walking surface that is elevated more than six feet above ground level, are designed for human occupancy or use, and rely in whole or in substantial part on wood or wood-based products for structural support or stability of the exterior elevated element.

(3) "Load-bearing components" are those components that extend beyond the exterior walls of the building to deliver structural loads from the exterior elevated element to the building.

(c) The inspection required by this section shall at a minimum include:

(1) Identification of each type of exterior elevated element that, if found to be defective, decayed, or deteriorated to the extent that it does not meet its load requirements, would, in the opinion of the inspector, constitute a threat to the health or safety of the occupants.

(2) Assessment of the load-bearing components and associated waterproofing elements of the exterior elevated elements identified in paragraph (1) using methods allowing for evaluation of their performance by direct visual examination or comparable means of evaluating their performance. For purposes of this section, a sample of at least 15 percent of each type of exterior elevated element shall be inspected.

(3) The evaluation and assessment shall address each of the following as of the date of the evaluation:

(A) The current condition of the exterior elevated elements.

(B) Expectations of future performance and projected service life.

(C) Recommendations of any further inspection necessary.

(4) A written report of the evaluation stamped or signed by the inspector presented to the owner of the building or the owner's designated agent within 45 days of completion of the inspection. The report shall include photographs, any test results, and narrative sufficient to establish a baseline of the condition of the components inspected that can be compared to the results of subsequent inspections. In addition to the evaluation required by this section, the report shall advise which, if any, exterior elevated element poses an immediate threat to the safety of the occupants, and whether preventing occupant access or conducting emergency repairs, including shoring, are necessary.

(d) The inspection shall be completed by January 1, 2025, and by January 1 every six years thereafter. The inspector conducting the inspection shall produce an initial report pursuant to paragraph (4) of subdivision (c) and, if requested by the owner, a final report indicating that any required repairs have been completed. A copy of any report that recommends immediate repairs, advises that any building assembly poses an immediate threat to the safety of the occupants, or that preventing occupant access or emergency repairs, including shoring, are necessary, shall be provided by the inspector to the owner of the building and to the local enforcement agency within 15 days of completion of the report. Subsequent inspection reports shall incorporate copies of prior inspection reports, including the locations of the exterior elevated elements inspected. Local enforcement agencies may determine whether any additional information is to be provided in the report and may require a copy of the initial or final reports, or both, be submitted to the local jurisdiction. Copies of all inspection reports shall be maintained in the building owner's permanent records for not less than two inspection cycles, and shall be disclosed and delivered to the buyer at the time of any subsequent sale of the building.

(e) The inspection of buildings for which a building permit application has been submitted on or after January 1, 2019, shall occur no later than six years following issuance of a certificate of occupancy from the local jurisdiction and shall otherwise comply with the provisions of this section.

(f) If the property was inspected within three years prior to January 1, 2019, by an inspector as described in subdivision (a) and a report of that inspector was issued stating that the exterior elevated elements and associated waterproofing elements are in proper working condition and do not pose a threat to the health and safety of the public, no new inspection pursuant to this section shall be required until January 1, 2025.

(g) An exterior elevated element found by the inspector that is in need of repair or replacement shall be corrected by the owner of the building. No recommended repair shall be performed by a

licensed contractor serving as the inspector. All necessary permits for repair or replacement shall be obtained from the local jurisdiction. All repair and replacement work shall be performed by a qualified and licensed contractor in compliance with all of the following:

- (1) The recommendations of a licensed professional described in subdivision (a).
 - (2) Any applicable manufacturer's specifications.
 - (3) The California Building Standards Code, consistent with subdivision (d) of Section 17922 of the Health and Safety Code.
 - (4) All local jurisdictional requirements.
- (h) (1) An exterior elevated element that the inspector advises poses an immediate threat to the safety of the occupants, or finds preventing occupant access or emergency repairs, including shoring, or both, are necessary, shall be considered an emergency condition and the owner of the building shall perform required preventive measures immediately. Immediately preventing occupant access to the exterior elevated element until emergency repairs can be completed constitutes compliance with this paragraph. Repairs of emergency conditions shall comply with the requirements of subdivision (g), be inspected by the inspector, and reported to the local enforcement agency.
- (2) The owner of the building requiring corrective work to an exterior elevated element that, in the opinion of the inspector, does not pose an immediate threat to the safety of the occupants, shall apply for a permit within 120 days of receipt of the inspection report. Once the permit is approved, the owner of the building shall have 120 days to make the repairs unless an extension of time is granted by the local enforcement agency.
- (i) (1) The owner of the building shall be responsible for complying with the requirements of this section.

(2) If the owner of the building does not comply with the repair requirements within 180 days, the inspector shall notify the local enforcement agency and the owner of the building. If within 30 days of the date of the notice the repairs are not completed, the owner of the building shall be assessed a civil penalty based on the fee schedule set by the local authority of not less than one hundred dollars (\$100) nor more than five hundred dollars (\$500) per day until the repairs are completed, unless an extension of time is granted by the local enforcement agency.

(3) In the event that a civil penalty is assessed pursuant to this section, a building safety lien may be recorded in the county recorder's office by the local jurisdiction in the county in which the parcel of land is located and from the date of recording shall have the force, effect, and priority of a judgment lien.

- (j) (1) A building safety lien authorized by this section shall specify the amount of the lien, the name of the agency on whose behalf the lien is imposed, the street address, the legal description and assessor's parcel number of the parcel on which the lien is imposed, and the name and address of the recorded owner of the building.

(2) In the event that the lien is discharged, released, or satisfied, either through payment or foreclosure, notice of the discharge containing the information specified in paragraph (1) shall be recorded by the governmental agency. A safety lien and the release of the lien shall be indexed in the grantor-grantee index.

(3) A building safety lien may be foreclosed by an action brought by the appropriate local jurisdiction for a money judgment.

(4) Notwithstanding any other law, the county recorder may impose a fee on the city to reimburse the costs of processing and recording the lien and providing notice to the owner of the building. A city may recover from the owner of the building any costs incurred regarding the processing and recording of the lien and providing notice to

the owner of the building as part of its foreclosure action to enforce the lien.

(k) The continued and ongoing maintenance of exterior elevated elements in a safe and functional condition in compliance with these provisions shall be the responsibility of the owner of the building.

(l) Local enforcement agencies shall have the ability to recover enforcement costs associated with the requirements of this section.

(m) For any building subject to the provisions of this section that is proposed for conversion to condominiums to be sold to the public after January 1, 2019, the inspection required by this section shall be conducted prior to the first close of escrow of a separate interest in the project and shall include the inspector's recommendations for repair or replacement of any exterior elevated element found to be defective, decayed, or deteriorated to the extent that it does not meet its load requirements, and would, in the opinion of the inspector, constitute a threat to the health or safety of the occupants. The inspection report and written confirmation by the inspector that any repairs or replacements recommended by the inspector have been completed shall be submitted to the Department of Real Estate by the proponent of the conversion and shall be a condition to the issuance of the final public report. A complete copy of the inspection report and written confirmation by the inspector that any repairs or replacements recommended by the inspector have been completed shall be included with the written statement of defects required by Section 1134 of the Civil Code, and provided to the local jurisdiction in which the project is located. The inspection, report, and confirmation of completed repairs shall be a condition of the issuance of a final inspection or certificate of occupancy by the local jurisdiction.

(n) This section shall not apply to a common interest development, as defined in Section 4100 of the Civil Code.

(o) The governing body of any city, county, or city and county, may enact ordinances or laws imposing requirements greater than those imposed by this section.

PART 6. FINANCIAL DISCRIMINATION

**CHAPTER 1. FINDINGS AND
DECLARATIONS
OF PURPOSE AND POLICY**

35800. This part shall be known and may be cited as the Holden Act.

35801. The Legislature finds and declares:

- (a) The subject of housing is of vital statewide importance to the health, safety, and welfare of the residents of the state.
- (b) A healthy housing market, where residents of this state have a choice of housing opportunities and where the housing consumer may effectually choose within a free market place, is necessary to achieve a healthy state economy.
- (c) The equities that California residents accumulate in family homes must be protected and conserved.

(d) The Legislature has the responsibility to direct the discontinuance of injurious practices.

(e) With respect to certain geographic areas, financial institutions have sometimes denied financial assistance or approved assistance on terms less favorable than are usually offered in other geographic areas, regardless of the creditworthiness of the applicant or the condition of the real-property security offered, and this practice has the following effects:

- (1) Contributes to the decline of available family housing in such areas and is likely to continue to do so.
 - (2) Limits the choice of housing opportunities and inhibits the operation of a healthy housing market in such areas.
 - (3) Leads to the abandonment of such areas.
 - (4) Adversely affects the health, welfare, and safety of the residents of this state.
 - (5) Undermines the value of the equity of current owners of property in such areas.
 - (6) Inhibits the granting of amortized loans.
 - (7) Perpetuates racially and economically segregated neighborhoods and geographic areas.
- (f) The practice of denying mortgage loans or adversely varying the terms of such loans because of conditions, characteristics, or trends in a neighborhood or geographic area that are unrelated to the creditworthiness of the applicant or the value of the real property security offered is against public policy.

35802. The purposes of this part include the following:

- (a) To prevent discrimination in the provision of financial assistance for financing or refinancing the purchase, construction, rehabilitation, or improvement of housing accommodations because of conditions, characteristics, or trends in the neighborhood or geographic area surrounding the security property.
- (b) To encourage increased lending in neighborhoods or geographic areas in which conventional residential mortgage financing has

been unavailable.

(c) To increase the availability of housing accommodations to creditworthy persons.

(d) To ensure the supply of decent, safe housing.

(e) To prevent the abandonment and decay of neighborhoods and geographic areas.

35803. This part shall be deemed an exercise of the police power of the state for the protection of the health, welfare, and peace of the people of this state.

CHAPTER 2. DEFINITIONS

35805. As used in this part:

(a) “Agency” means the Business, Consumer Services and Housing Agency.

(b) “Fair market value” means the most probable price which a property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller each acting prudently and knowledgeably, and assuming the price is not affected by undue stimulus. The use of this definition of fair market value by a financial institution in an appraisal made at any time on or after July 1, 1986, does not violate the provisions of this part.

(c) “Financial institution” includes any bank, savings and loan association, or other institution in this state, including a public agency, that regularly makes, arranges, or purchases loans for the purchase, construction, rehabilitation, improvement, or refinancing of housing accommodations.

(d) “Housing accommodation” includes any improved or unimproved real property, or portion thereof, that (1) is used or is intended to be used as a residence, and (2) is or will be occupied by the owner, and (3) contains not more than four dwelling units. “Housing accommodation” shall also include any residential dwelling containing not more than four dwelling units where the owner thereof, whether or not the owner will occupy the property, applies or has applied for a secured home improvement loan from a financial institution, the proceeds of which loan will be used to improve the security property.

(e) “Secretary” means the Secretary of Business, Consumer Services and Housing.

CHAPTER 3. PROHIBITIONS AND ENFORCEMENT

35810. No financial institution shall discriminate in the availability of, or in the provision of, financial assistance for the purpose of purchasing, constructing, rehabilitating, improving, or refinancing housing accommodations due, in whole or in part, to the consideration of conditions, characteristics, or trends in the neighborhood or geographic area surrounding the housing accommodation, unless the financial institution can demonstrate that such consideration in the particular case is required to avoid an unsafe and unsound business practice.

35811. (a) No financial institution shall discriminate in the availability of, or in the provision of, financial assistance for the purpose of purchasing, constructing, rehabilitating, improving, or refinancing housing accommodations due, in whole or in part, to the consideration of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code.

(b) Notwithstanding subdivision (a), with respect to familial status, subdivision (a) shall not be construed to apply to housing for older persons, as defined in Section 12955.9 of the Government Code. With respect to familial status, nothing in subdivision (a) shall be construed to affect Sections 51.2, 51.3, 51.4, 51.10, 51.11, and 799.5 of the Civil Code, relating to housing for senior citizens. Subdivision (d) of Section 51, Section 4760, and Section 6714 of the Civil Code, and subdivisions (n), (o), and (p) of Section 12955 of the Government Code shall apply to subdivision (a).

35812. No financial institution shall consider the racial, ethnic, religious, or national origin composition of a neighborhood or geographic area surrounding a housing accommodation or whether or not such composition is undergoing change, or is expected to undergo change, in

appraising a housing accommodation or in determining whether or not, and under what terms and conditions, to provide financial assistance for the purpose of purchasing, constructing, rehabilitating, improving, or refinancing a housing accommodation. No financial institution shall utilize appraisal practices that are inconsistent with the provisions of this part.

35813. Nothing in this part shall (1) require a financial institution to provide financial assistance if it is clearly evident that occupancy of the housing accommodation would create an imminent threat to the health or safety of the occupant, or (2) be construed to preclude a financial institution from considering the fair market value of the property which will secure the proposed loan.

35814. The secretary shall issue such rules, regulations, guidelines, and orders as are necessary to interpret and enforce the provisions of this part and to affirmatively further the provisions of this part. The secretary may delegate the responsibilities imposed by this section to one or more departments within the agency that license persons or organizations engaged in a business related to, or affecting compliance with, this part.

35815. (a) The secretary or the secretary's designee shall monitor and investigate the lending patterns and practices of financial institutions for compliance with this part, including the lending patterns and practices for housing accommodations which are not occupied by the owner. If a finding is made that such patterns or practices violate the provisions of this part the secretary or the secretary's designee shall take such action as will effectuate the purposes of this part. In addition to other remedies provided by this part or other provisions of law, the secretary may recommend to the Treasurer that state funds not be deposited in a financial institution where the secretary has made a finding that such financial institution has engaged in a lending pattern and practice which violates this part.

(b) The secretary shall annually report to the Legislature on the activities of the appropriate regulatory agencies and departments in

complying with this part. The report shall include a description of any actions taken by the secretary or the secretary's designee to remedy patterns or practices the secretary determines are in violation of this part.

35816. (a) The secretary shall adopt regulations applicable to all persons who are in the business of originating residential mortgage loans in this state, including, but not limited to, insurers, mortgage bankers, investment bankers, and credit unions and who are not depository institutions within the meaning of subsection (2) of Section 2802 of Title 12 of the United States Code. The regulations for residential mortgage loans shall impose substantially the same reporting requirements by geographic area and loan product as are imposed by the federal Home Mortgage Disclosure Act of 1975, as amended (12 U.S.C. Sec. 2801 et seq.).

(b) This section does not apply to subsidiaries of depository institutions or subsidiaries of depository institution holding companies that are currently reporting to a federal or state regulatory agency as provided by the Home Mortgage Disclosure Act of 1975, as amended (12 U.S.C. Sec. 2801 et seq.) or are subject to substantially the same reporting requirements by geographic area and loan product pursuant to an act of a federal or state regulatory agency.

CHAPTER 4. COMPLAINT RESOLUTION

35820. Any applicant for a real estate loan in connection with a housing accommodation claimed to be aggrieved by an alleged violation of Chapter 3 (commencing with Section 35810) of this part, or any rule or regulation adopted thereunder, may file a complaint with the secretary.

35821. Immediately upon receipt of the complaint, the secretary shall endeavor to eliminate any alleged unlawful practice by conference, conciliation, or persuasion.

35822. If, in accordance with procedures established for the resolution of complaints by the secretary, and within 30 days of receiving the complaint, the secretary finds that a financial institution has engaged in any unlawful practice as defined in this part, the secretary shall state in

a written decision his or her findings of fact and shall cause such financial institution to be served with a copy of the decision and an order issued by the secretary requiring it to cease and desist from such practice and to take one of the following steps as, in the judgment of the secretary, will effectuate the purposes of this part:

(a) The making of the financial assistance or the making of the financial assistance on nondiscriminatory terms; or

(b) The payment of damages to the complainant in an amount not to exceed one thousand dollars (\$1,000), if the secretary finds that effective relief under subdivision (a) is no longer available.

The secretary may require a report of the manner of compliance.

If the secretary finds that a financial institution has not engaged in any practice which constitutes a violation of this part, the secretary shall issue a written decision incorporating his findings of fact and shall cause to be served upon the complainant and the financial institution involved a copy of the decision.

35823. The decision of the secretary shall be final unless, within ten days from the date of receipt thereof, the complainant or financial institution files a written request with the secretary for a formal administrative hearing. Upon receipt of such a written request, the secretary shall file a copy thereof with the Office of Administrative Hearings. Within 20 days of receipt of the copy of such request, the Office of Administrative Hearings shall commence a hearing on the merits pursuant to the provisions of the Administrative Procedure Act, Chapter 5 (commencing with Section 11500), Part 1, Division 3, Title 2 of the Government Code, except that the decision of the hearing officer shall be a final decision and binding upon the secretary. The decision shall be in accordance with the provisions of Section 35822 and shall be rendered within 45 days of receipt of the copy of the request for a hearing by the Office of Administrative Hearings. The secretary shall represent the complainant at such hearing if the secretary's decision rendered pursuant to Section 35822 was in favor of the complainant.

Judicial review may be obtained by the complainant or the financial institution by filing a petition for writ of mandate in accordance with the provisions of Section 1094.5 of the Code of Civil Procedure. In any such judicial proceeding, the court may exercise its independent judgment on the evidence included in the record of the administrative hearing and may additionally consider evidence which was improperly excluded by the hearing officer and any other relevant evidence not included in the record of the administrative hearing which the court finds the offering party could not, in the exercise of reasonable diligence, have produced at the administrative hearing. The court may in its discretion award costs or reasonable attorney fees, or both, to the complainant if the complainant is the prevailing party, without regard to whether such judicial action is brought by the complainant or by the financial institution.

CHAPTER 5. MISCELLANEOUS

35830. In order to further the purposes of this part, financial institutions shall notify all applicants at the time of written application for financial assistance of the prohibitions enumerated in Chapter 3 (commencing with Section 35810) and of the right of review provided by Section 35820. Such notice shall include the address of the secretary, or the secretary's designee, and where complaints may be filed and questions may be asked. Such notice shall be in at least 10-point type and shall also be posted in a conspicuous place for public inspection.

35831. The provisions of this part, including rules, regulations, guidelines, and orders issued pursuant to this part, shall not affect the validity of any prohibitions or requirements pertaining to the activity of financial institutions that arise from other provisions of law relating to discrimination in lending. Rules, regulations, guidelines, and orders issued pursuant to this part shall not be in any manner contrary to, or inconsistent with, the purposes of this part.

35832. The provisions of this part shall be liberally construed in order to effectuate the purposes of this part.

35833. If any clause, sentence, paragraph, or part of this part or application thereof to any person, financial institution, or circumstance shall, for any reason, be adjudged by a court of competent jurisdiction to be invalid, such judgment shall not affect, impair, or invalidate the remainder of this part and the application thereof to other persons, financial institutions or circumstances but shall be confined in its operation to the clause, sentence, paragraph, or part thereof directly involved in the controversy in which such judgment shall have been rendered and to the person, financial institution, or circumstance involved.

PERTINENT EXCERPTS FROM THE INSURANCE CODE

Professional Liability Insurance

11589.5. No insurer who provides professional liability insurance for persons licensed under the provisions of Part 1 (commencing with Section 10000) of Division 4 of the Business and Professions Code shall exclude from coverage under that policy liability arising from the breach of the duty of the licensee arising under Article 2 (commencing with Section 2079) of Chapter 3 of Title 6 of Part 4 of Division 3 of the Civil Code. Notwithstanding the foregoing, an insurer may exclude coverage against liability arising out of a dishonest, fraudulent, criminal, or malicious act, error, or omission committed by, at the direction of, or with the knowledge of the insured.

For the purposes of this section, "professional liability insurance" means insurance against liability for damages caused by any act or omission of a real estate licensee in rendering professional services in this state.

Definition of Preliminary Report, Commitment, Binder – Limitations

12340.11. "Preliminary report", "commitment", or "binder" are reports furnished in connection with an application for title insurance and are offers to issue a title policy subject to the stated exceptions set forth in the reports and such other matters as may be incorporated by reference therein. The reports are not abstracts of title, nor are any of the rights, duties or responsibilities applicable to the preparation and issuance of an abstract of title applicable to the issuance of any report. Any such report shall not be construed as, nor constitute, a representation as to the condition of title to real property, but shall constitute a statement of the terms and conditions upon which the issuer is willing to issue its title policy, if such offer is accepted.

Title Business – Illegal Inducements for Referral

12404. (a) It is unlawful for any title insurer, underwritten title company or controlled escrow company to pay, directly or indirectly, any commission, compensation, or other consideration to any person as an inducement for

the placement or referral of title business. Actual placement or referral of title business is not a precondition to a violation of this section, whether the violation is or is not a per se violation pursuant to subdivision (c).

(b) For purposes of this section, the following definitions are applicable:

(1) "Compensating balance" is a balance maintained in a lending institution by any title insurer, underwritten title company, or controlled escrow company for the express or implied purpose of influencing the extension of credit to a third party or the provision of goods, services, or benefits to a third party as an inducement for the placement or referral of title business by a third party.

(2) "Person" means any individual or entity who is any owner or prospective owner, lessee or prospective lessee of real property or any interest therein, any obligee or prospective obligee of an obligation secured or to be secured either in whole or in part by real property or any interest therein, or any person who is acting or who is in the business of acting as agent, representative, attorney, or employee of those persons.

(3) "Title business" means the "business of title insurance" as defined in Section 12340.3, and includes, but is not limited to, the offering of title insurance, escrow, or other services by a title insurer, underwritten title company, or controlled escrow company.

(c) The following activities, whether performed directly or indirectly, are deemed per se inducements for the placement or referral of title insurance business by any person and are unlawful:

(1) Paying or offering to pay, furnishing or offering to furnish, or providing or offering to provide assistance with the business expenses of any person, including, but not limited to, rent, employee salaries, furniture, copiers, facsimile machines, automobiles,

telephone services or equipment, or computers.

(2) Providing or offering to provide any form of consideration intended for the benefit of any person, including cash, below market rate loans, automobile charges, or merchandise or merchandise credits.

(3) Placing or offering to place on behalf of any person, compensating balances.

(4) Advancing or paying or offering to advance or pay money on behalf of any person into an escrow to facilitate the closing thereof, other than any sum which represents the proceeds of a loan made in the ordinary course of business; or an advance not to exceed 2 percent of the sales price of the real property being sold or exchanged through the escrow or the amount of any loan secured by real property involved in the escrow, whichever is greater; or the extension of credit or an advance for the costs, fees and expenses of the escrow or of the title insurance issued or to be issued in connection therewith.

(5) Disbursing or offering to disburse on behalf of any person escrow funds held by a title insurer, underwritten title company or controlled escrow company before the conditions of the escrow applicable to that disbursement have been met, or in a manner which does not conform to Section 12413.1, including disbursing or offering to disburse before the expiration of the appropriate period established in Section 12413.1.

(6) Furnishing or offering to furnish all or any part of the time or productive effort of any employee of the title insurer, underwritten title company, or controlled escrow company to any person for any service unrelated to the title business.

(7) Advertising or paying for the advertising in any newspaper, newsletter, magazine, or publication that is produced by, or on behalf of, a person, or that results in a direct, or indirect, subsidy to a person.

(8) Expenditures for food, beverages, and entertainment for a person.

(d) Expenditures for the following are not deemed to be unlawful or in violation of this section:

(1) Promotional items with a permanently affixed company logo of the underwritten title company, title insurer, or controlled escrow company, with a value of not more than ten dollars (\$10) each.

"Promotional item" does not include a gift certificate, gift card, or other item that has a specific monetary value on its face, or that may be exchanged for any other item having a specific monetary value.

(2) Furnishing education or educational materials exclusively related to the business of title insurance for a person if continuing education credits are not provided.

(3) Other expenditures for a person, as permitted by the Department of Insurance by regulation.

(e) The provision or payment of any form of consideration as an inducement for the placement or referral of title business not specifically set forth in this section shall not be presumed lawful merely because they are not specifically prohibited.

(f) The Insurance Commissioner may determine compliance and enforce the provisions of this section by written order, regulation or written consent which may take into consideration standards, conditions, guidelines, principles, or definitions utilized by other states or federal agencies but those standards, conditions, guidelines, principles, or definitions shall not be determinative.

(g) It is the intent of the Legislature that the enactment of this section shall have no effect on the applicability of other sections of the Insurance Code that are in existence prior to the enactment of this section and which specifically, or by implication, refer to this section. The Legislature hereby intends that this section, including the specific terms employed within it, shall be liberally construed for the purpose of protecting

consumers of title business.

12404.1. The furnishing of a preliminary report by any title insurer, controlled escrow company or underwritten title company, without charge to any person, shall constitute a violation of Section 12404. The charge for a preliminary report shall have a reasonable relation to the cost of production of the report but in no event shall it be less than the rate for a standard owners policy, minimum liability, as set forth in the company's rate schedule. After billing any person for a preliminary report the title insurer, controlled escrow company or underwritten title company shall promptly make a good faith attempt to collect; provided, however, that notwithstanding Section 12404, but without limiting the applicability of that section to other transactions, this charge may be waived or canceled, if the company follows uniform practices as to all customers under like circumstances.

(a) After the issuance of the preliminary report, but before the charge is waived or canceled, the files of the issuing company contain a copy of a bona fide sales or exchange agreement, or loan commitment executed by the party or parties in interest relating to the property described in the report, and the sale, exchange, or loan is not consummated.

(b) When the preliminary report so furnished contains a lien or encumbrance or other title defect which the issuing company has refused to eliminate from its policy of title insurance or to provide insurance against loss by reason thereof, and another title insurance company has eliminated the lien or encumbrance or other title defect from its policy of title insurance or provided insurance against loss resulting therefrom within a reasonable period of time from the date of the issuance of the preliminary report.

The furnishing of the names of owners of record, descriptions of real property, and property characteristics, as defined in Section 408.3 of the Revenue and Taxation Code, shall not be deemed to be a violation of Section 12404, whether provided on individual or multiple properties and whether provided in printed form or by electronic media.

Preliminary Report – Required Notice if Offer to Issue Policy

12414.30. (a) When constituting an offer to issue an owner's policy of title insurance, a preliminary report shall incorporate the following statement, in bold print on front of the preliminary report:

“Please read the exceptions shown or referred to below and the exceptions and exclusions set forth in Exhibit A of this report carefully. The exceptions and exclusions are meant to provide you with notice of matters which are not covered under the terms of the title insurance policy and should be carefully considered.

It is important to note that this preliminary report is not a written representation as to the condition of title and may not list all liens, defects, and encumbrances affecting title to the land.”

(b) Upon request, a title insurance company may provide coverage against loss or damage under the terms, conditions, and stipulations of the title insurance policy for any monetary lien set forth in the preliminary report.

(c) This section does not modify any of the provisions of Section 12340.11.

(d) The presumptions created by subdivisions (b) and (c) are presumptions affecting the burden of producing evidence.
